INDEPENDENT AUDITOR'S REPORT

To the Unitholders' of Embassy Office Parks REIT

Report on the Audit of the Consolidated Ind AS Financial Statements**Opinion**

We have audited the accompanying consolidated Ind AS financial statements of Embassy Office Parks REIT (hereinafter referred to as "the REIT"), its subsidiaries and a joint venture (together referred to as "the Group") comprising of the consolidated Balance sheet as at March 31, 2022, the consolidated Statement of Profit and Loss, including other comprehensive income, the consolidated Cash Flow Statement and the consolidated Statement of Changes in Unitholders' Equity for the year then ended and the consolidated Statement of Net Assets at fair value as at March 31, 2022 and the consolidated Statement of Total Returns at fair value and the Statement of Net Distributable Cash Flows ('NDCFs') of the REIT and each of its subsidiaries for the year then ended and notes to the consolidated Ind AS financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time including any guidelines and circulars issued thereunder read with SEBI Circular No. CIR/IMD/DF/146/2016 dated December 29, 2016 (the "REIT regulations") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, to the extent not inconsistent with REIT regulations, of the consolidated state of affairs of the Group as at March 31, 2022, its consolidated profit including other comprehensive income, its consolidated cash flows, the consolidated statement of changes in Unitholders' equity for the year ended on that date, its consolidated net assets at fair value as at March 31, 2022, its consolidated total returns at fair value and the NDCFs of the REIT and each of its subsidiaries for the year ended March 31, 2022.

Basis for Opinion

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs), issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated Ind AS financial statements under the provisions of the REIT Regulations, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Emphasis of Matter

- 1) We draw attention to note 45(iv) to the consolidated Ind AS financial statements which refers to the uncertainty in relation to two pending cases, as regards Property tax dues aggregating to Rs.3,418.89 million as at March 31, 2022, payable by Manyata Promoters Private Limited, before judicial forums, basis previously raised demand notices by the local regulatory authority. Based on legal opinions obtained and pending outcome of such legal matter no provision has been made in these consolidated Ind AS financial statements.

- 2) We draw attention to note 60 to the consolidated Ind AS financial statements, regarding advance aggregating to Rs.4,519.66 million as at March 31, 2022, paid for co-development of M3 Block B property as detailed in note 60, totalling 0.6 msf. As explained by the Group, basis the representation obtained from Embassy Property Development Private Limited, the Group is confident of delivery of the property under development after acquisition of necessary transferable development rights and building approvals.

Our opinion is not modified in respect to the above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated Ind AS financial statements. The results of audit procedures performed by us, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated Ind AS financial statements.

Key audit matters	How our audit addressed the key audit matter
<p>Assessing impairment of Goodwill, Intangible assets with indefinite useful life, Investment property and Property, plant and equipment (as described in note 2.2 (c), 6 and 7 of the consolidated Ind AS financial statements)</p> <p>Goodwill and other Intangible assets with indefinite useful life, acquired in a business combination, are significant items on the balance sheet and management performs impairment testing for such goodwill and intangible assets, annually.</p> <p>Further, the Group's carrying value of Investment properties is Rs.287,302.21 million (including properties under construction –Rs.6,779.98 million) and carrying value of Property, plant and equipment is Rs.30,559.91 million (including capital work in progress – Rs.324.80 million) as at March 31, 2022, which is also subject to impairment testing.</p> <p>In performing such impairment assessments, management compared the carrying value of each of the identifiable cash generating units ("CGUs") to which goodwill and other Intangible assets with indefinite useful life had been allocated with their respective 'value in use' computed based on discounted cash flow method, to determine if any impairment loss should be recognized.</p> <p>Similarly, for ensuring that its investment properties and property, plant and equipment are carried at no more than their recoverable amount, the recoverable amount, i.e. value in use, is determined by forecasting and discounting future cash flows.</p> <p>Considering the impairment assessment involves significant assumptions and judgement, we regard this as a key audit matter.</p>	
	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> - Assessed the management's valuation methodology in determining the recoverable amounts. - Evaluated management's identification of CGU's, the carrying value of each CGU and the methodology followed by management for the impairment assessment in compliance with the applicable accounting standards. - We involved valuation specialists to: <ul style="list-style-type: none"> (a) Assess the valuation reports issued by the independent valuer engaged by the management and compared key property related data used as input with actual data. (b) Assess the key assumptions included in the cash flow forecasts by management and independent valuer, including considerations due to current economic and market conditions including effects of COVID-19 pandemic. (c) Discussed changes in key drivers as compared to actual performance with management in order to evaluate whether the inputs and assumptions used in the valuation models by management and independent valuer were reasonable, including considerations due to current economic and market conditions including effects of COVID-19 pandemic. - We read/assessed the disclosures in the consolidated Ind AS financial statements for compliance with the relevant accounting standards requirements.

Key audit matters	How our audit addressed the key audit matter
Classification of Unitholders' funds as equity (as described in note 19(a) of the consolidated Ind AS financial statements)	
<p>The REIT is required to distribute to its Unitholders not less than ninety percent of its net distributable cash flows for each financial year. Accordingly, a portion of the unitholders' funds contains a contractual obligation of the REIT to pay cash distributions to its Unitholders. The Unitholders' funds could have been classified as compound financial instrument which contains both equity and liability components in accordance with Ind AS 32 - Financial Instruments: Presentation. However, in accordance with SEBI Circulars No. CIR/IMD/DF/141/2016 dated December 26, 2016 and No. CIR/IMD/DF/146/2016 dated December 29, 2016 ("SEBI Circulars") issued under the REIT Regulations, the Unitholders' funds have been classified as equity in order to comply with the mandatory requirements of Section H of Annexure A to the SEBI Circular dated December 26, 2016 dealing with the minimum disclosures for key financial statements.</p> <p>Based on the above, the classification of Unitholders' funds as equity involved considerable management judgement. Accordingly, it is considered as a key audit matter.</p>	<p>Our audit procedures included evaluating the requirements for classification of financial liability and equity under Ind AS 32 and evaluating the provisions of SEBI Circulars for classification/presentation of Unitholders' funds in the consolidated Ind AS financial statements of the REIT.</p> <p>We assessed the disclosures in the consolidated Ind AS financial statements for compliance with the relevant requirements of REIT regulations.</p>

Key audit matters	How our audit addressed the key audit matter
Computation and disclosures of Net Assets and Total Returns at Fair Value (as described in note 2.2(c) and in Statement of Net assets at fair value and Statement of total returns at fair value of the consolidated Ind AS financial statements)	
<p>As per the provisions of REIT Regulations, the REIT is required to disclose Statement of Net Assets at Fair Value and Statement of Total Returns at Fair Value which requires fair valuation of assets. For this purpose, fair value is determined by forecasting and discounting future cash flows. The determination of fair value involves judgement due to inherent uncertainty in the underlying assumptions and it is highly sensitive to changes in some of the inputs used e.g. the discounting rate (WACC), capitalization rates, rental growth rates etc.,</p> <p>Accordingly, the aforementioned computation and disclosures are determined to be a key audit matter in our audit of the consolidated Ind AS financial statements.</p>	<p>Our audit procedures include the following:</p> <ul style="list-style-type: none">- Read the requirements of SEBI REIT regulations for disclosures relating to Statement of Net Assets at Fair Value and Statement of Total Returns at Fair Value.- Assessed the appropriateness of independent valuer's and management's valuation methodology applied in determining the fair values.- Tested controls implemented by management to determine inputs for fair valuation as well as assumptions used in the fair valuation.- We involved valuation specialists to:<ul style="list-style-type: none">(a) Assess the valuation reports issued by the independent valuer engaged by the management and compared key property related data used as input with actual data.(b) Assess the key assumptions included in the cash flow forecasts by management and independent valuer, including considerations due to current economic and market conditions including effects of COVID-19 pandemic.(c) Discussed changes in key drivers as compared to actual performance with management in order to evaluate whether the inputs and assumptions used in the valuation models by management and independent valuer were reasonable, including considerations due to current economic and market conditions including effects of COVID-19 pandemic.- Tested the arithmetical accuracy of computation in the Statement of Net Assets and Total Returns at Fair Value.- Read/Assessed the disclosures in the consolidated financial statements for compliance with the relevant requirements of REIT Regulations.

Key audit matters	How our audit addressed the key audit matter
Related party transactions and disclosures (as described in note 49 of the consolidated Ind AS financial statements)	
<p>The Group has undertaken transactions with its related parties in the normal course of business. These include making acquisition of property, business acquisitions, capital advances, fees for certain services provided by related parties to Group; fees for certain services provided by Group to related parties, etc.as disclosed in Note 49 of the consolidated Ind AS financial statements.</p> <p>We identified the recording of all possible related party transactions and its disclosure as set out in respective notes to the consolidated Ind AS financial statements as a key audit matter due to the significance of transactions with related parties during the year ended March 31, 2022 and regulatory compliance thereon.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none">- Obtained, read and assessed the Group's policies, processes and procedures in respect of identifying related parties, evaluation of arm's length, obtaining necessary approvals, recording and disclosure of related party transactions, including compliance of transactions and disclosures in accordance with REIT regulations.- We tested, on a sample basis, related party transactions with the underlying contracts and other supporting documents for appropriate authorization and approval for such transactions.- We read minutes of Unitholder meetings, Board and its relevant committee meetings and minutes of meetings of those charged with governance of the Manager and SPVs in connection with transactions with related parties effected during the year and Group's assessment of related party transactions being in the ordinary course of business at arm's length and in accordance with REIT regulations.- Assessed and tested the disclosures made in accordance with the requirements of Ind AS and REIT regulations.

Other Information

The Management of Embassy Office Parks Management Services Private Limited ("the Manager"), acting in its capacity as the manager of Embassy Office Parks REIT is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Consolidated Ind AS Financial Statements

The Management of the Manager ('the Management') is responsible for the preparation and presentation of these consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position as at March 31, 2022, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in Unitholders' equity for the year ended March 31, 2022, its consolidated net assets at fair value as at March 31, 2022, its consolidated total returns at fair value of the REIT and the net distributable cash flows of the REIT and each of its subsidiaries for the year ended March 31, 2022 in accordance with the requirements of the REIT regulations; Indian Accounting Standards as defined in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with REIT regulations. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Management, as aforesaid.

In preparing the consolidated Ind AS financial statements, the Board of Directors of the Manager and the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Management and respective Board of Directors of the Companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors, to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated Ind AS financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the REIT and such other entities included in the consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) The Consolidated Balance Sheet and the Consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements; and
- (c) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards as defined in Rule 2(1)(a) of Companies (Indian Accounting Standards) Rules, 2015 (as amended), to the extent not inconsistent with REIT regulations.

Significant accounting policies (refer note 2)

In the previous year ended 31 March 2021, the Trust had issued 64,893,000 units through preferential allotment in exchange for acquisition of 40% stake in VTPL. The same has not been reflected in Consolidated Statement of Cash Flow since it was a non-cash transaction.

The accompanying notes referred to above are an integral part of these Consolidated Financial Statements.

E	NAV (C/D)	Rs	273.10	393.90	285.82	387.54

Notes:**1) Measurement of fair values:**

The fair value of investment property, investment property under development (including capital advances); property, plant and equipment (relating to the hotel property in UPPL, MPPL and QBPL, and the solar power plant in EEPL); capital work-in-progress (relating to the proposed hotel to be developed in ETV); intangibles and the investment in GLSP as at 31 March 2022 and 31 March 2021 has been determined by iVAS Partners, independent external registered property valuers appointed under Regulation 21 of REIT regulations, having appropriately recognised professional qualifications and recent experience in the location and category of the properties being valued in conjunction with value assessment services undertaken by CBRE.

Valuation technique

The fair value measurement for all the investment property, investment property under development, property plant and equipment, intangibles and capital work-in-progress has been categorized as a Level 3 fair value based on the inputs to the valuation technique used.

The valuers have followed a Discounted Cash Flow method. The valuation model considers the present value of net cash flows to be generated from the respective properties, taking into account the expected rental growth rate, vacancy period, occupancy rate, average room rent, lease incentive costs and blended tariff rates. The expected net cash flows are discounted using the risk adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location (prime vs secondary), tenant credit quality, lease terms, seasonality in sustaining a stable average room rent and occupancy for the hotels.

Given the COVID-19 related uncertainties, the independent valuers have, as a precautionary measure, referenced material valuation uncertainty in arriving at their valuation as at 31 March 2022 and 31 March 2021.

2) Property wise break up of Fair value of Assets as at 31 March 2022 is as follows:

* Fair values of investment property, investment property under development, property, plant and equipment, intangibles, capital work in progress and investment in GLSP as at 31 March 2022 and 31 March 2021 as disclosed above are solely based on the fair valuation report of iVAS Partners, independent external registered property valuers appointed under Regulation 21 of REIT regulations, having appropriately recognised professional qualifications and recent experience in the location and category of the properties being valued in conjunction with value assessment services undertaken by CBRE.

For the purpose of fair valuation of assets, the Embassy Office Parks Group has fair valued its investment property, investment property under development (including capital advances), property, plant and equipment (relating to the hotel property in UPPL, MPPL and QBPL and the solar power plant in EEPL); capital work-in-progress (relating to the proposed hotel to be developed in ETV assets); intangibles and the investment in GLSP.

** Fair value of equity investments in GLSP has been done based on equity valuation method proportionate to stake held in GLSP.

*** Other assets at book value include Goodwill of Rs.64,045.35 million on book value basis (net off impairment loss, refer note 6). The Goodwill of Rs.64,045.35 million (31 March 2021: Rs.63,946.24 million) mainly arises on account of requirement to value individual assets and liabilities acquired on business combination at fair values using an approach as more fully described in note 50 as well as the requirement to recognise deferred tax liability of Rs.53,207.28 million (31 March 2021: Rs.53,207.28 million), calculated as a difference between the tax effect of the fair value of the acquired assets and liabilities and their tax bases.

Notes:

- (i) Other assets includes cash and cash equivalents and other working capital balances which are not factored in the discounted cashflow method used in determining the fair value of investment property, investment property under development, property, plant and equipment, capital work-in-progress and intangibles.
- (ii) Total liabilities includes all liabilities except lease liability.

B) Statement of Total Returns at Fair value

S.No	Particulars	For the year ended 31 March 2022	For the year ended 31 March 2021
A	Total comprehensive income	8,884.68	6,984.34
B	Add : Changes in fair value not recognised in total comprehensive income (refer notes below)	11,777.97	14,968.85
C (A+B)	Total Return	20,662.65	21,953.19

Notes:

- In the above statement, changes in fair value for the year ended 31 March 2022 and 31 March 2021 has been computed based on the difference in fair values of investment property, investment property under development, property, plant and equipment (relating to the hotel property in UPPL, MPPL and QBPL and the solar power plant in EEPL); capital work-in-progress (relating to the proposed hotel to be developed in ETV assets); intangibles and investment in GLSP as at 31 March 2022 and 31 March 2021 as compared with the values as at 31 March 2021 and 31 March 2020 respectively, net of cash spent on construction during the year. The fair values of the afore-mentioned assets as at 31 March 2022 and 31 March 2021 are solely based on the valuation report of iVAS Partners, independent external registered property valuers appointed under Regulation 21 of REIT regulations, having appropriately recognised professional qualifications and recent experience in the location and category of the properties being valued in conjunction with value assessment services undertaken by CBRE.
- ETV assets were acquired on 24 December 2020 and accordingly the statement of total returns at fair value does not include any difference in fair values of Investment Property, Investment property under development, Property, Plant and Equipment, Capital Work-in-progress and intangibles for ETV assets for the year ended 31 March 2021.

1. The Board of Directors of the Manager to the Trust, in their meeting held on 28 April 2022, have declared distribution to Unitholders of Rs.5.26 per unit which aggregates to Rs.4,985.92 million for the quarter ended 31 March 2022. The distribution of Rs.5.26 per unit comprises Rs.0.70 per unit in the form of interest payment, Rs.2.25 per unit in the form of dividend and the balance Rs.2.31 per unit in the form of amortization of SPV debt.

Along with distribution of Rs.15,640.25 million/ Rs.16.50 per unit for the nine months ended 31 December 2021, the cumulative distribution for the year ended 31 March 2022 aggregates to Rs.20,626.17 million/ Rs.21.76 per unit.

2. NDCF for the year ended 31 March 2022 is computed in accordance with the revised NDCF framework. The Manager has made certain clarificatory amendments to the NDCF framework under the Distribution Policy to ensure that there is no ambiguity in computing the NDCF at Embassy REIT and SPV/ Holdco level. The amended framework is approved by a special majority in the Unitholder's Meeting held on 8 July 2021 and is effective from 1 April 2021.

2. Significant accounting policies

2.1 Basis of preparation of Consolidated Financial Statements

The Consolidated Financial Information of the Embassy Office Parks Group comprises the Consolidated Balance Sheet and the Consolidated Statement of Net Assets at fair value as at 31 March 2022, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Statement of Cash Flow, the Consolidated Statement of Changes in Unitholders' Equity, the Statement of Net Distributable Cashflows of Embassy REIT and each of the SPVs, the Consolidated Statement of Total Returns at fair value and a summary of significant accounting policies and other explanatory information for the year ended 31 March 2022. The Consolidated Financial Statements were approved for issue in accordance with resolution passed by the Board of Directors of the Manager on behalf of the Trust on 28 April 2022. The Consolidated Financial Statements have been prepared in accordance with the requirements of SEBI (Real Estate Investment Trusts) Regulations, 2014, as amended from time to time read including any guidelines and circulars issued thereunder read with SEBI Circular No. CIR/IMD/DF/146/2016 dated 29 December 2016 ("the REIT regulations"); Indian Accounting Standard as defined in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 prescribed under Section 133 of the Companies Act, 2013 ('Ind AS'), read with relevant rules issued thereunder and other accounting principles generally accepted in India, to the extent not inconsistent with REIT Regulations.

On March 24, 2021, the Ministry of Corporate Affairs (MCA) through a notification, amended Schedule III of the Companies Act, 2013 and the amendments are applicable for financial periods commencing from 1 April 2021. The preparation of consolidated financial statements is after taking into consideration the effect of the amended Schedule III, to the extent relevant to the presentation requirements of Division II of Schedule III. The Group has also reclassified the previous year figures in accordance with the requirements applicable in the current year.

The Consolidated Financial Statements are presented in Indian Rupees in Millions, except when otherwise indicated.

Statement of compliance to Ind AS

These Consolidated Financial Statements for the year ended 31 March 2022 are the financial statements of the Embassy Office Parks Group and have been prepared in accordance with Indian Accounting Standards as defined in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 prescribed under Section 133 of the Companies Act, 2013 ('Ind AS'), to the extent not inconsistent with REIT regulations.

ETV assets were acquired on 24 December 2020 by Embassy REIT. The ETV assets have been consolidated from 31 December 2020, a date close to the acquisition date, as there are no significant transactions or events that have occurred between 24 December 2020 and 31 December 2020 and the effect thereof is not considered to be material to the results for the previous year ended 31 March 2021.

The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances. The financial statements of all the SPVs and the Trust used for the purpose of consolidation are drawn up for the year ended 31 March 2022.

Basis of Consolidation

(i) Subsidiaries

The Embassy Office Parks Group consolidates entities which it owns or controls. The Consolidated Financial Statements comprise the financial statements of the Embassy Office Parks REIT and its subsidiary SPVs as disclosed in Note 1. Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases.

The procedure for preparing Consolidated Financial Statements of the Embassy Office Parks Group are stated below:

- The Consolidated Financial Statements have been prepared using the principles of consolidation as per Ind AS 110 – Consolidated Financial Statements, to the extent applicable.
- Goodwill is recognised in the Consolidated Financial Statements at the excess of cost of investment over share of fair value of net assets acquired on the date of acquisition.
- The Consolidated Financial Statements of the Embassy Office Parks Group are consolidated on a line-by-line basis and intragroup balances and transactions for assets and liabilities, equity, income, expenses and cash flows between entities of the Embassy Office Parks Group are eliminated in full upon consolidation.
- Non-controlling interests in the net assets (excluding goodwill) of consolidated subsidiaries are identified separately from the equity attributable to shareholders of the Company. The interest of non-controlling shareholders may be initially measured either at fair value or at the non-controlling interests' proportionate share of the fair value of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis.

2. Significant accounting policies

Basis of Consolidation (continued)

(ii) Interests in joint arrangements

A joint arrangement is an arrangement of which two or more parties have joint control. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the arrangement. The results of joint ventures are incorporated in these Consolidated Financial Statements using the equity method of accounting as described below:

Under the equity method of accounting, the investments are initially recognised at cost on the date of acquisition and adjusted thereafter to recognize the Embassy Office Parks Group's share of the post-acquisition profits or losses of the investee in profit and loss, and Embassy Office Parks Group's share of other comprehensive income of the investee in other comprehensive income.

Goodwill is calculated at excess of cost of investment over share of fair value of net assets acquired on the date of acquisition and is disclosed as an additional information in the Notes to the Consolidated Financial Statements.

Dividends received or receivable from joint ventures are recognised as a reduction in the carrying amount of the investment.

When Embassy Office Parks Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, Embassy Office Parks Group does not recognize further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between Embassy Office Parks Group and joint ventures are eliminated to the extent of Embassy Office Parks Group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees are consistent with the policies adopted by the Embassy Office Parks Group.

The carrying amount of equity accounted investments are tested for impairment in accordance with the Embassy Office Parks Group's policy.

Basis of Business Combination

The Embassy Office Parks Group accounts for its business combinations under acquisition method of accounting. Acquisition related costs are recognised in the consolidated statement of profit and loss as incurred. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the condition for recognition are recognised at their fair values at the acquisition date.

The Embassy Office Parks Group determines that it has acquired a business when the acquired set of activities and assets include an input and a substantive process that together significantly contribute to the ability to create outputs. The acquired process is considered substantive if it is critical to the ability to continue producing outputs, and the inputs acquired include an organised workforce with the necessary skills, knowledge, or experience to perform that process or it significantly contributes to the ability to continue producing outputs and is considered unique or scarce or cannot be replaced without significant cost, effort, or delay in the ability to continue producing outputs. When the Embassy Office Parks Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date.

When the acquisition of subsidiaries does not represent a business combination, it is accounted for as an acquisition of a group of assets and liabilities. The cost of the acquisition is allocated to the assets and liabilities acquired based upon their relative fair values and no goodwill or deferred tax is recognised.

When the acquisition of subsidiaries represent a business combination, purchase consideration paid in excess of the fair value of net assets acquired is recognised as goodwill. Where the fair value of identifiable assets and liabilities exceed the cost of acquisition, after reassessing the fair values of the net assets and contingent liabilities, the excess is recognised as capital reserve.

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date. Contingent consideration is classified either as equity or a financial liability. Amounts classified as a financial liability are subsequently remeasured to fair value with changes in fair value recognised in profit or loss, except for changes in fair value which are measurement period adjustments, wherein the change is adjusted with the asset/liability recognised at the acquisition date with corresponding adjustment to goodwill. Contingent consideration that is classified as equity is not re-measured at subsequent reporting dates subsequent its settlement is accounted for within equity.

The interest of non-controlling shareholders is initially measured either at fair value or at the non-controlling interests' proportionate share of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity of subsidiaries.

Business combinations arising from transfers of interests in entities that are under common control are accounted at historical cost. The difference between any consideration given and the aggregate historical carrying amounts of assets and liabilities of the acquired entity is recorded in Unitholders' equity.

(all amounts in Rs. million unless otherwise stated)

2.2 Summary of significant accounting policies

a) Functional and presentation currency

The Consolidated Financial Statements are presented in Indian Rupees, which is the Embassy Office Parks REIT's functional currency and the currency of the primary economic environment in which the Embassy Office Parks Group operates. All financial information presented in Indian Rupees has been rounded off to nearest million except unit and per unit data.

b) Basis of measurement

The Consolidated Financial Statements are prepared on the historical cost basis, except for the following:

- Certain financial assets and liabilities (refer accounting policy regarding financial instrument): measured at fair values;
- Net defined benefit (asset)/ liability less present value of defined obligations: Fair value of plan assets less present value of defined benefit plan;
- The assets and liabilities of the SPVs on the date of acquisition have been accounted using their Fair value and the goodwill / capital reserve amount has been calculated accordingly; and
- Contingent consideration: measured at fair value.

c) Use of judgments and estimates

The preparation of Consolidated Financial Statements in conformity with generally accepted accounting principles in India (Ind AS) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Information about critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the Consolidated Financial Statements is included in the following notes:

i) Business combinations

The Embassy Office Parks Group acquires subsidiaries that own real estate. At the time of acquisition, the Group considers whether each acquisition represents the acquisition of a business or the acquisition of an asset. The Group accounts for an acquisition as a business combination where an integrated set of activities and assets, including property, is acquired. More specifically, consideration is given to the extent to which substantive processes are acquired and, in particular, the extent of services provided by the subsidiary.

In accounting for business combinations, judgment is required in identifying whether an identifiable intangible asset is to be recorded separately from goodwill. Estimating the acquisition date fair value of the identifiable assets acquired, useful life thereof and liabilities assumed involves management judgment. These measurements are based on information available at the acquisition date and are based on expectations and assumptions that have been deemed reasonable by the management. Changes in these judgments, estimates and assumptions can materially affect the results of operations.

ii) Impairment of goodwill and intangible assets with infinite useful life

For the purpose of impairment testing, goodwill and intangible assets with infinite useful life acquired in a business combination is, from the acquisition date, allocated to each of the Embassy Office Parks Group's cash-generating units that are expected to benefit from the combination. In performing such impairment assessments, management compared the carrying value of each of the identifiable cash generating units ("CGUs") to which goodwill and such intangible assets had been allocated with their respective 'value in use' computed based on discounted cash flow method, to determine if any impairment loss should be recognized. The discounted cash flow method involves estimating future cash flows, growth rates and discount rates which require significant management judgement - Note 2.2 (j).

iii) Classification of lease arrangements as finance lease or operating lease - Note 2.2 (r).

iv) Classification of assets as investment property or as property, plant and equipment - Notes 2.2 (f) and (g).

v) Significant judgements involved in the purchase price allocation of the assets acquired and liabilities assumed on account of Business Combination and deferred tax accounting on the resultant fair value accounting- Note on Basis of Business Combination and Note 2.2 (v) (ii).

vi) Judgements in preparing Consolidated Financial Statements - Note 2.1.

vii) Classification of Unitholders' funds - Note 19(a).

2.2 Summary of significant accounting policies (continued)

c) Use of judgments and estimates (continued)

Information about assumptions and estimation uncertainties that have a significant risk resulting in a material adjustment during the year ended 31 March 2022 is included in the following notes:

- i) Fair valuation and disclosures and impairment of non-financial assets being investment properties and property plant and equipment - The fair value of investment properties and property, plant and equipment are reviewed regularly by management with reference to independent property valuations and market conditions existing at half yearly basis. The independent valuers are independent appraisers with a recognised and relevant professional qualification and with recent experience in the location and category of the investment property being valued. Judgment is also applied in determining the extent and frequency of independent appraisals. SEBI Circulars issued under the REIT Regulations require disclosures relating to net assets at fair value and total returns at fair value (Refer Statement of net assets at fair value and Statement of total returns at fair value for details). Refer note 2.2 (j) as regards estimates and assumptions involved in impairment assessment of non-financial assets being investment properties and property plant and equipment.
- ii) Useful lives of Investment Property and Property, Plant and Equipment–Notes 2.2(f) and (g).
- iii) Valuation of financial instruments –Note 2.2 (l).
- iv) Recognition of deferred tax asset on carried forward losses and recognition of minimum alternate tax credit: availability of future taxable profit against which tax losses carried forward can be used- Note 2.2(v)(ii). Further, significant judgements are involved in determining the provision for income taxes, including recognition of minimum alternate tax credit, in SPVs entitled for tax deduction under Section 80IAB of the Income Tax Act, 1961, wherein the tax deduction is dependent upon necessary details available for exempt and non-exempt income.
- v) Uncertainty relating to the global health pandemic on COVID-19: The Group has considered the possible effects that may result from the pandemic relating to COVID-19 on revenue recognition, the carrying amounts of goodwill, investment property (including under development), property, plant and equipment, capital work in progress, equity accounted investee, intangible assets and receivables. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Group, as at the date of approval of these financial statements has used internal and external sources of information including reports from International Property Consultants and related information, economic forecasts and consensus estimates from market sources on the expected future performance of the Group, and have compared the actual performance with the projections and expects the carrying amount of these assets as reflected in the balance sheet as at 31 March 2022 will be recovered. The management has also estimated the future cash flows with the possible effects that may result from the COVID-19 pandemic and does not foresee any adverse impact on realising its assets and in meeting its liabilities as and when they fall due. The impact of COVID-19 on the Group's financial statements may differ from that estimated as at the date of approval of these Consolidated Financial Statements.

d) Current versus non-current classification

The Embassy Office Parks Group presents assets and liabilities in the Consolidated Balance Sheet based on current/ non-current classification:

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
 - Held primarily for the purpose of trading;
 - Expected to be realised within twelve months after the reporting period; or
 - Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Embassy Office Parks Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Embassy Office Parks Group has identified twelve months as its operating cycle.

2.2 Summary of significant accounting policies (continued)

e) Measurement of fair values

A number of the Embassy Office Parks Group accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- in the absence of a principal market, in the most advantageous market for the Asset or liability.

The principal or the most advantageous market must be accessible by the Embassy Office Parks Group. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Embassy Office Parks Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

The Embassy Office Parks Group has an established control framework with respect to the measurement of fair values. The Embassy Office Parks Group engages with external registered valuers for measurement of fair values in the absence of quoted prices in active markets.

While measuring the fair value of an asset or liability, the Embassy Office Parks Group uses market observable data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on inputs used in the valuation techniques as follows-

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Embassy Office Parks Group uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Embassy Office Parks Group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

f) Investment properties

Property that is held for long-term rental yields or for capital appreciation or both is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Embassy Office Parks Group and the cost of the item can be measured reliably. The cost of the assets not ready for their intended use before such date, are disclosed as investment property under development. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of such replaced position is derecognised.

Investment properties are depreciated on straight-line method over their estimated useful lives. However, where the management's estimate of the remaining useful life of the assets on a review subsequent to the time of acquisition is different, then depreciation is provided over the remaining useful life based on the revised useful life. The residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively.

Pursuant to this policy, Management's estimates of useful life of the following major assets under straight-line method are as follows:

Asset category	Estimated useful life (in years)
Buildings	60 years
Plant and Machinery	15 years
Furniture and Fixtures	12 years
Electrical Equipment	15 years
Leasehold land*	30 - 99 years based on the primary lease period

Pro-rata depreciation is provided on properties purchased or sold during the year.

*Upfront premium paid under lease-cum-sale agreements to acquire land where the Embassy Office Parks Group has an option to purchase the land at the end of during the lease term are not amortised over the lease period.

Investment property acquired on Business Combination is depreciated over the remaining useful life from the date of acquisition as certified by the technical valuer.

Investment properties are subsequently measured at cost less accumulated depreciation and impairment losses, if any.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition. In determining the amount of consideration from the derecognition of investment property the Group considers the effects of variable consideration, existence of a significant financing component, non-cash consideration, and consideration payable to the buyer (if any).

Note: Plant and machinery, furniture and fixtures and electrical equipment which are physically attached to the building are considered as part of the investment property.

2.2 Summary of significant accounting policies (continued)

g) Property, plant and equipment and intangible assets

Property, plant and equipment are carried at cost of acquisition or construction less accumulated depreciation. The cost of property, plant and equipment includes freight, duties, taxes and other incidental expenses related to the acquisition or construction of the respective assets. The cost of such assets not ready for their intended use are disclosed as capital work-in-progress.

Intangible assets are recorded at their acquisition cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

Depreciation is provided on the straight-line basis over the estimated useful lives of each component of an item of property, plant and equipment and intangibles as follows:

Asset category	Estimated useful life (in years)
Buildings	60 years
Plant and Machinery	15 years
Furniture and Fixtures	12 years
Electrical Equipment	15 years
Office Equipment	5 years
Computers	3 years
Computer Software	3 years
Operating Supplies	2-5 years
Vehicles	8 years

Upfront premium paid under lease-cum-sale agreements to acquire land where the Embassy Office Parks Group has an option to purchase the land at the end of/ during the lease term are not amortised over the lease period.

The useful lives of intangible assets are assessed as either finite or indefinite.

Right to use trademark: The earnings potential of trade name/ trademark can at times be substantial. A trademark is recognized on a reporting company's balance sheet as an intangible asset separate from goodwill because it satisfies either of the following two tests:

- It arises from legal rights (a trademark is essentially a bundle of rights)
- It is capable of being sold, transferred, and licensed separately from other assets of the acquiring company

The recognition of an acquired trademark is performed as part of a purchase price allocation, whereby a portion of the price paid by the acquirer for all of the acquired assets is assigned to the trademark using an acceptable valuation methodology.

The life of the Right to use trademark is considered indefinite because there is no foreseeable limit nor any specific covenant that limits the time period over which the asset is expected to generate net cash inflows for the SPVs.

Intangible assets comprising of Right to use trademark with indefinite useful lives are not amortised, but are tested for impairment annually, at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Power purchase agreement is one of the essential contracts required for a small power generating company with limited production capacity and marketability. Since sales with the customer take the form of a contract, the power purchase agreement meets the contractual criteria for recognition. This agreement provides ongoing and repeat business for the company and provides a platform for the company to reach profitability.

The initial useful life of the power purchase agreements is estimated to be 25 years based on the contract period and hence are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period and adjusted prospectively.

CAM service rights are contract-based intangible assets, which represent the value of contractual rights that arise from contractual arrangements. An entity establishes relationships with its customers through certain contracts, these customer relationships arise from contractual rights.

CAM service rights are recognised at their fair value as at the date of acquisition, these are subsequently amortised on a straight-line basis, over their estimated contractual lives.

Property, plant and equipment and Intangibles acquired on Business Combination, except right-to-use trademark, is depreciated over the remaining useful life from the date of acquisition as certified by the technical valuer.

When parts of an item of plant and equipment have different useful lives, they are treated as separate components and depreciated over their respective estimated useful lives.

The residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively.

Pro-rata depreciation is provided on all property, plant and equipment and intangible assets purchased or sold during the year.

Property, plant and equipment are subsequently measured at cost net of accumulated depreciation and accumulated impairment losses, if any.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

2.2 Summary of significant accounting policies (continued)

h) Non-current assets held for sale

Non-current assets are classified as held for sale if it is highly probable that they will be recovered primarily through sale rather than through continuing use. Such assets are generally measured at the lower of their carrying amount and fair value less costs of disposal. Losses on initial classification as held for sale and subsequent gains and losses on re-measurement are recognised in the Consolidated Statement of Profit and Loss.

Once classified as held-for-sale, intangible assets, property, plant and equipment and investment properties are no longer amortised or depreciated, and any equity-accounted investee is no longer equity accounted.

i) Inventory

Stores and operating supplies

Inventories which comprises food and beverages and operating supplies are valued at lower of cost or net realisable value. Cost of inventories comprises purchase price, costs of conversion and other incidental costs incurred in bringing the inventories to their present location and condition. In determining the cost, weighted average cost method is used.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs to sell.

j) Impairment of non-financial assets

The Embassy Office Parks Group assesses, at each reporting date, whether there is an indication that a non-financial asset other than inventories and deferred tax assets may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Embassy Office Parks Group estimates the asset's recoverable amount.

An impairment loss is recognised in the Consolidated Statement of Profit and Loss if the carrying amount of an asset or its cash-generating unit (CGU) exceeds its recoverable unit. Impairment loss recognised in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU on a pro-rata basis. A CGU is the smallest identifiable asset group that generates cash flows that are largely independent from other assets and groups. Impairment losses are recognised in the Consolidated Statement of Profit and Loss, unless it reverses previous revaluation credited to equity, in which case it is charged to equity.

Goodwill arising from a business combination is allocated to CGUs or group of CGUs that are expected to benefit from the synergies of the combination. Goodwill is tested for impairment on an annual basis and more often, if there is an indication that goodwill may be impaired, relying on a number of factors including operating results, business plans and future cash flows. Impairment is determined for goodwill by assessing the recoverable amount of each CGU (or group of CGUs) to which the goodwill relates. When the recoverable amount of the CGU is less than its carrying amount, an impairment loss is recognised.

An asset's recoverable amount is the higher of an asset's or CGU's fair value less costs of disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or CGU.

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss in respect of goodwill is not subsequently reversed. In respect of other assets, such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation, if no impairment loss had been recognised.

k) Foreign currency transactions

Transactions in foreign currencies are translated into the respective functional currencies of Embassy Office Parks Group's entities at the exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction.

Exchange differences arising on foreign exchange transactions settled and from translations during the year are recognised in the Consolidated Statement of Profit and Loss of the year except exchange differences arising from the translation of the items which are recognised in OCI.

l) Financial instruments

i) Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Embassy Office Parks Group becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit or loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

2.2 Summary of significant accounting policies (continued)

i) Financial instruments (continued)

ii) Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- Amortised cost;
- Fair value through other comprehensive income (FVOCI) – debt instrument;
- Fair value through other comprehensive income (FVOCI) – equity instrument; or
- Fair value through profit or loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Embassy Office Parks Group changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of the principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of the principal and interest on the principal amount outstanding.

On initial recognition of an equity instrument that is not held for trading, the Embassy Office Parks Group may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment by investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Embassy Office Parks Group may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI or at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Embassy Office Parks Group makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to the Management. The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realising cash flows through the sale of the assets;
- how the performance of the portfolio is evaluated and reported to the Embassy Office Parks Group's management;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- how managers of the business are compensated – e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Embassy Office Parks Group's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest

For the purpose of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Embassy Office Parks Group considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Embassy Office Parks Group considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Embassy Office Parks Group's claim to cash flows from specified assets (e.g. non – recourse features)

A prepayment feature is consistent with the solely payment of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

2.2 Summary of significant accounting policies (continued)

l) Financial instruments (continued)

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit and loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit and loss.
Debt instruments at FVOCI	These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to profit and loss.
Equity instruments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit and loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit and loss. Any gain or loss on derecognition is also recognised in profit and loss.

iii) Derecognition

Financial assets

The Embassy Office Parks Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Embassy Office Parks Group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Embassy Office Parks Group enters into transactions whereby it transfers assets recognised in its Consolidated Balance Sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Embassy Office Parks Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired.

The Embassy Office Parks Group also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit and loss.

iv) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the Consolidated Balance Sheet only when the Embassy Office Parks Group has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

m) Compound financial instruments

The liability component of a compound financial instrument is initially recognised at the fair value of a similar liability that does not have an equity conversion option. The equity component is initially recognised at the difference between the fair value of the compound financial instrument as a whole and the fair value of the liability component. Any directly attributable transaction costs are allocated to the liability and equity components in proportion to their initial carrying amounts.

Subsequent to initial recognition, the liability component of a compound financial instrument is measured at amortised cost using the effective interest method. The equity component of a compound financial instrument is not measured subsequently.

Interest related to the financial liability is recognised in profit and loss (unless it qualifies for inclusion in cost of asset). In case of conversion at maturity, the financial liability is reclassified to equity and no gain or loss is recognised.

n) Rental support

Rental supports that are an integral part of an acquisition transaction is treated as a deduction in the acquisition cost of such investment property. Where, the right to receive the rental support is spread over a period of time, the right to receive the rental support is reduced from the acquisition cost and is recognised as a financial asset at fair value and subsequently measured at amortised cost based on effective interest rate method.

(all amounts in Rs. million unless otherwise stated)

2.2 Summary of significant accounting policies (continued)

o) Impairment of financial assets

Financial assets

The Embassy Office Parks Group recognises loss allowances for expected credit losses on:

- financial assets measured at amortised cost; and
- financial assets measured at FVOCI- debt investments

At each reporting date, the Embassy Office Parks Group assesses whether financial assets carried at amortised cost and debt securities at FVOCI are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer; or
- a breach of contract such as a default or being past due for 180 days or more; or
- the restructuring of a loan or advance by the Embassy Office Parks Group on terms that in the material assessment of the Embassy Office Parks Group it would not consider otherwise; or
- it is probable that the borrower will enter bankruptcy or other financial reorganization; or
- the disappearance of an active market for a security because of financial difficulties

The Embassy Office Parks Group measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- debt securities that are determined to have low credit risk at the reporting date; and
- other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Embassy Office Parks Group is exposed to credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Embassy Office Parks Group considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Embassy Office Parks Group's historical experience and informed credit assessment and including forward-looking information.

The Embassy Office Parks Group assumes that the credit risk on a financial asset has increased significantly if it is more than 180 days past due.

The Embassy Office Parks Group considers a financial asset to be default when:

- the borrower is unlikely to pay its credit obligations to the Embassy Office Parks Group in full, without recourse by the Embassy Office Parks Group to actions such as realising security (if any is held); or
- the financial asset is 180 days or more past due without any security

Measurement of expected credit losses: Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Embassy Office Parks Group and the cash flows that the Embassy Office Parks Group expects to receive).

Presentation of allowance for expected credit losses in the balance sheet: Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets. For debt securities at FVOCI, the loss allowance is charged to profit and loss account and is recognised in OCI.

Write-off: The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Embassy Office Parks Group determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Embassy Office Parks Group's procedures for recovery of amounts due.

Majority of the financial assets of the Embassy Office Parks Group pertain to trade and other receivables. Considering the nature of business, the Embassy Office Parks Group does not foresee any credit risk on its trade and other receivables which may cause an impairment. As per the agreement with tenants, the receivables are covered by clause of payment security mechanism which ensures receipt of all trade receivables. Also, the Embassy Office Parks Group does not have any past history of significant impairment of trade and other receivables.

p) Embedded derivatives

When the Embassy Office Parks Group becomes a party to a hybrid contract with a host that is not an asset within the scope of Ind AS 109 Financial Instruments, it identifies whether there is an embedded derivative. Embedded derivatives are separated from the host contract and accounted for separately if the host contract is not a financial asset and certain criteria are met.

2.2 Summary of significant accounting policies (continued)

q) Financial guarantee contracts

Financial guarantee contracts are recognised as a financial liability at the time the guarantee is issued. The liability is initially measured at fair value and subsequently at the higher of the amount determined in accordance with Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets and the amount initially recognised less cumulative amortisation, where appropriate.

The fair value of financial guarantees is determined as the present value of the difference in net cash flows between the contractual payments under the debt instrument and the payments that would be required without the guarantee, or the estimated amount that would be payable to a third party for assuming the obligations.

When guarantees in relation to debt or other payables of subsidiaries or associates are provided for with no compensation, the fair values are accounted as contributions and recognised as part of the cost of investment.

r) Leases

Embassy Office Parks Group as a lessee

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Embassy Office Parks Group recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability, adjusted for any lease payments made at or before the commencement date, less any lease incentives received, plus any initial direct costs incurred and an estimate of the costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located.

The right-of-use assets is subsequently measured at cost less accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the Statement of Profit and Loss.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the incremental borrowing rate applicable to the entity within the Embassy Office Parks Group. Generally, the Embassy Office Parks Group uses its incremental borrowing rate as the discount rate. For leases with reasonably similar characteristics, the Embassy Office Parks Group, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole.

The Embassy Office Parks Group recognises the amount of the re-measurement of lease liability as an adjustment to the right-of-use asset. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Embassy Office Parks Group recognises any remaining amount of the re-measurement in profit and loss.

The Embassy Office Parks Group has elected not to recognise right-of-use assets and lease liabilities for short-term leases of all assets that have a lease term of 12 months or less and leases of low-value assets. The Embassy Office Parks Group recognizes the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Embassy Office Parks Group as a lessor

i. Determining whether an arrangement contains a lease

At inception of an arrangement, it is determined whether the arrangement is or contains a lease. At inception or on reassessment of the arrangement that contains a lease, the payments and other consideration required by such an arrangement are separated into those for other elements on the basis of their relative fair values.

ii. Assets held under leases

Leases in which the Embassy Office Parks Group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease term. The lease term is the non-cancellable period together with any further term for which the tenant has the option to continue the lease, where, at the inception of the lease, the Embassy Office Parks Group is reasonably certain that the tenant will exercise that option. Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Embassy Office Parks Group to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Embassy Office Parks Group's net investment in the leases.

iii. Initial direct costs

Initial direct costs such as brokerage expenses incurred specifically to earn revenues from an operating lease are capitalised to the carrying amount of leased asset and recognised over the lease term on the same basis as rental income.

2.2 Summary of significant accounting policies (continued)

s) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. This inter alia involves discounting of the consideration due to the present value if payment extends beyond normal credit terms.

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services.

Revenue is recognised when recovery of the consideration is probable and the amount of revenue can be measured reliably.

i) Rental income from investment properties

Rental income from property leased under operating lease is recognised in the statement of profit and loss on a straight-line basis over the term of the lease. Lease incentives granted are recognised as an integral part of the total rental income. The lease term is the non-cancellable period together with any further term for which the tenant has the option to continue the lease, where, at the inception of the lease, the Embassy Office Parks Group is reasonably certain that the tenant will exercise that option. Contingent rents are recognised as revenue in the period in which they are earned on a receipt basis.

ii) Income from finance lease

For assets let out under finance lease, the Group recognises a receivable at an amount equal to the net investment in the lease. Rentals received are accounted for as repayment of principal and finance income. Minimum lease payments receivable on finance leases are apportioned between the finance income and the reduction of the outstanding receivable. The finance income allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining net investment in the finance lease. Contingent rents are recorded as income in the periods in which they are earned.

iii) Revenue from Room Rentals

Revenue from room rentals are based on the occupancy charged on the basis of room rates which are contracted (exclusive of applicable taxes).

iv) Revenue from contract with customers

- a) Revenue from maintenance services is recognised as and when the services are rendered based on the terms of the contracts with the lessees.
- b) Revenue from Food, beverages and banquets
Revenue from food and beverages are recorded as and when food is served. Revenue generated from the banquet services offered are charged on the basis of cover charges per person which is billed (exclusive of applicable taxes) based on guaranteed covers if actual cover is less than contracted.
- c) Other operating income
Other operating income, including service charges on rooms and Food & Beverage (F&B) revenues and other hospitality-related operating income is recognised when the services are rendered and the same become chargeable. Revenue from other services is recognised on accrual basis as per the terms of the agreement.

v) Recognition of dividend and interest income

Dividend income is recognised in profit and loss on the date on which the Embassy Office Parks Group's right to receive payment is established.

Interest income is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset.

In calculating interest income, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired). However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

t) Employee benefits

Defined contribution plan

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Embassy Office Parks Group makes specified monthly contributions towards government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit and loss in the periods during which the related services are rendered by employees. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

Gratuity

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Embassy Office Parks Group's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Embassy Office Parks Group, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

2.2 Summary of significant accounting policies (continued)

t) Employee benefits (continued)

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI. The Embassy Office Parks Group determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss. The Embassy Office Parks Group recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Compensated absences

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid, if the Embassy Office Parks Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

Assets or liabilities related to employee benefit arrangements acquired on Business Combination are recognised and measured in accordance with Ind AS 19 Employee Benefits.

u) Borrowing costs

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

Interest expense is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments through the expected life of the financial instrument to the amortised cost of the financial liability. In calculating interest expense, the effective interest rate is applied to the amortised cost of the liability.

Capitalisation rate used to determine the amount of borrowing costs to be capitalised is the weighted average borrowing costs (WABC). Capitalisation of borrowing costs is suspended during the extended period in which active development is interrupted. Capitalisation of borrowing costs is ceased when substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are complete.

v) Taxation

Income tax comprises current and deferred tax. Income tax expense is recognised in the Consolidated Statement of Profit and Loss except to the extent it relates to items directly recognised in equity or in other comprehensive income.

(i) Current tax:

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the period/year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

(ii) Deferred tax:

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- Temporary differences arising on the initial recognition of assets and liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction;
- Temporary differences related to investments in subsidiaries, associates, and joint arrangements to the extent that the Embassy Office Parks Group is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
- Taxable temporary differences arising on initial recognition of goodwill.

Deferred income tax asset are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Embassy Office Parks Group recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised.

Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/reduced to the extent that it is probable/no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted at the reporting date.

2.2 Summary of significant accounting policies (continued)

v) Taxation (continued)

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Embassy Office Parks Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax assets and liabilities, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

Tax impact of timing difference which arise during the tax holiday period are recognised only to the extent of those differences which are reversed after the tax holiday period.

Minimum Alternative Tax ('MAT') under the provisions of the Income Tax, 1961 is recognised as current tax in the Consolidated Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Embassy Office Parks Group will pay normal income tax during the period for which MAT credit can be carried forward for set-off against normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

Deferred tax assets or liabilities acquired on Business Combination are recognised and measured in accordance with Ind AS 12 Income taxes.

w) Provisions and contingencies

The Embassy Office Parks Group recognises a provision when there is a present obligation (legal or constructive) as a result of a past obligating event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

If the effect of the time value of money is material, provisions are discounted.

x) Operating segments

An operating segment is a component of the Embassy Office Parks Group that engages in business activities from which it may earn revenues and incur expenses. All operating segments' operating results are reviewed regularly by a representative of the Embassy Office Parks Group, the Embassy Office Parks Group's Chief Operating Decision Maker ('CODM'), to make decisions about resources to be allocated to the segment and assess its performance, and for which discrete financial information is available.

Net Operating Income ('NOI') is the key metric reported to the CODM for the purposes of assessment of the segment results. The same is defined as follows:

Commercial Offices segment:

NOI for commercial offices is defined as Revenue from operations (which includes (i) facility rentals, (ii) maintenance services income, (iii) income from finance lease, and (iv) other operating income for Commercial Offices) less Direct operating expenses (which includes (i) Operating and maintenance expenses including common area maintenance expenses (ii) property taxes, (iii) rent, and (iv) insurance).

Hospitality segment:

NOI for hospitality segment is defined as Revenue from operations (which includes (i) room rentals, (ii) sale of food and beverages, (iii) other operating income for hospitality less Direct operating expenses (which includes (i) cost of materials consumed, (ii) employee benefits expenses, (iii) Operating and maintenance expenses excluding property management fees, and (iv) Other expenses).

Other segment:

NOI for other segments is defined as Revenue from operations (which includes income from generation of renewable energy) less Direct operating expenses (which includes (i) Operating and maintenance and (ii) Other expenses).

Certain income (such as interest, dividend and other income) and certain expenses (such as Other expenses excluding Direct operating expenses, depreciation, amortization, impairment and finance cost) are not specifically allocable to segments and accordingly these expenses are adjusted against the total income of the Embassy Office Parks Group.

2.2 Summary of significant accounting policies (continued)

y) Cash and cash equivalents

Cash and cash equivalents in the Consolidated Balance Sheet comprises of cash at banks and on hand, deposits held at call with bank or financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

z) Distribution Policy:

Under the provisions of the REIT Regulations, Embassy Office Parks REIT is required to distribute to the Unitholders not less than ninety percent of the net distributable cash flows ('NDCF') of Embassy Office Parks REIT and the current policy of the Manager is to comply with such requirement. The NDCF is calculated in accordance with the REIT Regulations and in the manner provided in the NDCF framework defined by the Manager. The Manager has made certain clarificatory amendments to the NDCF framework under the Distribution Policy to ensure that there is no ambiguity in computing the NDCF at Embassy REIT and SPV/Holdco level. The amended framework is approved by a special majority in the Unitholder's Meeting held on 8 July 2021 and is effective from 1 April 2021.

In terms of the REIT Regulations and NDCF framework which prescribes for the minimum amount of NDCF to be distributed to Embassy Office Parks REIT:

- not less than 90% of the NDCF of the SPVs are required to be distributed to the Embassy Office Parks REIT, in proportion to its shareholding in the SPV, subject to applicable provisions of the Companies Act, 2013.

- 100% of the cash flows received by the Holding Company from the underlying SPVs are required to be distributed to the Embassy Office Parks REIT, and not less than 90% of the NDCF generated by the Holding Company on its own shall be distributed to the Embassy Office Parks REIT, subject to applicable provisions of the Companies Act, 2013.

- The aforesaid net distributable cash flows are made available to Embassy Office Parks REIT in the form of (i) Interest paid on Shareholder Debt provided by Embassy Office Parks REIT to the SPV's/Holding Company, (ii) Principal repayment of Shareholder Debt, (iii) Dividend declared by the SPVs/Holding Company and received by Embassy Office Parks REIT and (iv) Proceeds from sale of any Embassy REIT assets.

Since Embassy Office Parks REIT endeavours to quarterly distributions, any shortfall as regards minimum quarterly distribution by the SPVs and Holding Company to Embassy Office Parks REIT, post interest paid on Shareholder Debt, Interim Dividend payments and Principal repayment of Shareholder Debt, would be done by declaring dividend, to the extent permitted under the Companies Act, 2013. Further, repayment of short-term construction debt given to SPVs, debt repayment of Series I NCD (including redemption premium) which was refinanced through debt, and interest on external debt paid and capitalised to development work in progress to the extent funded by debt, are not considered for NDCF computation.

aa) Cash distribution to Unitholders

The Group recognises a liability to make cash distributions to Unitholders when the distribution is authorised and a legal obligation has been created. As per the REIT Regulations, a distribution is authorised when it is approved by the Board of Directors of the Manager. A corresponding amount is recognised directly in equity.

ab) Consolidated Statement of Cash flows

Consolidated Cash flows are reported using the indirect method, whereby Profit/ (loss) before share of profit of equity accounted investees and tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Embassy Office Parks Group are segregated.

For the purpose of the Consolidated Statement of Cash Flow, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Embassy Office Parks Group's cash management.

ac) Earnings per unit

The basic earnings per unit is computed by dividing the net profit/ (loss) attributable to the Unitholders of the Trust by the weighted average number of units outstanding during the reporting period. The number of units used in computing diluted earnings/ (loss) per unit comprises the weighted average units considered for deriving basic earnings/ (loss) per unit and also the weighted average number of units which could have been issued on the conversion of all dilutive potential units.

Dilutive potential units are deemed converted as of the beginning of the reporting date, unless they have been issued at a later date. In computing diluted earnings per unit, only potential equity units that are dilutive and which either reduces earnings per share or increase loss per units are included.

ad) Earnings before finance costs, depreciation, amortisation, impairment loss and tax

The Embassy Office Parks Group has elected to present earnings before finance cost, depreciation, amortisation, impairment loss and tax as a separate line item on the face of the Consolidated Statement of Profit and Loss. The Embassy Office Parks Group measures earnings before finance cost, depreciation, amortisation, impairment loss and tax excluding share of profit of equity accounted investees on the basis of profit/ (loss) from continuing operations. In its measurement, the Embassy Office Parks Group does not include depreciation and amortisation expense, impairment loss, finance costs, share of profit of equity accounted investees and tax expense.

ae) Statement of net assets at fair value

The disclosure of Statement of Net Assets at Fair value comprises of the fair values of the properties held by Asset SPVs and the HoldCo as well as book values of the total liabilities and other assets of all SPVs consolidated. The fair value of the property held by Asset SPVs and HoldCo are reviewed semi-annually by the independent property valuer taking into consideration market conditions existing at the reporting date, and other generally accepted market practices. The independent valuer is leading independent appraiser with a recognised and relevant professional qualification and experience.

af) Recent pronouncements

New and amended standards

The accounting policies adopted and methods of computation followed are consistent with those of the previous financial year, except for items disclosed below:

There were several amendments to standards and interpretations which are applicable for the first time for the year ended 31 March 2022, but either the same are not relevant or do not have an impact on the consolidated financial statements of the Group. The Group has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

Amendment to Ind AS 103

The amendment states that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Framework for the Preparation and Presentation of Financial Statements in accordance with Indian Accounting Standards issued by the Institute of Chartered Accountants of India at the acquisition date. Therefore, the acquirer does not recognise those costs as part of applying the acquisition method. Instead, the acquirer recognises those costs in its post-combination financial statements in accordance with other Ind AS.

These amendments had no impact on the financial statements of the Group.

Amendment to Ind AS 105, Ind AS 16 and Ind AS 28

The definition of "Recoverable amount" is amended such that the words "the higher of an asset's fair value less costs to sell and its value in use" are replaced with "higher of an asset's fair value less costs of disposal and its value in use". The consequential amendments are made in Ind AS 105, Ind AS 16 and Ind AS 28.

These amendments had no impact on the financial statements of the Group.

Several other amendments apply for the first time for the year ended 31 March 2022, but they do not have an impact on the consolidated financial statements of the Group.

Particulars	Amount
Fair value as at 31 March 2022	387,160.00
Fair value as at 31 March 2021	352,882.01

The fair value of investment property as at 31 March 2022 and 31 March 2021 has been determined by iVAS Partners, independent external registered property valuers appointed under Regulation 21 of REIT regulations, having appropriately recognised professional qualifications and recent experience in the location and category of the properties being valued in conjunction with value assessment services undertaken by CBRE.

The fair value measurement for all of the investment property has been categorized as a Level 3 fair value based on the inputs to the valuation technique used. The valuers have followed a Discounted Cash Flow method. The valuation model considers the present value of net cash flows to be generated from the respective properties, taking into account the expected rental growth rate, vacancy period, occupancy rate, average room rent, lease incentive costs and blended tariff rates. The expected net cash flows are discounted using the risk adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location (prime vs secondary), tenant credit quality and lease terms, seasonality in sustaining a stable average room rent and occupancy for the hotels.

Impairment testing for goodwill

Goodwill acquired through business combinations has been allocated to the Cash Generating Units ('CGU') as below for impairment testing: (Each SPV has been considered to be an independent CGU except QBPL and MPPL). Goodwill pertaining to QBPL has been further allocated to commercial CGU forming part of commercial segment and hotel CGU forming part of hospitality segment. Similarly, goodwill pertaining to MPPL has been further allocated to commercial CGU forming part of commercial segment and hotel CGU forming part of hospitality segment. Goodwill pertaining to ETV assets has been considered as a single CGU as all the ETV assets have a similar risk and return profile).

* The carrying amount also includes carrying value of intangibles with indefinite useful life amounting to Rs.3,641.88 million as at 31 March 2022 (31 March 2021: Rs.3,641.88 million). Accordingly, the disclosures given in this note also covers the impairment testing relating to intangibles with indefinite useful lives.

6 Goodwill (continued)

During the year, management has estimated the recoverable amount of the CGUs based on a valuation determined by iVAS Partners, independent external registered property valuers appointed under Regulation 21 of REIT regulations, having appropriately recognised professional qualifications and recent experience in the location and category of the properties being valued in conjunction with value assessment services undertaken by CBRE. The fair value measurement is a level 3 measurement on the fair value hierarchy. The valuation was done in accordance with discounted cash flow method.

As a result of the annual fair valuation, an impairment loss of Rs.Nil (31 March 2021: Rs.437.20 million) is recognized in the Statement of Profit and Loss against Goodwill, an impairment loss of Rs.Nil (31 March 2021: Rs.520.05 million) is recognized in the Statement of Profit and Loss against property, plant and equipment and an impairment loss of Rs.Nil (31 March 2021: Rs.31.71 million) is recognized in the Statement of Profit and Loss against investment property totalling to Rs.Nil (31 March 2021: Rs.988.96 million) as impairment loss. During the previous year, impairment loss majorly related to the hospitality segment and more specifically UPPL (Hilton Hotel), and hospitality segment of QBPL (Four Seasons Hotel) as well as Embassy One (Commercial segment) forming part of QBPL. The impairment loss in the previous year arose in these CGUs due to slower ramp up of room occupancy, slower than anticipated lease-up coupled with the economic conditions due to Covid-19 pandemic. The annual impairment test performed considers the economic conditions and revised business plans to determine the higher of the "value in use" and the "fair value less cost to sell" in accordance with Ind AS 36.

The financial projections basis which the future cash flows have been estimated considering the increase in economic uncertainties due to COVID-19, revisiting the key operating assumptions as well as growth rates factored while arriving at terminal value and subjecting these variables to sensitivity analysis.

The recoverable amount was based on value in use calculation and was determined at the level of the CGUs. These calculations use cash flow projections over a defined period. Discount rate is based on the Weighted Average Cost of Capital (WACC) of the entity. In determining value in use for the CGUs, the key assumptions used are as follows:

The recoverable amount of the CGUs exceeds the carrying amount of the CGUs by Rs.101,896.71 million (31 March 2021: Rs.83,892.57 million). Following change in discount rate and capitalization rate (taken individually, assuming all other assumptions remain the same) would cause the recoverable amount of the identified CGUs to be equal to the carrying amount of the CGU.

Note:

During the previous year ended 31 March 2021 issue expenses pertaining to further issue of units (Institutional Placement and Preferential Allotment) were reduced from the Unitholders capital in accordance with Ind AS 32 Financial Instruments: Presentation. The issue expenses included payments to auditor of Rs.51.55 million (excluding applicable taxes).

(a) Terms/ rights attached to Units

The Trust has only one class of Units. Each Unit represents an undivided beneficial interest in the Trust. Each holder of Units is entitled to one vote per unit. The Unitholders have the right to receive at least 90% of the Net Distributable Cash Flows of the Trust at least once in every six months in each financial year in accordance with the REIT Regulations. The Board of Directors of the Manager approves distributions to Unitholders. The distribution will be in proportion to the number of Units held by the Unitholders. The Trust declares and pays distributions in Indian Rupees.

Under the provisions of the REIT Regulations, Embassy Office Parks REIT is required to distribute to Unitholders not less than 90% of the net distributable cash flows of Embassy Office Parks REIT for each financial year. Accordingly, a portion of the Unitholders' funds contains a contractual obligation of the Trust to pay to its Unitholders cash distributions. The Unitholders' funds could have been classified as compound financial instrument which contain both equity and liability components in accordance with Ind AS 32 - Financial Instruments: Presentation. However, in accordance with SEBI Circulars (No. CIR/IMD/DF/146/2016 dated 29 December 2016 and No. CIR/IMD/DF/141/2016 dated 26 December 2016) issued under the REIT Regulations, the Unitholders' funds have been classified as equity in order to comply with the mandatory requirements of Section H of Annexure A to the SEBI Circular dated 26 December 2016 dealing with the minimum disclosures for key financial statements. Consistent with Unitholders' funds being classified as equity, the distributions to Unitholders is presented in Statement of Changes in Unitholders' Equity and not as finance cost. In line with the above, the dividend payable to Unitholders is recognised as liability when the same is approved by the Manager.

(b) Unitholders holding more than 5 percent Units in the Trust

43 Earnings Per Unit (EPU)

Basic EPU amounts are calculated by dividing the profit for the year attributable to Unitholders by the weighted average number of units outstanding during the year. Diluted EPU amounts are calculated by dividing the profit attributable to Unitholders by the weighted average number of units outstanding during the year plus the weighted average number of units that would be issued on conversion of all the potential dilutive instruments into unit capital.

The following reflects the profit and unit data used in the basic and diluted EPU computation.

	For the year ended 31 March 2022	For the year ended 31 March 2021
Profit after tax for calculating basic and diluted EPU	8,883.85	6,983.53
Weighted average number of Units (No. in million)*	947.90	819.60
Earnings Per Unit		
- Basic (Rupees/unit)	9.37	8.52
- Diluted (Rupees/unit)**	9.37	8.52

* The weighted average number of units for the year ended 31 March 2021 have been computed on prorata basis of 111.34 million units issued by way of institutional placement and 64.89 million units issued by way of preferential allotment on 22 December 2020 and 24 December 2020 respectively.

** The Trust does not have any outstanding dilutive potential instruments.

MPPL:

a) The SPV has received Section 153A assessment orders for AY 2009-10 to 2015-16 making additions under section 14A of Income Tax Act read with rule 8D of the Income-tax Rules in computing taxable income under the Income tax Act. The SPV has received demand orders to pay a sum of Rs.8.22 million for the assessment period. Appeals were filed before CIT(A) challenging the assessment orders. The CIT(A) had dismissed the appeals for AY 09-10, 11-12 and 12-13 upholding the assessment additions made. SPV has challenged the CIT(A) orders and filed appeals before Income-tax Appellate Tribunal [ITAT]. Pursuant to the dispute resolution scheme of settling the pending litigations under the Direct Tax Vivad-Se-Vishwas Act, 2020, the SPV has filed the applications for settling these litigations. The final settlement order from the Designated Authority has been received with the disputed tax demand and claims being settled. The SPV has therefore disclosed Nil (31 March 2021: Rs.8.22 million) as contingent liability.

b) The erstwhile entity EOPPL (refer note 61) was assessed u/s. 143(3) of the Income Tax Act for AY 2016-17 and received assessment order dated 31 December 2018 with additions made u/s.14A of the Income Tax Act with a tax demand of Rs.172.28 million. The SPV has filed an appeal against the assessment order at the CIT (A) and has paid Rs.14.06 million under protest with balance demand stayed. Accordingly, the SPV has disclosed Rs.172.28 million (31 March 2021: Rs.172.28 million) as contingent liability.

c) The erstwhile entity EOPPL (refer note 61) was assessed u/s. 143(3) of the Income Tax Act for AY 2017-18 and received assessment order dated 24 December 2019 with additions made u/s.14A of the Income Tax Act read with rule 8D of the Income-tax Rules and addition to the income based on reconciliation differences between Form 26AS and the books of accounts. Further, order u/s 154 of the Income Tax Act was received dated 26 July 2021 with a disallowance made u/s 115JB of the Act. Aggrieved by such orders the SPV has filed appeals before the CIT(A). Accordingly the SPV has disclosed Rs.109.50 million (31 March 2021: Rs. 74.17 million) as contingent liability.

d) The erstwhile entity EOPPL (refer note 61) was assessed u/s. 143(3) of the Income Tax Act for AY 2018-19 and received assessment order dated 13 September 2021 with additions made u/s.14A of the Income Tax Act read with rule 8D of the Income-tax Rules and short grant of TDS credit. The SPV has filed an appeal against the assessment order at the CIT(A). Accordingly, the SPV has disclosed Rs.26.82 million (31 March 2021: Nil) as contingent liability.

(all amounts in Rs. million unless otherwise stated)

45 Commitments and contingencies (continued)

ii) Claims not acknowledged as debt in respect of Income Tax matters (continued)

QBPL:

a) The SPV was assessed under section 143(3) of the Income Tax Act and has received a demand notice of Rs.71.71 million for AY 2010-11, on account of denial of benefit under section 80IAB for certain incomes as claimed by the SPV. The CIT(A) has passed necessary order upholding the stand of the Assessing Officer. The SPV thereafter filed an appeal with ITAT against the said order of CIT(A). The ITAT has disposed the appeal in favour of the SPV. Subsequent to this, Income tax Department has moved to Hon'ble High Court of Mumbai against the ITAT order. Based on the strong merits and favourable ITAT order, the SPV has disclosed Nil (31 March 2021: Rs.71.71 million) as a contingent liability.

b) The SPV was assessed for AY 2014-15 u/s. 143(3) of the Income Tax Act with disallowance of loan processing fees which was accepted by the SPV. No appeal was preferred and as a result a penalty order u/s. 271(1)(c) of the Act with demand of Rs.5.89 million was received. While the said demand has been paid, the SPV has contested this demand and filed an appeal with CIT(A) against the said order. Pursuant to the dispute resolution scheme of settling the pending litigations under the Direct Tax Vivad-Se-Vishwas Act, 2020, the SPV has filed the applications for settling these litigations. The final settlement order from the Designated Authority has been received with the disputed tax demand and claims being settled. The SPV has therefore disclosed Nil (31 March 2021: Rs.5.89 million) as a contingent liability.

QBPL: The SPV had received an assessment order u/s. 143(3) of the Income Tax Act for AY 2015-16 with 14A disallowance, certain expense disallowances and short grant of TDS credit resulting in demand of Rs.3.76 million. An appeal against the assessment order was filed before CIT(A) and the same is in the process of hearing. Penalty proceedings have been initiated. Accordingly, the SPV has disclosed the above demand of Rs.3.76 million (31 March 2021: Rs.3.76 million) as a contingent liability.

OBPL: The SPV had received an assessment order u/s. 143(3) of the Income Tax Act for AY 2011-12 and received a tax demand notice of Rs.69.83 million for Assessment Year 2011-12 wherein the Assessing Officer had disallowed the profit earned by the SPV on transfer of the land at a value which was in excess of its fair value and claimed as deduction under Section 80IAB. The SPV contested the said demand and had filed an appeal with the CIT(A) against the said order. The CIT(A) had disposed the appeal in favour of the SPV. Income Tax Department filed an appeal with ITAT against the order of CIT(A) and the same has been disposed in favour of SPV during the current year by the ITAT. Further the department has filed an appeal before the High Court during the current year. Based on the strong merits and favourable ITAT order, the SPV has disclosed Nil (31 March 2021: Rs.69.83 million) as a contingent liability.

IENMPL: The SPV received a tax demand notice of Rs.9.25 million for Assessment Year 2014-15 wherein the Assessing Officer had disallowed municipal tax paid claimed against Income from House property and additions made u/s.14A of the Income tax Act read with Rule 8D of the Income Tax Rules. The SPV contested the said demand and has filed an appeal with the CIT(A) against the said order. Accordingly, the SPV has disclosed Rs.9.25 million (31 March 2021: Rs.9.25 million) as contingent liability.

VTPL:

(a) The SPV was reassessed u/s. 153C read with 143(3) of the Income Tax Act, 1961 for the AY 2003-04 and 2004-05. Certain additions u/s. 68 were made and tax demand of Rs.25.17 million was raised. The SPV filed an appeal against the demand order before CIT(A) which was upheld in favour of SPV quashing the demand raised. Aggrieved by the CIT(A) order, Income Tax Department filed an appeal before ITAT, Delhi which was dismissed and resultantly the income tax department filed an appeal before Hon'ble High Court of Karnataka which was also dismissed for want of jurisdiction. The Income tax department has now preferred an appeal before the Hon'ble High Court of Delhi. Accordingly, the SPV has disclosed Rs.25.17 million (31 March 2021: Rs.25.17 million) as contingent liability.

(b) The SPV was assessed u/s. 143(3) of the Income Tax Act, 1961 for AY 2018-19 with additions made u/s. 69C and u/s. 14A and a tax demand of Rs.2.67 million was raised. The SPV has preferred an appeal against the assessment order before the CIT(A). The SPV has therefore disclosed Rs.2.67 million (31 March 2021: Nil) as contingent liability.

(c) The SPV was assessed u/s. 201 of the Income Tax Act, 1961 for AY 2020-21 for short deduction of taxes and interest thereon and interest on late deduction with a tax demand of Rs.1.87 million. The SPV has filed an appeal against the assessment order before the CIT(A). The SPV has therefore disclosed Rs.1.87 million (31 March 2021: Nil) as contingent liability.

MPPL:

(c) The Customs department issued demand notice to the Oil Suppliers of the SPV with a demand of Rs.31.60 million for the period 1 April 2015 to 15 February 2016 denying duty benefit on the procurement of diesel. The Oil Suppliers have subsequently raised the demand on the SPV. Consequently, SPV preferred an appeal before the SEZ commissioner which was rejected by the Commissioner and aggrieved by the order, SPV filed a Writ Petition before the Hon'ble High Court of Karnataka and obtained an Interim stay order from the Court on 9 February 2017 which is still in force. Accordingly, a sum of Rs.31.60 million (31 March 2021: Rs.31.60 million) has been disclosed as contingent liability.

(d) The Principal Commissioner of Service Tax issued a final adjudication order dated 20 January 2022 with a demand of Rs.102.38 million including penalty on various issues including irregular availment of input credit, turnover reconciliation etc. Post 31 March 2022 the SPV has filed an appeal with CESTAT against the order received from commissioner of service tax. Accordingly, a sum of Rs.102.38 million (31 March 2021: Nil) has been disclosed as contingent liability.

ETPL:

(a) The SPV has received an Order from Joint Commissioner, Service Tax - I, Kolkata for the period 2012-13 in respect of non-registration and non-payment of service tax under the category of 'Builder's Special Services' and not 'Construction of Immovable Property' service with regard to installation of parking equipment which is taxable as a service leading to ineligibility of abatement of Rs.10.01 million, irregular availment of credit of Rs.6.87 million and non-payment of service tax of Rs.0.96 million (along with penalty of equal amount). Against the aforesaid Order, the SPV has filed an appeal before the Commissioner of Central Excise (Appeals - I), Kolkata which directed the SPV to make a pre-deposit of Rs.1.33 million to stay the recovery of the balance amount. The same has been paid by the SPV under protest and such appeal is currently pending for disposal. Accordingly, the demand along with penalty amount of Rs.35.68 million (31 March 2021: Rs.35.68 million) has been disclosed as a contingent liability.

(b) SPV has received an Order from Joint Commissioner, Service Tax - I, Kolkata in January 2020, demanding Rs.14.52 million in respect of denial of input tax credit during construction period for the financial years 2014-15 to 2016-17 (along with penalty of equal amount). Against the aforesaid Order, the SPV has filed an appeal before the Commissioner of Central Excise (Appeals - I), Kolkata which directed the SPV to make a pre-deposit of Rs.1.09 million to stay the recovery of the balance amount. The same was paid by the SPV under protest. Accordingly, the SPV has disclosed the demand along with penalty amount of Rs.29.05 million (31 March 2021: Rs.29.05 million) as contingent liability.

GSPL: The SPV had received an Order-in-Original passed by the Commissioner, Customs, Central Excise and Service Tax Commissionerate, Noida for the period FY 2007-08 to 2010-11 demanding Rs.11.99 million (along-with penalty of equal amount) in respect of inclusion of notional interest accrued on security deposit in the taxable value. Against the aforesaid Order, the SPV had filed an appeal before the Hon'ble Customs, Excise and Service Tax Appellate Tribunal which directed the SPV to make a pre-deposit of Rs.0.90 million to stay the recovery of the balance amount. The same was paid by the SPV under protest. During the previous year FY 17-18, the SPV had received a favourable order and the said demand was annulled and the pre-deposit has been refunded; however, the Commissioner Excise has filed an appeal against the Order to Hon'ble High Court of Allahabad. Accordingly, the SPV has disclosed the demand along with penalty amount of Rs.23.99 million (31 March 2021: Rs.23.99 million) as contingent liability.

VCPL: The SPV has received an order issued by the Commissioner, Customs, Central Excise and Service Tax Commissionerate, Bombay demanding Rs.29.91 million along-with penalty of Rs.10.75 million in respect of inclusion of notional interest accrued on security deposit in the taxable value for the period FY 2012-2013 to 2014-2015. Against the aforesaid Order, the SPV had filed an appeal before the Hon'ble Customs, Excise and Service Tax Appellate Tribunal which directed the SPV to make a pre-deposit of Rs.2.24 million to stay the recovery of the balance amount. The same was paid by the SPV under protest. During the current period, the SPV has received a favourable order against the appeal and the matter is disposed. Accordingly, the SPV has disclosed Nil (31 March 2021: Rs.40.66 million) as contingent liability.

UPPL:

a) The SPV had received show cause notices dated 3 July 2015 for demand due to irregular cenvat credit availed for Rs.23.04 million relating to period from 1 April 2011 to 31 March 2016. Responses have been filed and is pending before the Commissioner of Service Tax. Accordingly, the aforementioned demand of Rs.23.04 million (31 March 2021: Rs.23.04 million) is disclosed as contingent liability.

b) The SPV had received show cause notices dated 9 April 2019 for demand of Rs.3.78 million relating to period from 1 April 2014 to 30 June 2017 with respect to payment of salary and bonus to certain employees of the SPV which has not been considered as Management fees. The Deputy Commissioner of Service Tax has disposed off the submissions made earlier and passed an order demanding the tax dues along with interest and penalty aggregating to Rs.7.57 million. Aggrieved by the order, the SPV has preferred an appeal before the Commissioner of Appeals with pre-deposit of Rs.0.28 million. During the year, Commissioner of Appeals decided the case in favour of the SPV. Accordingly, the SPV has disclosed Nil (31 March 2021: Rs.7.57 million) as contingent liability.

VTPL: The Customs department issued demand notice to the Oil Suppliers of the SPV with a demand of Rs.4.31 million for the period 1 April 2015 to 15 February 2016 denying duty benefit on the procurement of diesel. The Oil Suppliers have subsequently raised the demand on the SPV. Consequently, SPV preferred an appeal before the SEZ commissioner which was rejected by the Commissioner and aggrieved by the order, SPV filed a Writ Petition before the Hon'ble High Court of Karnataka and obtained an Interim stay order from the Court on 9 February 2017 which is still in force. Accordingly, a sum of Rs.4.31 million (31 March 2021: Rs.4.31 million) has been disclosed as contingent liability.

MPPL:

(a) The SPV has received a demand order dated 5 October 2015 to pay a sum of Rs.2,739.49 million (including penalty and interest upto June 2016) towards the difference in property tax payable by the SPV, which difference arose on account of classification of the property under different schedules for the purpose of computing property taxes, for the period 2008-09 to 2015-16. The SPV is contesting that the concerned property being an industrial estate that has been developed as special economic zone must be classified as category XIV as per the notification issued under Karnataka Municipal Corporation Act, 1976 ('the Act') and Bruhat Bengaluru Mahanagar Palike Property Tax Rules, 2009 ('Rules'). Whereas, the Assistant Revenue Officer has been considering the concerned property under category VIII as per the notification issued under the Act and Rules. The SPV filed a writ petition against the demand order which has been dismissed by the Hon'ble High Court of Karnataka. The said court upheld the demand made by BBMP. Against the order passed by single judge for the dismissal of writ petition, MPPL has based on external legal opinion filed an appeal before the aforementioned court and the same has been admitted by the court on 27 June 2016. The Hon'ble High Court restrained BBMP from taking any coercive action against the SPV and also directed BBMP to allow the SPV to make payment of property tax for the assessment year 2016-17. The matter is currently pending as at the date of these financial statements. Accordingly, this has been disclosed as a contingent liability. The SPV paid Rs.646.69 million (31 March 2021: Rs.646.69 million) under protest against the above demand.

(b) The SPV has also received demand notices dated 9 October 2017 to pay a sum of Rs.760.07 million including penalty as of that date towards the differential property tax based on the total survey report for certain blocks for the period 2008-09 to 2017-18. An appeal had been filed before the Joint Commissioner, BBMP, Bytarayanapura, Bangalore ("Joint Commissioner") objecting the total survey report and property tax assessment notice arising therefrom. New demand notices dated 17 January 2019 were issued to pay a sum of Rs.860.39 million (including penalty) towards the differential property tax for the period 2008-09 to 2017-18 and interest upto the date of payment as per the demand notices. The SPV submitted a letter to the Joint Commissioner dated 29 March 2019 referring to the appeals preferred by the SPV and had paid a sum of Rs.286.80 million towards property tax demanded under protest. An order was passed by the Joint Commissioner dismissing the appeal preferred by the SPV. Against the order passed by the Joint Commissioner, MPPL has, based on external legal opinion, filed a writ petition before the Hon'ble High Court of Karnataka on 3 August 2020 on various grounds, inter alia, that the rates BBMP has relied on to calculate property tax in the said demand notices dated 9 October 2017 has been already challenged in a writ appeal filed by the SPV and pending before Hon'ble High Court of Karnataka as mentioned in note iv(a) above. Additionally new notices dated 24 July 2019 and 18 March 2021 were issued to pay a sum of Rs.78.56 million (including penalty) and Rs.27.25 million (including penalty) towards the differential property tax for the year 2018-19 and 2019-20 respectively and the SPV has paid Rs.35.26 million towards property tax demanded under protest. However, BBMP vide notice dated 17 June 2021 have returned the demand draft amount of Rs.9.08 million (differential property tax for the year 2019 -20 paid) requesting payment of interest and penalty along with the differential tax amounting to Rs.27.25 million. The BBMP has issued distress warrant on 1 February 2022 in relation to the above said matter with a notice to pay Rs. 727.09 million against which MPPL has obtained an interim stay on 16 February 2022 from the Hon'ble High Court of Karnataka till the next date of hearing. Accordingly, a net contingent liability of Rs.679.40 million (31 March 2021: Rs.679.40 million) has been disclosed in these financial statements. Pursuant to the return of the demand draft amounting to Rs.9.08 million, the SPV has filed an writ petition before the Hon'ble High Court of Karnataka for (i) staying the operation and execution of the demand notices dated 18 March 2021 and endorsement dated 17 June 2021 and (ii) directing the BBMP to accept the payment of differential property tax.

v) Others: tax matters pertaining to equity accounted investee company

(a) GLSP (50% equity accounted investee - joint venture) Income Tax matters:

During the year ended 31 March 2020, GLSP has received assessment order for AY 2017-18 for disallowance under section 14A of Income Tax Act read with rule 8D of the Income-tax Rules, disallowance of claim under section 80G of the Income Tax Act and addition to the income based on differences between Form 26AS and the books of accounts. GLSP has filed an appeal against the assessment order with CIT(A). Accordingly, GLSP has disclosed Rs.2.83 million (31 March 2021: Rs.2.83 million) as contingent liability.

During the year ended 31 March 2022, GLSP has received assessment order for AY 2018-19 with disallowance made under section 14A of Income Tax Act read with rule 8D of the Income-tax Rules. GLSP has filed an appeal against the assessment order with CIT(A). Accordingly, GLSP has disclosed Rs.2.14 million (31 March 2021: Nil) as contingent liability.

(b) GLSP (50% equity accounted investee - joint venture) Service Tax matters:

a) GLSP has received show cause notice and order-in-original dated 14 August 2011 and 11 December 2011 to pay a sum of Rs.111.86 million from Office of the Commissioner of Service tax towards wrongly availed Cenvat credit during the period 1 April 2009 to 31 March 2011. Appeal has been filed before CESTAT. As at 31 March 2022 the appeal is pending before CESTAT for hearing and accordingly the same is disclosed as a contingent liability by GLSP.

b) GLSP has received an Order-in-Original dated 31 August 2010 to pay a sum of Rs.90.49 million from Office of the Commissioner of Service tax towards wrongly availed Cenvat credit during the period June 2007 to March 2009. Appeal was filed before CESTAT and a favourable order was received by the entity. Commissioner of Service Tax has filed an appeal before Hon'ble High Court of Karnataka and the matter is taken up for hearing by the Court and accordingly the same is disclosed as contingent liability by GLSP.

vi) Other matters

(a) **VCPL (Forfeiture of security deposit matters):** Orange Business Services India Technology Private Limited, earlier known as Equant Technologies Services (India) Private Limited ("Equant") had filed a summary suit bearing No. 388 of 2012 with the Hon'ble Bombay High Court alleging that the SPV incorrectly terminated the letter of intent dated July 18, 2008 executed between the SPV and Equant for renting premises in Embassy 247 Park pursuant to which Equant paid to the SPV a security deposit of Rs.40.32 million, which was withheld by the SPV on account of breach of agreed terms of the said letter of intent. The matter is currently under adjudication.

(b) **EEPL :**

i) SPV received a demand notice under the Insolvency and Bankruptcy Code, 2016 (IBC) on 28 February 2019 from a third party subcontractor, engaged by IL&FS Development Company (IEDCL), the parent company of IL&FS Solar Power Limited ('ISPL'), which was itself engaged by ISPL as a contractor for Embassy Energy. The demand notice alleges that unpaid amounts (categorized as operational debts) aggregating up to Rs.1,008.10 million (including interest up to October 2018) are due to the sub-contractor directly from EEPL for the various works claimed to have been undertaken at the site of Embassy Energy, on the basis of certain correspondence with EEPL. The demand notice requires payment within 10 days of the letter, failing which the subcontractor may initiate a corporate insolvency resolution process against EEPL. EEPL has by its letter dated 1 March 2019, refuted all such claims inter alia on the basis that the payments are due from ISPL (and/ or its parent entity) to the sub-contractor and not from EEPL, and therefore the sub-contractor has no claim against EEPL. By its letters dated 18 March 2019, the subcontractor has responded to the letter from EEPL, denying all statements made by EEPL and reiterating that the unpaid amounts are due from EEPL. The sub-contractor has thereafter filed an application under Section 9 of the Code before the Bangalore bench of National Company Law Tribunal claiming debt of Rs.1,082.50 million (including interest up to September 2019) and interest thereon against EEPL. During the previous year ended 31 March 2020, the third party sub-contractor vide a letter dated 2 January 2020 served the notice of hearing in the captioned matter for initiation of insolvency proceedings under section 9 of the IBC before the NCLT, Bengaluru pursuant to its order dated 16 December 2019. The petitioner has filed a claim as an operational creditor of IEDCL for an amount of Rs.1,082.50 million (including interest up to September 2019) due to him. The National Company Law Tribunal vide its order dated 8 March 2022 has dismissed the petition filed by the third party sub-contractor and issued order in favour of the SPV. Subsequent to 31 March 2022 the third -party contractor filed an appeal before the National Company Law Appellate Tribunal, Chennai. The hearing date is currently awaited.

ii) The Karnataka Electricity Regulatory Commission, Bengaluru (KERC) has issued orders in 2005, 2008 and 2014 granting exemption to all solar power generators in Karnataka that achieved commercial operation date between 1 April 2013 and 31 March 2018 from paying certain charges such as payment of wheeling and banking charges, cross subsidy surcharges, transmission losses and wheeling losses for a period of ten years from the date of commissioning. KERC has issued an order dated 14 May 2018 withdrawing the aforementioned exemption available to Karnataka's power generators, including EEPL.

The SPV commissioned the solar plant during the FY 2017-2018 and as per the previous Regulation, the charges did not apply to the SPV for a period of 10 years. The SPV filed a writ petition with the Hon'ble High Court of Karnataka challenging the KERC Order and obtained an interim Stay Order dated 24 May 2018. BESCOM filed preliminary statement of objections and also filed application seeking recalling of interim order. The application seeking recalling of interim order was rejected. The Hon'ble High Court passed the judgment on 13 March 2019 allowing the Writ Petition and quashed the order dated 14 May 2018 passed by KERC. The SPV has filed Caveat Petition for receiving notifications in case any suit / appeal is filed by any of the parties to the said petition. KERC has filed a common writ appeal against the order dated 13 March 2019 against EEPL and Others. However, Electricity Supply Companies (ESCOMS) have also filed Writ Appeals against some of the petitioners, but no appeal has been filed against EEPL. In the event an adverse order is passed in the said appeal made by ESCOMS, EEPL may also be affected.

(c) **MPPL :** SPV has filed a writ petition in 2015 against the BBMP and others seeking to inter-alia, quash (i) a circular from 2014 re-fixing the improvement charges under the Karnataka Municipal Corporations Act, 1976, and the Karnataka Municipal Corporations (Recovery of Improvement Expenses) Rules, 2009, and (ii) a notice from 2015 demanding payment of betterment charges of Rs.127.90 million. In 2016, the Hon'ble High Court of Karnataka has granted an interim stay on the impugned circular and notice. Further, MPPL has received a new demand notice dated March 29, 2022 issued by the BBMP for payment of the betterment charges amounting to Rs. 127.91 million along with interest amounting to INR 184.19 million. MPPL has paid the betterment charges of Rs. 127.91 million under protest vide letter dated 30 March 2022 to BBMP.

(d) **VTPL :** SPV has received a demand note dated 14 August 2020 and 29 September 2020 from the Bangalore Water Supply and Sewerage Board for a payment of total charges amounting to Rs.138.64 million in relation to issuance of a no-objection certificate (NOC) for a proposed project commercial building on land parcel. SPV has filed a writ petition before the High Court of Karnataka against the State of Karnataka, Bangalore Water Supply and Sewerage Board and others challenging inter-alia, the government order dated 12 February 2016 and the demand note issued against the SPV and seeking to, inter-alia, (i) quash the demand notice dated 14 August 2020 and 29 September 2020; and (ii) issuance of NOC to SPV. SPV has obtained an ad-interim direction from the High Court of Karnataka on 17 November 2020 wherein the court has granted stay of demand notice on 14 August 2020 and 29 September 2020 limited to advance probable prorata charges and beneficiary charges and has further instructed the SPV to pay the prescribed fee for issuance of NOC. Pursuant to the same, SPV has made payments on 29 December 2020 and 30 December 2020 amounting to Rs.17.91 million towards NOC charges and treated water charges and the balance amount of Rs.120.73 million towards advance probable prorata charges and BCC charges which have been stayed by the Hon'ble High Court of Karnataka have been shown as contingent liability (31 March 2021: Rs.120.73 million). Additionally, SPV has received the NOCs dated 30 December 2020 from BWSSB with respect to the above.

B. Measurement of fair values

The section explains the judgement and estimates made in determining the fair values of the financial instruments that are:

- recognised and measured at fair value
- measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level is mentioned below:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

Transfers between Level 1, Level 2 and Level 3

There were no transfers between Level 1, Level 2 or Level 3 during the year ended 31 March 2022 and year ended 31 March 2021.

Determination of fair values

Fair values of financial assets and liabilities have been determined for measurement and/or disclosure purposes based on the following methods. When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

- The fair values of other current financial assets and financial liabilities are considered to be equivalent to their carrying values.
- The fair values of borrowings at fixed rates are considered to be equivalent to present value of the future contracted cashflows discounted at the current market rate. The fair value has been categorised as Level 3 Fair value.
- The fair values of contingent consideration is valued based on the present value of expected payments, discounted using a risk-adjusted discount rate.

C. Financial Risk Management

The Group has exposure to following risks arising from financial instruments:

- market risk
- credit risk
- liquidity risk

Risk management framework

The Board of Directors of the Manager of Embassy Office Parks Group has overall responsibility for the establishment and oversight of the Embassy Office Parks Group's risk management framework. The Embassy Office Parks Group's risk management policies are established to identify and analyse the risks faced by the group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the group's activities.

The Board of Directors of the Managers of Embassy Office Parks Group oversees how management monitors compliance with the group's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the group. The Audit Committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the Audit Committee.

46 Financial instruments (continued)

a. Market risk

Market risk is the risk that changes in market prices, such as interest rates and foreign exchange rates, will affect the Group's income and its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters.

i. Currency risk

The Group does not have a material exposure to currency risk.

ii. Interest rate risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to its long-term debt obligations with floating interest rates.

Exposure to interest rate risk:

The exposure of the Group's borrowing to interest rate changes at the end of the reporting period are as follows :

Particulars	As at 31 March 2022	As at 31 March 2021
Variable-rate instruments:		
Financial liabilities		
Borrowings (Non-current and current)	46,025.09	22,843.83
Variable rate instruments exposed to interest rate risks	46,025.09	22,843.83

Cash flow sensitivity analysis for variable-rate instruments

A reasonably possible change of 1% (100 basis points) in interest rates at the reporting date would have increased / (decreased) profit or loss by the amounts shown below. This analysis assumes that all other variables remain constant.

Particulars	For the year ended 31 March 2022		For the year ended 31 March 2021	
	+ 1%	- 1%	+ 1%	- 1%
Impact on the statement of profit and loss	(299.96)	299.96	(76.36)	76.36

Fair value sensitivity analysis for fixed-rate instruments

The Group does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Hence, there is no exposure as at the reporting date to the statement of profit or loss.

b. Credit risk

Credit risk is the potential financial loss resulting from the failure of tenants or counterparties of the Group to settle its financial and contractual obligations, as and when they fall due.

The Group has an established process to evaluate the creditworthiness of its tenants and prospective tenants to minimise potential credit risk. Credit evaluations are performed by the Group before lease agreements are entered into with prospective tenants. Security in the form of bankers' guarantees or cash security deposits are obtained upon the commencement of the lease.

The Group establishes an allowance account for impairment that represents its estimate of losses in respect of trade and other receivables. The main component of this allowance is estimated losses that relate to specific tenants or counterparties.

The allowance account is used to provide for impairment losses. Subsequently when the Group is satisfied that no recovery of such losses is possible, the financial asset is considered irrecoverable and the amount charged to the allowance account is then written off against the carrying amount of the impaired financial asset.

Cash at bank and fixed deposits are placed with banks and financial institutions which are regulated and have low or no risk.

As at the reporting date, there is no significant concentrations of credit risk. The maximum exposure to credit risk is represented by the carrying value of each financial asset on the Balance Sheet.

i. Expected credit loss (ECL) assessment for customers/ tenants as at 31 March 2022 and 31 March 2021

The Group allocates each exposure to a credit risk grade based on a variety of data that is determined to be predictive of the risk of loss (including but not limited to past payment history, security by way of deposits, external ratings, audited financial statements, management accounts and cash flow projections and available press information about customers) and applying experienced credit judgement.

The Group uses an allowance matrix to measure the expected credit loss of trade receivables from individual customers.

Based on the industry practices and the business environment in which the entity operates, management considers that the trade receivables are credit impaired if the payments are more than 180 days past due.

The following table provides ageing of trade receivables alongwith information about the exposure to credit risk and expected credit loss for trade receivables:

As at 31 March 2022

iii. Cash and bank balances

The Group holds cash and cash equivalents of Rs.5,884.49 million (31 March 2021: Rs.9,174.78 million) and fixed deposits with bank of Rs.541.89 million (31 March 2021: Rs.1,099.91 million). The cash and cash equivalents and fixed deposits with bank are mainly held with scheduled banks which are highly regulated. The Group considers that its cash and cash equivalents and fixed deposits with bank have low credit risk based on the external credit ratings of counterparties.

iv. Other Financial Assets

The Group considers that its other financial assets which mainly represents unbilled revenue with its tenants have low credit risk based on its nature and other security available.

c. Liquidity Risk

Liquidity risk is the risk that the group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

The Group monitors rolling forecasts of its liquidity position and cash and cash equivalents on the basis of expected cash flows. This is generally carried out in accordance with practice and limits set by CODM. In addition, the Group's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Exposure to liquidity risk

The table below details the Group's remaining contractual maturity for its non-derivative financial liabilities. The contractual cash flows reflect the undiscounted cash flows of financial liabilities based on the earliest date on which the Group can be required to pay.

The above facilities may be drawn at any time.

47 Capital management

The Group's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Group's capital structure mainly constitutes equity in the form of unit capital and debt. The projects are initially funded through construction financing arrangements. On completion, these borrowings are restructured into lease-rental discounting arrangements or debentures. The Group's capital structure is influenced by the changes in regulatory framework, government policies, available options of financing and the impact of the same on the liquidity position.

The Group monitors capital using a ratio of 'Net debt' to 'Gross asset value (GAV)' of all SPV's including fair value of its 50% investment in Golfinks Software Park Private Limited. For this purpose, Net debt is defined as Long-term borrowings + Short-term borrowings - Cash and cash equivalents (net of NDCF to be distributed for the recent quarter).

The Group's adjusted Net debt to GAV ratio as at 31 March 2022 and 31 March 2021 are as follows:

Particulars	As at 31 March 2022	As at 31 March 2021
Net debt	120,114.95	102,102.58
GAV	493,673.00	466,051.25
Net debt to GAV	24.33%	21.91%

48 Operating segments

Ind AS 108 establishes standards for the way that business enterprises report information about operating segments and related disclosures. Based on the 'management approach' as defined in Ind AS 108, the Chief Operating Decision Maker ('CODM') evaluates the Embassy Office Parks' performance and allocates resources based on an analysis of various performance indicators by operating segments. The accounting principles used in the preparation of the Condensed Consolidated Financial Statements are consistently applied to record revenue and expenditure in individual segments and are as set out in the significant accounting policies.

Operating segments of Embassy Office Parks Group are (i) Commercial Offices, (ii) Hospitality and (iii) Other segments. Other segments comprise Generation of Renewable Energy. Revenue and identifiable operating expenses in relation to segments are categorized based on items that are individually identifiable to that segment.

Net Operating Income ('NOI') is the key metric reported to the CODM for the purposes of assessment of the segment results. The same is defined as follows:

a) Commercial Offices segment:
NOI for Commercial Offices is defined as revenue from operations (which includes (i) facility rentals, (ii) maintenance services income, (iii) income from finance lease, and (iv) other operating income for Commercial Offices) less direct operating expenses (which includes (i) operating and maintenance expenses including common area maintenance expenses (ii) property taxes, (iii) rent and (iv) insurance).

b) Hospitality segment:
NOI for hospitality segment is defined as revenue from operations (which includes (i) room rentals, (ii) sale of food and beverages, (iii) other operating income from hospitality) less direct operating expenses (which includes (i) cost of materials consumed, (ii) employee benefits expenses, (iii) operating and maintenance expenses excluding property management fees and (iv) other expenses).

c) Other segment:
NOI for other segments is defined as revenue from operations (which includes income from generation of renewable energy) less direct operating expenses (which includes (i) operating and maintenance expenses and (ii) other expenses). Certain income (such as interest, dividend and other income) and certain expenses (such as other expenses excluding direct operating expenses, depreciation, amortisation, impairment loss and finance cost) are not specifically allocable to segments and accordingly these expenses are adjusted against the total income of the Embassy Office Parks Group.

Further, the information relating to segment assets and segment liabilities are not regularly provided to CODM for review and hence the same is not disclosed.

50 Business combinations**A Business Transfer Agreement (BTA) between MPPL, EOPPL and ESPL**

On 22 October 2020, MPPL and EOPPL had entered into Business Transfer Agreement (BTA) with ESPL for acquisition of the Common Area Maintenance (CAM) services for Embassy Manyata and Embassy TechZone for a total consideration of Rs.4,730.21 million.

The acquisition cost of Rs.4,730.21 million was funded through coupon bearing debt obtained by Embassy Office Parks Group. The consideration for the aforesaid acquisition, is paid in the form of assumption and repayment of identified liabilities of ESPL and issuance of unlisted, unsecured, redeemable non-convertible debentures of MPPL and EOPPL to ESPL. The acquisition was completed on 28 October 2020. Details of assets acquired and liabilities assumed have been provided below:

Particulars	CAM services operations		Total
	Embassy Manyata	Embassy TechZone	
Assets acquired			
Intangible assets acquired [CAM service rights]	3,808.59	925.72	4,734.31
Fair value of other assets acquired	94.07	6.35	100.42
Total			4,834.73
Liabilities assumed			
Other current liabilities	94.02	10.50	104.52
Total			104.52
Fair value of net assets acquired			4,730.21
Less: Consideration	3,808.64	921.57	4,730.21
Goodwill/ Capital reserve on acquisition			-

Notes:

- The total Purchase consideration mentioned above was settled through cash and issue of Non convertible debentures [refer note 26(i)].
- Embassy office parks group has obtained two independent valuation reports as required by the REIT regulations for the above acquisition and the average of the two valuations amounts to Rs.5,179 million. Acquisition consideration is at 8.5% discount to average of two independent valuation reports. No fees or commission is payable to any associate of the related party in relation to the transaction. All the material conditions and obligations for the transaction have been complied.
- The above transaction enables full integration and overall alignment of property maintenance for two of existing REIT assets and helps further enhance service delivery to the occupants of Embassy Manyata, Bengaluru and Embassy TechZone, Pune especially important given the heightened focus on health and safety by occupiers.

Measurement of fair values:

The valuation techniques used for measuring the fair value of material assets acquired and liabilities assumed are as follows :

Particulars	Valuation methodology
CAM service rights	The fair value of the CAM service rights was established using the "Multi-period excess earnings method (MEEM)". In MEEM method, value is estimated as the present value of the benefits anticipated from ownership of the asset in excess of the returns required on the investment in the contributory assets necessary to realize those benefits.
Assets other than those mentioned above	Book values as on the date of acquisition corresponds to the fair values which have been considered to be fully recoverable.
Liabilities	Liabilities includes trade payables and other liabilities. Book values as on the date of acquisition corresponds to the fair values.

B Acquisition of ETV Assets

During the previous year ended 31 March 2021, the Trust acquired Embassy Tech Village by acquiring all of the equity interest in VTPL, EOVP and SIPL (ETV Assets) held by the Embassy Sponsor, BREP entities and certain other third party shareholders. The acquisition of equity interest in EOVP (which in turn holds 60% equity interest in VTPL) and SIPL has been completed with issue proceeds received of Rs.36,852.02 million, by issue of 111,335,400 Units at a price of Rs.331.00 per Unit through the Institutional Placement.

The acquisition of balance 40% equity interest in VTPL is completed through Preferential issue of 64,893,000 Units at a price of Rs.356.70 per unit to the third party shareholders aggregating to Rs.23,147.33 million.

The accounting for the business combination has been done in accordance with Ind AS-103 "Business Combination". Refer Note 2.1 "Basis of Business Combination" for more details.

Details of assets acquired and liabilities assumed:

Particulars	Amount
Fair value of assets acquired	
Fair value of Land (including lease hold land)	53,598.99
Fair value of Buildings	25,300.30
Fair value of other investment property, property, plant and equipment acquired	12,107.48
Fair value of other investment property under development acquired	2,681.82
Fair value of other capital work-in-progress acquired	218.31
Fair value of other assets acquired*	11,509.99
Fair value of liabilities assumed	
Fair value of borrowings assumed	41,006.43
Fair value of other liabilities assumed	6,514.98
Deferred tax liability on fair valuation of assets acquired and liabilities assumed	14,424.08
Fair value of net assets taken over	43,471.40
Total Purchase consideration	57,565.47
Goodwill on consolidation	14,094.07

* Other assets include trade receivables of Rs. 40.33 million. Gross contractual value of trade receivables acquired is Rs. 59.69 million along with allowances for impairment losses estimated at Rs. 19.36 million.

50 Business combinations (continued)**Notes:-**

1. The total purchase consideration for SIPL includes a contingent consideration of Rs.350.00 million which shall be payable to the Embassy Sponsor in cash subject to certain conditions and timeline agreed between the parties.

The purchase consideration was settled through:

- the acquisition of equity interest in EOVP (which in turn holds 60% equity interest in VTPL) and SIPL has been completed with issue proceeds received of Rs.36,852.02 million, by issue of 111,335,400 Units at a price of Rs.331.00 per Unit through the Institutional Placement. The acquisition of balance 40% equity interest in VTPL is completed through Preferential issue of 64,893,000 Units at a price of Rs.356.70 per unit to the third party shareholders aggregating to Rs. 23,147.33 million.

- the remaining consideration has been settled in cash.

2. Embassy Office Parks Group has obtained two independent valuation reports as required by the REIT regulations for the ETV assets and the average of the two valuations for the enterprise value amounts to Rs.102,555 million. Acquisition consideration is at 4.6% discount to average of two independent valuation reports. No fees or commission is payable to any associate of the related party in relation to the transaction. All the material conditions and obligations for the transaction have been complied.

3. The Goodwill of Rs.14,094.07 million mainly arises on account of requirement to value individual assets and liabilities acquired on business combination at fair values as well as the requirement to recognise deferred tax liability of Rs.14,424.08 million, calculated as a difference between the tax effect of the fair value of the acquired assets and liabilities and their tax bases. Goodwill is attributable due to the acquisition price being dependent on the overall property valuation assuming a discounted cash flow method computed using future cashflows and other relevant assumptions as compared with the individual assets recorded at their fair values computed basis comparable approach or depreciated replacement cost basis. Goodwill is allocated entirely to the ETV assets CGU. Goodwill is not deductible for tax purposes.

4. The above transaction enhances Embassy REIT's commercial office portfolio, facilitates the REIT's entry into Bengaluru's best-performing sub-market and further diversifies the REIT's occupier base. Based on the Management's evaluation and the accounting policy followed by the Embassy Office Parks Group, the acquisition is accounted as a business combination.

5. During the year ended 31 March 2022, the fair value of other assets acquired has been revised by Rs.99.11 million based on the new information obtained about facts and circumstances that existed as at the acquisition date. Accordingly, the above amount has been adjusted with Goodwill in the year ended 31 March 2022 with a corresponding impact in the fair value of the asset taken over.

Measurement of fair values

The valuation techniques used for measuring the fair value of material assets acquired and liabilities assumed are as follows:

Particulars	Valuation methodology
Property, plant and equipment and Investment properties	Fair values have been determined by independent external property valuers, having appropriately recognised professional qualification and recent experience in the location and category of the properties being valued. The valuers have followed "Direct comparison approach" for land, "Depreciated replacement cost approach" for the built up component, plant and machinery, capital work-in-progress and other assets. Direct comparison approach involves comparing to similar properties that have actually been sold in an arms length transaction or are offered for sale. Depreciated replacement cost approach considers the current cost of replacing an asset with its modern equivalent asset less deductions for physical deterioration and all relevant forms of obsolescence and optimisation. The methodology begins with a set of assumptions as to the projected income and expenses of the property. This methodology use market derived assumptions, including discount rates, obtained from analysed transactions.
Right-to -use trademark	The fair value of the acquired right to use trademark was established using "Relief from royalty" method. It is a methodology that assumes that if a corporation owns a trademark, then it is relieved from paying a royalty, so a hypothetical royalty payment can be estimated.
CAM service rights	The fair value of the CAM service rights was established using the "Multi-period excess earnings method (MEEM)". In MEEM method, value is estimated as the present value of the benefits anticipated from ownership of the asset in excess of the returns required on the investment in the contributory assets necessary to realize those benefits.
Assets other than those mentioned above	Book values as on the date of acquisition corresponds to the fair values which have been considered to be fully recoverable.
Contingent consideration	Contingent consideration payable are estimated based on the terms of the sale contract, the entity's knowledge of the business and how the current economic environment is likely to impact it. The fair value of contingent consideration is valued based on the present value of expected payments, discounted using a risk-adjusted discount rate. In relation to SIPL it is probable that the consideration of Rs.350 million will be paid in future to the Embassy Sponsor in cash and hence the entire payable of Rs.350 million has been considered as contingent consideration.
Liabilities	Liabilities includes loans and borrowings, trade payables and provision for employee benefits. Book values as on the date of acquisition corresponds to the fair values.

	(0.83)	(0.81)

c. Other disclosures

(i) Actuarial assumptions

Principal actuarial assumptions at the reporting date:

Particulars	For the year ended 31 March 2022	For the year ended 31 March 2021
Discount rate	5.30% to 7.25%	5.30% to 6.80%
Salary increase	5.00% to 8.00%	5.00%
Attrition rate	2% to 5%	2% to 5%
Retirement age	58 years to 60 years	58 years to 60 years

(ii) Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

Particulars	For the year ended 31 March 2022	
	Increase	Decrease
Discount rate (50 basis points movement)	1.91	2.64
Employee attrition rate (50 basis points movement)	1.39	3.26
Future salary growth (50 basis points movement)	2.23	2.30

Particulars	For the year ended 31 March 2021	
	Increase	Decrease
Discount rate (50 basis points movement)	(0.26)	0.39
Employee attrition rate (50 basis points movement)	(0.66)	0.90
Future salary growth (50 basis points movement)	0.40	(0.27)

The estimates of future salary increases, considered in actuarial valuation, takes into account inflation, seniority, promotion and other relevant factors such as supply and demand factors in the employment market.

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior year.

(iii) The Group has purchased an insurance policy to provide for payment of gratuity to the employees. Every year, the insurance company carries out a funding valuation based on the latest employee data provided by the Group. Any deficit in the assets arising as a result of such valuation is funded by the Group.

(iv) The expected future cash flows in respect of gratuity:

Projected benefits payable in future years from the reporting date	As at 31 March 2022	As at 31 March 2021
1st following year	0.35	0.11
2nd to 5th year	3.34	2.35
6th to 10th year	1.96	2.09
Beyond 10 years	13.27	10.45

51 Employee benefits (continued)

B Compensated absences:

The compensated absences cover the Group's liability for earned leave which are classified as other long-term benefits. According to the Group's policy on compensated absences, employees can encash their accumulated leave balance based on their last drawn gross salary.

(i) Liability recognized in the balance sheet

	As at 31 March 2022	As at 31 March 2021
Non-current	-	-
Current	5.97	1.86
Total	5.97	1.86

(ii) Expense recognized in statement of profit and loss:

Particulars	For the year ended 31 March 2022	For the year ended 31 March 2021
Compensated absence expense	1.66	0.25
	1.66	0.25

Other disclosures

Other disclosures are not provided for compensated absences, since the amount of provision for compensated absences is immaterial for the Group.

C Risk exposure:

Through its defined benefit plans, the group is exposed to a number of risks, the most significant of which are detailed below:

i. Liquidity Risk: The Group has purchased insurance policy, which is basically a year-on-year cash accumulation plan in which the interest rate is declared on yearly basis and is guaranteed for a period of one year. The insurance Company, as part of the policy rules, makes payment of all gratuity payments during the year (subject to sufficiency of funds under the policy). The policy, thus, mitigates the liquidity risk.

ii. Change in bond yields: Plan assets, being a cash accumulation plan, the duration of assets is shorter compared to the duration of liabilities. Thus, the Group is exposed to movement in interest rate (in particular, the significant fall in interest rates, which should result in a increase in liability without corresponding increase in the asset).

iii. Inflation risks: Gratuity payments are based on last drawn salary of the employee. Increase in inflation will increase the future salary of employees, thus resulting in increase in projected benefit obligations.

iv. Asset Liability Mismatch or Market Risk: The duration of the liability is longer compared to duration of assets, exposing the Group to market risk for volatilities/ fall in interest rate.

(this space is intentionally left blank)

(all amounts in Rs. million unless otherwise stated)

52 Leases

A. Group as a lessor

i. Operating leases

The Embassy Office Parks REIT Group is primarily engaged in the business of development and lease of office space and related interiors. The Group leases out its Investment property on operating leases basis.

Rental income from non-cancellable leases is recognized on a straight line basis over the term of the relevant lease. For more details on accounting as a lessor, (refer note 2.2 r).

The table below provides details regarding the lease payments as at 31 March 2022 and 31 March 2021 on an undiscounted basis:

60 Advance paid for co-development of property, including development rights of land (M3 Block A & B)

Block A

Manyata Promoters Private Limited ('MPPL') and Embassy Property Developments Private Limited ('EPDPL') entered into a co-development agreement on 8 March 2017 whereby EPDPL shall develop 1 msf M3 Block A warm shell building to be handed over to MPPL by agreed delivery date for a total consideration of Rs.8,256 million, of which Rs.7,784.93 million has already been paid as of 31 March 2022 and balance is to be disbursed linked to achievement of construction milestones. EPDPL was originally obligated to obtain Occupancy Certificate (OC) for the buildings by December 2019. In case of any delay in obtaining the OC beyond the agreed delivery date, EPDPL is obligated to pay a rental compensation of Rs.57 million per month of delay to MPPL. As of date, the bare shell building is under development and the estimated date of completion and obtaining occupancy certificate is now December 2022.

The carrying cost in the consolidated financial statements of the above advance is Rs. 11,258.24 million as at 31 March 2022 which includes one-time fair valuation gain on purchase price allocation on acquisition by the REIT.

As per terms of this co-development agreement, consideration is contingent on pre-defined Net Operating Income achieved and therefore consideration will be trued up/down accordingly upon project completion. As at 31 March 2022, MPPL had a net receivable of Rs. 514.80 million from EPDPL towards receipt of compensation for Block A which has been subsequently received post balance sheet date on 21 April 2022.

Block B

During the financial year ended 31 March 2020, to consolidate the M3 land parcel within Embassy Manyata campus, MPPL and EPDPL entered into another co-development agreement whereby EPDPL shall develop 0.6 msf M3 Block B warm shell building to be handed over to MPPL by agreed delivery date for a total consideration of Rs.7,367 million, of which Rs.4,519.66 million has already been paid as of 31 March 2022 (31 March 2021: Rs.4,255.85 million) and balance is to be disbursed linked to achievement of development milestones. Furthermore, as per the co-development agreement, during the period of construction, EPDPL is obligated to pay interest to MPPL on the amount of the Development Consideration disbursed by MPPL to EPDPL. As of date, the acquisition of necessary transferable development rights and building approvals are yet to be received, delayed in part due to the pandemic, and are currently being pursued by EPDPL. In the interim, site works have been initiated and are underway and the revised estimated date of completion and obtaining occupancy certificate is now March 2025. Basis EPDPL's representation, the Group is confident of timely completion of the property under development after obtaining of balance pending regulatory approvals.

As per terms of this co-development agreement, consideration is contingent on pre-defined Net Operating Income achieved and therefore consideration will be trued up/down accordingly upon project completion. As at 31 March 2022, MPPL had a net receivable of Rs.618.40 million from EPDPL towards receipt of interest for Block B which has been subsequently received post balance sheet date on 21 April 2022.

61 During the previous year ended 31 March 2021, the Board of Directors of the Manager in their meeting held on 19 May 2020 approved the composite scheme of arrangement (the "Scheme") involving MPPL, EOPPL and EPTPL. The Scheme provides for:

- The demerger, transfer and vesting of the Techzone business of EOPPL comprising Embassy TechZone Business Park (more specifically defined as the 'TechZone Undertaking' in the Scheme) into EPTPL on a going concern basis, in consideration for which the Embassy Office Parks REIT (as shareholder of EOPPL) will be issued shares in EPTPL; followed by
- Amalgamation of EOPPL into MPPL, on a going concern basis.

The above scheme has been approved by National Company Law Tribunal (NCLT), Mumbai bench with an effective date of 10 March 2021. Further the scheme was approved by the Board of Approval of Special Economic Zones ("BoA") in its meeting held on 18 March 2021 and the company has filed the necessary form with Registrar of Companies ("ROC") on 25 March 2021, for all the three entities. Upon completion of the scheme, MPPL has become a 100% Holdco of the Embassy Office Parks REIT, holding Embassy Manyata Business Park, 80% of the share capital of EEPL, 50% of the share capital of GLSP, while EPTPL has become a 100% directly-held SPV of Embassy Office Parks REIT, holding Embassy TechZone, an existing asset of the Embassy Office Parks REIT.

The consideration paid by EPTPL and MPPL to give effect to the above consideration to Embassy REIT is as follows:-

- EPTPL has issued and allotted 1 fully paid equity share of face value of Rs.10 each for every 1 equity share of face value of Rs.10 each fully paid-up held in EOPPL by Embassy REIT.
- MPPL has issued and allotted 1 fully paid equity share of face value of Rs.100 each for every 11.85 equity share of face value of Rs.10 each fully paid-up held in EOPPL by Embassy REIT.

The Goodwill of EOPPL has been reallocated. There is no other impact to consolidated financial statements of the Group due to the above scheme of merger.

Further, for the purpose of all disclosures in the condensed consolidated financial statements, all numbers for the year ended 31 March 2021 are shown under EOPPL instead of EPTPL to facilitate comparison and ease for users of the financial statements.

62 The Board of Directors of the Manager through a resolution by circulation dated 23 January 2021 approved the Scheme of Arrangement ("the Scheme") involving EOVP and VTPL. The Scheme provides for the merger/amalgamation of EOVP into VTPL (on a going concern basis). The Scheme has been approved by National Company Law Tribunal (NCLT), Bengaluru Bench on 17 February 2022. The Company has filed the necessary forms with Registrar of Companies (RoC). Upon the Scheme becoming effective, with effect from the Appointed Date, VTPL has become a 100% directly-held SPV of Embassy Office Parks REIT, holding Embassy Tech Village.

The consideration paid by VTPL to give effect to the Scheme to Embassy REIT is as follows:

- VTPL has issued and allotted 1 fully paid-up ordinary share of face value of Rs.10 each for every 3.72 class A equity shares of face value of Rs.10 each, fully paid-up held in EOVP.
- VTPL has issued and allotted 1 fully paid-up ordinary share of face value of Rs.10 each for every 3.14 ordinary equity shares of face value of Rs.10 each, fully paid-up held in EOVP.

There is no impact to consolidated financial statements of the Group due to the above scheme of merger.
