- in case of the Statement of Net Distributable Cash Flows of the REIT and each of its subsidiaries, of the NDCF's for the half year and year ended March 31, 2024.

Basis for Opinion

We conducted our audit of the Condensed Consolidated Ind AS Financial Information in accordance with the Standards on Auditing (SAs), issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Condensed Consolidated Ind AS Financial Information' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India and we have fulfilled our ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained by us, is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

- a. We draw attention to note 45(iv) to the Condensed Consolidated Ind AS Financial Information which refers to the uncertainty in relation to two pending cases, as regards Property tax dues aggregating to Rs. 3,418.89 million as at March 31, 2024 payable by MPPL, before judicial forums, basis previously raised demand notices by the local regulatory authority. Based on legal opinions obtained and pending outcome of such legal matter no provision has been made in these Condensed Consolidated Ind AS Financial Information.
- b. We draw attention to note 51 to the Condensed Consolidated Ind AS Financial Information, regarding advance aggregating to Rs. 6,533.20 million as at March 31, 2024, paid for codevelopment of M3 Block B property. There has been delay in project development as per the planned construction timeline, as the acquisition of necessary development rights and certain regulatory approvals are yet to be received. The management of the Group, basis the representation obtained from Embassy Property Development Private Limited, the Developer, is confident of delivery of the property under development after acquisition of necessary development rights and certain regulatory approvals which are yet to be received. Accordingly, no adjustments have been made in these Condensed Consolidated Ind AS Financial Information.

Our opinion is not modified in respect to the above matters.

Management's Responsibilities for the Condensed Consolidated Ind AS Financial Information

The Condensed Consolidated Ind AS Financial Information has been prepared on the basis of the annual consolidated Ind AS financial statements. The Management of the Manager ('the Management') is responsible for the preparation and presentation of these Condensed Consolidated Ind AS Financial Information that give a true and fair view of the consolidated financial position as at March 31, 2024, consolidated financial performance including other comprehensive income and consolidated cash flows for the quarter, half year and year ended March 31, 2024, consolidated statement of changes in Unitholders' equity for the year ended March 31, 2024, its consolidated net assets at fair value as at March 31, 2024, its consolidated total returns at fair value for the year ended March 31, 2024 and the net distributable cash flows of the REIT and each of its subsidiaries for the half year and year ended March 31, 2024, in accordance with the requirements of the REIT regulations; Ind AS 34 as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended), and other accounting principles generally accepted in India, to the extent not inconsistent with REIT regulations. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Condensed Consolidated Ind AS Financial Information that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Condensed Consolidated Ind AS Financial Information by the Management, as aforesaid.

In preparing these Condensed Consolidated Ind AS Financial Information, the Board of Directors of the Manager and the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Management and respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Condensed Consolidated Ind AS Financial Information

Our objectives are to obtain reasonable assurance about whether the Condensed Consolidated Ind AS Financial Information as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Condensed Consolidated Ind AS Financial Information.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Chartered Accountants

- Identify and assess the risks of material misstatement of the Condensed Consolidated Ind AS Financial Information, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Condensed Consolidated Ind AS Financial Information or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Condensed Consolidated Ind AS Financial Information, including the disclosures, and whether the Condensed Consolidated Ind AS Financial Information represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors, to express an opinion on the Condensed Consolidated Ind AS Financial Information. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Condensed Consolidated Ind AS Financial Information of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the REIT and such other entities included in the Condensed Consolidated Ind AS Financial Information of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The figures for the quarter ended March 31, 2024 presented in the Condensed Consolidated Ind AS Financial Information are the derived figures between the audited figures in respect of the year ended March 31, 2024 and the published year-to-date figures up to December 31, 2023, which were subject to limited review. Further, the figures for the half year ended March 31, 2024 presented in the Condensed Consolidated Ind AS Financial Information are the derived figures between the audited figures in respect of the year ended March 31, 2024 and the published year-to-date figures up to September 30, 2023, which were subject to limited review.

Report on Other Legal and Regulatory Requirements

Based on our audit and as required by the REIT Regulations, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) The Condensed Consolidated Balance Sheet and the Condensed Consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the Condensed Consolidated Ind AS Financial Information; and
- (c) In our opinion, the aforesaid Condensed Consolidated Ind AS Financial Information comply with the Indian Accounting Standards 34, as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended), to the extent not inconsistent with REIT regulations.

Notes:

1) Measurement of fair values:

The fair value of investment properties, investment properties under development (including capital advances); property, plant and equipment (relating to the hotel property in UPPL, MPPL and QBPL, and the solar power plant in EEPL); capital work-in-progress (relating to the proposed hotel to be developed in ETV assets); intangibles and the investment in GLSP as at 31 March 2024 and 31 March 2023 has been determined by L. Anuradha and iVAS Partners respectively, independent external registered property valuers appointed under Regulation 21 of REIT regulations, having appropriately recognised professional qualifications and recent experience in the location and category of the properties being valued in conjunction with value assessment services undertaken by Cushman & Wakefield and CBRE South Asia Private Limited ('CBRE') respectively.

Valuation technique

The fair value measurement for all the investment properties, investment properties under development, property plant and equipment, intangibles and capital work-in-progress has been categorized as a Level 3 fair value based on the inputs to the valuation technique used.

The valuers have followed a Discounted Cash Flow method. The valuation model considers the present value of net cash flows to be generated from the respective properties, taking into account the expected rental growth rate, vacancy period, occupancy rate, average room rent, lease incentive costs and blended tariff rates. The expected net cash flows are discounted using the risk adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location (prime vs secondary), tenant credit quality, lease terms, seasonality in sustaining a stable average room rent and occupancy for the hotels.

#refer note 49.

* Fair values of investment properties, investment properties under development, property, plant and equipment, intangibles, capital work in progress and investment in GLSP as at 31 March 2024 and 31 March 2023 as disclosed above are solely based on the fair valuation report of L. Anuradha and iVAS Partners, independent external registered property valuers appointed under Regulation 21 of REIT regulations, having appropriately recognised professional qualifications and recent experience in the location and category of the properties being valued in conjunction with value assessment services undertaken by Cushman & Wakefield and CBRE respectively.

For the purpose of fair valuation of assets, the Embassy Office Parks Group has fair valued its investment properties, investment properties under development (including capital advances), property, plant and equipment (relating to the hotel property in UPPL, MPPL and QBPL and the solar power plant in EEPL); capital work-in-progress (relating to the proposed hotel to be developed in ETV assets); intangibles and the investment in GLSP.

** Fair value of equity investments in GLSP has been done based on equity valuation method proportionate to stake held in GLSP.

*** Other assets at book value include Goodwill of Rs.49,029.68 million (31 March 2023: Rs.64,045.35 million) on book value basis (net off impairment loss). The Goodwill mainly arises on account of requirement to value individual assets and liabilities acquired on business combination at fair values as well as the requirement to recognise deferred tax liability of Rs. 49,029.68 million (31 March 2023: Rs.53,207.28 million), calculated as a difference between the tax effect of the fair value of the acquired assets and liabilities and their tax bases. During the current year, Goodwill has been restricted to the extent of deferred tax liability.

Notes:

- (i) Other assets at book value includes cash and cash equivalents, debt investments in GLSP and other working capital balances which are not factored in the discounted cashflow method used in determining the fair value of investment properties, investment properties under development, property, plant and equipment, capital work-in-progress and intangibles.
- (ii) Total liabilities includes all liabilities except lease liability.

B) Statement of Total Returns at Fair value

S.No	Particulars	For the half year ended 31 March 2024	For the half year ended 30 September 2023	For the half year ended 31 March 2023	For the year ended 31 March 2024	For the year ended 31 March 2023
Α	Total comprehensive income	5,139.93	4,507.09	1,990.06	9,647.02	5,063.09
В	Add: Changes in fair value not recognised in total comprehensive income (refer note below)	19,697.48	4,722.47	(5,161.57)	24,419.95	2,762.05
C (A+B)) Total Return	24,837.41	9,229.56	(3,171.51)	34,066.97	7,825.14

Note:

1. In the above statement, changes in fair value for the year ended 31 March 2024 and 31 March 2023 has been computed based on the difference in fair values of investment properties, investment properties under development, property, plant and equipment (relating to the hotel property in UPPL, MPPL and QBPL and the solar power plant in EEPL); capital work-in-progress (relating to the proposed hotel to be developed in ETV assets); intangibles and investment in GLSP as at 31 March 2024 as compared with the values as at 31 March 2023 net of cash spent on construction during the year. The fair values of the afore-mentioned assets as at 31 March 2024 and 31 March 2023 are solely based on the valuation report of L. Anuradha and iVAS Partners respectively, independent external registered property valuers appointed under Regulation 21 of REIT regulations, having appropriately recognised professional qualifications and recent experience in the location and category of the properties being valued in conjunction with value assessment services undertaken by Cushman & Wakefield and CBRE respectively.

2. ECPL was acquired on 31 March 2023 and accordingly the statement of total returns at fair value for the year ended and half year ended 31 March 2023 does not include any difference in fair values of investment properties under development.

2. Material accounting policies

2.1 Basis of preparation of Condensed Consolidated Financial Statements

The Interim Condensed Consolidated Financial Information (hereinafter referred to as the "Condensed Consolidated Financial Statements" of the Embassy Office Parks Group comprises the Consolidated Balance Sheet and the Consolidated Statement of Net Assets at fair value as at 31 March 2024, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Statement of Cash Flow, the Consolidated Statement of Changes in Unitholders' Equity, the Statement of Net Distributable Cashflows of Embassy REIT and each of the SPVs, the Consolidated Statement of Total Returns at

fair value and a summary of material accounting policies and other explanatory information for the year ended 31 March 2024.

The Condensed Consolidated Financial Statements were approved for issue in accordance with resolution passed by the Board of Directors of the Manager on behalf of the Trust on 25 April 2024.

The Condensed Consolidated Financial Statements have been prepared in accordance with the requirements of SEBI (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time including any guidelines and circulars issued there under read with SEBI master circular no. SEBI/HO/DDHS-PoD-2/P/CIR/2023/116 dated 6 July 2023 (the "REIT regulations"); Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the REIT regulations. Also refer Note 19(a) on classification of Unitholders fund.

The Condensed Consolidated Financial Statements are presented in Indian Rupees in Millions, except when otherwise indicated.

Statement of compliance to Ind-AS

These Condensed Consolidated Financial Statements for the period and year ended 31 March 2024 are the financial statements of the Embassy Office Parks Group and have been prepared in accordance with Indian Accounting Standards (Ind AS) 34 "Interim Financial Reporting" as defined in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015, to the extent not inconsistent with REIT regulations.

The Condensed Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances. The financial statements of all the SPVs and the Trust used for the purpose of consolidation are drawn up to the same reporting date i.e. 31 March 2024.

Changes in accounting policies and disclosures

New and amended standards

The accounting policies adopted and methods of computation followed are consistent with those of the previous financial year, except for items disclosed below:

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standard) Amendment Rules 2023 dated 31 March 2023 to amend the following Ind AS which are effective from 01 April 2023.

Ind AS 1, Presentation of Financial Statements

An entity shall disclose material accounting policy information. Accounting policy information is material if, when considered together with other information included in an entity's financial statements, it can reasonably be expected to influence decisions that the primary users of general purpose financial statements make on the basis of those financial statements.

Ind AS 8, Accounting policies, Change in Accounting Estimates and Errors

Definition of 'change in account estimate' has been replaced by revised definition of 'accounting estimate'. As per revised definition, accounting estimates are monetary amounts in the financial statements that are subject to measurement uncertainty. An entity develops an accounting estimate to achieve the objective set out by the accounting policy. Developing accounting estimates involves the use of judgements or assumptions based on the latest available, reliable information.

An entity may need to change an accounting estimate if changes occur in the circumstances on which the accounting estimate was based or as a result of new information, new developments or more experience. By its nature, a change in an accounting estimate does not relate to prior periods and is not the correction of an error.

Deferred tax related to leases and decommissioning, restoration and similar liabilities

Ind AS 12, Income Taxes, exempt an entity from recognising a deferred tax asset or liability in particular circumstances. Despite this exemption, an entity shall recognise a deferred tax asset—to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilised—and a deferred tax liability for all deductible and taxable temporary differences associated with

(i) right-of-use assets and lease liabilities; and

(ii) decommissioning, restoration and similar liabilities and the corresponding amounts recognised as part of the cost of the related asset.

There were certain amendments to standards and interpretations which are applicable for the first time for the year ended 31 March 2024, but either the same are not relevant or do not have an impact on the condensed consolidated financial statements of the Group. The Group has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

(all amounts in Rs. million unless otherwise stated)

2. Material accounting policies

2.1 Basis of preparation of Condensed Consolidated Financial Statements (continued)

Basis of Consolidation

(i) Subsidiaries

The Embassy Office Parks Group consolidates entities which it owns or controls. The Condensed Consolidated Financial Statements comprise the financial statements of the Embassy Office Parks REIT and its subsidiary SPVs as disclosed in Note 1. Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases.

The procedure for preparing Condensed Consolidated Financial Statements of the Embassy Office Parks Group are stated below:

- a) The Condensed Consolidated Financial Statements have been prepared using the principles of consolidation as per Ind AS 110 Consolidated Financial Statements, to the extent applicable.
- b) Goodwill is recognised in the Condensed Consolidated Financial Statements at the excess of cost of investment over share of fair value of net assets acquired on the date of acquisition.
- c) The Condensed Consolidated Financial Statements of the Embassy Office Parks Group are consolidated on a line-by-line basis and intragroup balances and transactions for assets and liabilities, equity, income, expenses and cash flows between entities of the Embassy Office Parks Group are eliminated in full upon consolidation.
- d) Non-controlling interests in the net assets (excluding goodwill) of consolidated subsidiaries are identified separately from the equity attributable to shareholders of the Company. The interest of non-controlling shareholders may be initially measured either at fair value or at the non-controlling interests' proportionate share of the fair value of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis.

(ii) Interests in joint arrangements

A joint arrangement is an arrangement of which two or more parties have joint control. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the arrangement. The results of joint ventures are incorporated in these Condensed Consolidated Financial Statements using the equity method of accounting as described below:

Under the equity method of accounting, the investments are initially recognised at cost on the date of acquisition and adjusted thereafter to recognize the Embassy Office Parks Group's share of the post-acquisition profits or losses of the investee in profit and loss, and Embassy Office Parks Group's share of other comprehensive income of the investee in other comprehensive income.

Goodwill is calculated at excess of cost of investment over share of fair value of net assets acquired on the date of acquisition and is disclosed as an additional information in the Notes to the Condensed Consolidated Financial Statements.

Dividends received or receivable from joint ventures are recognised as a reduction in the carrying amount of the investment.

When Embassy Office Parks Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, Embassy Office Parks Group does not recognize further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between Embassy Office Parks Group and joint ventures are eliminated to the extent of Embassy Office Parks Group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees are consistent with the policies adopted by the Embassy Office Parks Group.

The carrying amount of equity accounted investments are tested for impairment in accordance with the Embassy Office Parks Group's policy.

Basis of Business Combination

The Embassy Office Parks Group accounts for its business combinations under acquisition method of accounting. Acquisition related costs are recognised in the condensed consolidated statement of profit and loss as incurred. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the condition for recognition are recognised at their fair values at the acquisition date.

The Embassy Office Parks Group determines that it has acquired a business when the acquired set of activities and assets include an input and a substantive process that together significantly contribute to the ability to create outputs. The acquired process is considered substantive if it is critical to the ability to continue producing outputs, and the inputs acquired include an organised workforce with the necessary skills, knowledge, or experience to perform that process or it significantly contributes to the ability to continue producing outputs and is considered unique or scarce or cannot be replaced without significant cost, effort, or delay in the ability to continue producing outputs. When the Embassy Office Parks Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date.

When the acquisition of subsidiaries represent a business combination, purchase consideration paid in excess of the fair value of net assets acquired is recognised as goodwill. Where the fair value of identifiable assets and liabilities exceed the cost of acquisition, after reassessing the fair values of the net assets and contingent liabilities, the excess is recognised as capital reserve.

Requirements of Ind AS 103 apply to a transaction in which assets acquired and liabilities assumed constitute a business. However, para B7A and B7B of Ind AS 103 allow an optional concentration test to perform simplified assessment of whether acquired set of activities and assets is not a business. The consequence of the test is that if the concentration test is met, the set of activities and assets is determined not to be a business and no further assessment is needed.

When the acquisition of an asset or group of assets does not constitute a business, it is accounted for as an acquisition of a group of assets and liabilities. The cost of the acquisition is allocated to the individual identified assets and liabilities acquired based upon their relative fair values and no goodwill or deferred tax is recognised.

For any identifiable asset or liability initially measured at an amount other than cost, Embassy Office Parks Group initially measures that asset or liability at the amount specified in the applicable Ind AS. Embassy Office Parks Group deduct from the cost of the group of assets the amounts allocated to these assets and liabilities, and then allocate the residual cost of acquisition to the remaining identifiable assets and liabilities based on their relative fair values at the date of acquisition.

Embassy Office Parks REIT RN: IN/REIT/17-18/0001 Condensed Consolidated Financial Statements Notes to Accounts

(all amounts in Rs. million unless otherwise stated)

2. Material accounting policies (continued)

Basis of Business Combination (continued)

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date. Contingent consideration is classified either as equity or a financial liability. Amounts classified as a financial liability are subsequently remeasured to fair value with changes in fair value recognised in profit or loss, except for changes in fair value which are measurement period adjustments, wherein the change is adjusted with the asset/liability recognised at the acquisition date with corresponding adjustment to goodwill. Contingent consideration that is classified as equity is not re-measured at subsequent reporting dates subsequent its settlement is accounted for within equity.

The interest of non-controlling shareholders is initially measured either at fair value or at the non-controlling interests' proportionate share of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity of subsidiaries.

Business combinations arising from transfers of interests in entities that are under common control are accounted at historical cost. The difference between any consideration given and the aggregate historical carrying amounts of assets and liabilities of the acquired entity is recorded in Unitholders' equity.

2.2 Summary of material accounting policies

a) Functional and presentation currency

The Condensed Consolidated Financial Statements are presented in Indian Rupees, which is the Embassy Office Parks REIT's functional currency and the currency of the primary economic environment in which the Embassy Office Parks Group operates. All financial information presented in Indian Rupees has been rounded off to nearest million except unit and per unit data.

b) Basis of measurement

The Condensed Consolidated Financial Statements are prepared on the historical cost basis, except for the following:

- Certain financial assets and liabilities (refer accounting policy regarding financial instrument): measured at fair values;
- Net defined benefit (asset)/ liability less present value of defined obligations: Fair value of plan assets less present value of defined benefit plan;

- The assets and liabilities of the SPVs on the date of acquisition have been accounted using their Fair value and the goodwill / capital reserve amount has been calculated accordingly; and

- Contingent consideration: measured at fair value.

c) Use of judgments and estimates

The preparation of Condensed Consolidated Financial Statements in conformity with generally accepted accounting principles in India (Ind AS) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Information about critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the Condensed Consolidated Financial Statements is included in the following notes:

i) Business combinations

The Embassy Office Parks Group acquires subsidiaries that own real estate. At the time of acquisition, the Group considers whether each acquisition represents the acquisition of a business or the acquisition of an asset. The Group accounts for an acquisition as a business combination where an integrated set of activities and assets, including property, is acquired. More specifically, consideration is given to the extent to which substantive processes are acquired and, in particular, the extent of services provided by the subsidiary.

In accounting for business combinations, judgment is required in identifying whether an identifiable intangible asset is to be recorded separately from goodwill. Estimating the acquisition date fair value of the identifiable assets acquired, useful life thereof and liabilities assumed involves management judgment. These measurements are based on information available at the acquisition date and are based on expectations and assumptions that have been deemed reasonable by the management. Changes in these judgments, estimates and assumptions can materially affect the results of operations.

ii) Impairment of goodwill and intangible assets with infinite useful life

For the purpose of impairment testing, goodwill and intangible assets with indefinite useful life acquired in a business combination is, from the acquisition date, allocated to each of the Embassy Office Parks Group's cash-generating units that are expected to benefit from the combination. In performing such impairment assessments, management compared the carrying value of each of the identifiable cash generating units ("CGUs") to which goodwill and such intangible assets had been allocated with their respective 'value in use' computed based on discounted cash flow method, to determine if any impairment loss should be recognized. The discounted cash flow method involves estimating future cash flows, growth rates and discount rates which require significant management judgement - Note 2.2 (j).

- iii) Classification of lease arrangements as finance lease or operating lease Note 2.2 (r).
- iv) Classification of assets as investment properties or as property, plant and equipment Notes 2.2 (f) and (g).
- v) Significant judgements involved in the purchase price allocation of the assets acquired and liabilities assumed on account of Business Combination and deferred tax accounting on the resultant fair value accounting–Note on Basis of Business Combination and Note 2.2 (v) (ii).
- vi) Judgements in preparing Condensed Consolidated Financial Statements Note 2.1.
- vii) Classification of Unitholders' funds Note 19(a).
- viii) Significant judgements is involved in the allocation cost of acquisition to the identifiable assets and liabilities based on their relative fair values at the date of acquisition in case of acquisition that does not represent a business combination – Note on Basis of Business Combination.

c) Use of judgments and estimates (continued)

Information about assumptions and estimation uncertainties that have a significant risk resulting in a material adjustment during the year ended 31 March 2024 is included in the following notes:

i) Fair valuation and disclosures and impairment of non-financial assets being investment properties and property plant and equipment - The fair value of investment properties and property, plant and equipment are reviewed regularly by management with reference to independent property valuations and market conditions existing at half yearly basis. The independent valuers are independent apraisers with a recognised and relevant professional qualification and with recent experience in the location and category of the investment properties being valued. Judgment is also applied in determining the extent and frequency of independent appraisals. SEBI Circulars issued under the REIT Regulations require disclosures relating to net assets at fair value and total returns at fair value (Refer Statement of net assets at fair value and Statement of total returns at fair value for details).

Refer note 2.2 (j) as regards estimates and assumptions involved in impairment assessment of non-financial assets being investment properties and property plant and equipment.

- ii) Useful lives of Investment Properties and Property, Plant and Equipment-Notes 2.2(f) and (g).
- iii) Valuation of financial instruments -Note 2.2 (l).
- iv) Recognition of deferred tax asset on carried forward losses and recognition of minimum alternate tax credit: availability of future taxable profit against which tax losses carried forward can be used- Note 2.2(v)(ii). Further, significant judgements are involved in determining the provision for income taxes, including recognition of minimum alternate tax credit, in SPVs entitled for tax deduction under Section 80IAB of the Income Tax Act, 1961, wherein the tax deduction is dependent upon necessary details available for exempt and non-exempt income.

d) Current versus non-current classification

The Embassy Office Parks Group presents assets and liabilities in the Condensed Consolidated Balance Sheet based on current/non-current classification:

- An asset is treated as current when it is:
- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Embassy Office Parks Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Embassy Office Parks Group has identified twelve months as its operating cycle.

The Trust has net current liabilities of Rs.39,170.35 million as at 31 March 2024 mainly due to the maturity of Embassy REIT Series V NCD 2021 - Series A in October 2024 and Commercial Papers in June 2024 and January 2025. Based on the Group's liquidity position including undrawn borrowing facilities as well as a low leverage of 29% Net debt to Gross asset value, the Trust will be able to refinance its borrowings and meet its current obligations as and when they fall due.

(this space is intentionally left blank)

e) Measurement of fair values

A number of the Embassy Office Parks Group accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability; or

- in the absence of a principal market, in the most advantageous market for the Asset or liability.

The principal or the most advantageous market must be accessible by the Embassy Office Parks Group. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Embassy Office Parks Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

The Embassy Office Parks Group has an established control framework with respect to the measurement of fair values. The Embassy Office Parks Group engages with external registered valuers for measurement of fair values in the absence of quoted prices in active markets.

While measuring the fair value of an asset or liability, the Embassy Office Parks Group uses market observable data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on inputs used in the valuation techniques as follows-

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

- Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Embassy Office Parks Group uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Embassy Office Parks Group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

f) Investment properties

Property that is held for long-term rental yields or for capital appreciation or both is classified as investment properties. Investment properties is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Embassy Office Parks Group and the cost of the item can be measured reliably. The cost of the assets not ready for their intended use before such date, are disclosed as investment properties under development. All other repairs and maintenance costs are expensed when incurred. When part of an investment properties is replaced, the carrying amount of such replaced position is derecognised.

Investment properties are depreciated on straight-line method over their estimated useful lives. However, where the management's estimate of the remaining useful life of the assets on a review subsequent to the time of acquisition is different, then depreciation is provided over the remaining useful life based on the revised useful life. The residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively.

Pursuant to this policy, Management's estimates of useful life of the following major assets under straight-line method are as follows:				
Asset category	Estimated useful life (in years)			
Buildings**	60 years			
Plant and Machinery	15 years			
Furniture and Fixtures	12 years			
Electrical Equipment	15 years			
Leasehold land*	30 - 99 years based on the lease period			
Leasehold building	10 years based on the lease period			

Based on technical evaluation, the Group believes that the useful lives, as given above, best represent the period over which the Group expects to use these assets. Hence, the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

Pro-rata depreciation is provided on properties purchased or sold during the year.

*Upfront premium paid under lease-cum-sale agreements to acquire land where the Embassy Office Parks Group has an option to purchase the land at the end of/ during the lease term are not amortised over the lease period. Lease period is the non-cancellable period of a lease, together with periods covered by an option to extend the lease if the Group is reasonably certain to exercise that option.

** Useful life of building is restricted to the lease term of leasehold land on which the building is constructed.

Investment properties acquired on Business Combination is depreciated over the remaining useful life from the date of acquisition as certified by the technical valuer.

Investment properties are subsequently measured at cost less accumulated depreciation and impairment losses, if any.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition. In determining the amount of consideration from the derecognition of Investment properties the Group considers the effects of variable consideration, existence of a significant financing component, non-cash consideration, and consideration payable to the buyer (if any).

Note: Plant and machinery, furniture and fixtures and electrical equipment which are physically attached to the building are considered as part of the investment properties.

g) Property, plant and equipment and intangible assets

Property, plant and equipment are carried at cost of acquisition or construction less accumulated depreciation and impairment. The cost of property, plant and equipment includes freight, duties, taxes and other incidental expenses related to the acquisition or construction of the respective assets. The cost of such assets not ready for their intended use are disclosed as capital work-in-progress.

Intangible assets are recorded at their acquisition cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

Depreciation is provided on the straight-line basis over the estimated useful lives of each component of an item of property, plant and equipment and intangibles as follows:

Asset category	Estimated useful life (in years)	
Buildings	60 years	
Plant and Machinery	15 years	
Furniture and Fixtures	12 years	
Electrical Equipment	15 years	
Office Equipment	5 years	
Computers	3 years	
Computer Software	3 years	
Operating Supplies	2-5 years	
Vehicles	8 years	

Based on technical evaluation, the Group believes that the useful lives, as given above, best represent the period over which the Group expects to use these assets. Hence, the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

Upfront premium paid under lease-cum-sale agreements to acquire land where the Embassy Office Parks Group has an option to purchase the land at the end of/ during the lease term are not amortised over the lease period.

The useful lives of intangible assets are assessed as either finite or indefinite.

Right to use trademark: The earnings potential of trade name/ trademark can at times be substantial. A trademark is recognized on a reporting company's balance sheet as an intangible asset separate from goodwill because it satisfies either of the following two tests:

- It arises from legal rights (a trademark is essentially a bundle of rights)

- It is capable of being sold, transferred, and licensed separately from other assets of the acquiring company

The recognition of an acquired trademark is performed as part of a purchase price allocation, whereby a portion of the price paid by the acquirer for all of the acquired assets is assigned to the trademark using an acceptable valuation methodology.

The life of the Right to use trademark is considered indefinite because there is no foreseeable limit nor any specific covenant that limits the time period over which the asset is expected to generate net cash inflows for the SPVs.

Intangible assets comprising of Right to use trademark with indefinite useful lives are not amortised, but are tested for impairment annually, at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Power purchase agreement is one of the essential contracts required for a small power generating company with limited production capacity and marketability. Since sales with the customer take the form of a contract, the power purchase agreement meets the contractual criteria for recognition. This agreement provides ongoing and repeat business for the company and provides a platform for the company to reach profitability.

The initial useful life of the power purchase agreements is estimated to be 25 years based on the contract period and hence are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period and adjusted prospectively.

Common Area Maintenance (CAM) service rights are contract-based intangible assets, which represent the value of contractual rights that arise from contractual arrangements. An entity establishes relationships with its customers through certain contracts, these customer relationships arise from contractual rights. CAM service rights are recognised at their fair value as at the date of acquisition, these are subsequently amortised on a straight-line basis, over their estimated contractual lives.

Property, plant and equipment and Intangibles acquired on Business Combination, except right-to-use trademark, is depreciated over the remaining useful life from the date of acquisition as certified by the technical valuer.

When parts of an item of plant and equipment have different useful lives, they are treated as separate components and depreciated over their respective estimated useful lives.

The residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively.

Pro-rata depreciation is provided on all property, plant and equipment and intangible assets purchased or sold during the year.

Property, plant and equipment are subsequently measured at cost net of accumulated depreciation and accumulated impairment losses, if any.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

h) Non-current assets held for sale

Non-current assets are classified as held for sale if it is highly probable that they will be recovered primarily through sale rather than through continuing use. Such assets are generally measured at the lower of their carrying amount and fair value less costs of disposal. Losses on initial classification as held for sale and subsequent gains and losses on re-measurement are recognised in the Consolidated Statement of Profit and Loss.

Once classified as held-for-sale, intangible assets, property, plant and equipment and investment properties are no longer amortised or depreciated, and any equityaccounted investee is no longer equity accounted.

i) Inventory

Stores and operating supplies

Inventories which comprises food and beverages and operating supplies are valued at lower of cost or net realisable value. Cost of inventories comprises purchase price, costs of conversion and other incidental costs incurred in bringing the inventories to their present location and condition. In determining the cost, weighted average cost method is used.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs to sell.

j) Impairment of non-financial assets

The Embassy Office Parks Group assesses, at each reporting date, whether there is an indication that a non-financial asset other than inventories and deferred tax assets may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Embassy Office Parks Group estimates the asset's recoverable amount.

An impairment loss is recognised in the Consolidated Statement of Profit and Loss if the carrying amount of an asset or its cash-generating unit (CGU) exceeds its recoverable unit. Impairment loss recognised in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU on a pro-rata basis. A CGU is the smallest identifiable asset group that generates cash flows that are largely independent from other assets and groups. Impairment losses are recognised in the Consolidated Statement of Profit and Loss, unless it reverses previous revaluation credited to equity, in which case it is charged to equity.

Goodwill arising from a business combination is allocated to CGUs or group of CGUs that are expected to benefit from the synergies of the combination. Goodwill is tested for impairment on an annual basis and more often, if there is an indication that goodwill may be impaired, relying on a number of factors including operating results, business plans and future cash flows. Impairment is determined for goodwill by assessing the recoverable amount of each CGU (or group of CGUs) to which the goodwill relates. When the recoverable amount of the CGU is less than its carrying amount, an impairment loss is recognised.

An asset's recoverable amount is the higher of an asset's or CGU's fair value less costs of disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or CGU.

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss in respect of goodwill is not subsequently reversed. In respect of other assets, such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation, if no impairment loss had been recognised.

k) Foreign currency transactions

Transactions in foreign currencies are translated into the respective functional currencies of Embassy Office Parks Group's entities at the exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction.

Exchange differences arising on foreign exchange transactions settled and from translations during the year are recognised in the Consolidated Statement of Profit and Loss of the year except exchange differences arising from the translation of the items which are recognised in OCI.

I) Financial instruments

i) Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Embassy Office Parks Group becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value (except for trade receivables which are initially measured at transaction price) plus, for an item not at fair value through profit or loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

l) Financial instruments (continued)

ii) Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- Amortised cost;
- Fair value through other comprehensive income (FVOCI) debt instrument;
- Fair value through other comprehensive income (FVOCI) equity instrument; or
- Fair value through profit or loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Embassy Office Parks Group changes its business model for managing financial assets.

- A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as FVTPL:
- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and

- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of the principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as FVTPL:

the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
 the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of the principal and interest on the principal amount outstanding.

On initial recognition of an equity instrument that is not held for trading, the Embassy Office Parks Group may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment by investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Embassy Office Parks Group may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI or at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Embassy Office Parks Group makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to the Management. The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realising cash flows through the sale of the assets;

- how the performance of the portfolio is evaluated and reported to the Embassy Office Parks Group's management;

- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;

- how managers of the business are compensated - e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and

- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Embassy Office Parks Group's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest

For the purpose of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Embassy Office Parks Group considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Embassy Office Parks Group considers:

- contingent events that would change the amount or timing of cash flows;

- terms that may adjust the contractual coupon rate, including variable interest rate features;

- prepayment and extension features; and

- terms that limit the Embassy Office Parks Group's claim to cash flows from specified assets (e.g. non - recourse features)

A prepayment feature is consistent with the solely payment of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

l) Financial instruments (continued)

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit and loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit and loss.
Debt instruments at FVOCI	These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to profit and loss.
Equity instruments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit and loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit and loss. Any gain or loss on derecognition is also recognised in profit and loss.

iii) Derecognition

Financial assets

The Embassy Office Parks Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Embassy Office Parks Group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Embassy Office Parks Group enters into transactions whereby it transfers assets recognised in its Condensed Consolidated Balance Sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Embassy Office Parks Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired.

The Embassy Office Parks Group also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit and loss.

iv) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the Condensed Consolidated Balance Sheet only when the Embassy Office Parks Group has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

m) Compound financial instruments

The liability component of a compound financial instrument is initially recognised at the fair value of a similar liability that does not have an equity conversion option. The equity component is initially recognised at the difference between the fair value of the compound financial instrument as a whole and the fair value of the liability component. Any directly attributable transaction costs are allocated to the liability and equity components in proportion to their initial carrying amounts.

Subsequent to initial recognition, the liability component of a compound financial instrument is measured at amortised cost using the effective interest method. The equity component of a compound financial instrument is not measured subsequently.

Interest related to the financial liability is recognised in profit and loss (unless it qualifies for inclusion in cost of asset). In case of conversion at maturity, the financial liability is reclassified to equity and no gain or loss is recognised.

n) Rental support

Rental supports that are an integral part of an acquisition transaction is treated as a deduction in the acquisition cost of such investment properties. Where, the right to receive the rental support is reduced from the acquisition cost and is recognised as a financial asset at fair value and subsequently measured at amortised cost based on effective interest rate method.

o) Impairment of financial assets

Financial assets

- The Embassy Office Parks Group recognises loss allowances for expected credit losses on:
- financial assets measured at amortised cost; and
- financial assets measured at FVOCI- debt investments

At each reporting date, the Embassy Office Parks Group assesses whether financial assets carried at amortised cost and debt securities at FVOCI are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer; or

- a breach of contract such as a default or being past due for 180 days or more; or

- the restructuring of a loan or advance by the Embassy Office Parks Group on terms that in the material assessment of the Embassy Office Parks Group it would not consider otherwise; or

- it is probable that the borrower will enter bankruptcy or other financial reorganization; or

- the disappearance of an active market for a security because of financial difficulties

The Embassy Office Parks Group measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- debt securities that are determined to have low credit risk at the reporting date; and

- other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Embassy Office Parks Group is exposed to credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Embassy Office Parks Group considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Embassy Office Parks Group's historical experience and informed credit assessment and including forward-looking information.

The Embassy Office Parks Group assumes that the credit risk on a financial asset has increased significantly if it is more than 180 days past due.

The Embassy Office Parks Group considers a financial asset to be default when:

- the borrower is unlikely to pay its credit obligations to the Embassy Office Parks Group in full, without recourse by the Embassy Office Parks Group to actions such as realising security (if any is held); or

- the financial asset is 180 days or more past due without any security

Measurement of expected credit losses: Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Embassy Office Parks Group and the cash flows that the Embassy Office Parks Group expects to receive).

Presentation of allowance for expected credit losses in the balance sheet: Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets. For debt securities at FVOCI, the loss allowance is charged to profit and loss account and is recognised in OCI.

Write-off: The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Embassy Office Parks Group determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Embassy Office Parks Group's procedures for recovery of amounts due.

Majority of the financial assets of the Embassy Office Parks Group pertain to trade and other receivables. Considering the nature of business, the Embassy Office Parks Group does not foresee any credit risk on its trade and other receivables which may cause an impairment. As per the agreement with tenants, the receivables are covered by clause of payment security mechanism which ensures receipt of all trade receivables. Also, the Embassy Office Parks Group does not have any past history of significant impairment of trade and other receivables.

p) Embedded derivatives

When the Embassy Office Parks Group becomes a party to a hybrid contract with a host that is not an asset within the scope of Ind AS 109 Financial Instruments, it identifies whether there is an embedded derivative. Embedded derivatives are separated from the host contract and accounted for separately if the host contract is not a financial asset and certain criteria are met.

q) Financial guarantee contracts

Financial guarantee contracts are recognised as a financial liability at the time the guarantee is issued. The liability is initially measured at fair value and subsequently at the higher of the amount determined in accordance with Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets and the amount initially recognised less cumulative amortisation, where appropriate.

The fair value of financial guarantees is determined as the present value of the difference in net cash flows between the contractual payments under the debt instrument and the payments that would be required without the guarantee, or the estimated amount that would be payable to a third party for assuming the obligations.

r) Leases

Embassy Office Parks Group as a lessee

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Embassy Office Parks Group recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability, adjusted for any lease payments made at or before the commencement date, less any lease incentives received, plus any initial direct costs incurred and an estimate of the costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located.

The right-of-use assets is subsequently measured at cost less accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use assets. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the Statement of Profit and Loss.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the incremental borrowing rate applicable to the entity within the Embassy Office Parks Group. Generally, the Embassy Office Parks Group uses its incremental borrowing rate as the discount rate. For leases with reasonably similar characteristics, the Embassy Office Parks Group, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole.

The Embassy Office Parks Group recognises the amount of the re-measurement of lease liability as an adjustment to the right-of-use asset. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Embassy Office Parks Group recognises any remaining amount of the re-measurement in profit and loss.

The Embassy Office Parks Group has elected not to recognise right-of-use assets and lease liabilities for short-term leases of all assets that have a lease term of 12 months or less and leases of low-value assets. The Embassy Office Parks Group recognizes the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Embassy Office Parks Group as a lessor

i. Determining whether an arrangement contains a lease

At inception of an arrangement, it is determined whether the arrangement is or contains a lease. At inception or on reassessment of the arrangement that contains a lease, the payments and other consideration required by such an arrangement are separated into those for other elements on the basis of their relative fair values.

ii. Assets held under leases

Leases in which the Embassy Office Parks Group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the non-cancellable period of lease term. Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Embassy Office Parks Group to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Embassy Office Parks Group's net investment in the leases.

iii. Initial direct costs

Initial direct costs such as brokerage expenses incurred specifically to earn revenues from an operating lease are capitalised to the carrying amount of leased asset and recognised over the non-cancellable period of lease term on the same basis as rental income.

(all amounts in Rs. million unless otherwise stated)

2.2 Summary of material accounting policies (continued)

s) Revenue recognition

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services.

Revenue is recognised when recovery of the consideration is probable and the amount of revenue can be measured reliably.

i) Rental income from investment properties

Rental income from property leased under operating lease is recognised in the statement of profit and loss on a straight-line basis over the non-cancellable period of the lease term. Lease incentives granted are recognised as an integral part of the total rental income. Contingent rents are recognised as revenue in the period in which they are earned on a receipt basis.

ii) Income from finance lease

For assets let out under finance lease, the Group recognises a receivable at an amount equal to the net investment in the lease. Rentals received are accounted for as repayment of principal and finance income. Minimum lease payments receivable on finance leases are apportioned between the finance income and the reduction of the outstanding receivable. The finance income allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining net investment in the finance lease. Contingent rents are recorded as income in the periods in which they are earned.

iii) Revenue from contract with customers

a) Revenue from maintenance services is recognised as and when the services are rendered based on the terms of the contracts with the lesses.

b) Revenue from Food, beverages and banquets

Revenue from food and beverages are recorded as and when food is served. Revenue generated from the banquet services offered are charged on the basis of cover charges per person which is billed (exclusive of applicable taxes) based on guaranteed covers if actual cover is less than contracted.

c) Revenue from Room Rentals

Revenue from room rentals are based on the occupancy charged on the basis of room rates which are contracted (exclusive of applicable taxes).

d) Sale of solar energy

Revenue from sale of power is recognized net of cash discount over time for each unit of electricity generated.

e) Other operating income

Other operating income, including service charges on rooms and Food & Beverage (F&B) revenues and other hospitality-related operating income is recognised when the services are rendered and the same become chargeable. Revenue from other services is recognised on accrual basis as per the terms of the agreement.

iv) Recognition of dividend and interest income

Dividend income is recognised in profit and loss on the date on which the Embassy Office Parks Group's right to receive payment is established.

Interest income is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset.

In calculating interest income, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired). However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

t) Employee benefits

Defined contribution plan

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Embassy Office Parks Group makes specified monthly contributions towards government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit and loss in the periods during which the related services are rendered by employees. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

Gratuity

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Embassy Office Parks Group's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Embassy Office Parks Group, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

2.2 Summary of material accounting policies (continued)

t) Employee benefits (continued)

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI. The Embassy Office Parks Group determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss. The Embassy Office Parks Group recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Compensated absences

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid, if the Embassy Office Parks Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

Assets or liabilities related to employee benefit arrangements acquired on Business Combination are recognised and measured in accordance with Ind AS 19 Employee Benefits.

u) Borrowing costs

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of a qualifying asset form part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

Interest expense is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments through the expected life of the financial instrument to the amortised cost of the financial liability. In calculating interest expense, the effective interest rate is applied to the amortised cost of the liability.

Capitalisation rate used to determine the amount of borrowing costs to be capitalised is the weighted average borrowing costs (WABC). Capitalisation of borrowing costs is suspended during the extended period in which active development is interrupted. Capitalisation of borrowing costs is ceased when substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are complete.

v) Taxation

Income tax comprises current and deferred tax. Income tax expense is recognised in the Consolidated Statement of Profit and Loss except to the extent it relates to items directly recognised in equity or in other comprehensive income.

(i) Current tax:

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the period/year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

(ii) Deferred tax:

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- Temporary differences arising on the initial recognition of assets and liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction;

-Temporary differences related to investments in subsidiaries, associates, and joint arrangements to the extent that the Embassy Office Parks Group is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and

- Taxable temporary differences arising on initial recognition of goodwill.

Deferred income tax asset are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Embassy Office Parks Group recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised.

Deferred tax assets - unrecognised or recognised, are reviewed at each reporting date and are recognised/reduced to the extent that it is probable/no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted at the reporting date.

2.2 Summary of material accounting policies (continued)

v) Taxation (continued)

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Embassy Office Parks Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax assets and liabilities, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

Tax impact of timing difference which arise during the tax holiday period are recognised only to the extent of those differences which are reversed after the tax holiday period.

Minimum Alternative Tax ('MAT') under the provisions of the Income Tax, 1961 is recognised as current tax in the Consolidated Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Embassy Office Parks Group will pay normal income tax during the period for which MAT credit can be carried forward for set-off against normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

Deferred tax assets or liabilities acquired on Business Combination are recognised and measured in accordance with Ind AS 12 Income taxes.

w) Provisions and contingencies

The Embassy Office Parks Group recognises a provision when there is a present obligation (legal or constructive) as a result of a past obligating event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation or a present obligation or disclosure is made.

Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

If the effect of the time value of money is material, provisions are discounted.

x) Operating segments

An operating segment is a component of the Embassy Office Parks Group that engages in business activities from which it may earn revenues and incur expenses. All operating segments' operating results are reviewed regularly by a representative of the Embassy Office Parks Group, the Embassy Office Parks Group's Chief Operating Decision Maker ('CODM'), to make decisions about resources to be allocated to the segment and assess its performance, and for which discrete financial information is available.

Net Operating Income ('NOI') is the key metric reported to the CODM for the purposes of assessment of the segment results. The same is defined as follows: *Commercial Offices segment:*

NOI for commercial offices is defined as Revenue from operations (which includes (i) facility rentals, (ii) maintenance services income, (iii) income from finance lease, and (iv) other operating income for Commercial Offices) less Direct operating expenses (which includes (i) Operating and maintenance expenses including common area maintenance expenses (ii) property taxes, (iii) rent, and (iv) insurance).

Hospitality segment:

NOI for hospitality segment is defined as Revenue from operations (which includes (i) room rentals, (ii) sale of food and beverages, (iii) other operating income for hospitality less Direct operating expenses (which includes (i) cost of materials consumed, (ii) employee benefits expenses, (iii) Operating and maintenance expenses excluding property management fees, and (iv) Other expenses).

Other segment:

NOI for other segments is defined as Revenue from operations (which includes income from generation of renewable energy) less Direct operating expenses (which includes (i) Operating and maintenance and (ii) Other expenses).

Certain income (such as interest, dividend and other income) and certain expenses (such as Other expenses excluding Direct operating expenses, depreciation, amortization, impairment and finance cost) are not specifically allocable to segments and accordingly these expenses are adjusted against the total income of the Embassy Office Parks Group.

y) Cash and cash equivalents

Cash and cash equivalents in the Consolidated Balance Sheet comprises of cash at banks and on hand, deposits held at call with bank or financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

2.2 Summary of material accounting policies (continued)

z) Distribution Policy:

Under the provisions of the REIT Regulations, Embassy Office Parks REIT is required to distribute to the Unitholders not less than ninety percent of the net distributable cash flows ('NDCF') of Embassy Office Parks REIT and the current policy of the Manager is to comply with such requirement. The NDCF is calculated in accordance with the REIT Regulations and in the manner provided in the NDCF framework defined by the Manager. The Manager has made certain clarificatory amendments to the NDCF framework under the Distribution Policy to ensure that there is no ambiguity in computing the NDCF at Embassy REIT and SPV/Holdco level. The amended framework is approved by a special majority in the Unitholder's Meeting held on 8 July 2021 and is effective from 1 April 2021.

In terms of the REIT Regulations and NDCF framework which prescribes for the minimum amount of NDCF to be distributed to Embassy Office Parks REIT:

- not less than 90% of the NDCF of the SPVs are required to be distributed to the Embassy Office Parks REIT, in proportion to its shareholding in the SPV, subject to applicable provisions of the Companies Act, 2013.

- 100% of the cash flows received by the Holding Company from the underlying SPVs are required to be distributed to the Embassy Office Parks REIT, and not less than 90% of the NDCF generated by the Holding Company on its own shall be distributed to the Embassy Office Parks REIT, subject to applicable provisions of the Companies Act, 2013.

- The aforesaid net distributable cash flows are made available to Embassy Office Parks REIT in the form of (i) Interest paid on Shareholder Debt provided by Embassy Office Parks REIT to the SPV's/Holding Company, (ii) Principal repayment of Shareholder Debt, (iii) Dividend declared by the SPVs/Holding Company and received by Embassy Office Parks REIT and (iv) Proceeds from sale of any Embassy REIT assets.

Since Embassy Office Parks REIT endeavours to quarterly distributions, any shortfall as regards minimum quarterly distribution by the SPVs and Holding Company to Embassy Office Parks REIT, post interest paid on Shareholder Debt, Interim Dividend payments and Principal repayment of Shareholder Debt, would be done by declaring dividend, to the extent permitted under the Companies Act, 2013.

SEBI has issued Revised framework for computation of Net Distributable Cash Flow (NDCF) by Real Estate Investment Trusts (REITs) dated December 06, 2023 which is effective from April 1, 2024.

aa) Cash distribution to Unitholders

The Group recognises a liability to make cash distributions to Unitholders when the distribution is authorised and a legal obligation has been created. As per the REIT Regulations, a distribution is authorised when it is approved by the Board of Directors of the Manager. A corresponding amount is recognised directly in equity.

ab) Consolidated Statement of Cash flows

Consolidated Cash flows are reported using the indirect method, whereby Profit/ (loss) before share of profit of equity accounted investees and tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Embassy Office Parks Group are segregated.

For the purpose of the Consolidated Statement of Cash Flow, cash and cash equivalents consist of cash and short-term deposits, as defined above, as they are considered an integral part of the Embassy Office Parks Group's cash management.

ac) Earnings per unit

The basic earnings per unit is computed by dividing the net profit/ (loss) attributable to the Unitholders of the Trust by the weighted average number of units outstanding during the reporting period. The number of units used in computing diluted earnings/ (loss) per unit comprises the weighted average units considered for deriving basic earnings/ (loss) per unit and also the weighted average number of units which could have been issued on the conversion of all dilutive potential units.

Dilutive potential units are deemed converted as of the beginning of the reporting date, unless they have been issued at a later date. In computing diluted earnings per unit, only potential equity units that are dilutive and which either reduces earnings per share or increase loss per units are included.

ad) Earnings before share of profit of equity accounted investee, finance costs, depreciation, amortisation and tax

The Embassy Office Parks Group has elected to present earnings before share of profit of equity accounted investee, finance costs, depreciation, amortisation and tax as a separate line item on the face of the Consolidated Statement of Profit and Loss. The Embassy Office Parks Group measures earnings before finance cost, depreciation, amortisation and tax excluding share of profit of equity accounted investees on the basis of profit (loss) from continuing operations. In its measurement, the Embassy Office Parks Group does not include depreciation and amortisation expense, finance costs, share of profit of equity accounted investees and tax expense.

ae) Statement of net assets at fair value

The disclosure of Statement of Net Assets at Fair value comprises of the fair values of the properties held by Asset SPVs and the HoldCo as well as book values of the total liabilities and other assets of all SPVs consolidated. The fair value of the property held by Asset SPVs and HoldCo are reviewed semi-annually by the independent property valuer taking into consideration market conditions existing at the reporting date, and other generally accepted market practices. The independent valuer is leading independent appraiser with a recognised and relevant professional qualification and experience.

af) Joint development accounting

Land/development rights received under joint development arrangements is measured at the fair value of the estimated construction service rendered to the landowner and the same is accounted on completion of the project. Further, non-refundable deposit amount paid by the Group under joint development arrangements is recognised as Investment property under development and on the completion of the project, the non-refundable amount is transferred as land cost to Investment Property.

Notes:											

Notes:

i. EPTPL: The leasehold land for Embassy Techzone is taken from Maharashtra Industrial Development Corporation (MIDC) on a lease for a period of 95 years. The lease expires in June 2100.

ii. OBPPL. The leasehold land for Embassy Oxygen is taken from New Okhla Industrial Development Authority (NOIDA') on a lease for a period of 90 years. The lease expires in September 2097.

iii. ETPL: The leasehold land for First International Financial Centre is taken from Mumbai Mahanagar Regional Development Authority (MMRDA) on a lease for a period of 80 years. The lease expires in June 2088.

iv. GSPL: The leasehold land for Embassy Galaxy is taken from NOIDA on a lease for a period of 90 years. The lease expires in June 2095.

v. QBPL: The leasehold land for Embassy Quadron is taken from MIDC for a lease term of 95 years. The lease expires in October 2100. As per the lease agreement the Company can renew the lease for a further period of 95 years.

to VTPL at any time during the tenure of the lease or on expiry of the lease period, if VTPL has performed all the conditions contained in the agreement and committed no breach thereof. VTPL had converted the lease or on expiry of the lease period, if VTPL has performed all the conditions contained in the agreement and committed no breach thereof. vi. VTPL: VTPL had earlier entered into lease-cum sale agreement for the land located in Embassy Tech Village with Karnataka Industrial Area Development Board (KIADB) for a period of 20 years commencing from 16 June 2006. As per the lease agreement KIADB shall sell the land deed entered with KIADB on 12 February 2018. Further, 1 acre 37 guntas leasehold land is yet to be registered and is classified as a leasehold land and no depreciation has been charged on the same. vii. Investment properties comprises of commercial buildings and other assets forming part of the buildings, that is leased to third parties. The license agreement entered into with tenants may not contain an initial non-cancellable period. Subsequent renewals of these license agreements are negotiated with the tenants and historically the average renewal period ranges between three and five years.

viii. The investment properties have been leased out to lessees / held for lease on operating lease basis.

ix. The plant and machinery, furniture and fixtures and electrical equipment are physically attached to the buildings and form an integral part thereof, hence they are considered as investment properties.

x. The amount of borrowing cost capitalised during the year is Rs.1,243.69 million (31 March 2023: Rs.579.51 million) at a capitalisation rate which is the SPV specific Weighted Average Borrowing Cost (WABC).

xi. In accordance with Ind AS 116- Leases, investment properties includes Right-of-Use (ROU) asset of Rs.2,196,46 million (31 March 2023; Rs.27,064,78 million). The corresponding lease liability amounting to Rs.1,512,93 million (31 March 2023; Rs.362,47 million) is recorded as a financial liability.

xii. Accumulated depreciation as at 31 March 2024 includes Rs Nil impairment loss (31 March 2023: Rs.31.71 million). During the current year, reversal of impairment loss (net of depreciation) amounts to Rs. 30.18 million.

dii. This represents land acquired by the Group under joint development arrangement measured based on fair value of the estimated construction service rendered to the landowner.

Closing balance as at 31 March 2024	947.90	288,262.11
Note:		

(a) Terms/ rights attached to Units

The Trust has only one class of Units. Each Unit represents an undivided beneficial interest in the Trust. Each holder of Units is entitled to one vote per unit. The Unitholders have the right to receive at least 90% of the Net Distributable Cash Flows of the Trust at least once in every six months in each financial year in accordance with the REIT Regulations. The Board of Directors of the Manager approves distributions to Unitholders. The distribution will be in proportion to the number of Units held by the Unitholders. The Trust declares and pays distributions in Indian Rupees.

Under the provisions of the REIT Regulations, Embassy Office Parks REIT is required to distribute to Unitholders not less than 90% of the net distributable cash flows of Embassy Office Parks REIT for each financial year. Accordingly, a portion of the Unitholders' funds contains a contractual obligation of the Trust to pay to its Unitholders cash distributions. The Unitholders' funds could have been classified as compound financial instrument which contain both equity and liability components in accordance with Ind AS 32 - Financial Instruments: Presentation. However, in accordance with SEBI master circular no. SEBI/HO/DDHS-PoD-2/P/CIR/2023/116 dated 6 July 2023 issued under the REIT Regulations, the Unitholders' funds have been classified as equity in order to comply with the mandatory requirements of Section H of Chapter 3 to the SEBI master circular dated 6 July 2023 dealing with the minimum disclosures for key financial statements. Consistent with Unitholders' funds being classified as equity, the distributions to Unitholders is presented in Statement of Changes in Unitholders' Equity and not as finance cost. In line with the above, the dividend payable to Unitholders is recognised as liability when the same is approved by the Manager.

(b) Unitholders holding more than 5 percent Units in the Trust

Formulae for computation of ratios are as follows basis consolidated financial statements:-

a) Asset cover ratio = Total borrowings*/ Gross asset value as computed by independent valuers

b) Debt equity ratio = Total borrowings / Unitholers' Equity* c) Debt Service Coverage Ratio = Earnings before Finance costs, Depreciation, Amortisation and Tax / [Finance cost (net of capitalisation and excluding interest on lease deposit and interest on lease liability) + Principal repayments made during the year to the extent not refinanced]

d) Interest Service Coverage Ratio = Earnings before Finance costs, Depreciation, Amortisation and Tax / Finance cost (net of capitalisation and excluding interest on lease deposit and interest on lease liability)

e) Net worth = Unit capital + Other equity

f) Current ratio = Current Assets / Current liabilities

g) Long term debt to working capital = Long term debt* (Non current) / working capital (i.e., Current assets less current liabilities)

h) Bad debts to Account receivable ratio = Bad Debts (including provision for doubtful debts) / Average trade receivables

i) Current liability ratio = Current liabilities / Total liabilities

j) Total debts to total assets = Total debt / Total assets

k) Debtors' turnover = Revenue from operations / average trade receivables

- l) Inventory turnover = Cost of Materials consumed / Average Inventory m) Operating margin = Net Operating Income** / Revenue from Operations
- n) Net profit margin = Profit after tax / Total income

Total borrowings = Long-term borrowings + Short-term borrowings

Unitholder's Equity = Unit Capital + Other equity Long term debt = Long term borrowings (excluding current maturities of long term debt) + Lease liabilities (Non current)

^ Not applicable

43 Earnings Per Unit (EPU)

Basic EPU amounts are calculated by dividing the profit for the year attributable to Unitholders by the weighted average number of units outstanding during the year. Diluted EPU amounts are calculated by dividing the profit attributable to Unitholders by the weighted average number of units outstanding during the year. units outstanding during the year plus the weighted average number of units that would be issued on conversion of all the potential dilutive instruments into Unit capital.

The following reflects the profit and unit data used in the basic and diluted EPU computation.

MPPL:

a) The SPV was assessed u/s. 143(3) of the Income Tax Act for AY 2016-17 and received assessment order dated 31 December 2018 with additions made u/s.14A of the Income Tax Act with a tax demand of Rs.172.28 million. The SPV has filed an appeal against the assessment order at the CIT (A) and has paid Rs.14.06 million under protest with balance demand stayed. Accordingly, the SPV has disclosed Rs.172.28 million (31 March 2023: Rs.172.28 million) as contingent liability.

b) The SPV was assessed u/s. 143(3) of the Income Tax Act for AY 2018-19 and received assessment order dated 13 September 2021 with additions made u/s.14A of the Income Tax Act. The SPV has filed an appeal against the assessment order at the CIT(A). Accordingly, the SPV has disclosed Rs.26.82 million (31 March 2023: Rs. 26.82 million) as contingent liability.

QBPPL: The SPV had received an assessment order u/s. 143(3) of the Income Tax Act for AY 2015-16 with 14A disallowance, certain expense disallowances and short grant of TDS credit resulting in demand of Rs.3.76 million. An appeal against the assessment order was filed before CIT(A) and the same is in the process of hearing. Penalty proceedings have been initiated. Accordingly, the SPV has disclosed the above demand of Rs.3.76 million (31 March 2023: Rs.3.76 million) as contingent liability.

IENMPL: The SPV received a tax demand notice of Rs.9.25 million for Assessment Year 2014-15 wherein the Assessing Officer had disallowed management fees and additions made u/s.14A of the Income tax Act read with Rule 8D of the Income Tax Rules. The SPV contested the said demand and has filed an appeal with the CIT(A) against the said order. Accordingly, the SPV has disclosed Rs.9.25 million (31 March 2023: Rs.9.25 million) as contingent liability.

45 Commitments and contingencies (continued)

Claims not acknowledged as debt in respect of Income Tax matters (continued)

VTPL:

(a) The SPV was reassessed u/s. 153C read with 143(3) of the Income Tax Act, 1961 for the AY 2003-04 and 2004-05. Certain additions u/s. 68 were made and tax demand of Rs.23.55 million and Rs.1.62 million respectively was raised. The SPV filed an appeal against the demand order before CIT(A) which was upheld in favour of SPV quashing the demand raised. Aggrieved by the CIT(A) order, Income Tax Department filed an appeal before Hon'ble Delhi ITAT. For AY 2003-04 Hon'ble Delhi ITAT has disposed the case in favor of SPV and resultantly the Income Tax Department filed an appeal before Hon'ble Delhi Which was also disposed in favour of SPV. For AY 2004-05 the case is pending before the Hon'ble Delhi ITAT. Accordingly, the SPV has disclosed Rs.1.62 million (31 March 2023: Rs.25.17 million) as contingent liability.

(a) The SPV had received an assessment order u/s. 143(3) of the Income Tax Act for AY 2022-23 wherein the assessing officer has disallowed set-off of brought-forward losses u/s 79A of the Act amounting to Rs. 406.56 million. Consequently, a demand amounting of Rs. 148.22 million has been raised. The SPV is the process of filing an appeal before CIT(A). While the SPV had created a provision of Rs. 101.54 million against such demand, the differential liability is disclosed as contingent liability. Accordingly, the SPV has disclosed the balance demand of Rs.46.68 million (31 March 2023; Rs.Nil) as contingent liability.

Trust:

(a) The Trust was assessed u/s. 143(3) of the Income Tax Act, 1961 for the AY 2021-22 on account of disallowance of expenses claimed u/s 35D of the Act. Aggrieved by the assessment order, the Trust has filed an appeal before CIT(A). Department had further raised a demand of Rs.15.66 million arising due to a calculation error in the said order. Hence the Trust has filed the rectification application u/s 154 of the Act. The Trust has therefore, disclosed Rs.15.66 million (31 March 2023: Rs.15.66 million) as a contingent liability.

iii) Claims not acknowledged as debt in respect of Indirect Tax matters

MPPL:

(a) The SPV had received Order-in-original dated 23 December 2015 with a demand to pay a sum of Rs.522.04 million (including interest and penalty) from the Commissioner of Central Excise Bangalore-V Commissionerate towards incorrectly availed Cenvat credit during the period 1 April 2006 to 31 March 2012. Appeal has been filed before CESTAT dated 18 April 2016. The appeal is heard, order awaited. Accordingly, Rs.522.04 million (31 March 2023: Rs.522.04 million) is disclosed as contingent liability.

(b) The Customs department issued demand notice to the Oil Suppliers of the SPV with a demand of Rs.31.60 million for the period 1 April 2015 to 15 February 2016 denying duty benefit on the procurement of diesel. The Oil Suppliers have subsequently raised the demand on the SPV. Consequently, SPV preferred an appeal before the SEZ commissioner which was rejected by the Commissioner and aggrieved by the order, SPV filed a Writ Petition before the Hon'ble High Court of Karnataka and obtained an Interim stay order from the Court on 9 February 2017 which is still in force. Accordingly, a sum of Rs.31.60 million (31 March 2023: Rs.31.60 million) has been disclosed as contingent liability.

(c) The Principal Commissioner of Service Tax issued a final adjudication order dated 20 January 2022 with a demand of Rs.102.38 million including penalty on various issues including irregular availment of input credit, turnover reconciliation etc. The SPV has filed an appeal with CESTAT against the order received from commissioner of service tax. Accordingly, a sum of Rs.102.38 million (31 March 2023: Rs.102.38 million) has been disclosed as contingent liability.

ETPL:

(a) The SPV has received an Order from Joint Commissioner, Service Tax - I, Kolkata for the period 2012-13 in respect of non-registration and non-payment of service tax under the category of 'Builder's Special Services' and not 'Construction of Immovable Property' service with regard to installation of parking equipment which is taxable as a service leading to ineligibility of abatement of Rs.10.01 million, irregular availment of credit of Rs.6.87 million and non-payment of service tax of Rs.0.96 million (along with penalty of equal amount). Against the aforesaid Order, the SPV has filed an appeal before the Commissioner of Central Excise (Appeals - I), Kolkata which directed the SPV to make a pre-deposit of Rs.1.33 million to stay the recovery of the balance amount. The same has been paid by the SPV under protest. The SPV has received favourable appellate order dated 15 December 2023. Accordingly, a sum of Nil (31 March 2023: Rs.35.68 million) has been disclosed as contingent liability.

(b) SPV has received an Order from Joint Commissioner, Service Tax - I, Kolkata in January 2020, demanding Rs.14.52 million in respect of denial of input tax credit during construction period for the financial years 2014-15 to 2016-17 (along with penalty of equal amount). Against the aforesaid Order, the SPV has filed an appeal before the Commissioner of Central Excise (Appeals - I), Kolkata which directed the SPV to make a pre-deposit of Rs.1.09 million to stay the recovery of the balance amount. The same was paid by the SPV under protest. The SPV has received favourable appellate order dated 15 December 2023. Accordingly, a sum of Nil (31 March 2023: Rs.29.05 million) has been disclosed as contingent liability.

GSPL: The SPV had received an Order-in-Original passed by the Commissioner, Customs, Central Excise and Service Tax Commissionerate, Noida for the period FY 2007-08 to 2010-11 demanding Rs.11.99 million (along-with penalty of equal amount) in respect of inclusion of notional interest accrued on security deposit in the taxable value. Against the aforesaid Order, the SPV had filed an appeal before the Hon'ble Customs, Excise and Service Tax Appellate Tribunal which directed the SPV to make a pre-deposit of Rs.0.90 million to stay the recovery of the balance amount. The same was paid by the SPV under protest. During the previous year FY 17-18, the SPV had received a favourable order and the said demand was annulled and the pre-deposit has been refunded; however, the Commissioner Excise has filed an appeal against the Order to Hon'ble High Court of Allahabad. Accordingly, the SPV has disclosed the demand along with penalty amount of Rs.23.99 million (31 March 2023: Rs.23.99 million) as contingent liability.

UPPL:

The SPV had received show cause notices dated 3 July 2015 for demand due to irregular canvas credit availed for Rs 23.04 million relating to period from 1 April 2011 to 31 March 2016. Responses have been filed and is pending before the Commissioner of Service Tax. Accordingly, the aforementioned demand of Rs.23.04 million (31 March 2023: Rs.23.04 million) is disclosed as contingent liability.

VTPL: The Customs department issued demand notice to the Oil Suppliers of the SPV with a demand of Rs.4.31 million for the period 1 April 2015 to 15 February 2016 denying duty benefit on the procurement of diesel. The Oil Suppliers have subsequently raised the demand on the SPV. Consequently, SPV preferred an appeal before the SEZ commissioner which was rejected by the Commissioner and aggrieved by the order, SPV filed a Writ Petition before the Hon'ble High Court of Karnataka and obtained an Interim stay order from the Court on 9 February 2017 which is still in force. Accordingly, a sum of Rs.4.31 million (31 March 2023: Rs.4.31 million) has been disclosed as contingent liability.

45 Commitments and contingencies (continued)

iv) Claims not acknowledged as debt in respect of Property Tax matters

Particulars	As at	As at
	31 March 2024	31 March 2023
MPPL	3,418.89	3,418.89
	3,418.89	3,418.89

MPPL:

(a) The SPV has received a demand order dated 5 October 2015 to pay a sum of Rs.2,739.49 million (including penalty and interest upto June 2016) towards the difference in property tax payable by the SPV, which difference arose on account of classification of the property under different schedules for the purpose of computing property taxes, for the period 2008-09 to 2015-16. The SPV is contesting that the concerned property being an industrial estate that has been developed as special economic zone must be classified as category XIV as per the notification issued under Karnataka Municipal Corporation Act, 1976 ('the Act') and Bruhat Bengaluru Mahanagar Palike Property Tax Rules, 2009 (Rules'). Whereas, the Assistant Revenue Officer has been considering the concerned property under category VIII as per the notification issued under the Act and Rules. The SPV filed a writ petition against the demand order which has been dismissed by the Hon'ble High Court of Karnataka. The said court upheld the demand made by BBMP. Against the order passed by single judge for the dismissal of writ petition, MPPL has based on external legal opinion filed an appeal before the aforementioned court and the same has been admitted by the court on 27 June 2016. The Hon'ble High Court restrained BBMP from taking any coercive action against the SPV and also directed BBMP to allow the SPV to make payment of property tax for the assessment year 2016-17. The matter is currently pending as at the date of these financial statements. Accordingly, this has been disclosed as a contingent liability. The SPV has paid Rs.646.69 million (31 March 2023: Rs.646.69 million) under protest against the above demand.

(b) The SPV has also received demand notices dated 9 October 2017 to pay a sum of Rs.760.07 million including penalty as of that date towards the differential property tax based on the total survey report for certain blocks for the period 2008-09 to 2017-18. An appeal had been filed before the Joint Commissioner, BBMP, Bytarayanapura, Bangalore ("Joint Commissioner") objecting the total survey report and property tax assessment notice arising therefrom. New demand notices dated 17 January 2019 were issued to pay a sum of Rs.860.39 million (including penalty) towards the differential property tax for the period 2008-09 to 2017-18 and interest upto the date of payment as per the demand notices. The SPV submitted a letter to the Joint Commissioner dated 29 March 2019 referring to the appeals preferred by the SPV and had paid a sum of Rs.286.80 million towards property tax demanded under protest. An order was passed by the Joint Commissioner dismissing the appeal preferred by the SPV. Against the order passed by the Joint Commissioner, MPPL has, based on external legal opinion, filed a writ petition before the Hon'ble High Court of Karnataka on 3 August 2020 on various grounds, inter alia, that the rates BBMP has relied on to calculate property tax in the said demand notices dated 9 October 2017 has been already challenged in a writ appeal filed by the SPV and pending before Hon'ble High Court of Karnataka as mentioned in note iv(a) above. Additionally new notices dated 24 July 2019 and 18 March 2021 were issued to pay a sum of Rs.78.56 million (including penalty) and Rs.27.25 million (including penalty) towards the differential property tax for the year 2018-19 and 2019-20 respectively and the SPV has paid Rs.35.26 million towards property tax demanded under protest. However, BBMP vide notice dated 17 June 2021 have returned the demand draft amount of Rs.9.08 million (differential property tax for the year 2019 -20 paid) requesting payment of interest and penalty along with the differential tax amounting to Rs.27.25 million. The BBMP has issued distress warrant on 1 February 2022 in relation to the above said matter with a notice to pay Rs. 727.09 million against which MPPL has obtained an interim stay on 16 February 2022 from the Hon'ble High Court of Karnataka till the next date of hearing. Accordingly, a net contingent liability of Rs.679.40 million (31 March 2023: Rs.679.40 million) has been disclosed in these financial statements. Pursuant to the return of the demand draft amounting to Rs.9.08 million, the SPV has filed an writ petition before the Hon'ble High Court of Karnataka for (i) staying the operation and execution of the demand notices dated 18 March 2021 and endorsement dated 17 June 2021 and (ii) directing the BBMP to accept the payment of differential property tax. The Hon'ble High Court of Karnataka on 30 September 2022 directed the BBMP to accept the principal payment of Rs.9.08 million. Basis the order of the Hon'ble High Court of Karnataka, MPPL has deposited the principal payment of Rs.9.08 million to BBMP vide letter dated 11 October 2022 via demand draft.

v) Others: tax matters pertaining to equity accounted investee company

(a) GLSP (50% equity accounted investee - joint venture) Income Tax matters:

i) During the year ended 31 March 2020, GLSP has received assessment order for AY 2017-18 for disallowance under section 14A of Income Tax Act read with rule 8D of the Income-tax Rules, disallowance of claim under section 80G of the Income Tax Act and addition to the income based on differences between Form 26AS and the books of accounts. GLSP has filed an appeal against the assessment order with CIT(A). Accordingly, GLSP has disclosed Rs.2.83 million (31 March 2023: Rs.2.83 million) as contingent liability.

ii) During the period ended 30 September 2021, GLSP has received assessment order for AY 2018-19 with disallowance made under section 14A of Income Tax Act read with rule 8D of the Income-tax Rules. GLSP has filed an appeal against the assessment order with CIT(A). Accordingly, GLSP has disclosed Rs.0.68 million (31 March 2023: Rs.0.68 million) as contingent liability.

(b) GLSP (50% equity accounted investee - joint venture) Service Tax matters:

i) GLSP has received show cause notice and order-in-original dated 14 August 2011 and 11 December 2011 to pay a sum of Rs.111.86 million from Office of the Commissioner of Service tax towards wrongly availed Cenvat credit during the period 1 April 2009 to 31 March 2011. Appeal has been filed before CESTAT. As at 31 March 2024 the appeal is pending before CESTAT for hearing and accordingly the same is disclosed as a contingent liability by GLSP.

ii) The Service Tax department has filed an appeal before the Hon'ble Supreme Court against a favourable order passed by the Hon'ble High Court in October 2022. The case pertains to input credit eligibility prior to 2011 amounting to Rs.90.49 million. Accordingly, GLSP has disclosed contingent liability of Rs. 90.49 million (31 March 2023: Nil).

vi) Other matters

(a) VCPPL (Forfeiture of security deposit matters): Orange Business Services India Technology Private Limited, earlier known as Equant Technologies Services (India) Private Limited ("Equant') had filed a summary suit bearing No. 388 of 2012 with the Hon'ble Bombay High Court alleging that the SPV incorrectly terminated the letter of intent dated 18 July 2008 executed between the SPV and Equant for renting premises in Embassy 247 Park pursuant to which Equant paid to the SPV a security deposit of Rs.40.32 million, which was withhed by the SPV on account of breach of agreed terms of the said letter of intent. The Hon'ble High Court had passed an order dated 10 February 2014 wherein the court has granted leave to defend the matter subject to deposit of INR 34.42 million in the court within 12 weeks. VCPPL filed an appeal against the order dated 10 February 2014 and further obtained a stay on 7 July 2014 against the order dated 10 February 2014 till final disposal of the appeal. The matter is pending for hearing.

45 Commitments and contingencies (continued)

Other matters (continued)

(b) EEPL :

i) SPV received a demand notice under the Insolvency and Bankruptcy Code, 2016 (IBC) on 28 February 2019 from a third party subcontractor, engaged by IL&FS Development Company (IEDCL), the parent company of IL&FS Solar Power Limited ('ISPL'), which was itself engaged by ISPL as a contractor for Embassy Energy. The demand notice alleges that unpaid amounts (categorized as operational debts) aggregating up to Rs.1,008.10 million (including interest up to October 2018) are due to the subcontractor directly from EEPL for the various works claimed to have been undertaken at the site of Embassy Energy, on the basis of certain correspondence with EEPL. The demand notice requires payment within 10 days of the letter, failing which the subcontractor may initiate a corporate insolvency resolution process against EEPL. EEPL has by its letter dated 1 March 2019, refuted all such claims inter alia on the basis that the payments are due from ISPL (and/ or its parent entity) to the sub-contractor and not from EEPL, and therefore the sub-contractor has no claim against EEPL. By its letters dated 18 March 2019, the subcontractor has responded to the letter from EEPL, denying all statements made by EEPL and reiterating that the unpaid amounts are due from EEPL. The sub-contractor has thereafter filed an application under Section 9 of the Code before the Bangalore bench of National Company Law Tribunal claiming debt of Rs.1,082.50 million (including interest up to September 2019) and interest thereon against EEPL. During the previous year ended 31 March 2020, the third party sub-contractor vide a letter dated 2 January 2020 served the notice of hearing in the captioned matter for initiation of insolvency proceedings under section 9 of the IBC before the NCLT, Bengaluru pursuant to its order dated 16 December 2019. The petitioner has filed a claim as an operational creditor of IEDCL for an amount of Rs.1,082.50 million (including interest up to September 2019) due to him. The National Company Law Tribunal vide its order dated 8 March 2022 has dismissed the petition filed by the third party sub-contractor and issued order in favour of the SPV. Subsequent to 31 March 2022 the third -party contractor filed an appeal before the National Company Law Appellate Tribunal, Chennai. The NCLAT vide order dated 16 June 2023 dismissed the appeal. The third party contractor has filed an appeal before the Supreme Court of India against the orders of the NCLT and NCLAT and the next date of hearing is awaited. Further, the third party contractor has filed for pre-institution mediation under the Commercial Courts Act, 2015 before the District Legal Services Authority, Bengaluru and the next date is awaited. The third party contractor filed a complaint before the Economic Offence Wing, Mumbai ("EOW") against the SPV and has lodged an First Information Report against the SPV and certain other individuals claiming Rs.1,315.70 million. The SPV has filed a Criminal Writ Petition before the High Court of Bombay against the State of Maharashtra and representative of the third party contractor praying for (i) quashing and setting aside of the FIR and investigation of the EOW and (ii) stay on further proceedings under the FIR and the EOW.

ii) The Karnataka Electricity Regulatory Commission, Bengaluru (KERC) has issued orders in 2005, 2008 and 2014 granting exemption to all solar power generators in Karnataka that achieved commercial operation date between 1 April 2013 and 31 March 2018 from paying certain charges such as payment of wheeling and banking charges, cross subsidy surcharges, transmission losses and wheeling losses for a period of ten years from the date of commissioning. KERC has issued an order dated 14 May 2018 withdrawing the aforementioned exemption available to Karnataka's power generators, including EEPL.

The SPV commissioned the solar plant during the FY 2017-2018 and as per the previous Regulation, the charges did not apply to the SPV for a period of 10 years. The SPV filed a writ petition with the Hon'b1e High Court of Karnataka challenging the KERC Order and obtained an interim Stay Order dated 24 May 2018. BESCOM filed preliminary statement of objections and also filed application seeking recalling of interim order. The application seeking recalling of interim order was rejected. The Hon'b1e High Court passed the judgment on 13 March 2019 allowing the Writ Petition and quashed the order dated 14 May 2018 passed by KERC. The SPV has filed Caveat Petition for receiving notifications in case any suit / appeal is filed by any of the parties to the said petition. KERC has filed a common writ appeal against the order dated 13 March 2019 against EEPL and others. However, Electricity Supply Companies (ESCOMS) have also filed Writ Appeals against some of the petitioners, but no appeal has been filed against EEPL, in the event an adverse order is passed in the said appeal made by ESCOMS, EEPL may also be affected. The next date of hearing is awaited.

(c) MPPL :

i) SPV has filed a writ petition in 2015 against the BBMP and others seeking to inter-alia, quash (i) a circular from 2014 re-fixing the improvement charges under the Karnataka Municipal Corporations Act, 1976, and the Karnataka Municipal Corporations (Recovery of Improvement Expenses) Rules, 2009, and (ii) a notice from 2015 demanding payment of betterment charges of Rs.127.90 million. In 2016, the Hon'ble High Court of Karnataka has granted an interim stay on the impugned circular and notice. Further, MPPL has received a new demand notice dated 29 March 2022 issued by the BBMP for payment of the betterment charges amounting to Rs. 127.91 million along with interest amounting to INR 184.19 million. MPPL has paid the betterment charges of Rs. 127.91 million under protest vide letter dated 30 March 2022 to BBMP. The Karnataka HC has passed an order for listing of the Writ Petition post disposal of the other Writ Appeals relating to betterment charges pending before the Karnataka HC.

ii) SPV has received a demand note dated 13 October 2022 from the Bangalore Water Supply and Sewerage Board for a payment of total charges amounting to Rs.24.62 million in relation to issuance of a no-objection certificate (NOC) for a proposed commercial building on land parcel. SPV has filed a writ petition before the High Court of Karnataka against the State of Karnataka, Bangalore Water Supply and Sewerage Board and others challenging inter-alia, the government order dated 12 February 2016 and the demand note issued against the SPV and seeking to, inter-alia, (i) quash the demand notice dated 13 October 2022; and (ii) issuance of NOC to the SPV. The SPV has obtained an adinterim direction from the High Court of Karnataka on 21 November 2022 wherein the Court has granted stay of demand notice on 13 October 2022 limited to advance probable prorate charges and beneficiary charges amounting to Rs. 21.50 million and has further instructed the SPV to pay the prescribed fee for issuance of NOC. Pursuant to the same, the SPV has made payments on 6 December 2022 amounting to Rs.3.12 million towards NOC charges and treated water charges and the NOC is received. The balance amount of Rs.21.50 million towards NOC fees which have been stayed by the Hon'ble High Court of Karnataka have been shown as contingent liability.

iii) SPV has received a demand note dated August 3, 2023 from the Bangalore Water Supply and Sewerage Board ("BWSSB") for a payment of total charges amounting to Rs. 51.24 million in relation to issuance of a no-objection certificate for a proposed project commercial building on land parcel. SPV has filed a writ petition before the High Court of Karnataka against the State of Karnataka, Bangalore Water Supply and Sewerage Board and others challenging inter-alia, the demand notice issued against MPPL and seeking to, inter-alia, (i) quash the demand notice dated 3 August 2022; and (ii) issuance of NOC to the SPV. The SPV has obtained an ad-interim direction from the High Court of Karnataka on 2 November 2023 wherein the Court has granted stay of demand notice on 3 August 2023 limited to advance probable prorata charges and beneficiary charges amounting to Rs. 46.93 million and has further instructed the SPV to pay the prescribed fee for issuance of NOC. Pursuant to the same, the SPV has made payments on 28 November 2023 amounting to Rs. 6.03 million towards NOC charges and treated water charges and the NOC is received. The balance amount of Rs. 46.93 million towards NOC fees which have been stayed by the Hon'ble High Court of Karnataka have been shown as contingent liability.

(d) VTPL: SPV has received a demand note dated 14 August 2020 and 29 September 2020 from the Bangalore Water Supply and Sewerage Board for a payment of total charges amounting to Rs.138.64 million in relation to issuance of a no-objection certificate (NOC) for a proposed project commercial building on land parcel. SPV has filed a writ petition before the High Court of Karnataka against the State of Karnataka, Bangalore Water Supply and Sewerage Board others challenging inter-alia, the government order dated 12 February 2016 and the demand note issued against the SPV and seeking to, inter-alia, (i) quash the demand notice dated 14 August 2020 and 29 September 2020; and (ii) issuance of NOC to SPV. SPV has obtained an ad-interim direction from the High Court of Karnataka on 17 November 2020 wherein the court has granted stay of demand notice on 14 August 2020 and 29 September 2020 limited to advance probable prorata charges and beneficiary charges and has further instructed the SPV to pay the prescribed fee for issuance of NOC. Pursuant to the same, SPV has made payments on 29 December 2020 and 30 December 2020 amounting to Rs.17.91 million towards NOC charges and treated water charges and the balance amount of Rs.120.73 million towards advance probable prorata charges and BCC charges which have been stayed by the Hon'ble High Court of Karnataka have been shown as contingent liability (31 March 2023: Rs.120.73 million). Additionally, SPV has received the NOCs dated 30 December 2020 from BWSSB with respect to the above.

45 Commitments and contingencies (continued) Other matters (continued)

(e) ECPL:

i) SPV has received a demand note dated 16 June 2020 from the Bangalore Water Supply and Sewerage Board ("BWSSB") for a payment of total charges amounting to Rs.25.69 million in relation to issuance of a no-objection certificate for a proposed project commercial building on land situated at Venkatala Village, Yelahanka Hobli, Bangalore North Taluk, Bangalore and SPV has filed a writ petition before the Karnataka High Court against State of Karnataka, Bangalore Water Supply and Sewerage Board and others challenging inter-alia, the demand note against SPV seeking to, inter-alia, (i) quash the demand notice; and (ii) issue of no-objection certificate to SPV. The High Court of Karnataka granted an ad- interim stay dated 13 November, 2020 on the demand notice issued by BWSSB in relation to certain charges amounting to Rs.22.49 million and instructed SPV to pay the prescribed fee for issuance of no-objection certificate and directed BWSSB to issue NOC by accepting Administration Fees & Scrutiny Fees amounting to Rs.3.2 million and the said demand notice will be subject to outcome of the Writ Petition. The aforesaid Rs.3.2 million was paid on 15 December 2020 to BWSSB and the NOC in relation to same has been received. The matter is currently pending.

ii) SPV received a demand notice dated 16 July 2021 from BBMP towards ground rent and other charges for the purposes of issuing modified plan sanction at Embassy Business Hub owned by SPV. SPV has filed a writ petition against State of Karnataka before the High Court of Karnataka, inter alia to set aside the demand notice dated 16 July 2021 issued by BBMP. On 27 August 2021 the High Court of Karnataka has passed an interim stay against the ground rent, license fee, betterment charges, security deposit, cess on labour charges, 5% service charges under the demand notice dated 16 July 2021 and the balance demand to be paid by the SPV. The High Court of Karnataka has also indicated that the in the event the writ petition fails, the SPV will be liable to pay the demand raised under the demand notice dated 16 July 2021 i.e. Rs.65.67 million. SPV has paid the requisite fee of Rs.22.36 million on 21 October 2021 to BBMP as per the order dated 27 August 2021 and he have received the modified plan sanction.

iii) SPV has received a demand note dated November 21, 2023 from the BWSSB (the "Demand Notice") for payments of total charges amounting to Rs.5.12 million in relation to issuance of a no-objection certificate for a proposed project commercial building on land situated at Venkatala Village, Yelhanka Hobli, Bangalore North Taluk, Bangalore and SPV has filed a writ petition before the High Court of Karnataka against the State of Karnataka, BWSSB and others challenging the Demand Notice and seeking order to,inter-alia, (i) quash the Demand Notice; and (ii) issue the no-objection certificate to ECPL. Pursuant to an order dated January 16, 2024, the High Court of Karnataka granted an ad-interim stay on the Demand Notice, in relation to certain charges amounting to Rs.1.72 million, and instructed ECPL to pay the remaining sum of monies to BWSSB, which has been paid.

(f) A search under section 132 of the Income Tax Act was conducted on 1 June 2022 on EOPMSPL, Embassy REIT, and certain SPV's namely VTPL, EOVPL, SIPL, EEPL. SIPL had received a show cause notice from the income tax authorities pursuant to such search proceedings and had responded to the same on 10 January 2023 and 11 March 2024. Further, REIT, SIPL, VTPL and EEPL have received reassessment notice u/s 148 of the Income Tax Act for AY 2019-20 for which EOP has filed returns u/s 148. The reassessments stands closed for SIPL and REIT with no additions made. Orders were received for EEPL and VTPL with certain adjustments against which the Group is in the process of filing an appeal.

Further, in December 2023, EOP has received reassessment notices u/s 148 for EOPMSPL, Embassy REIT, VTPL, SIPL and EEPL for AY 2020-21 and AY 2021-22 for which EOP has filed returns u/s 148.

(g) The Group had to meet export obligations in relation to EPCG credits availed during previous years for its hotel operations, however, due to the impact of Covid 19, the Group couldn't fulfil the export obligations in certain cases. The Group has received extension for two years. The Group will have future liability if it is not able to meet these obligations or obtain further extension, which is not quantifiable as at the balance sheet date. As at the balance sheet date, the Group has not received any demand towards the same.

(this space is intentionally left blank)

46 Financial instruments - Fair values

A The carrying value and fair value of financial instruments by categories are as below:

Particulars	Carrying value	Fair Value	Carrying value	Fair Value
	31 March 2024	31 March 2024	31 March 2023	31 March 2023
Financial assets				
Fair value through profit and loss				
Investments	30.13	30.13	-	-
Amortised cost				
Investments	6,700.00	-	8,157.82	-
Trade receivables	347.65	-	503.96	-
Cash and cash equivalents	10,113.73	-	8,173.48	-
Other bank balances	154.74	-	580.10	-
Other financial assets	5,391.56	-	4,788.05	-
Total assets	22,737.81	30.13	22,203.41	-
Financial liabilities				
Amortised cost				
Borrowings (including current maturities of long-term debt) - floating rates	66,537.69	-	58,318.25	-
Borrowings (including current maturities of long-term debt) - fixed rates	101,541.84	100,715.69	89,736.71	88,668.04
Lease deposits	13,138.07	-	12,953.85	-
Trade payables	424.95	-	473.69	-
Lease liabilities	1,512.93	-	362.47	-
Other financial liabilities	3,499.86	-	4,180.27	-
Total liabilities	186,655.34	100,715.69	166,025.24	88,668.04

The fair value of investments, cash and cash equivalents, fixed deposits, trade receivables, borrowings at floating rates, lease deposits, trade payables and other financial assets and liabilities approximate their carrying amounts and hence the same has not been disclosed in the table above.

B. Measurement of fair values

The section explains the judgement and estimates made in determining the fair values of the financial instruments that are:

a) recognised and measured at fair value

b) measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level is mentioned below:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

Transfers between Level 1, Level 2 and Level 3

There were no transfers between Level 1, Level 2 or Level 3 during the year ended 31 March 2024 and 31 March 2023.

Determination of fair values

Fair values of financial assets and liabilities have been determined for measurement and/or disclosure purposes based on the following methods. When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

i) The fair values of other financial assets and financial liabilities are considered to be equivalent to their carrying values.

ii) The fair values of borrowings at fixed rates are considered to be equivalent to present value of the future contracted cashflows discounted at the current market rate. The fair value has been categorised as Level 3 Fair value.

Embassy Office Parks REIT RN: IN/REIT/17-18/0001

Condensed Consolidated Financial Statements

Notes to Accounts

47 Operating segments

Ind AS 108 establishes standards for the way that business enterprises report information about operating segments and related disclosures. Based on the 'management approach' as defined in Ind AS 108, the Chief Operating Decision Maker ('CODM') evaluates the Embassy Office Parks' performance and allocates resources based on an analysis of various performance indicators by operating segments. The accounting principles used in the preparation of the Condensed Consolidated Financial Statements are consistently applied to record revenue and expenditure in individual segments and are as set out in the significant accounting policies.

Operating segments of Embassy Office Parks Group are (i) Commercial Offices, (ii) Hospitality and (iii) Other segments. Other segments comprise Generation of Renewable Energy. Revenue and identifiable operating expenses in relation to segments are categorized based on items that are individually identifiable to that segment.

Net Operating Income ('NOI') is the key metric reported to the CODM for the purposes of assessment of the segment results. The same is defined as follows:

a) Commercial Offices segment: NOI for Commercial Offices is defined as revenue from operations (which includes (i) facility rentals, (ii) maintenance services income, (iii) income from finance lease, and (iv) other operating income for Commercial Offices) less direct operating expenses (which includes (i) operating and maintenance expenses including common area maintenance expenses (ii) property taxes, (iii) rent and (iv) insurance).

b) Hospitality segment:

NOI for hospitality segment is defined as revenue from operations (which includes (i) room rentals, (ii) sale of food and beverages, (iii) other operating income from hospitality) less direct operating expenses (which includes (i) cost of materials consumed, (ii) employee benefits expenses, (iii) operating and maintenance expenses excluding property management fees and (iv) other expenses).

c) Other segment:

Ē

NOI for other segments is defined as revenue from operations (which includes income from generation of renewable energy) less direct operating expenses (which includes (i) operating and maintenance expenses and (ii) other expenses).

Certain income (such as interest, dividend and other income) and certain expensess (such as other expenses excluding direct operating expenses, depreciation, amortisation, impairment loss and finance cost) are not specifically allocable to segments and accordingly these expenses are adjusted against the total income of the Embassy Office Parks Group.

Further, the information relating to segment assets and segment liabilities are not regularly provided to CODM for review and hence the same is not disclosed.

Embassy Office Parks REIT RN: IN/REIT/17-18/0001 Condensed Consolidated Financial Statements Notes to Accounts

(all amounts in Rs. million unless otherwise stated)

49 Asset acquisition

During the year ended 31 March 2023, Embassy REIT had entered into share purchase agreements with JV Holdings Private Limited (JVHPL) and Mr. Jitendra Virwani (together known as Sellers) for acquisition of Embassy Hub Business Park. The acquisition was effected on 31 March 2023 ("Acquisition Date").

Embassy REIT acquired 100% of the equity share capital of ECPL comprising 733,800 fully paid-up equity shares of Rs.10 each from JVHPL (an holding company of EPDPL our co-sponsor) and Mr. Jitendra Virwani. Embassy REIT also incurred directly attributable expenses in relation to the asset acquisition, amounting to Rs.49.59 million.

The price payable for acquisition of equity shares of ECPL was funded entirely through internal accruals of the Embassy REIT.

ECPL is engaged in the business of development and leasing of commercial space and related interiors and maintenance of such assets. Major asset pool of this SPV comprise of investment property under development. Based on assessment performed by management, substantially all of the fair value of the gross assets acquired is concentrated in investment property under development. Accordingly, acquisition of ECPL has been accounted as acquisition of group of assets not constituting a business and requirements in Ind AS 103 for business combination accounting has not been applied to this transaction. Embassy Office Parks REIT had opted to apply optional concentration test in respect of acquisition of ECPL. The transaction did not result in recognition of goodwill or bargain gain in the books of the REIT.

The gross purchase consideration was as follows:

Particulars	Amount (in million)
Total Purchase Consideration	64.66
Less: Other Assets	(214.81)
Less: Transaction cost	(49.59)
Add: Other Liabilities	3,547.66
Gross purchase consideration	3,347.93

Embassy office parks group had obtained two independent valuation reports as required by the REIT regulations for the above acquisition and the average of the two valuations amounts to Rs.3,506 million. Acquisition consideration was at 4.5% discount to average of two independent valuation reports. No fees or commission was paid to the Sellers in relation to the transaction. All the material conditions and obligations for the transaction were complied.

Total	10,000.00	10,000.00	-	

51 Advance paid for co-development of property, including development rights of land (M3 Block A & B)

Block A

Manyata Promoters Private Limited ('MPPL') and Embassy Property Developments Private Limited ('EPDPL') entered into a co-development agreement on 8 March 2017 whereby EPDPL was to develop 1 msf M3 Block A warm shell building to be handed over to MPPL by agreed delivery date for a total consideration of Rs.8,256 million. EPDPL was originally obligated to obtain Occupancy Certificate (OC) for the buildings by December 2019. In case of any delay in obtaining the OC beyond the agreed delivery date, EPDPL was obligated to pay a rental compensation of Rs.57 million per month of delay to MPPL. As per terms of this co-development agreement, consideration was contingent on predefined Net Operating Income achieved and therefore consideration was to be trued up/down accordingly upon project completion and final handover.

The warmshell building was completed, OC was received, and final handover was effected as at 31 December 2023. Accordingly, true up consideration of Rs. 2,310 million was paid in accordance with the terms of the agreements.

Block B

During the financial year ended 31 March 2020, to consolidate the M3 land parcel within Embassy Manyata campus, MPPL and EPDPL entered into another co-development agreement whereby EPDPL shall develop 0.6 msf M3 Block B warm shell building to be handed over to MPPL by agreed delivery date for a total consideration of Rs.7,367 million, of which Rs.6,533.20 million has already been paid as of 31 March 2024 (31 March 2023: Rs.5,411.90 million) and balance is to be disbursed linked to achievement of development milestones. Furthermore, as per the co-development agreement, during the period of construction, EPDPL is obligated to pay interest to MPPL on the amount of the Development Consideration disbursed by MPPL to EPDPL. There has been delay in project development as per the planned construction timeline, as the acquisition of necessary development rights and certain regulatory approvals are yet to be received and are currently being pursued by EPDPL. Site works have been initiated and are underway and the revised estimated date of completion and obtaining occupancy certificate is now March 2025. A pending regulatory approval has been received which will facilitate access to development rights enabling the completion of the property under development after obtaining pending regulatory approvals.

As per terms of this co-development agreement, consideration is contingent on pre-defined Net Operating Income achieved and therefore consideration will be trued up/down accordingly upon project completion and final handover.

MPPL has obtained mortgage of 8.1 acres of land as security against the consideration paid till date.

52 The figures for the quarter and half year ended 31 March 2024 are the derived figures between the audited figures in respect of the year ended 31 March 2024 and the published year-to-date figures upto period ended 31 December 2023 and 30 September 2023, which were subject to limited review. Similarly, the figures for the quarter and half year ended 31 March 2023 are the derived figures between the audited figures in respect of the year ended 31 March 2023 and the published year-to-date figures upto period ended 31 December 2022, which were subject to limited review. Similarly, the figures upto period ended 31 December 2022, which were subject to the year ended 31 March 2023 and the published year-to-date figures upto period ended 31 December 2022, which were subject to limited review.
