

Review Report

The Board of Directors

Embassy Office Parks Management Services Private Limited ("the Manager")

(Acting in its capacity as the Manager of Embassy Office Parks REIT)

1st Floor, Embassy Point

150, Infantry Road

Bengaluru -560001

Introduction

1. We have reviewed the accompanying unaudited condensed standalone interim Ind AS financial statements of Embassy Office Parks REIT (the "REIT") which comprise the unaudited condensed standalone balance sheet as at June 30, 2022, the unaudited condensed statement of Profit and Loss, including other comprehensive income, unaudited condensed statement of Cash Flows and the unaudited condensed statement of changes in Unitholders equity for the quarter ended June 30, 2022 and a summary of the significant accounting policies and select explanatory information (together hereinafter referred to as the "Condensed Standalone Interim Ind AS Financial Statements").
2. The Manager is responsible for the preparation of the Condensed Standalone Interim Ind AS Financial Statements in accordance with the requirements of Indian Accounting Standard 34 (Ind AS 34) "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014, as amended including any guidelines and circulars issued thereunder ("REIT Regulations"). The Condensed Standalone Interim Ind AS Financial Statements has been approved by the Board of Directors of the Manager. Our responsibility is to express a conclusion on the Condensed Standalone Interim Ind AS Financial Statements based on our review.

Scope of Review

3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Condensed Standalone Interim Ind AS Financial Statements are free of material misstatement. A review consists of making inquiries, primarily of Manager personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Condensed Standalone Interim Ind AS Financial Statements have not been prepared in all material respects in accordance with the requirements of Ind AS 34, as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the REIT Regulations.

Notes:

The Board of Directors of the Manager to the Trust, in their meeting held on 21 July 2022, have declared distribution to Unitholders of Rs.5.33 per unit which aggregates to Rs.5,052.27 million for the quarter ended 30 June 2022. The distribution of Rs.5.33 per unit comprises Rs.0.65 per unit in the form of interest payment, Rs.2.83 per unit in the form of dividend and the balance Rs.1.85 per unit in the form of amortization of SPV debt.

(this space is intentionally left blank)

1 Trust Information

Embassy Property Developments Private Limited ('EPDPL') and BRE/Mauritius Investments ('BMI') collectively known as (the 'Sponsors' or the 'Co-Sponsors') have set up the Embassy Office Parks REIT (or the "Embassy REIT" or the "Trust") on 30 March 2017 at Royal Oaks, Embassy Golf Links Business Park, Bangalore, 560071, Karnataka, India as an irrevocable trust under the provisions of the Indian Trusts Act, 1882 pursuant to a Trust Deed dated 30 March 2017 as amended on 11 September 2018. The Embassy REIT was registered with SEBI on 3 August 2017 as a real estate investment trust (REIT) under Regulation 6 of the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014 having registration number IN/REIT/17-18/0001. Pursuant to a letter dated 21 August 2018, SEBI took on record the addition of the Blackstone Sponsor to the sponsors of the Embassy REIT. The Trustee to Embassy Office Parks REIT is Axis Trustee Services Limited (the 'Trustee') and the Manager for Embassy Office Parks REIT is Embassy Office Parks Management Services Private Limited (the 'Manager' or 'EOPMSPL').

The objectives of Embassy REIT are to undertake activities in accordance with the provisions of the SEBI REIT Regulations and the Trust Deed. The principal activity of Embassy REIT is to own and invest in rent or income generating real estate and related assets in India with the objective of producing stable and sustainable distributions to Unitholders.

The Units of the Trust were listed on the National Stock Exchange (NSE) and Bombay Stock Exchange (BSE) on 1 April 2019.

Details of Special Purpose Vehicles (SPVs)/ Subsidiaries of Trust is provided below:

Name of the SPV/Subsidiary	Activities	Shareholding (in percentage)

Name of the joint venture	Activities	Shareholding (in percentage)
Golflinks Software Park Private Limited ('GLSP')	Development and leasing of office space and related interiors (Embassy Golflinks Business Park), located at Bengaluru	Kelachandra Holdings LLP (50%), MPPL: 50%

2 Significant accounting policies

2.1 Basis of preparation of Condensed Standalone Financial Statements

The Condensed Standalone Financial Statements (hereinafter referred to as the 'Condensed Standalone Financial statements') of the Trust comprises the Standalone Balance Sheet as at 30 June 2022, the Standalone Statement of Profit and Loss, including other comprehensive income, the Standalone Statement of Cash Flows, the Standalone Statement of Changes in Unitholder's Equity and the summary of significant accounting policies and select explanatory information for the quarter ended 30 June 2022. The Condensed Standalone Financial Statements were approved for issue in accordance with resolution passed by the Board of Directors of the Manager on behalf of the Trust on 21 July 2022.

The Condensed Standalone Financial Statements have been prepared in accordance with the requirements of SEBI (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time including any guidelines and circulars issued there under read with SEBI Circular No. CIR/IMD/DF/146/2016 dated 29 December 2016 (the "REIT regulations"); Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the REIT regulations. Also refer Note 10 (a) on classification of Unitholders fund.

Embassy Office Parks REIT has prepared Condensed Standalone Financial Statements which comply with Ind AS applicable for the quarter ended 30 June 2022, together with the comparative period data as at and for the year ended 31 March 2022, as described in the summary of significant accounting policies.

The Condensed Standalone Financial Statements are presented in Indian Rupees in Millions, except when otherwise indicated.

Statement of compliance to Ind-AS

These Condensed Standalone Financial Statements for the quarter ended 30 June 2022 are the financial statements of the Embassy Office Parks REIT and have been prepared in accordance with Indian Accounting Standards (Ind AS) 34 "Interim Financial Reporting" as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended), to the extent not inconsistent with REIT regulations.

Changes in accounting policies and disclosures

New and amended standards

The accounting policies adopted and methods of computation followed are consistent with those of the previous financial year, except for items disclosed below:

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standard) Amendment Rules 2022 dated March 23, 2022 to amend the following Ind AS which are effective from April 01, 2022.

(i) Reference to the Conceptual Framework - Amendments to Ind AS 103

The amendments replaced the reference to the ICAI's "Framework for the Preparation and Presentation of Financial Statements under Indian Accounting Standards" with the reference to the "Conceptual Framework for Financial Reporting under Indian Accounting Standard" without significantly changing its requirements.

The amendments also added an exception to the recognition principle of Ind AS 103 Business Combinations to avoid the issue of potential 'day 2' gains or losses arising for liabilities and contingent liabilities that would be within the scope of Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets or Appendix C, Levies, of Ind AS 37, if incurred separately.

It has also been clarified that the existing guidance in Ind AS 103 for contingent assets would not be affected by replacing the reference to the Framework for the Preparation and Presentation of Financial Statements under Indian Accounting Standards.

These amendments had no impact on the financial statements of the Trust.

(ii) Property, Plant and Equipment: Proceeds before Intended Use - Amendments to Ind AS 16

The amendments modified paragraph 17(e) of Ind AS 16 to clarify that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment.

These amendments had no impact on the financial statements of the Trust.

(iii) Annual improvements to Ind AS standards on Ind AS 101- First time adoption of Indian Accounting Standards, Ind AS 109 – Financial instruments and Ind AS 41 – Agriculture.

These apply for the first time for the quarter ended 30 June 2022, but they do not have an impact on the financial statements of the Trust.

There were certain amendments to standards and interpretations which are applicable for the first time for the quarter ended 30 June 2022, but either the same are not relevant or do not have an impact on the Condensed standalone financial statements of the Trust. The Trust has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

2.2 Summary of significant accounting policies

a) Functional and presentation currency

The Condensed Standalone Financial Statements are presented in Indian Rupees, which is the Embassy Office Parks REIT's functional currency and the currency of the primary economic environment in which the Embassy Office Parks REIT operates. All financial information presented in Indian Rupees has been rounded off to nearest million except unit and per unit data.

b) Basis of measurement

The Condensed Standalone Financial Statements are prepared on the historical cost basis, except for the following:

- Certain financial assets and liabilities (refer accounting policy regarding financial instrument): measured at fair values.

2 Significant accounting policies (continued)

c) Use of judgments and estimates

The preparation of Condensed Standalone Financial Statements in conformity with generally accepted accounting principles in India (Ind AS) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Information about critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the Condensed Standalone Financial Statements is included in the following notes:

i) Classification of lease arrangements as finance lease or operating lease – Note 2.2 (m)

ii) Classification of Unitholders' funds – Note 10(a)

Information about assumptions and estimation uncertainties that have a significant risk resulting in a material adjustment are included in the following notes -

i) Valuation of financial instruments – Refer Note 2.2 (h)

ii) Recognition of deferred tax asset on carried forward losses and recognition of minimum alternate tax credit: availability of future taxable profit against which tax losses carried forward can be used- Note 2.2(q) (ii)

iii) Estimation of uncertainties relating to the global health pandemic from COVID-19

The Trust has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of its investments in SPVs including loans and other receivables. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Trust, as at the date of approval of these Condensed Standalone Financial Statements has used internal and external sources of information including reports from International Property Consultants and related information, economic forecasts and consensus estimates from market sources on the expected future performance of the Trust. The Trust has performed sensitivity analysis on the assumptions used and based on current estimates expects the carrying amount of these assets as reflected in the balance sheet as at 30 June 2022 will be recovered. The impact of COVID-19 on the Trust's Condensed Standalone Financial Statements may differ from that estimated as at the date of approval of these Condensed Standalone Financial Statements.

iv) Impairment of investments and loans in subsidiaries

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The recoverable amounts for the investments in subsidiaries are based on value in use of the underlying properties. The value in use calculation is based on discounted cash flow model. The key assumptions used to determine the recoverable amount are disclosed and further explained in Note 3.

d) Current versus non-current classification

The Embassy Office Parks REIT presents assets and liabilities in the Condensed Standalone Balance Sheet based on current/ non-current classification:

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Embassy Office Parks REIT classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Embassy Office Parks REIT has identified twelve months as its operating cycle.

e) Measurement of fair values

A number of the Embassy Office Parks REIT accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Embassy Office Parks REIT. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Embassy Office Parks REIT uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

The Embassy Office Parks REIT has an established control framework with respect to the measurement of fair values. The Embassy Office Parks REIT engages with external valuers for measurement of fair values in the absence of quoted prices in active markets.

While measuring the fair value of an asset or liability, the Embassy Office Parks REIT uses market observable data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on inputs used in the valuation techniques as follows-

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Embassy Office Parks REIT uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The REIT recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

2 Significant accounting policies (continued)

f) Impairment of non-financial assets

The Embassy Office Parks REIT assesses, at each reporting date, whether there is an indication that a non-financial asset other than deferred tax assets may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Embassy Office Parks REIT estimates the asset's recoverable amount.

An impairment loss is recognised in the Standalone Statement of Profit and Loss if the carrying amount of an asset or its cash-generating unit (CGU) exceeds its recoverable unit. Impairment loss recognised in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU on a pro rata basis. A CGU is the smallest identifiable asset REIT that generates cash flows that are largely independent from other assets and REITs. Impairment losses are recognised in the Standalone Statement of Profit and Loss, unless it reverses previous revaluation credited to equity, in which case it is charged to equity.

An asset's recoverable amount is the higher of an asset's or CGU's fair value less costs of disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or CGU.

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss in respect of goodwill is not subsequently reversed. In respect of other assets, such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation, if no impairment loss had been recognised.

g) Foreign currency transactions

Transactions in foreign currencies are translated into the respective functional currencies of Embassy Office Parks REIT entities at the exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the Exchange differences arising on foreign exchange transactions settled and from translations during the period/year are recognised in the Standalone Statement of Profit and Loss of the period/year except exchange differences arising from the translation of the items which are recognised in OCI.

h) Financial instruments

i) Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Embassy Office Parks REIT becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit or loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

ii) Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- Amortised cost;
- Fair value through other comprehensive income (FVOCI)— debt instrument;
- Fair value through other comprehensive income (FVOCI)— equity instrument; or
- Fair value through profit or loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Embassy Office Parks REIT changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of the principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of the principal and interest on the principal amount outstanding.

On initial recognition of an equity instrument that is not held for trading, the Embassy Office Parks REIT may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment by investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Embassy Office Parks REIT may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI or at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Embassy Office Parks REIT makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to the Management. The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether Management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realising cash flows through the sale of the assets;
- how the performance of the portfolio is evaluated and reported to the Embassy Office Parks REIT's Management;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- how managers of the business are compensated – e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected;
- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Embassy Office Parks REIT's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

2 Significant accounting policies (continued)

h) Financial instruments (continued)

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest

For the purpose of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Embassy Office Parks REIT considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Embassy Office Parks REIT considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Embassy Office Parks REIT's claim to cash flows from specified assets (e.g. non – recourse features)

A prepayment feature is consistent with the solely payment of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.
Debt instruments at FVOCI	These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to profit or loss.
Equity instruments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit and loss. Any gain or loss on derecognition is also recognised in profit and loss.

iii) Derecognition

Financial assets

The Embassy Office Parks REIT derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Embassy Office Parks REIT neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Embassy Office Parks REIT enters into transactions whereby it transfers assets recognised in its Standalone Balance Sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Embassy Office Parks REIT derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired.

The Embassy Office Parks REIT also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit and loss.

iv) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the Standalone Balance Sheet when, and only when, the Embassy Office Parks REIT currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

i) Compound financial instruments

The liability component of a compound financial instrument is initially recognised at the fair value of a similar liability that does not have an equity conversion option. The equity component is initially recognised at the difference between the fair value of the compound financial instrument as a whole and the fair value of the liability component. Any directly attributable transaction costs are allocated to the liability and equity components in proportion to their initial carrying amounts.

Subsequent to initial recognition, the liability component of a compound financial instrument is measured at amortised cost using the effective interest method. The equity component of a compound financial instrument is not measured subsequently.

Interest related to the financial liability is recognised in profit or loss (unless it qualifies for inclusion in cost of asset). In case of conversion at maturity, the financial liability is reclassified to equity and no gain or loss is recognised.

2 Significant accounting policies (continued)

j) Impairment of financial assets

Financial assets

The Embassy Office Parks REIT recognises loss allowances for expected credit losses on:

- financial assets measured at amortised cost; and
- financial assets measured at FVTOCI- debt investments

At each reporting date, the Embassy Office Parks REIT assesses whether financial assets carried at amortised cost and debt securities at FVTOCI are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer
- a breach of contract such as a default or being past due for 180 days or more
- the restructuring of a loan or advance by the Embassy Office Parks REIT on terms that the Embassy Office Parks REIT would not consider otherwise
- it is probable that the borrower will enter bankruptcy or other financial reorganisation or
- the disappearance of an active market for a security because of financial difficulties

The Embassy Office Parks REIT measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- debt securities that are determined to have low credit risk at the reporting date; and
- other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Embassy Office Parks REIT is exposed to credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Embassy Office Parks REIT considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Embassy Office Parks REIT's historical experience and informed credit assessment and including forward-looking information.

The Embassy Office Parks REIT assumes that the credit risk on a financial asset has increased significantly if it is more than 30 days past due.

The Embassy Office Parks REIT considers a financial asset to be default when:

- the borrower is unlikely to pay its credit obligations to the Embassy Office Parks REIT in full, without recourse by the Embassy Office Parks REIT to actions such as realising security (if any is held); or
- the financial asset is 180 days or more past due without any security

Measurement of expected credit losses: Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Embassy Office Parks REIT and the cash flows that the Embassy Office Parks REIT expects to receive).

Presentation of allowance for expected credit losses in the balance sheet: Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets. For debt securities at FVTOCI, the loss allowance is charged to profit and loss account and is recognised in OCI.

Write-off: The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Embassy Office Parks REIT determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Embassy Office Parks REIT's procedures for recovery of amounts due.

Majority of the financial assets of the Embassy Office Parks REIT pertains to loans to subsidiaries and other receivables. Considering the nature of business, the Embassy Office Parks REIT does not foresee any credit risk on its loans and other receivables which may cause an impairment. Also, Embassy Office Parks REIT does not have any past history of significant impairment of loans and other receivables.

k) Embedded derivatives

When the Embassy Office Parks REIT becomes a party to a hybrid contract with a host that is not an asset within the scope of Ind AS 109 Financial Instruments, it identifies whether there is an embedded derivative. Embedded derivatives are separated from the host contract and accounted for separately if the host contract is not a financial asset and certain criteria are met.

l) Financial guarantee contracts

Financial guarantee contracts are recognised as a financial liability at the time the guarantee is issued. The liability is initially measured at fair value and subsequently at the higher of the amount determined in accordance with Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets and the amount initially recognised less cumulative amortisation, where appropriate.

The fair value of financial guarantees is determined as the present value of the difference in net cash flows between the contractual payments under the debt instrument and the payments that would be required without the guarantee, or the estimated amount that would be payable to a third party for assuming the obligations.

When guarantees in relation to loans or other payables of subsidiaries or associates are provided for no compensation, the fair values are accounted as contributions and recognised as part of the cost of investment.

m) Leases

Embassy Office Parks REIT as a lessee

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Embassy Office Parks REIT recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability, adjusted for any lease payments made at or before the commencement date, less any lease incentives received, plus any initial direct costs incurred and an estimate of the costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located.

The right-of-use assets is subsequently measured at cost less accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets are depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the Condensed statement of profit and loss.

2 Significant accounting policies (continued)

m) Leases (continued)

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the incremental borrowing rate applicable to the entity within the Embassy Office Parks REIT. Generally, the Embassy Office Parks REIT uses its incremental borrowing rate as the discount rate. For leases with reasonably similar characteristics, the Embassy Office Parks REIT, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole.

The Embassy Office Parks REIT recognises the amount of the re-measurement of lease liability as an adjustment to the right-of-use asset. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Embassy Office Parks REIT recognises any remaining amount of the re-measurement in Condensed statement of profit and loss.

The Embassy Office Parks REIT has elected not to recognise right-of-use assets and lease liabilities for short-term leases of all assets that have a lease term of 12 months or less and leases of low-value assets. The Embassy Office Parks REIT recognizes the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Embassy Office Parks REIT as a lessor

1. Determining whether an arrangement contains a lease

At inception of an arrangement, it is determined whether the arrangement is or contains a lease. At inception or on reassessment of the arrangement that contains a lease, the payments and other consideration required by such an arrangement are separated into those for other elements on the basis of their relative fair values. If it is concluded for a finance lease that it is impracticable to separate the payments reliably, then an asset and a liability are recognised at an amount equal to the fair value of the underlying asset. The liability is reduced as payments are made and an imputed finance cost on the liability is recognised using the incremental borrowing rate.

ii. Assets held under leases

Leases in which the Embassy Office Parks REIT does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Embassy Office Parks REIT to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Embassy Office Parks REIT's net investment in the leases.

iii. Initial direct costs

Initial direct costs such as brokerage expenses incurred specifically to earn revenues from an operating lease are capitalised to the carrying amount of leased asset and recognised over the lease term on the same basis as rental income.

n) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. This inter alia involves discounting of the consideration due to the present value if payment extends beyond normal credit terms.

Revenue is recognised when recovery of the consideration is probable and the amount of revenue can be measured reliably.

Recognition of dividend income, interest income

Dividend income is recognised in profit or loss on the date on which the Embassy Office Parks REIT's right to receive payment is established.

Interest income is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset.

In calculating interest income, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired). However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

o) Investments in subsidiaries and joint ventures

The Trust accounts for its investments in subsidiaries and joint ventures at cost less accumulated impairment losses (if any) in its Condensed Standalone Financial Statements. Investments accounted for at cost are accounted for in accordance with Ind AS 105, Non-current Assets Held for Sale and Discontinued Operations, when they are classified as held for sale.

p) Borrowing costs

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

Interest expense is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments through the expected life of the financial instrument to the amortised cost of the financial liability. In calculating interest expense, the effective interest rate is applied to the amortised cost of the liability.

q) Taxation

Income tax comprises current and deferred tax. Income tax expense is recognised in the Standalone Statement of Profit and Loss except to the extent it relates to items directly recognised in equity or in other comprehensive income.

(i) Current tax:

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the period/year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

(ii) Deferred tax:

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised

- Temporary differences arising on the initial recognition of assets and liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction;

- Taxable temporary differences arising on initial recognition of goodwill.

Deferred income tax asset are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Embassy Office Parks REIT recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised.

2 Significant accounting policies (continued)

q) Taxation (continued)

Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/reduced to the extent that it is probable/no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the tax rate (and tax laws) that have been enacted or substantively enacted at the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Embassy Office Parks REIT expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Tax impact of timing difference which arise during the tax holiday period are recognised only to the extent of those differences which are reversed after the tax holiday period.

r) Provisions and contingencies

The Embassy Office Parks REIT recognises a provision when there is a present obligation (legal or constructive) as a result of a past obligating event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

If the effect of the time value of money is material, provisions are discounted.

s) Operating segments

The objectives of Embassy REIT are to undertake activities in accordance with the provisions of the SEBI REIT Regulations and the Trust Deed. The principal activity of Embassy REIT is to own and invest in rent or income generating real estate and related assets in India.

The Board of Directors of the Manager allocate the resources and assess the performance of the Trust, thus are the Chief Operating Decision Maker (CODM). In accordance with the requirements of Ind AS 108 - "Segment Reporting", the CODM monitors the operating results of the business as a single segment, hence no separate segment needs to be disclosed. As the Embassy Office Parks REIT operates only in India, hence no separate geographical segment is disclosed.

t) Cash and cash equivalents

Cash and cash equivalents in the Standalone Balance Sheet comprises of cash at banks and on hand, deposits held at call with bank or financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

u) Cash distributions to Unitholders

The Embassy Office Parks REIT recognizes a liability to make cash distributions to unitholders when the distribution is authorized, and a legal obligation has been created. As per the REIT Regulations, a distribution is authorized when it is approved by the Board of Directors of the Manager. A corresponding amount is recognized directly in equity.

v) Statement of Cash flows

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Embassy Office Parks REIT are segregated.

For the purpose of the Statement of Cash Flow, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Embassy Office Parks REIT's cash management.

w) Earnings per unit

The basic earnings per unit is computed by dividing the net profit/ (loss) attributable to the unitholders of the REIT by the weighted average number of units outstanding during the reporting period. The number of units used in computing diluted earnings/ (loss) per unit comprises the weighted average units considered for deriving basic earnings/ (loss) per unit and also the weighted average number of units which could have been issued on the conversion of all dilutive potential units.

Dilutive potential units are deemed converted as of the beginning of the reporting date, unless they have been issued at a later date. In computing diluted earnings per unit, only potential equity units that are dilutive and which either reduces earnings per share or increase loss per units are included.

x) Earnings before finance costs, impairment loss and tax

The Embassy Office Parks REIT has elected to present earnings before finance cost, impairment loss and tax as a separate line item on the face of the Standalone Statement of Profit and Loss. The Embassy Office Parks REIT measures earnings before finance cost, impairment loss and tax on the basis of profit/ (loss) from continuing operations. In its measurement, the Embassy Office Parks REIT does not include finance costs, impairment loss and tax expense.

y) Distribution Policy

Under the provisions of the REIT Regulations, Embassy Office Parks REIT is required to distribute to the Unitholders not less than ninety percent of the net distributable In terms of the REIT Regulations and NDCF framework which prescribes for the minimum amount of NDCF to be distributed to Embassy Office Parks REIT:

- not less than 90% of the NDCF of the SPVs are required to be distributed to the Embassy Office Parks REIT, in proportion to its shareholding in the SPV, subject to applicable provisions of the Companies Act, 2013.

- 100% of the cash flows received by the Holding Company from the underlying SPVs are required to be distributed to the Embassy Office Parks REIT, and not less than 90% of the NDCF generated by the Holding Company on its own shall be distributed to the Embassy Office Parks REIT, subject to applicable provisions of the Companies Act, 2013.

- The aforesaid net distributable cash flows are made available to Embassy Office Parks REIT in the form of (i) interest paid on Shareholder Debt provided by Embassy Office Parks REIT to the SPV's/Holding Company, (ii) Principal repayment of Shareholder Debt, (iii) dividend declared by the SPVs/Holding Company and received by Embassy Office Parks REIT and (iv) Proceeds from sale of any Embassy REIT assets.

Since Embassy Office Parks REIT endeavours to quarterly distributions, any shortfall as regards minimum quarterly distribution by the SPVs and Holding Company to

3 Non-current investments

- 254,583 (31 March 2022: 254,583) equity shares of Indian Express Newspapers (Mumbai) Private Limited of Rs.100 each, fully paid up	13,210.96	13,210.96
- 107,958 (31 March 2022: 107,958) equity shares of Galaxy Square Private Limited of Rs.100 each, fully paid up	4,662.50	4,662.50
- 6,515,036 (31 March 2022: 6,515,036) Class A equity shares of Vikas Telecom Private Limited of Rs.10 each, fully paid up (refer note (c) below and note 33)	50,695.45	50,695.45
- 3,300 (31 March 2022: 3,300) equity shares of Sarla Infrastructure Private Limited of Rs.1,000 each, fully paid up	6,870.02	6,870.02
	226,202.85	226,202.85
	239,333.52	239,333.52
Aggregate amount of impairment recognised	4,133.05	4,133.05
b) Trade, unquoted, measured at amortised cost		
Investment in debentures of joint venture entity (refer note (e) below)		
- 9,500 (31 March 2022: Nil) 8.15% debentures of Rs 1 million each (refer note (e) below and note 24)	9,350.00	-
	248,683.52	239,333.52

a) The recoverable amounts of the investments in subsidiaries have been computed based on value in use calculation of the underlying properties, computed semi-annually in March and September of each financial year. The value in use calculation is determined by iVAS Partners, independent external property valuers appointed under Regulation 21 of REIT regulations, having appropriately recognised professional qualifications and recent experience in the location and category of the properties being valued in conjunction with value assessment services undertaken by CBRE South Asia Private Limited based on discounted cash flow method. As at 30 June 2022, an amount of Rs.4,133.05 million (31 March 2022: Rs.4,133.05 million) has been provided as impairment on investment in subsidiaries namely Umbel Properties Private Limited, Quadron Business Park Private Limited and Embassy Energy Private Limited based on independent valuation report as on 31 March 2022. This includes impairment loss of Nil for quarter ended 30 June 2022 (Rs.857.48 million for the year ended 31 March 2022) for Umbel Properties Private Limited and Quadron Business Park Private Limited. The impairment charge arose in these entities mainly due to slower ramp up of hotel room occupancy, slower than anticipated lease up, coupled with the current economic conditions due to Covid-19 pandemic. In determining the value in use, the cash flows were discounted at the rate of 12.38% as at 31 March 2022 for investment in Hospitality operations (UPPL and QBPL) and 11.70% as at 31 March 2022 for investment in solar power plant (EEPL).

The financial projections basis which the future cash flows have been estimated consider the increase in economic uncertainties due to COVID-19, revisiting the key operating assumptions as well as growth rates factored while arriving at terminal value and subjecting these variables to sensitivity analysis.

(b) Pursuant to the National Company Law Tribunal, Mumbai (NCLT), order dated 24 August 2021, Earnest Towers Private Limited (ETPL) had reduced its equity share capital by 30,970,800 fully paid equity shares and details of consideration receivable by REIT from ETPL on such capital reduction are provided below. The said consideration was converted into long term loan receivable by the Trust from ETPL, carrying interest rate of 12.5% per annum (refer note 24).

As per the petition, the capital reduction is to be implemented in the following manner:

Particulars	Amount
Number of equity shares cancelled	30,970,800
Consideration per equity share (in Rs.)	50.00
Total consideration payable to Trust on capital reduction (in Rs. million)	1,548.54

Since the Trust continued to hold the same economic interest through equity shareholding in ETPL, both before and after capital reduction, the aforementioned consideration of Rs.1,548.54 million was accounted for as a reduction of carrying amount of the Trust's investment in ETPL.

(c) The Board of Directors of the Manager through a resolution by circulation dated 23 January 2021 approved the Scheme of Arrangement ("the Scheme") involving EOVPL and VTPL. The Scheme provided for the merger/amalgamation of EOVPL into VTPL (on a going concern basis). The Scheme was approved by Bengaluru Bench of National Company Law Tribunal (NCLT) on 17 February 2022, VTPL and EOVPL had filed the necessary forms with Registrar of Companies (RoC). Upon the Scheme becoming effective, VTPL has become a 100% directly-held SPV of Embassy Office Parks REIT, holding Embassy Tech Village. Since the Trust continued to hold the same economic interest through equity shareholding both before and after the composite scheme of arrangement, the Trust's investments in EOVPL were derecognised and the carrying amount of such investments was recognised as cost of shares issued by VTPL to the Trust upon such merger during the quarter ended 31 March 2022.

3 Non-current investments (continued)

(d) Details of % shareholding in the SPVs/subsidiaries, held by Trust is as under:

Name of Subsidiary	As at 30 June 2022	As at 31 March 2022
Embassy Pune TechZone Private Limited	100.00%	100.00%
Manyata Promoters Private Limited	100.00%	100.00%
Umbel Properties Private Limited	100.00%	100.00%
Embassy Energy Private Limited	19.99%	19.99%
Earnest Towers Private Limited	100.00%	100.00%
Indian Express Newspapers (Mumbai) Private Limited	100.00%	100.00%
Vikhroli Corporate Park Private Limited	100.00%	100.00%
Qubix Business Park Private Limited	100.00%	100.00%
Quadron Business Park Private Limited	100.00%	100.00%
Oxygen Business Park Private Limited	100.00%	100.00%
Galaxy Square Private Limited	100.00%	100.00%
Vikas Telecom Private Limited (refer note (i) below and note 33)	100.00%	100.00%
Sarla Infrastructure Private Limited	100.00%	100.00%

(i) 60% of ownership interest in Vikas Telecom Private Limited was held by Embassy Office Ventures Private Limited till 1 April 2021. Pursuant to the merger/amalgamation of EOVP and VTPL through an order from the NCLT Bengaluru, the shareholding of VTPL by EOVP was cancelled and the Trust directly owns 100% interest in Vikas Telecom Private Limited effective 1 April 2021. (refer note 33)

(e) Investment in debentures of joint venture entity

1. 9,500 (31 March 2022: Nil) unlisted, unrated, secured, redeemable, non-convertible debentures of Golfinks Software Parks Private Limited with face value of Rs.1,000,000.00 each.
2. Interest Rate : 8.15% p.a.
3. Security : The debentures are secured by first ranking exclusive security interest over identified land and building of Embassy Golfinks Business Park.
4. Tenure : Debentures shall be redeemed 7 years from the deemed date of allotment. Early redemption of debentures shall be permitted subject to availability of funds on such date.

4 Non-current loans

(a) Terms/rights attached to Units

The Trust has only one class of Units. Each Unit represents an undivided beneficial interest in the Trust. Each holder of Units is entitled to one vote per unit. The Unitholders have the right to receive at least 90% of the Net Distributable Cash Flows of the Trust at least once in every six months in each financial year in accordance with the REIT Regulations. The Board of Directors of the Manager approves distributions to Unitholders. The distribution will be in proportion to the number of Units held by the Unitholders. The Trust declares and pays distributions in Indian Rupees.

Under the provisions of the REIT Regulations, Embassy Office Parks REIT is required to distribute to Unitholders not less than ninety percent of the net distributable cash flows of Embassy Office Parks REIT for each financial year. Accordingly, a portion of the Unitholders' funds contains a contractual obligation of the Trust to pay to its Unitholders cash distributions. The Unitholders funds could have been classified as compound financial instrument which contain both equity and liability components in accordance with Ind AS 32 - Financial Instruments: Presentation. However, in accordance with SEBI Circulars (No. CIR/IMD/DF/146/2016 dated 29 December 2016 and No. CIR/IMD/DF/141/2016 dated 26 December 2016) issued under the REIT Regulations, the Unitholders funds have been classified as equity in order to comply with the mandatory requirements of Section H of Annexure A to the SEBI Circular dated 26 December 2016 dealing with the minimum disclosures for key financial statements. Consistent with Unitholders' funds being classified as equity, the distributions to Unitholders is presented in Statement of Changes in Unitholders' Equity and not as finance costs. In line with the above, the dividend payable to unitholders is recognised as liability when the same is approved by the Manager.

(b) Unitholders holding more than 5 percent Units in the Trust

Name of the Unitholder	As at 30 June 2022		As at 31 March 2022	
	No of Units	% holding	No of Units	% holding
Embassy Property Developments Private Limited	115,484,802	12.18%	115,484,802	12.18%

Embassy Office Parks REIT**RN: IN/REIT/17-18/0001****Notes to the Condensed Standalone Financial Statements**

(all amounts in Rs. million unless otherwise stated)

**22 Earnings Per Unit (EPU)**

Basic EPU amounts are calculated by dividing the profit for the quarter/year attributable to Unitholders by the weighted average number of units outstanding during the quarter/year. Diluted EPU amounts are calculated by dividing the profit attributable to unitholders by the weighted average number of units outstanding during the quarter/year plus the weighted average number of units that would be issued on conversion of all the potential dilutive instruments into unit capital.

The following reflects the profit and unit data used in the basic and diluted EPU computation

Particulars	For the quarter ended 30 June 2022	For the quarter ended 31 March 2022	For the quarter ended 30 June 2021	For the year ended 31 March 2022
Profit after tax for calculating basic and diluted EPU (Rs. in million)	3,889.59	3,395.93	3,650.04	13,397.42
Weighted average number of Units (No. in million)*	947.90	947.90	947.90	947.90
Earnings Per Unit				
- Basic (Rupees/unit)	4.10	3.58	3.85	14.13
- Diluted (Rupees/unit) *	4.10	3.58	3.85	14.13

* The Trust does not have any outstanding dilutive potential instruments.

23 Commitments and contingencies**a. Contingent liabilities**

There are no contingent liabilities as at 30 June 2022 and 31 March 2022.

b. Statement of capital and other commitments

i) There are no capital commitments as at 30 June 2022 and 31 March 2022.

ii) The Trust has committed to provide financial support to some of its subsidiaries to ensure that these entities operate on going concern basis and are able to meet their debts and liabilities as they fall due.

25 Financial instruments :

a) The carrying value and fair value of financial instruments by categories are as below:

Particulars	Carrying value 30 June 2022	Fair Value 30 June 2022	Carrying value 31 March 2022	Fair Value 31 March 2022
Financial assets				
Amortised cost				
Loans	87,481.45	-	88,490.72	-
Cash and cash equivalents	5,375.61	-	5,200.47	-
Other financial assets	7.40	-	6.51	-
Total assets	92,864.46	-	93,697.70	-
Financial liabilities				
Amortised cost				
Borrowings	84,502.16	84,822.46	74,491.33	78,186.53
Other financial liabilities	97.84	-	463.90	-
Trade payables	18.03	-	8.81	-
Total liabilities	84,618.03	84,822.46	74,964.04	78,186.53

The fair value of cash and cash equivalents, trade payables, loans and other financial assets and liabilities approximate their carrying amounts.

Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

b) Transfers between Level 1, Level 2 and Level 3

There were no transfers between Level 1, Level 2 or Level 3 during the quarter ended 30 June 2022 and year ended 31 March 2022.

c) Determination of fair values

Fair values of financial assets and liabilities have been determined for measurement and/or disclosure purposes based on the following methods. When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

i) The fair value of mutual funds are based on price quotations at reporting date.

ii) The fair values of other current financial assets and financial liabilities are considered to be equivalent to their carrying values.

iii) The fair values of borrowings at fixed rates are considered to be equivalent to present value of the future contracted cashflows discounted at the current market rate.

29 Investment management fees

Pursuant to the Investment management agreement dated 12 June 2017, as amended, the Manager is entitled to fees @ 1% of REIT Distributions which shall be payable either in cash or in Units or a combination of both, at the discretion of the Manager. The fees has been determined for undertaking management of the Trust and its investments. Investment management fees accrued for the quarter ended 30 June 2022 amounts to Rs.58.83 million. There are no changes during the quarter ended 30 June 2022 in the methodology for computation of fees paid to the Manager.

30 Secondment fees

Pursuant to the Secondment agreement dated 11 March 2019, the Manager is entitled to fees of Rs. 0.10 million per month in respect certain employees of the Manager being deployed to the Trust in connection with the operation and management of the assets of the Trust. The fees shall be subject to an escalation of 5% (five per cent) every financial year. Secondment fees for the quarter ended 30 June 2022 amounts to Rs.0.41 million. There are no changes during the quarter ended 30 June 2022 in the methodology for computation of secondment fees paid to the Manager.

31 Segment Reporting

The Trust does not have any Operating segments as at 30 June 2022 and 31 March 2022 and hence, disclosure under Ind AS 108, Operating segments has not been provided in the Condensed Standalone Financial Statements.

32 The Trust outsources its manpower and technology assistance requirements and does not have any employee on its roles and hence does not incur any employee related benefits/costs.

33 The Board of Directors of the Manager through a resolution by circulation dated 23 January 2021 approved the Scheme of Arrangement ("the Scheme") involving EOVPL and VTPL. The Scheme provides for the merger/amalgamation of EOVPL into VTPL (on a going concern basis). The Scheme was approved by Bengaluru Bench of National Company Law Tribunal (NCLT) on 17 February 2022. The Company had filed the necessary forms with Registrar of Companies (RoC). Upon the Scheme becoming effective, VTPL had become a 100% directly-held SPV of Embassy Office Parks REIT, holding Embassy Tech Village.

The consideration paid by VTPL to give effect to the Scheme to Embassy REIT is as follows:

- VTPL had issued and allotted 1 fully paid-up ordinary share of face value of Rs.10 each for every 3.72 class A equity shares of face value of Rs.10 each, fully paid-up held in EOVPL.

- VTPL had issued and allotted 1 fully paid-up ordinary share of face value of Rs.10 each for every 3.14 ordinary equity shares of face value of Rs.10 each, fully paid-up held in EOVPL.

34 The figures for the quarter ended 31 March 2022 are the derived figures between the audited figures in respect of the year ended 31 March 2022 and the published year-to-date figures upto 31 December 2021, which were subject to limited review.

35 A search under section 132 of the Income Tax Act was conducted on 1 June 2022 on EOPMSPL, Embassy REIT, and certain SPV's namely VTPL, EOVPL, SIPL, EEPL. As on the date of the financial statements, the Trust has not received any demand or show cause notice from the income tax authorities pursuant to such search proceedings.

36 Distributions

The Board of Directors of the Manager to the Trust, in their meeting held on 21 July 2022, have declared distribution to Unitholders of Rs.5.33 per unit which aggregates to Rs.5,052.27 million for the quarter ended 30 June 2022. The distribution of Rs.5.33 per unit comprises Rs.0.65 per unit in the form of interest payment, Rs.2.83 per unit in the form of dividend and the balance Rs.1.85 per unit in the form of amortization of SPV debt.

The accompanying notes referred to above are an integral part of these Condensed Standalone Financial Statements.
