Chairman's Statement

Six Years of Leadership: Shaping the REIT Landscape in India

India today stands out as a beacon of opportunity. The country's deep talent pool, rising digital infrastructure, and favourable demographics continue to attract global corporations and long-term capital. In this landscape, Embassy REIT remains a critical enabler of India's growth story.

Jitendra Virwani
Chairman

Dear Unitholders,

I am delighted to present Embassy REIT's FY2025 Annual Report, marking six years since our listing as India's first Real Estate Investment Trust.

Over these six years, Embassy REIT has transformed the scale and strength of its platform. We have leased 26.2 mn square feet (msf), acquired 17.0 msf of high-quality assets, and delivered 8.0 msf of new developments. Our portfolio has grown from 33 msf at listing to over 51 msf today, making us India's largest listed office REIT by a significant margin. Alongside this, our occupier base has expanded by 65%, from 165 to over 270 leading global and Indian enterprises. Most importantly, we have distributed over ₹12,000 crores to our unitholders, a testament to the enduring value and income-generating strength of our platform.

FY2025 was another year of strong performance, driven by robust demand for high-quality workspaces and the continued expansion of Global Capability Centers (GCCs) across India.

India today stands out as a beacon of opportunity. The country's deep talent pool, rising digital infrastructure, and favourable demographics continue to attract global corporations and long-term capital. In this landscape, Embassy

REIT remains a critical enabler of India's growth story.

At the intersection of global investment, institutional governance, and real estate innovation, REITs are now firmly established in India's financial and commercial landscape. As the country's first and largest office REIT, Embassy REIT has consistently set the benchmark, delivering value to unitholders, powering business growth, and redefining how workplaces are developed and experienced.

Most importantly, we have distributed over

₹12,000

crores to our unitholders, a testament to the enduring value and income-generating strength of our platform.

What we have built is more than a portfolio of offices. It is a platform that fuels the ambitions of some of the world's most respected companies. Our office parks are home to a thriving ecosystem of technology, life sciences, engineering, and financial services firms, all driving innovation and employment at scale. In supporting these enterprises, we also advance the broader goals of urban infrastructure, job creation, and sustainable development.

Looking ahead, the long-term opportunity remains compelling. India's demographic advantage, digital edge, and strong macroeconomic fundamentals continue to attract global attention. The commercial real estate sector, and within it, institutional platforms like Embassy REIT, will play a central role in this decade of growth.

On behalf of the Board of Directors, I thank you, our valued unitholders, for your continued support and trust. I also commend the leadership team for navigating the year with clarity and ambition. As we look ahead, I am confident that Embassy REIT will continue to play a leading role in shaping the future of work in India.

CEO's Letter

FY2025: A Year of Outperformance and a Strong Foundation for the Future

We delivered 10% year-on-year growth in both Revenue and Net Operating Income (NOI) reaching an annual record of ₹4,039 crores and ₹3,283 crores, respectively. Most notably, we grew distributions by 8% — the first year of growth since our listing and have guided to a double-digit distribution growth in FY2026.

Ritwik Bhattacharjee
Chief Executive Officer

Dear Unitholders,

FY2025 was a banner year for Embassy REIT. As we complete six years since our listing in April 2019, I am pleased to report another year of excellent performance across all fronts — financial, operational, and strategic.

We leased 6.6 msf across 98 deals, exceeding our initial leasing guidance by 22%. GCCs accounted for ~60% of this activity, reaffirming their role as the primary driver of demand across India's top office markets. Our occupancy rose to 91% by value, with Bengaluru at

92%, Mumbai at 100%, and Chennai at 95%. We expect to reach 93-94% by FY2026 end.

We delivered 10% year-on-year growth in both Revenue and Net Operating Income (NOI) reaching an annual record of ₹4,039 crores and ₹3,283 crores, respectively. Most notably, we grew distributions by 8% — the first year of growth since our listing and have guided to a double-digit distribution growth in FY2026.

This performance underscores the strength of our over 51+ msf portfolio, and reflects the robust momentum in India's office market, which is arguably in its strongest phase yet.

India's commercial office sector recorded ~75 msf of gross absorption in CY2024, with net absorption of ~45 msf. CY2025 is expected to surpass that, with Q1 alone recording 17 msf of absorption against 10 msf of new supply. GCCs drove nearly 50% of this uptake. Bengaluru remains the market leader, contributing ~30% of national absorption and commanding over 50% of active RFPs.

With 75% of our portfolio value located in Bengaluru, India's largest office market, Embassy REIT is uniquely positioned to benefit from this sustained demand. Occupiers are increasingly gravitating toward integrated business ecosystems that offer scale, sustainability, and experience-led environments — exactly what our parks are built for.

In FY2025, we delivered 2.5 msf of new development in Bengaluru and currently have a 6.1 msf active pipeline in Bengaluru and Chennai. These projects are expected to deliver 18% yield on cost. Inorganic

growth continues to be a focus as well. In FY2025, we acquired a 5.0 msf premium business park in Chennai and continue to evaluate further inorganic growth opportunities including ROFO assets from the Embassy Sponsor and other third-party assets.

Our balance sheet remains a key strength. We refinanced ~₹6,300 crores of debt at an average cost of 7.98% and continue to maintain dual AAA/Stable credit ratings — amongst the strongest in the sector.

Our hospitality platform also delivered a robust performance in FY2025, with 63% occupancy (up 7% YoY), 12% ADR growth, and a 25% increase in annual EBITDA. These assets complement our office portfolio and enhance the overall experience across our parks.

We continued to elevate the tenant experience across our business parks with new experience zones, vibrant retail courtyards, and robust wellness and engagement programs. Our Corporate Connect program deepened its social impact, touching over 45,000 lives in the communities around our parks through various initiatives in education.

In March 2025, we hosted our flagship tenant engagement forum, Occupier Connect, in Bengaluru. The event brought together over 350 occupiers from across our pan-India portfolio, along with industry stalwarts and thought leaders. Centred around the theme "The Advent of AI", the forum explored how artificial intelligence is already reshaping the way we live, work, and think. It was a powerful showcase of collaboration, insight, and the pioneering work being done across our tenant ecosystem.

Overall, the business is in excellent shape and this momentum sets a solid foundation for FY2026. We have guided to double-digit growth in both revenue and NOI, with distributions at the midpoint coming in at 10%. Having delivered

8%

distribution growth for the first time, we have a very constructive framework to scale further.

India remains one of the most attractive office markets globally, driven by its talent pool, and cost competitiveness. Our thesis that GCCs will continue to drive long-term demand remains intact, and this view is reinforced through our conversations with occupiers and industry experts. This is also reflected in the strong performance across the listed REITs and growing investor interest in the sector.

I extend my sincere thanks to our unitholders, occupiers, bondholders, partners, and all stakeholders for your continued trust. I am also deeply grateful to our Board, Sponsor, and the entire Embassy REIT team for their unwavering support and commitment to excellence.

As we step into FY2026, we do so with renewed confidence in the strength of our platform and the opportunity ahead.

Beyond Total Business Ecosystem

ESG Focus at Embassy REIT

Embassy REIT is focused on providing best-in-class wellness and sustainability-oriented workspaces to our 272 marquee occupier base. Over the years, we have initiated numerous programs focusing on the environment, social and wellness aspects and have adopted a best-in-class governance structure since our listing. In the past few years, we have moved beyond driving ad-hoc sustainability programs and have adopted a holistic Environmental, Social and Governance ('ESG') framework focused around 3 key pillars - Resilient Planet, Revitalized Communities and Responsible Business.

We have been at the forefront of catalyzing positive change and have ingrained sustainability into our very core and across all our business functions. Our sheer scale and onground partnerships help us collaborate across the value chain and create 'network effects', which further amplify our combined environmental and social contributions.

We believe that our ability to develop and maintain sustainable and energy-efficient buildings is a clear competitive advantage in a market increasingly focused on high-quality sustainable workspaces. We want to ensure that our business leaves a positive impact on the lives of the people we touch, directly or indirectly. We recognize that our journey towards sustainability is ongoing, and we are committed to keep raising the bar on our sustainability efforts.

Embassy TechZone, Pune

Our ESG Strategy and Framework

Our ESG strategy focuses on evolving and implementing sustainable interventions that contribute towards building a safer, healthier and greener environment for our staff, occupiers, vendors and the communities in which we operate, while delivering enhanced returns for our investors. Our ESG framework is driven by our vision to “Reimagine space” for a sustainable tomorrow for all our stakeholders. The ESG Framework is built on 3 pillars - Resilient Planet, Revitalized Communities and Responsible Business- supported by 6 focus areas comprising of 19 specific programs. We had set clear targets across the 19 programs and a 3-year roadmap till FY2025.

As we conclude FY2025, we have successfully met most of our targets and remain committed to our sustainability initiatives and our vision to “Reimagine spaces.” In line with this, we will outline our FY2030 ESG roadmap for the next five years in our FY2025 ESG Report.

Pathway to Net Zero

We have announced our commitment to achieve net zero-carbon emissions by 2040 across our operational portfolio, three decades ahead of India's 2070 target set at the Glasgow COP26 summit in 2021. This commitment is aligned with the broader goals of our occupiers, unitholders, and other key stakeholders, who share our vision of a more sustainable future.

Our 5-point Strategy to Achieve Net-Zero

- 1. Increase usage of renewable energy, through both internal and third-party initiatives
- 2. Reduce energy consumption footprint of existing facilities, by investing to improve energy efficiency
- 3. Partner with key occupiers, suppliers and contractors to develop joint action plans towards reducing emissions
- 4. Embed net-zero evaluation in pre-acquisition due diligence
- 5. Offset residual emissions through selected projects

As per the Greenhouse Gas Protocol guidelines, our carbon emissions are segmented into three scopes.

SCOPE 1

Direct emissions from sources owned or controlled by Embassy REIT

SCOPE 2

Indirect emissions produced offsite as a result of purchased energy such as electricity and heat

SCOPE 3

These emissions occur across the organisation's value chain, including suppliers, contractors and occupiers

Pathway to Net Zero Carbon Operations by 2040

Notes:

- 1) The waterfall chart here is for illustrative purposes only and is not based on actual data. It is meant to highlight the sources of carbon emissions for Embassy REIT's operations and our planned initiatives to reduce the same
- 2) Embassy REIT has selected FY2020 as the baseline year for its Scope 1 and Scope 2 emissions and we are in the process of assessing and setting the baseline for our select Scope 3 emissions

We strive to directly reduce our Scope 1 and 2 emissions; and are working closely to align strategies with our suppliers, contractors, and occupiers to reduce select Scope 3 emissions. Further, we are also in the process of assessing and creating an inventory for our emissions under Scope 3. For all future acquisitions, we aim to bring the asset under the purview of our net zero commitment within 5 years post the completion of the acquisition.

Environment

Resilient Planet

We are focused on improving resource efficiency across our asset lifecycle and developing a sustainable supply chain by integrating ESG aspects across our value chain.

Resource efficiency

Energy and Emissions

We have committed to transition to a net-zero carbon portfolio by growing the share of clean and sustainable energy sources to build and operate our properties and offset carbon emissions at every stage of our assets' lifecycle. To this end, we had launched the '75/25 Renewable' program, designed to increase the proportion of renewable energy consumption at our operational properties to 75% by FY2025. In the last quarter of FY2025, our share of renewable energy consumption was about 70%. Further, in line with our sustainability efforts, we design and operate buildings aligned with LEED (Leadership in Energy and Environmental Design) requirements certified by the United States Green Building Council (USGBC), the most widely used green building rating system globally. To reduce our carbon footprint, we are also promoting the use of electric vehicles, cycles and cleaner and greener fuels across our properties. During FY2025, the operational portfolio was certified for ISO 50001, Energy Management System, taking another step in creating a robust framework towards energy conservation and reducing carbon footprint.

Waste Management

In line with our goal of being a zero-waste campus, we minimize, recover and reuse the waste we generate. We have partnered with authorized vendors to treat hazardous waste and ensure that the waste is discarded as per regulatory guidelines. A traceability assessment for all the waste generated on our campuses is helping us track and reduce the amount of operational waste reaching landfills. During FY2025, we partnered with Buff India on a cigarette waste management program across our operational portfolio, reinforcing our commitment to diverting waste from landfills.

Water Stewardship

We understand the importance of water stewardship in urban metropolitan areas where our properties are situated. Our goal to achieve water neutrality across all our businesses is based on the tenets of reducing, reusing, and recycling. All our assets are equipped with Sewage Treatment Plants (STP) and rainwater harvesting systems. We are committed to minimizing wastewater discharge and promoting water recycling across our office parks. Sensor-based taps, smart meters and other water efficient fixtures have been installed to monitor and to reduce water wastage.

Biodiversity

We are mindful of the environmental implications of our projects and take all measures required to reduce their environmental impact by adhering to all regulations. Our goal is to promote and conserve biodiversity in the areas in which we operate. Native flora and fauna are integrated in all our parks. Tree plantation drives across our properties have helped increase the urban greenery, further aiding in decarbonization. Innovative landscape designs comprising of increased share of green walls, native greens and biophilic elements are being adopted in all our existing and under construction projects.

Sustainable Supply Chain

ESG Performance of Suppliers

We work with 700+ suppliers and contractors who are critical to our success and capabilities to meet our commitments to our stakeholders. We track, monitor and undertake initiatives to improve sustainability performance across our supply chain by training and encouraging our suppliers to adopt sustainability initiatives and disclose their sustainability performance transparently. ESG clauses are incorporated in our agreements and contracts with major suppliers supporting our functions. We conduct periodic audits and continuously monitor and review their performance to ensure ESG compliance across our value chain.

Local Sourcing

Localizing supply chains presents a significant opportunity to enhance the socio-economic wellbeing of communities near our operations, while also reducing our carbon footprint. We have defined a 1,000 kms radius around our respective sites to evaluate the availability of local materials. To increase our share of local sourcing, we have developed a 'Local Sourcing Data Tracker' and incorporated a 'Local Sourcing Clause' in all our major contracts. Our suppliers and contractors are being trained and encouraged to understand and initiate tracking of selected scope 3 emissions relevant to their footprint.

Certified Materials

We recognize the importance of using green and ecocertified materials and prioritize their use. To manage, monitor and regulate the certified material usage in our portfolio, we have initiated the tracking of material certificates and have developed a certifications database. We plan to initiate usage of EPD (Environmental Product Declaration) or HPD (Health Product Declaration) materials as well as third-party certified wood-based materials and products in our portfolio to enhance the sustainability aspects of our projects.

EMPLOYMENT PRACTICES AND ENGAGEMENT

We are an equal opportunity employer and strive to create a holistic workplace for our workforce. We ensure diversity in our employee profile in terms of gender, ethnicity, caste and creed. Our hiring practices are meritocratic, and our compensation policy is solely dependent on our employees' qualifications, experience, skill set and performance. We aim to create a diverse, inclusive, high-performing and engaged workforce by implementing equitable practices, infrastructure and engagement strategies for our employees. As of March 2025, 27% of our workforce were women. We also conduct a third-party independent survey annually to understand and improve the employee engagement levels in the organization.

TRAINING AND DEVELOPMENT

We recognize the importance of developing internal talent and investing in future talent, and we encourage our employees to engage in continuous learning and development. Our learning and development programs are designed to help our employees in developing their professional competencies and potential for career growth advancement. These programs help to upskill our employees and maintain our culture of continuous learning.

HEALTH, SAFETY AND WELL-BEING

We are focused on providing best-in-class sustainable buildings for our employees, occupiers, indirect property management staff, visitors, and others by improving quality of life and creating healthier and safer work environments. 'Biophilic design' elements, efficient filtration and HVAC systems and indoor air quality monitoring systems are installed to improve the wellness aspects of our buildings. Our complete portfolio is ISO/IMS certified for quality management (ISO9001), environmental management (ISO14001), occupational health and safety management (ISO45001), and data security (ISO27001). We have subscribed to a 3-year program with the British Safety Council and a 5-year WELL program with the International WELL Building Institute (IWBI).

EMBASSY REIT'S PEDAL FOR THE PLANET SAW RECORD PARTICIPATION WITH OVER 2,000 CYCLISTS AT EMBASSY MANYATA, BENGALURU

Embassy REIT successfully hosted the 9th edition of its flagship Cyclothon, Embassy Pedal for the Planet, at Embassy Manyata in September 2024. This year's event saw a record turnout of over 2,000 cyclists, doubling participation from the previous year and reinforcing the cause of sustainability, healthy living, and community engagement. The 2024 edition featured four race categories – 30km, 25km, 15km & 1km, tailored for all, across age & skill levels. Pedal for the Planet initiative implemented various sustainable practices, including tree planting for every registration, a no single-use plastic policy, and comprehensive waste management efforts. Additionally, all proceeds from the event were donated to non-profit initiatives supporting the education of underprivileged children and the transformation of local schools.

NOVOHEALTH @ EMBASSY MANYATA

In collaboration with our valued occupier, Novo Nordisk India, we launched the NovoHealth@EmbassyManyata, a 5k weekend run club in March 2024 — an initiative designed to foster a culture of fitness and well-being within our occupier community every Saturday morning within the vibrant Embassy Manyata Business Park.

Over the past year, we've engaged more than 3,300 runners, covered over 30,000 kilometers, and created countless moments of camaraderie every Saturday morning.

Earlier this year, we came together to celebrate one year of this incredible journey — reflecting on how far we've come, sharing insights, and exploring how we can grow this impact further.

Community Connect

CORPORATE SOCIAL RESPONSIBILITY (CSR)

At Embassy REIT, we nurture and contribute to the economic, social and environmental development of our communities. Our Outreach goal is to improve the quality of life in urban and rural communities around our business parks. Underpinned by the philosophy 'together we can do more', we champion collective action for increased social impact through partnerships with other corporates, non-government organizations (NGOs) and the government. A dedicated CSR committee oversees our Corporate Social Responsibility initiatives, and our endeavors comply with Section 135 of the Companies Act 2013.

SOME OF OUR KEY PROJECTS INCLUDE

Education

We have adopted 16 government schools and 10 Anganwadis, which we support with multi-year projects to enable sustained support for student development through holistic and innovative learning programs. In FY2025, over 16,000 students benefited through our education CSR projects implemented along with our NGO partners Colours of Life and Lila Poonawalla Foundation.

Health and Hygiene

We have designed a holistic health program covering preventive and detective measures to tackle common health issues for government school students across 5 cities we operate in. During FY2025, over 15,000 students benefited through our healthcare CSR projects implemented along with our NGO partner Bengaluru North Round Table.

Environment

We are a proud partner of The Anonymous Indian Charitable Trust's (TAICT) EcoGram project, which aims to propagate sustainable waste, water and soil management, benefiting 5,111 households. Further, through the EcoGram we continue to rejuvenate the Thimmasandra and Tarahunise lakes in North Bengaluru and are undertaking civil works, planting saplings, and conducting clean-up drives as part of the restoration project.

Sustainable Infrastructure

We have been actively investing in community infrastructure upgrades around our properties to benefit the public at large. We're constructing new classrooms and toilets at the primary and high school at Hegdenagar, and a school in Challagatta, that will benefit over 2,000 students.

Sports

To promote national sports, we are also contributing to train over 1 equestrian athlete for the Asian games 2025.

CORPORATE CONNECT

We aim to bring together corporate leaders from across the private and public sectors on a common platform to discuss and work towards shared challenges and visions. Most of our education, health and education infrastructure CSR projects are being carried out in partnership with our occupiers under the Corporate Connect umbrella. These initiatives help us in amplifying our CSR projects and aligning our CSR mandates with our 272 corporate occupiers, thereby promoting long-lasting relationships and partnerships. We have completed 100+ projects till date in partnership with 40+ corporates.

CUSTOMER CENTRICITY

Under corporate connect, we also curate thought-leadership platforms that provide opportunities for interactive discussions on meaningful causes to pursue the common goal of sustainable development. Over the last few years, Embassy has curated 17 such forums that bring together like-minded corporates, government officials, NGOs and other members of the social development sectors to contemplate pressing social issues that need immediate attention. The primary objective of these forums is to learn from each other and to explore possible synergies in the outreach space.

We believe that corporate occupier engagement and satisfaction is critical to the success of our business. Several cultural and entertainment programs are undertaken at our campuses to engage our occupiers' employees and foster a sense of culture. We have created an ESG occupier forum with participation from our key occupiers, and we hold periodic meetings to discuss and partner for key ESG initiatives. We undertake a customer satisfaction (CSAT) survey each year to understand and improve the occupier satisfaction levels with our services and facilities. Further, as part of our standard

leasing contracts, we have initiated the inclusion of 'Green Lease' clauses which entail mutual sharing of utilities management data as well as declaring a common statement of intent to jointly work towards our ESG goals.

HOSTED 3RD ANNUAL OCCUPIER CONNECT FORUM

Embassy REIT hosted its 3rd Annual Occupier Connect Forum on March 28th 2025 at Hilton Manyata in Bengaluru. The event themed “Advent of AI” was an enterprising gathering of leaders across sectors who divulged on the potential of Artificial intelligence in India’s growing economy. Insightful thoughts on leadership from business icons and active participation from our strategic partners and over 350 of our occupiers amongst others made the event a resounding success.

Governance

Responsible Business

We are focused on creating and adopting a best-in-class governance and risk management framework to serve the interest of all our stakeholders.

Ethics and Responsibility

SUSTAINABLE FINANCE

Our capital structure is aligned to our sustainability strategy, and we continue to actively seek opportunities to raise green/social/sustainable funds at competitive rates by leveraging our green credentials. We are the first organization in the Indian real estate sector to have received a green loan certification from Climate Bonds Initiative, an investor-focused international not-for-profit organization working to mobilize global capital for climate action towards a low carbon and climate resilient economy.

During the year, we totally secured green loans amounting to around ₹15 bn of which, ₹8.5 bn for funding the acquisition of Embassy Splendid TechZone, a Grade-A business park in Chennai and ₹6.5 bn from a Global Bank, under its Green and Sustainability linked financing program for construction of USGBC LEED pre-certified buildings in Embassy Manyata Business Park and Embassy TechVillage. Our sustainable finance portfolio currently stands at ₹45 bn, ahead of our FY2025 target of ₹35 bn. We continue to engage with financial institutions and agencies to expand our green loan book, in support of our sustainability initiatives.

DISCLOSURES

We are committed to maintaining our strong corporate governance standards and continuously endeavor to further refine our disclosures in sync with global best practices. In line with regulatory guidelines, we publish quarterly financial results and semi-annual performance reports as well as an annual sustainability report aligned with the Global Reporting Initiative (GRI) framework. In addition, we have voluntarily adopted the BRSR reporting as per Indian regulator SEBI's ESG reporting guidelines, in our efforts to provide transparent disclosures comparable across Indian entities. We intend to align our disclosures to Task Force on Climate-Related Financial Disclosures (TCFD) by FY2025 and have continued inclusion of certain TCFD disclosures in our recent ESG report.

We also strive to achieve a leadership position in all ESG ratings, certifications and assessments that we participate in and continuously improve our performance by scaling up our ongoing ESG programs and commitments.

ASSET ACQUISITION AND SITE SELECTION

We are committed to ensuring that our investment evaluation criteria take into account relevant ESG considerations. For this, we have created an ESG checklist, and all proposed acquisitions now undergo an ESG due diligence using this checklist which is certified by external advisor(s) and presented to the Investment committee. Additionally, we have strong

related party safeguards in place for all acquisitions. ESG due diligence was undertaken for the acquisition of Embassy Splendid TechZone in Chennai, announced in June 2024. Also, for all future acquisitions, we aim to bring the asset under the purview of our net zero commitment within 5 years post the completion of the acquisition.

EMBASSY REIT RECEIVES 5-STAR RATING FOR ITS DEVELOPMENT PORTFOLIO, THIRD YEAR IN A ROW

Embassy REIT was awarded a 5-star rating for its development portfolio for the third year in a row by GRESB in its 2024 annual sustainability assessment. With a 100% score for our development portfolio, we were recognized as the 'Global sector leader' for office developments and also ranked 1st in Asia amongst 41 listed office asset owners. Furthermore, Embassy REIT received an 88% score and a 4-star rating for its standing investments, scoring a perfect 100% on the management pillar.

CORPORATE GOVERNANCE

Embassy REIT's conduct of business is underpinned by a commitment to high standards of corporate governance. Our governance philosophy emphasizes accountability, transparency and integrity, with a view to maximizing unitholder value.

Our Governance Structure

Embassy REIT is managed by Embassy Office Parks Services Private Limited (EOPMSPL), herein, referred to as the 'Manager'. The CEO of the Manager holds responsibility for the day-to-day functioning of Embassy REIT and is accountable to the Board of Directors. The Board consists of three Non-executive Directors and four Independent Directors. Together, they bring to the table many decades of experience and expertise in diverse fields such as Finance, Investment, Healthcare and Business Administration. The Board is chaired by a Non-Executive Director and has 14.3% women representation as of March 31, 2025

The Board has also constituted nine committees that are responsible for handling specific functions. These include the Investment Committee, Audit Committee, Stakeholders' Relationship Committee, Nomination and Remuneration Committee, Management Committee, Debenture Committee, Corporate Social Responsibility Committee, Risk Management Committee and Securities Committee.

Our Policies

A comprehensive set of compliance policies guide the governance of the organization and ensure strict adherence to the REIT regulatory framework to protect the interests of our unitholders. Our key policies include:

- Code of Conduct and Ethics for Directors, Senior Management and Other Employees
- Distribution Policy
- Whistleblower Policy
- Code on Unpublished Price Sensitive Information and Dealing in securities of the Embassy Office Parks REIT
- Policy on Related Party Transactions
- Corporate Social Responsibility Policy
- Risk Management Policy

- Investors and Other Stakeholders' Grievance and Redressal Policy
- Anti-Money Laundering Policy and Anti-Bribery and Corruption Policy
- Prevention of Sexual Harassment Policy
- Environment, Social and Governance Policy
- Policy for Processing and Claiming of Unclaimed Amounts
- Policy for Appointment of Unitholder Nominee Director
- Board Diversity Policy
- Borrowing Policy
- Policy for Determining Materiality of Information for Periodic Disclosures

Our ESG Governance

At Embassy REIT, an ESG committee has been established to drive the organization's ESG agenda. The ESG committee is a cross-functional committee of the Manager and is chaired by the CEO, with the Head of Asset Management as the Secretary. The ESG committee reports to the Management Committee and is responsible for aligning Embassy REIT's ESG objectives with its business objectives by creating a three-year ESG road map, overseeing all ongoing and proposed ESG initiatives, analyzing current and emerging ESG trends that may have an impact on the business, operations, performance, stakeholders needs and interests, and by advising the Board on appropriate actions for the same.

In addition, we are dedicated to integrating ESG in our governance systems, including the linkage of KRAs of the senior executives to ESG performance. We follow a growth-and-distributions-linked management fee structure to ensure overall alignment of business operations with Unitholder interests.

Management Discussion and Analysis

Executive Overview

Embassy REIT is India's first publicly listed Real Estate Investment Trust. We own, operate and invest in high quality real estate and related assets that generate rental income from our occupiers. We generate 44% of gross rents from Fortune 500 corporations and GCCs contribute 64% of our total rentals. As a REIT, we are mandated by SEBI to pay at least 90% of our Net Distributable Cash Flows as distributions to our unitholders.

Embassy REIT comprises 40.3 msf of completed area and 6.1 msf of under construction area. With the future development potential of 4.8 msf, the leasable area adds up to 51.1 msf as on March 31, 2025. The commercial office portfolio is spread across ten infrastructure like office parks (48.7 msf) and four prime city-center office buildings (2.5 msf) in Bengaluru, Mumbai, Pune, Chennai and National Capital Region (NCR).

Our portfolio is home to 272 blue chip corporate occupiers and comprises of 107 with strategic amenities, including four operational hotels and a 100 MW solar park that supplies renewable energy to park occupiers.

Our competitive strengths include the following:

- Best-in-class office properties that are complemented by high-quality infrastructure
- Diversified, premier, multinational occupier base
- Simple business with embedded growth levers
- Assets strategically located in the top-performing markets with high barriers to entry
- Highly experienced management team
- Backing by renowned sponsor bringing expertise and local knowledge to our operations
- Our focus on sustainability while executing our business

Our Strategy

Embassy REIT aims to maximize the total return for Unitholders by targeting growth in distributions and in NAV per Unit. The operating and investment strategies we intend to execute to achieve this goal include:

- (1) Capitalizing on our Portfolio's embedded organic growth and new development opportunities by:

 - Leasing up vacant space
 - Delivering 'on-campus' development
- (2) Maintaining disciplined acquisition strategy and using balance sheet to fund acquisitions, in addition to:

 - Acquisition of the Right of First Offer ('ROFO') assets, and
 - Third Party acquisitions in gateway office markets
- (3) Driving value through proactive asset management:

 - Proactive Property Management
 - Focus on Occupier Retention and total Business Ecosystem
 - Adherence to world class ESG standards
- (4) Upholding Industry Leading Corporate Governance standards with:

 - 5 out of 7 Directors being Independent/ Unitholder Nominee Directors
 - Strong safeguards related to Leverage, Related Party Transactions and Unitholders' Interests

Management Discussion and Analysis

Current Business Environment

CY2024 was a historic year for the Indian office real estate. With annual gross absorption at an all-time high of ~75 msf, India was one of the best-performing office markets in the world and the robust performance continued in Q4 of FY2025 with over 17 msf absorption in the top 7 Indian cities. The strong office demand is forecasted to continue in CY2025, with absorption expected to exceed that of the previous year by 10%. Amongst these, our core market Bengaluru once again outshined and contributed close to 30% of the total pan-India absorption in Q4 FY2025 and over 70% of the active RFPs as of date. Bengaluru continues to attract Global Capability Centers ('GCC's), contributing to around 40% of pan India GCC leasing in Q4 FY2025. Also, with absorption outpacing supply, market rents in Bengaluru recorded a 3-5% YoY growth. (Source: CBRE)

GCCs continue to lead the office space take-up in India, on the back of the skilled Indian talent available at scale. As per a NASSCOM report, over 50 such centers were set up newly or expanded further in FY2025, taking up around

29 msf space. In Q4 FY2025 alone GCCs accounted for ~50% of the total leasing in the top 7 Indian cities. These global companies continue to pursue premium-quality wellness-focused properties, to attract and retain talent and to grow their presence in India. With around 500+ GCCs expected to be setup by 2030, the Indian office sector is set to repeat this stellar performance in the coming years.

Business Performance and Outlook

FY2025 Key Highlights:

Business Highlights

- Leased 6.6 msf across 98 deals in FY2025 including 4.0 msf of new leases, 1.6 msf of renewals and ~1 msf of pre-leases
- GCCs across sectors accounted for ~60% of the annual leasing activity
- Portfolio occupancy stands at 91% by value* —Bengaluru at 92%, Mumbai at 100%, and Chennai at 95%

Embassy TechVillage, Bengaluru

*Occupancy by value refers to occupancy of the commercial offices weighted by the Gross Asset Value (GAV) of completed commercial offices

Financial Highlights

- Grew Revenue from Operations and Net Operating Income (NOI) by 10% YoY to a record ₹40,389 mn and ₹32,835 mn, respectively
- Delivered Distributions of ₹21,811 mn or ₹23.01 per unit, up 8% YoY for FY2025: Cumulative distributions of over ₹120 bn since listing
- Refinanced ~₹63 bn debt at an average rate of 7.98%; Continue to maintain a strong balance sheet with dual AAA/Stable credit ratings

Operational & Development Highlights

- Delivered 2.5 msf new development in Bengaluru; Current development pipeline of 6.1 msf in Bengaluru & Chennai at 18% yield on cost
- Acquired 5.0 msf premium business park in Chennai; Actively evaluating inorganic growth opportunities including ROFO assets from the Embassy Sponsor as well as other assets from third parties
- Hotel portfolio performed strongly with 63% occupancy up 7% YoY, 12% ADR growth and growth in annual EBITDA by 25%

As India's first listed REIT, we continue to deliver on strong business fundamentals and accelerate our growth investments. Since listing in April 2019, we grew our completed office portfolio by 63% to 40.3 msf, added 619 keys to our Total Business Ecosystem, increased our portfolio in-place rents by 46% from ₹63 to ₹92 psf, expanded our occupier base from 165 to 272 leading companies and our investor base from 4k to over 100k today. All these efforts have been translated into annualized total returns of over 10% to our unitholders, including more than ₹120 bn in distributions.

Coming to our annual results, FY2025 was a year of growth. With 6.6 msf of total leasing, 2.5 msf of new office deliveries in Bengaluru, acquisition of a 5.0 msf office park in Chennai and ~₹63 bn of debt refinanced at leading rates, we surpassed our initial leasing guidance for the year, met our financial guidance and delivered 8% growth in distributions on a year-on-year basis.

On the leasing front, we leased a total of 6.6 msf in FY2025 and exceeded our original 5.4 msf leasing guidance by 22%. This 6.6 msf was signed across 98 deals and included 4.0 msf of new leases, 1.6 msf of renewals and ~1.0 msf of pre-commitments.

GCCs contributed over 60% of the total leasing, with the demand primarily driven by Technology, BFSI, Retail and Healthcare sectors. With 11 new GCC entrants this

year, we now have 97 GCCs in our occupier roster of 272 corporates, contributing to over 60% of our annual rentals.

We also witnessed 3.1 msf of tenant exits during the year, primarily from IT services occupiers. Of this, we already leased close to half of the vacant area at around 38% spreads and have a promising pipeline for the remainder. With this churn in the portfolio, while our occupancy levels remained steady during the year, our in-place rents went up by over 5%.

We are currently at 87% occupancy at the portfolio level, with 9 out of 14 assets above 90% occupancy. Bengaluru, Mumbai and Chennai, that together contribute around 85% of REIT's office portfolio value, continue to see an uptick in the occupancy levels with multiple demand tailwinds. At year-end, our Bengaluru portfolio was at 92%, Mumbai at 100% and Chennai at 95% occupancy levels. During the year, our Noida assets witnessed a remarkable uptick in occupancy with a 17% increase year on year. Pune market continues to be soft, with early 60% occupancy levels, and will take some more time to increase.

On the development front, we delivered 2.5 msf of new office buildings in Bengaluru, India's leading office market. This included 0.6 msf of M3 Block B in Embassy Manyata and 1.9 msf of Block 8 in Embassy TechVillage. The deliveries this year are 90% occupied including expansion options.

Our commercial office development pipeline now totals 6.1 msf, all of which is in Bengaluru and Chennai. Of this, 3.2 msf is scheduled for delivery in FY2026 and is already 68% pre-leased, including expansion options.

On the acquisitions front, we acquired Embassy Splendid TechZone, a premium business park in Chennai, located in OMR 2, one of Chennai's fastest growing commercial office micro markets. With a total leasable area of 5.0 msf, the park consists of an operational area of 1.4 msf, under construction area of 1.6 msf and future development potential of 2.0 msf. The acquisition was made at an attractive cap rate of 8.05% with an enterprise value of ~₹12 bn, at a discount of 9.2% to the average of the two independent valuations.

On the financial front, we met our FY2025 guidance for Net Operating Income (NOI) and Distributions Per Unit (DPU). Our Revenue from Operations stood at ₹40,389 mn and NOI at ₹32,835 mn, both up 10% YoY. This was mainly driven by new lease-up at high re-leasing spreads, contracted rent escalations, delivery of new buildings, acquisition in Chennai and a ramp-up in the hotel business. This was partially offset by the impact of exits in our office portfolio. Our commercial office margins of 85% and hotel margins of around 51% continue to lead the

Management Discussion and Analysis

industry. Our total distributions for the year amounted to ₹23.01 per unit, up 8% YoY. This DPU growth was driven by the 10% uptick in our NOI as well as positive working capital changes, which was partially offset by an increase in our interest costs during the year.

During the year, around ₹39.5 bn debt was due for maturity, which we successfully refinanced at an average rate of 7.93%. We also proactively refinanced an additional ₹24 bn of debt with lower rate instruments and achieved 37 bps proforma interest savings. We refinanced through a combination of listed debentures, bank loans and commercial paper. Our debt book currently comprises of 49% floating rate debt, this tactical approach allows us to benefit from any further cuts in the rate cycle. With this, we continue to have a well-diversified debt book, including large public sector banks, private pension funds, domestic mutual funds and insurers. Our net debt book now totals ₹197 bn, implying a 32% leverage ratio and 7.9% in-place cost. Also, around 17% of our debt matures in the first half of the next financial year, allowing us to take advantage of the current interest rate cycle.

As per the independent valuer's assessment, our Gross Asset Value in Mar'25 stood at ₹612 bn and our Net Asset Value at ₹423.22 per unit. This increase was mainly driven by our new deliveries, office park acquisition, ongoing development capex, improved hotel performance and an increase in the in-place rents as well as market rents for our Bengaluru and Mumbai properties. This was partially offset by a decrease in the GAV of our Energy Business owing to the reduction in the solar tariffs in Karnataka.

Forward Outlook:

Looking ahead, we remain focused on expanding our portfolio and strengthening operational resilience. With continued demand from global occupiers—particularly GCCs—we remain committed to deepen relationships with our tenants and accelerate development across our core markets. We expect our proactive asset management, strong leasing pipeline, and disciplined capital deployment to support further growth in NOI and distributions. Backed by a robust balance sheet and a resilient occupier base, we are well-positioned to capture emerging demand trends and deliver sustained value to our Unitholders.

Looking ahead, we expect to deliver double-digit growth in both our NOI and our distributions, supported by multiple levers embedded in our business. This will be led by the following key drivers:

1. Occupancy ramp-up

India remains optimally positioned to drive global offshoring demand, led by favorable demographics, skilled talent availability and cost-efficient high-quality spaces offered in India's gateway cities. Hence, the demand for India offices continues to be largely driven by GCCs, especially in our core market of Bengaluru. These GCCs are sector-agnostic and continue to climb up the value chain in terms of the work being offshored to India. As per a report, by 2030 Karnataka is expected to host 330 of the Forbes 2000 firms and this will be the major growth driver for India office absorption especially in Bengaluru in the coming years.

On the other hand, many IT services occupiers continue to rationalize their real estate footprint as they focus on optimizing margins amid a business slowdown. Such IT Services occupiers contribute to less than 8% of our portfolio rents (as of FY2025-end), as these occupiers have continued to churn out, positively impacting our in-place portfolio rents.

Led by the offshoring demand from these GCCs, we currently have around 1.5 msf of leasing pipeline for Q1FY26 and expect to increase our portfolio occupancy to 93% to 94% by value, which translates to an occupancy of 90% to 91% by area for Mar'26 (vs 87% by area in Mar'25). This occupancy ramp-up will be a major driver for our NOI growth in FY2026.

2. New developments

Of our 6.1 msf active developments, we expect to complete and deliver 3.2 msf of office buildings over this fiscal year. Since all these developments are in Bengaluru and Chennai, these projects are at 18% NOI yields. Of these 3.2 msf, 2.2 msf is already leased out to marquee tenants, including expansion options.

The incremental interest expense on the currently capitalized construction debt will impact our distributions in the short-term, till these buildings are stabilized. Also, the interest expense for the year is expected to increase by around 10-12% YoY, driven by full-year impact of buildings delivered during

FY2025, new deliveries scheduled for FY2026 and due to the impact of refinancing and rate resets from previous year and present year. Our annual interest cost remains dependent on the trajectory of the market rate movement.

3. Rent growth

Our in-place portfolio rents have grown by 46% from ₹63 to ₹92 psf since our listing. Contracted rent escalations (generally around 15% every 3 years) and significant mark-to-market opportunity on lease expiries (10% blended MTM till FY2029) are key drivers for the rent growth in our portfolio. Further, the market rents in our key micro-markets of Bengaluru and Mumbai continue growing since last year, post the pause in rent growth during the pandemic period. In addition, due to the premium nature of our properties, we usually lease at rates above the prevailing market rents.

For FY2026, we expect to achieve around 14% contracted rent escalations on 7.5 msf leases. Further, of the 1.5 msf of leases due for expiry, based on our on-ground conversations, we expect to renew over one third of these leases and will look to fill up the remaining vacant area at healthy re-leasing spreads.

4. Inorganic growth

In addition to our organic growth plans, we are also evaluating sponsor and third-party acquisition opportunities to enhance our portfolio. These potential transactions are subject to market and pricing conditions.

5. Financing

We continue to finance our business at an industry leading rate of 7.9%. We have actively managed our cost of financing in an elevated interest rate environment. In the last 3 to 4 months the repo rates have fallen by 50 bps and our annual interest cost is dependent on the trajectory of the market rate movement. With an equal mix of fixed & floating rate debt we are primed to take advantage of any further rate cuts. Given our AAA/Stable rated debt book and our access to debt capital pools across mutual funds, banks, insurers & other financial institutions we are confident on securing best-in-class industry rates for the upcoming refinance of ₹57 bn in FY2026.

Management Discussion and Analysis

Factors affecting our financial condition and results of operations

Our financial performance and results of operations are affected by several factors. The important ones in our view are listed here

- **Commercial real estate market:** We depend on the performance of the commercial real estate market in the cities where our office parks and commercial offices are located. The commercial real estate market in these cities, in turn, depends upon various factors such as economic and other market conditions, demographic trends, employment levels, availability of financing, prevailing interest rates, competition, bargaining power of occupiers, operating costs, government regulations and policies, and market sentiment.

Our office parks and office buildings are in the key markets of Bengaluru, Mumbai, Chennai, Pune and Noida. Within these cities, our business significantly depends on the performance of the submarkets where our portfolio assets are located. Most of these micro-markets have historically exhibited strong market dynamics with robust absorption and balanced infusion of new office supply resulting in rent stability/growth and low vacancy on an average, even during the tough periods of the pandemic.

Our portfolio assets are strategically located within their respective markets, which allows us to attract, retain and grow key occupiers within our office parks and commercial office buildings.

- **Industry of occupiers:** Our business also depends on the performance of the industry sectors of our occupiers. Sectors such as technology, banking, financial services, insurance, engineering, and manufacturing drive commercial leasing activity in India. Additionally, new sectors such as healthcare, retail, co-working, research, analytics and consulting have also emerged as key drivers of office real estate demand, as domestic and multinational companies in these sectors have been increasingly expanding or setting up operations in India.

Our tenant base is highly diverse with technology sector clients contributing 30% of our gross rentals, followed by financial services at 25% as of March 31, 2025. We believe that the domination of technology and banking and financial services sector as key occupiers of space in India's commercial office segment will continue to significantly influence the results of our operations. We derive over 79% of Gross Annualized Rental Obligations

from international corporations with over 50% headquartered in the United States, as at March 31, 2025. Further, GCCs contributes 64% of the gross rentals. The global and other factors impacting the businesses of these types of corporations may affect their ability to service contracted lease agreements.

Gross Annualised Rental Obligations based on Sector

Gross Annualised Rental Obligations based on Origin of Occupiers

Gross Annualised Rental Obligations according to Nature of Business (%)

- **Occupancy rates:** The success of our business depends on our ability to maintain high occupancy across the portfolio. Our same store occupancy across the portfolio as of March 31, 2025 was 87%, remaining stable year on year. At the same time, occupancy by value stood at 91% for the period. Occupancy rates largely depend on the attractiveness of the markets and submarkets in which the portfolio assets are located, rents relative to competing properties, the supply of and demand for comparable properties, the facilities and amenities offered, the ability to minimize the intervals between lease expiries (or terminations) and our ability to foray into new leases (including pre-leases for under-construction properties or properties where leases are expiring).

We believe that our strategically located assets in attractive submarkets allow us to maintain high levels of occupancy. Further, we believe that replicating large infrastructure-like business parks such as ours is difficult given land acquisition complexities and long development timelines in India. We believe

that we enjoy greater credibility with our occupiers because of our reputation, scale of operations and the amenities and infrastructure that we provide, which generally allows our assets to be viewed as premium properties, thereby enhancing the portfolio's appeal to occupiers, which has resulted in high occupancy rates.

- **Lease expiries:** We typically enter into long-term leases with our occupiers, which provide us a steady source of rental income. The tenure of leases for our assets are typically nine to fifteen years (assuming successive renewals at our occupiers' option), with a three to five-year initial commitment period and consists of a mark-to-market rent on renewals.

We endeavor to foster and maintain strong relationships with our occupiers. We maintain regular communication with the corporate real estate heads of our occupiers through a dedicated customer relationship management programme, which ensures we anticipate and cater to tenant needs. Further, at most of our portfolio assets,

Management Discussion and Analysis

we have implemented various energy efficiency and sustainability initiatives, which help attract occupiers. However, in cases where occupiers do not renew leases or terminate leases earlier than expected, it generally takes some time to find new occupiers which can lead to periods where we have vacant areas within the portfolio assets that do not generate facility rentals.

- **Rental rates:** Our rental income primarily comprises facility rentals and income from maintenance services that we provide to our occupiers at the portfolio assets. Accordingly, our revenue from operations is directly affected by the lease rental rates of the portfolio assets, which are in turn affected by various factors like prevailing economic, income and demographic conditions in the submarket, prevailing rental levels in the submarket, amenities and facilities provided, property maintenance, government policies and competition

- **Escalations:** Our existing lease agreements typically have built-in rent escalations, which has led to growth in our revenues in prior years and we expect it will help us generate stable and predictable growth in our revenue from operations. The contracted escalations of leases for our office parks are an average 12%-15% every three to five years. For our city-center office buildings, the contractual escalations stand at 15% every three years. Besides, due to the tenure of our existing leases and growth in the market rents of our portfolio, our average in-place rents are significantly below current market rents. We believe that this presents us with a rental growth opportunity by re-leasing the same space at higher rentals, given the demand for office real estate in respective submarkets coupled with our low vacancy levels. This allows us to be well positioned to capitalise on our Grade A office portfolio by realising the embedded rental growth within our office parks.

- **Development timeline and costs:** As of March 31, 2025, we have 6.1 msf of under construction area and 4.8 msf of proposed development area. The timely development of our pipeline is expected to positively impact our financial performance. We typically commence construction based on our pre-leasing arrangements and an assessment of upcoming supply and recent absorption trends, as well as various other micro and macro factors impacting the demand for our assets.

We also construct office space on a built-to-suit basis, considering the specific requirements of our occupiers. This enhances our ability to develop and maintain long-term relationships with our occupiers. The timeline for development varies depending on factors such as size, complexity, and occupier specifications. Some examples of our built-to-suit projects are the 1.1 msf building delivered in December 2021 to JP Morgan at Embassy TechVillage in Bengaluru and also the 0.4 msf building delivered in November 2023 to Philips at Embassy Business Hub in Bengaluru.

Construction progress depends on various factors, including business plans, the availability of finance, labour and raw materials, the receipt of regulatory clearances, access to utilities such as electricity and water, the operating and financial condition of the construction companies we use in our business, and other contingencies such as adverse weather conditions. While industry construction costs have increased due to rise in costs of input materials led by global factors, our nimble design and robust procurement strategy, centralised procurement team and long-term relation with key vendors enables us to optimise the construction cost.

We capitalise our construction and borrowing costs in relation to our under-construction properties and capitalise brokerage costs with respect to our investment properties. These costs are depreciated based on the straight-line method over their estimated useful lives. When construction is completed, borrowing costs are charged to our statement of profit and loss as finance costs, causing an increase in expenses.

- **Cost of financing:** Our finance costs primarily comprise interest expense on our non-convertible debentures, commercial papers and borrowings from banks and financial institutions. Our ability to obtain financing, as well as the cost of such financing, affects our business. Though we believe we can obtain funding at competitive interest rates

as evidenced basis the fundraising done by us during FY2025. The cost of financing is material for us, as we require significant capital to develop our projects and while the recent rate cuts aids in optimizing our cost of financing, any increase in interest rates might affect our distributable surplus.

- **Government regulations and policies including taxes and duties:** The real estate sector in India is highly regulated and there are several laws and regulations that apply to our business. Regulations applicable to our business include those related to land acquisition, funding sources, the ratio of built-up area to land area, land usage, the suitability of building sites, road access, necessary community facilities, open spaces, water supply, sewage disposal systems, electricity supply, environmental suitability, and size of the project. We also keep abreast of the evolving SEBI REIT regulations which oversee the setup, operations and governance of REITs in India. We strive to continuously maintain compliance with these regulations and incur various costs in the process, including fees to consultants, property tax and other taxes and duties.

In addition, some of our portfolio assets are located on land notified as part of SEZs. In the past, the leasing traction for these SEZ areas had been impacted by the uncertainty around amendments to the SEZ rules or introduction of the proposed DESH bill as a separate framework. The leasing traction has picked up again post the Dec'23 amendment to the SEZ rules permitting demarcation of a portion of the built-up area within an SEZ unit on a floor-by-floor basis as a non-processing area. However, certain duties might need to be repaid for this SEZ demarcation which might impact our distributable surplus.

- **Competition:** We operate in competitive markets for the acquisition, ownership, and leasing of commercial real estate. We compete for occupiers with numerous real estate owners and operators who own properties like our own in these markets. Among the factors influencing leasing competition are location, rental rates, building quality and levels of services provided to occupiers.

Competition from other developers in India may adversely affect our ability to sell or lease our projects, and continued development by other market participants could result in saturation of the real estate market, which could adversely impact our revenues from commercial operations. Increasing competition could result in price and supply volatility which could materially and adversely affect our operations and cause our business to suffer.

Management Discussion and Analysis

- Future acquisitions:** We intend to selectively acquire from the Embassy Sponsor or third parties, commercial real estate assets that meet our investment criteria. Each new acquisition that we complete may materially affect our overall results of operations and financial position. In addition, our acquisition strategy may require a significant amount of working capital and long-term funding. Our ability to acquire properties will depend on our ability to secure financing on commercially viable terms, which will in part be affected by the prevailing interest rates or the price of our units at the time of acquisition.
- Operating and maintenance expenses:** Our operating and maintenance expenses primarily consist of repair and maintenance (of buildings, common areas, machinery, and others), power and fuel expenses, property management fees and expenses related to housekeeping and security services. Factors which impact our ability to control these operating expenses include (but are not limited to) asset occupancy levels, fuel prices, general cost inflation, periodic renovation, refurbishment, and other costs related to re-leasing.

For the portfolio assets we provide Common Area Maintenance (CAM) services to our occupiers. We derive income from these maintenance services that include a margin on the expenses incurred for providing such services.

Cost increases because any of the foregoing may adversely affect our profitability, margins, and cash flows. Circumstances such as a decline in market rent or pre-term lease cancellation may cause revenue to decrease, although the expenses of owning and operating a property may not decline in line with the decrease in revenue. While certain expenses may vary with occupancy, operating and maintenance expenses such as those relating to general maintenance, housekeeping and security services may not decline even if a property is not fully occupied.

- Geopolitical and Macroeconomic Risk:** Our business is influenced by global and regional geopolitical dynamics, particularly due to our dependence on multinational occupiers, many of whom are headquartered in North America and Europe. Escalation in trade tensions, such as changes in tariff policies, protectionist measures, or sanctions, can

impact the global investment appetite of our tenants and delay expansion decisions.

Additionally, any deterioration in India's bilateral relations with neighboring countries—including geopolitical tensions or cross-border conflicts—could lead to short-term volatility in capital markets, foreign investment flows, and overall business sentiment. As a platform with assets concentrated in key Indian cities and exposure to global corporate occupiers, prolonged geopolitical instability may affect leasing momentum, capital availability, or valuation outlooks. Embassy REIT continues to monitor these developments closely and maintains a conservative balance sheet and diversified occupier base to mitigate potential disruptions.

Basis of preparation of consolidated financial statements

The Consolidated Financial Statements of the Embassy Office Parks Group comprises the Consolidated Balance Sheet and the Consolidated Statement of Net Assets at fair value as at 31 March 2025, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Statement of Cash Flow, the Consolidated Statement of Changes in Unitholders' Equity, the Statement of Net Distributable Cashflows of Embassy REIT and each of the SPVs, the Consolidated Statement of Total Returns at fair value and a summary of material accounting policies and other explanatory information for the year ended 31 March 2025. The Consolidated Financial Statements were approved for issue in accordance with resolution passed by the Board of Directors of the Manager on behalf of the Trust on 29 April 2025.

The Consolidated Financial Statements have been prepared in accordance with the requirements of SEBI (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time including any guidelines and circulars issued there under read with SEBI master circular no. SEBI/HO/DDHS-PoD-2/P/CIR/2024/43 dated 15 May 2024 (the "REIT regulations"); Indian Accounting Standard as defined in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) prescribed under Section 133 of the Companies Act, 2013 ('Ind AS') and other accounting principles generally accepted in India, to the extent not inconsistent with the REIT regulations.

Embassy REIT had acquired ESNP Property Builders and Developers Private Limited ("ESNP") on 3 June 2024. ESNP has been consolidated from 1 June 2024, a date close to the acquisition date, as there are no significant transactions or events that have occurred between

Management Discussion and Analysis

1 June 2024 and 3 June 2024 and the effect thereof is not considered to be material to the results for the year ended 31 March 2025.

The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances. The financial statements of all the SPVs and the Trust used for the purpose of consolidation are drawn up to the same reporting date i.e. 31 March 2025.

The accounting policies adopted and methods of computation followed are consistent with those of the previous financial year, except for items disclosed below:

Ind AS 116 - Leases

On 9 September 2024, the Ministry of Corporate Affairs issued amendments to Ind AS 116 concerning sale and leaseback transactions. The amendment impact how a seller-lessee accounts for variable lease payments that arise in a sale and leaseback transaction. The amendments introduce a new accounting model for variable payments and will require seller-lessees to reassess and potentially restate sale and leaseback transactions.

Ind AS 117 - Insurance Contracts

The Ministry of Corporate Affairs has issued a notification dated 12 August 2024 introducing Ind AS 117, Insurance Contracts for accounting of insurance contracts which replaces the current standard Ind AS 104, Insurance Contracts. The amendments are applicable with effect from 12 August 2024.

Additionally, amendments have been made to Ind AS 101, First-time Adoption of Indian Accounting Standards, Ind AS 103, Business Combinations, Ind AS 105, Non current Assets Held for Sale and Discontinued Operations, Ind AS 107, Financial Instruments: Disclosures, Ind AS 109, Financial Instruments and Ind AS 115, Revenue from Contracts with Customers to align them with Ind AS 117. The amendments also introduce enhanced disclosure requirements, particularly in Ind AS 107, to provide clarity regarding financial instruments associated with insurance contracts.

The Ministry of Corporate Affairs has issued a clarification dated 28 September 2024 that an insurer or insurance company may provide its financial statement as per Ind AS 104 for the purposes of consolidated financial

statements of its parent, investor, or venturer till the IRDAI has notified Ind AS 117.

The above amendments are not relevant or do not have an impact on the Financial Statements of the Group. The Group has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

Summary of significant judgements and estimates used in the preparation of the Consolidated Financial Statements

The preparation of Consolidated Financial Statements in conformity with generally accepted accounting principles in India (Ind AS) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Information about critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the Consolidated Financial Statements is included in the following notes:

- 1. Business combinations
- 2. Impairment of goodwill and intangible assets with infinite useful life
- 3. Classification of lease arrangements as finance lease or operating lease
- 4. Classification of assets as investment properties or as property, plant and equipment
- 5. Significant judgements involved in the purchase price allocation of the assets acquired and liabilities assumed on account of Business Combination and deferred tax accounting on the resultant fair value accounting
- 6. Judgements in preparing Consolidated Financial Statements

- 7. Classification of Unitholders' funds
- 8. Significant judgements is involved in the allocation cost of acquisition to the identifiable assets and liabilities based on their relative fair values at the date of acquisition in case of acquisition that does not represent a business combination.

Information about assumptions and estimation uncertainties that have a significant risk resulting in a material adjustment during the year ended 31 March 2025 is included in the following notes:

- 1. **Fair valuation and disclosures and impairment of non-financial assets being investment properties and property plant and equipment -** The fair value of investment properties and property, plant and equipment are reviewed regularly by management with reference to independent property valuations and market conditions existing at half yearly basis. The independent valuers are independent appraisers with a recognised and relevant professional qualification and with recent experience in the location and category of the investment properties being valued. Judgment is also applied in determining the extent and frequency of independent appraisals.
- 2. **Useful lives of Investment Properties and Property, Plant and Equipment**
- 3. **Valuation of financial instruments**
- 4. **Recognition of deferred tax asset on carried forward losses and recognition of minimum alternate tax credit:** availability of future taxable profit against which tax losses carried forward can be used. Further, significant judgements are involved in determining the provision for income taxes, including recognition of minimum alternate tax credit, in SPVs entitled for tax deduction under Section 80IAB of the Income Tax Act, 1961, wherein the tax deduction is dependent upon necessary details available for exempt and non-exempt income.

Our revenue from operations comprises the following sources:

Facility rentals

Revenue from facility rentals comprises the base rental from our properties, car parking income, fit-out rentals and other rentals as below:

- **Base rentals:** Base rentals comprises rental income earned from the leasing of our assets.
- **Car parking income:** Car parking income comprises revenue earned from the operations of parking facilities located at our properties; and
- **Fit-out rentals:** For some of our occupiers, we provide customised alterations and enhancements as per the occupiers' requirements (as opposed to warm shell premises that contain only minimally furnished interiors). For such properties, we recover the value of the fit-outs provided through fit-out rentals, to the extent such leases are classified as operating lease as per accounting requirements.

Facility rentals for the portfolio increased by ₹ 2,894.25 mn or 11% from ₹25,285.61 mn in FY2024 to ₹28,179.86 mn in FY2025. A summary of movement is captured in the below table:

▶ Embassy Manyata, Bengaluru

Management Discussion and Analysis

Facility rentals increased primarily due to:

- **Contracted revenue:** Contracted lease escalation increased the revenue by ₹667.76 mn, majorly in Embassy Manyata and Embassy Tech Village.
- **New acquisition:** The Group acquired ESNP on 3 June 2024 increasing the revenue by ₹543.57 mn.
- **Lease up, vacancy and Mark-to-Market (MTM):** Lease up across Embassy Manyata, Embassy TechVillage, Embassy TechZone, Embassy Galaxy, Embassy 247, Embassy TechZone and others as well as renewals spread across all the parks amounting to ₹4,068.25 mn off set by reduction in facility rentals to the extent of ₹2,385.33 mn due to occupier exits during the year, resulted in net increase in revenue by ₹1,682.92 mn

Income from finance lease

- Income from finance leases comprise income from fit-out rentals where such leases are classified as finance leases. Leases are classified as finance leases when substantially all the risks and rewards of ownership transfer to the lessee.
- Income from finance lease increased by ₹87.56 mn or 37% from ₹237.45 mn in FY2024 to ₹325.01 mn in FY2025 due to new fit-out rental contracts with occupiers at Embassy Manyata, Embassy Oxygen and Embassy One.

Revenue from room rentals and sale of food and beverages

- Revenue from room rentals and sale of food and beverages comprises revenue generated from our operating hotels viz. Hilton at Embassy GolfLinks and Hilton Garden Inn (HGI) and Hilton Inn (HI) at Embassy Manyata and Four Seasons at Embassy One.
- During the year, the hospitality sector improved and witnessed a robust performance due to steady domestic demand and an increase in demand from corporate as they ramp up their operations at pre-pandemic level. This has resulted into an increase of revenue from room rentals by ₹585.81 mn or an increase of 24% from ₹2,475.20 mn in FY2024 to ₹3,061.01 mn in FY2025.
- The segment also witnessed a corresponding increase in sale of food and beverages by ₹41.58 mn or 2%, from ₹1,692.29 mn in FY2024 to ₹1,733.87 mn in FY2025.
- Additionally, the hospitality segment also witnessed an increase in other hospitality income by ₹49.37 mn or 25% from ₹195.22 in FY2024 to ₹244.59 mn in FY2025 due to increase in other ancillary services which is in line with increase in occupancy.

Maintenance services

Income from maintenance services consists of the revenue received from our occupiers for the Common Area Maintenance (CAM) services provided across our commercial office portfolio. Income from maintenance services is generally a function of our maintenance expenses at the portfolio assets, with a change in maintenance expenses resulting in a corresponding change in maintenance service income, along with the impact of lease up/exits at our properties.

Income from maintenance services for the portfolio increased by ₹837.71 mn or 17% from ₹4,891.33 mn in FY2024 to ₹5,729.04 mn in FY2025, primarily due to new lease ups, MTM and CAM escalations.

Income from generation of renewable energy

The 100 MW solar park at Embassy Energy is located in Bellary district of Karnataka and helps reduce an estimated 233 mn kgs of carbon footprint by providing green energy to our occupiers. Income from renewable energy reduced by ₹592.28 mn i.e. from ₹1,582.22 mn in FY2024 to ₹989.94 mn in FY2025. This reduction was mainly due to a decrease in tariff rates by the Government by 14 % on a blended basis and lower generation of units by 54 mn.

Solar power generation

Particulars	FY 2025	FY 2024
Capacity (MW)	100	100
Solar units generated (mn units)	141	195
Solar units consumed (mn units)	141	195
Average blended tariff (₹ per unit)	7.00	8.10

Other operating income

Other operating income majorly includes revenue from ancillary operating departments at our Hospitality segment as well as leasing support income. Other operating income decreased by ₹366.50 mn or 74% from ₹492.50 mn in FY2024 to ₹126 mn in FY2025 primarily due to reduction in compensation income received from EPDPL in FY2025, due to receipt of the occupancy certificate in October 2023 with respect to the warm shell building for M3 Block A at Embassy Manyata whereby EPDPL was no longer obligated to pay the rental compensation.

Property-wise revenue from operations

We have provided a property-wise/ asset-wise break up of our revenue from operations for FY2025 vis-à-vis FY2024.

Interest income

Interest income includes interest on (i) debentures, (ii) fixed deposits with banks, (iii) security deposits, (iv) income-tax refunds and (v) others. Interest income decreased by ₹428.74 mn or 33% from ₹1,305.60 mn for FY2024 to ₹876.86 mn for FY2025

The decrease in interest income is majorly on account of interest income on advances for M3 Block B due to receipt of occupancy certificate in September 2024 with respect to the warm shell building for M3 Block B at Embassy Manyata whereby EPDPL was no longer obligated to pay the interest.

Other income

The details of other income as per the Consolidated Financial Statements are set forth in the below table:

Other income

▶ Embassy GolfLinks, Bengaluru

Management Discussion and Analysis

Our expenses comprises the following:

Cost of materials consumed

Cost of materials consumed includes direct material cost of our three operating hotels, i.e., Hilton at Embassy GolfLinks and Embassy Manyata and the Four Seasons at Embassy One ('Hospitality operations') primarily towards the provision of food and beverage services to the guests at these hotels.

Cost of materials consumed increased marginally by ₹41.77 mn or 10% from ₹414.36 mn for FY2024 to ₹456.13 mn for FY2025 in line with increase in revenue from hospitality operations.

Employee benefits expense

Employee benefits expense primarily includes salaries and wages, contribution to provident and other funds and staff welfare expenses in relation to our Hospitality operations.

Employee benefit expenses increased by ₹49.46 mn or 8% from ₹582.76 mn in FY2024 to ₹632.22 mn in FY2025 mainly due to increment and new hirings in the current year.

Operating and maintenance expenses

Operating and maintenance expenses include power and fuel expenses and operating consumables in relation to our Common Area Maintenance operations.

Operating and maintenance expenses decreased by ₹50.85 mn or 6% from ₹910.66 mn for FY2024 to ₹859.81 mn for FY2025 mainly attributable to savings in electricity expenses due to roof top solar panel installation across all locations and reduction in tariff.

Repairs and maintenance

Repairs and maintenance expenses include repairs towards common area maintenance, buildings, machinery, and others.

Our repairs and maintenance expenses increased by ₹311.01 mn or 9% from ₹3,334.31 mn for FY2024 to ₹3,645.32 mn for FY2025. This increase was primarily due to new acquisition during the year, Embassy Splendid TechZone, full year operations of previous year deliveries of Phase-I at Embassy Hub and M3 Block A at Embassy Manyata, new deliveries of Tower 1 at Embassy Oxygen, M3 Block B at Embassy Manyata and Block 8 at Embassy TechVillage

and increase in maintenance cost of projects after the expiry of the defect liability period during FY2025.

Insurance

Insurance expenses decreased by ₹37.66 mn or 22% from ₹174.05 mn for FY2024 to ₹136.39 mn for FY2025 due to cost optimization and negotiations with our insurers.

Investment management fees

This includes the property management fees and REIT management fees.

- Property management fees:** This represents the fees earned by the Manager to the REIT pursuant to the investment management agreement.

The Manager earns property management fees computed at 3% per annum of facility rentals collected by the relevant property with respect to operations, maintenance, administration, and management of the Holdco or the SPVs, as applicable. The fees have been determined to meet the ongoing costs of the Manager to undertake the services provided to the Embassy REIT and REIT assets. Property management fees increased by ₹85.32 mn or 11% from ₹765.62 mn for FY2024 to ₹850.94 mn for FY2025 in line with increase in collection from facility and fitout rentals.

- REIT management fees:** This represents fees earned by the Manager to the REIT pursuant to the investment management agreement between the REIT and Manager. REIT management fees is computed at 1% of the REIT distributions. The fees have been determined for undertaking management of the REIT and its investments. REIT management fees for FY2025 amounts to ₹257.59 mn vis-à-vis ₹238.36 mn for FY2024, which are in line with the distributions for respective years.

Legal and professional fees

Legal and professional fees represent amounts paid to consultants for their services in relation to legal and compliance advisory, accounting and taxation advisory and internal audit. Legal and professional fees have decreased by ₹9.92 mn or 3% from ₹360.01 mn for FY2024 to ₹350.09 mn for FY2025 due to non-recurring expenses incurred in FY2024 towards consulting and advisory services.

Other expenses

Other expenses mainly include the following:

Total other expenses	2,668.85	2,307.47	361.38	16%

- Property tax:** Property tax increased by ₹128.18 mn or 11% from ₹1,197.07 mn for FY2024 to ₹1,325.25 mn for FY2025 mainly due to new deliveries in FY2025 pertaining to M3 Block B at Embassy Manyata and Parcel 8 at Embassy TechVillage, full year impact of previous year deliveries pertaining to Phase I at Embassy Hub and acquisition of Embassy Splendid TechZone.
- Marketing and advertising expenses:** Marketing and advertisement expenses have increased by ₹48.75 mn or 17% from ₹293.03 mn for FY2024 to ₹341.78 mn for FY2025 due to an increase in expenses on tenant engagement.
- Loss on sale of fixed assets:** Loss on sale of fixed assets has increased by ₹26.69 mn or 387% from ₹6.89 mn for FY2024 to ₹33.58 mn for FY2025 due to scrap sales across various SPVs with respect to redevelopment/refurbishment work.
- Brokerage and Commission:** Brokerage and commission represent brokerage expenses for Hospitality segment. The expense for FY2025 amounts to ₹139.78 mn vis-à-vis ₹111.30 mn for

FY2024, mainly due to increase in Hospitality operations during the year.

- Other direct and indirect expenses:** Other direct and indirect expenses majorly include management fees paid by hotels, travel and conveyance, and bank charges. Other direct and indirect expenses increased by ₹145.21 mn or 29% from ₹501.65 mn for FY2024 to ₹646.86 mn for FY2025 majorly due to an increase in the management fees paid by hotels owing to increased operations during the year.

Earnings before share of profit of equity accounted investee, finance costs, depreciation, amortisation, impairment loss and tax (EBITDA)

Our EBITDA for FY2025 was ₹31,887.50 mn, an increase of ₹2,163.39 mn or 7%, compared to ₹29,724.11 mn for FY2024 primarily driven by the increase in Revenue from Operations, savings in operating and maintenance expenses, insurance expenses partially offset by increased repairs and maintenance expenses and other expenses including hotel operating expenses. The EBITDA margins stood at 79% compared to 81% for FY2024.

Finance costs

The Consolidated Financial Statements include finance costs as set forth in the below table:

(₹ in mn)				
Particulars	FY 2025	FY 2024	Variance	Variance %
Interest expenses				
- on borrowings from banks and financial institutions	5,168.07	3,062.52	2,105.55	69%

- on commercial papers	586.59	178.41	408.18	229%
Total finance costs	13,286.25	10,872.35	2,413.90	22%

Management Discussion and Analysis

We capitalise our finance costs in relation to our under-construction properties. When construction is completed, the finance cost is charged to our statement of profit and loss, causing an increase in our finance costs. The Company has also explored various new options for refinancing existing debt.

The increase in finance costs is mainly on account of :

- interest impact of loan taken for acquisition of Embassy Splendid Techzone.
- interest expenses incurred on new deliveries in current year (capitalisation of Tower 1 at Embassy Oxygen, Parcel 8 at Embassy TechVillage and M3 Block B at Embassy Manyata) and full year impact of previous year deliveries (capitalisation of Phase I at Embassy Hub and M3 Block A at Embassy Manyata)
- interest expended on assets such as M3 at Embassy Manyata for true-up and other capital expenditure,
- higher interest cost due to refinance of Series II, III and V NCDs,
- an increase in interest on lease liability,
- an increase in interest on lease deposits,

Depreciation and amortisation expense

Depreciation and amortisation expense increased by ₹1,725.26 mn or 18% from ₹9,689.89 mn in FY2024 to ₹11,415.15 mn in FY2025 primarily due to new deliveries pertaining to Tower 1 at Embassy Oxygen, M3 Block B at Embassy Manyata, Parcel 8 at Embassy TechVillage, full year impact of previous year deliveries pertaining to Phase I at Embassy Hub and M3 Block A at Embassy Manyata and non-recurring impact of accelerated depreciation pertaining to Block B at Embassy Manyata on account of redevelopment.

Impairment loss/reversal (net of depreciation)

In FY2025, the Group recognised an impairment loss of ₹6,410.93 mn in FY2025. Out of which ₹3,703.25 mn pertains to solar segment and ₹2,707.68 pertains to commercial office segment. This was mainly in relation to reduction in applicable tariffs in solar business as per order dated 27 March 2025 issued by the Karnataka Electricity Regulatory Commission (KERC) and slower than anticipated lease up of commercial properties. The impairment test performed considers the current economic conditions and revised business plans to determine the higher of the 'value in use' and the 'fair value less cost to sell'; in accordance with Ind AS 36.

In FY2024, we recorded a one-time impairment loss reversal amounting to ₹836.75 mn. As at March 31, 2023, an impairment loss amounting to Rs 886.18 mn was accounted against property, plant and equipment and impairment loss amounting to ₹31.71 mn was accounted against investment property. Considering the ramp up of room occupancy, recovery in our hospitality business operations and increase in lease-up, we updated the financial projections based on which the future cash flows have been estimated for the purpose of determining the recoverable amount of the aforesaid property, plant and equipment and investment properties as at March 31, 2024. Since the recoverable amount exceeds the carrying value of property, plant and equipment and investment properties as at March 31, 2024, we reversed the impairment loss of ₹836.75 mn (net of depreciation of ₹81.14 mn) which was recognised in the statement of profit and loss during the year ended March 31, 2024.

Profit before share of profit of equity accounted investee and tax

As a result of the foregoing, we recorded ₹775.17 mn in profit before share of profit of equity accounted investee and tax for FY2025, as compared to ₹9,998.62 mn in FY2024, an decrease of ₹9,223.45 mn or 92%.

Share of profit after tax of equity accounted investee

The share of profit after tax in Embassy GolfLinks, our investment entity, an equity accounted investee, for FY2025 was ₹1,155.25 mn as compared with ₹892.11 mn for FY2024. The increase was largely a result of the improved operational and financial performance of Embassy GolfLinks, leading to an increase in revenue from operations offset by an increase in operating and maintenance expenses.

Profit before tax

As a result of the foregoing, we recorded a profit before tax of ₹1,930.42 mn for FY2025, as compared to a profit before tax of ₹10,890.73 mn for FY2024, a decrease of ₹8,960.31 mn or 82%.

Tax expense

The portfolio of assets which we own are housed in 15 SPVs, which have different tax considerations including SEZ benefits, available MAT credit etc. and accordingly will have varying current tax percentages. On a blended basis, our current taxes for FY2025 and FY2024 works out to 4% of our revenue from operations at the Consolidated Group level.

Management Discussion and Analysis

The Consolidated Financial Statements include tax expenses as set forth in the below table:

Tax expense				
(₹ in mn)				
Particulars	FY 2025	FY 2024	Variance	Variance %
Current tax	1,676.45	1,427.74	248.71	17%
Deferred tax credit	(15,990.39)	(177.29)	(15,813.10)	8,919%
Total tax expenses	(14,313.94)	1,250.45	(15,564.39)	(1,245)%

Total tax expenses decreased by ₹15,564.39 mn or 1,245% from ₹1,250.45 mn for FY2024 to ₹ (14,313.94) mn for FY2025.

Current tax expense has increased by ₹248.71 mn or 17% from ₹1,427.74 mn to ₹1,676.45 mn for FY2025. This was primarily due to higher current tax in Embassy TechVillage offset by tax shield on the accelerated depreciation pertaining to Block B at Embassy Manyata.

Deferred tax credit has increased significantly by ₹15,813.10 mn or 8,9191% from deferred tax credit of ₹177.29 mn in FY2024 to ₹15,990.39 mn in FY2025 due to reduction of deferred tax liability amounting to ₹14,140.73 mn on account of change in long-term Capital Gains tax rate from 20% to 12.5% and removal of indexation benefit for calculation of long-term capital gains w.e.f 23 July 2024 and due to impairment loss on assets recognized in the current year.

Total Comprehensive Income

As a result of the foregoing, our profit for FY2025 was ₹16,244.85 mn as compared with ₹9,647.02 mn for FY2024, an increase of ₹6,597.83 mn or 68%.

Non-GAAP Measures

Net Operating Income ('NOI')

Based on the 'management approach' as defined in Ind AS 108, the Chief Operating Decision Maker ('CODM') evaluates the Embassy Office Parks' performance and allocates resources based on an analysis of various performance indicators by operating segments.

We use NOI internally as a performance measure and believe it provides useful information to investors regarding our financial condition and results of operations because it offers a direct measure of the operating results of our business segments. Other companies may use different methodologies for calculating NOI, and

accordingly, our presentation of the same may not be comparable to other companies. We define NOI for each of our segments as follows:

a) Commercial Offices segment:

NOI for Commercial Offices is defined as revenue from operations (which includes (i) facility rentals, (ii) maintenance services income, (iii) income from finance lease, and (iv) other operating income for Commercial Offices) less direct operating expenses (which includes (i) operating and maintenance expenses including common area maintenance expenses (ii) property taxes, (iii) rent and (iv) insurance).

b) Hospitality segment:

NOI for hospitality segment is defined as revenue from operations (which includes (i) room rentals, (ii) sale of food and beverages, (iii) other operating income from hospitality) less direct operating expenses (which includes (i) cost of materials consumed, (ii) employee benefits expenses, (iii) operating and maintenance expenses excluding property management fees and (iv) other expenses).

c) Other segment:

NOI for other segments is defined as revenue from operations (which includes income from generation of renewable energy) less direct operating expenses (which includes (i) operating and maintenance expenses and (ii) other expenses).

Certain income (such as interest, dividend and other income) and certain expenses (such as other expenses excluding direct operating expenses, depreciation, amortisation, impairment loss and finance cost) are not specifically allocable to segments and accordingly these expenses are adjusted against the total income of the Embassy Office Parks Group.

The table below gives the computation of our NOI and a reconciliation up to EBITDA:

NOI margins

We were able to maintain our NOI margin at 81% for FY2025 in line with FY2024. During the year, the hospitality sector improved and witnessed a robust performance due to steady domestic demand and an increase in demand from corporate as they ramp up their operations at pre-pandemic level accordingly hotel operating expenses also increased which has resulted in an increase in NOI by 4%.

EBITDA

We use Earnings Before Finance costs, Depreciation, Amortisation, Impairment loss and Tax, excluding share of profit of equity accounted investee (EBITDA) internally as a performance measure. We believe it provides useful information to investors regarding our financial condition and results of operations because it offers a direct measure of the operating results of our

business segments. Other companies may use different methodologies for calculating EBITDA and accordingly, our presentation of the same may not be comparable to other companies.

EBITDA does not have a standardised meaning, nor is it a recognised measure under Ind AS and may not be comparable with measures among similar names presented by other companies. EBITDA should not be considered by itself or as a substitute for comparable measures under Ind AS or other measures of operating performance, liquidity or ability to pay dividends. Our EBITDA may not be comparable to EBITDA or other similarly titled measures of other companies/ REITs as not all companies/ REITs use the same definition of EBITDA or other similarly titled measures. Accordingly, there can be no assurance that our basis for computing this non-GAAP measure is comparable with that of other companies/ REITs.

Management Discussion and Analysis

We believe that the comparable Ind AS metric to our EBITDA is profit for the year, and a reconciliation between these two is provided here:

(₹ in mn)

Net Asset Value (NAV)

We use NAV internally as a performance measure and believe it provides useful information to investors regarding our financial condition. The computation of NAV is prescribed under the REIT regulations.

This computation takes into account the Gross Asset Value (GAV) as arrived at by our independent external property valuers appointed under Regulation 21 of REIT regulations, along with the recorded book values of other assets as well as all other liabilities recorded in the financial statements to arrive at the NAV.

Our Statement of Net Assets at Fair Value as of the dates indicated, at a consolidated level, along with the NAV per unit is set forth here:

Statement of Net Assets at Fair Value

Management Discussion and Analysis

Liquidity and Capital Resources

Overview

Our liquidity position of ₹8.46 bn and lower Net debt to GAV of 32% clears our pathways towards accelerating growth.

Financial resources

As of March 31, 2025 we had cash and cash equivalents of ₹6,630.18 mn. Cash and cash equivalents primarily consist of cash on hand; balances with banks in current accounts, escrow accounts and deposit accounts with original maturity below three months. Primarily, our liquidity requirements have been to fund construction and asset upgrades. We expect to meet our working capital and other liquidity requirements for the next 12 months from (i) cash and bank balances; (ii) cash flows from our business operations; (iii) short term and long term loans from banks and financial institutions, we believe that we will have sufficient working capital to fulfil our present requirements for the next 12 months.

This table depicts a selected summary of our statement of cash flows for the periods indicated:

Cash flows

(₹ in mn)

Particulars	FY 2025	FY 2024
Cash generated from operating activities	30,793.18	25,908.96
Net cash flow used in investing activities	(16,530.87)	(11,797.32)
Net cash used in financing activities	(17,923.38)	(12,171.39)
Net increase/ (decrease) in cash and cash equivalents	(3,661.08)	1,940.25
Cash and cash equivalents at the beginning of the year	10,113.73	8,173.48
Cash and cash equivalents acquired due to asset acquisition	177.53	-
Cash and cash equivalents at the end of the year	6,630.18	10,113.73

Cash generated from operating activities

Net cash generated from operating activities for FY2025 was ₹30,793.18 mn. The increase in cash generated from operating activities from ₹25,908.96 mn to ₹30,793.18 mn is in line with the growth in net operating income of 10% and EBITDA of 7% in FY2025. Our profit before share of profit of equity accounted investee and tax was ₹775.17 mn which was adjusted for non-cash items and items relating to financing and investing activities, movement in working capital and taxes paid by a net amount of ₹30,018.01 mn.

Adjustments to reconcile profit before tax to net cash flows were primarily for depreciation and amortization expense amounting to ₹11,415.15 mn, finance costs amounting to ₹13,286.25 mn, impairment loss of ₹6,410.93 mn and interest income of ₹876.86 mn.

Working capital adjustments primarily comprised an increase in other financial liabilities (current and non-current) of ₹1, 803.41 mn, trade payables of ₹101.60 mn and other liabilities and provisions (current and non-current) of ₹594.20 mn partially offset by an increase in trade receivables of ₹408.56 mn and other assets (current and non-current) of ₹706.59 mn. In addition, we paid income tax of ₹1,389.69 mn during FY2025.

Net cash flow used in investing activities

Our net cash flow used in investing activities for FY2025 was ₹16,530.87 mn, primarily due to payment for purchase of investment properties, property, plant and equipment and intangibles including capital work-in-progress and investment property under development amounting to ₹17,509.73 mn. Such purchases were primarily deployed towards under construction blocks which include Block 8 at Embassy TechVillage, Block L4, D1 and D2 at Embassy Manyata, Block 1, 4 and 10 at Embassy Splendid TechZone, Phase II project at Embassy Hub, capital expenditure spends towards various infrastructure and upgrade projects across our parks and the master plan upgrades at multiple assets. Further we have placed money in fixed deposits amounting to ₹459.77 mn and invested in debentures of Golflink amounting to ₹1,800 mn. Such cash outflows were partially offset by cash inflows from the repayment of investment in debentures of ₹1,144.03 mn and interest received on bank and other security deposits including interest from investment in debentures of GLSP of ₹1,155.39 mn

Net cash used in financing activities

Our net cash used in financing activities in FY2025 was ₹17,923.38 mn, primarily due to the repayment of

borrowings of ₹80,040.15 mn, payment of interest on our borrowings of ₹13,702.65 mn and distributions to our unitholders of ₹21,374.39 mn, payment of lease liability of ₹190.15 mn, partially offset by ₹97,383.96 mn from the proceeds of our borrowings.

Distributions

Under the provisions of the REIT Regulations, Embassy Office Parks REIT is required to distribute to the Unitholders not less than ninety percent of the net distributable cash flows ('NDCF') of Embassy Office Parks REIT.

In order to promote standardisation of framework for computing NDCF, a revised framework is defined by SEBI vide master circular no. SEBI/HO/DDHS-PoD-2/P/ CIR/2024/43 dated 15 May 2024. This framework is applicable with effect from 1 April 2024. Accordingly, Embassy Office Parks REIT has computed the NDCF for the quarter and year ended 31 March 2025 to comply with the said circular. In accordance with this circular, Embassy Office Parks REIT along with its SPVs, subject to applicable provisions in the Companies Act, 2013, needs to ensure that minimum 90% distribution of NDCF be met for a given financial year on a cumulative periodic basis.

The aforesaid net distributable cash flows are made available to Embassy Office Parks REIT in the form of (i) Interest paid on Shareholder Debt provided by Embassy Office Parks REIT to the SPV's/Holding Company, (ii) Principal repayment of Shareholder Debt, (iii) Dividend declared by the SPVs/Holding Company and (iv) Proceeds from sale of any Embassy REIT assets.

The Board of Directors of the Manager to the Trust have declared a cumulative distribution of ₹21.8 bn or ₹23.01 per unit for FY2025 and cumulative distribution of ₹120 bn since listing.

Borrowings

During the year, ₹63,363 mn debt was refinanced at an average interest rate of 7.98%, through a combination of listed debentures, bank loans and commercial paper issuances. Of the total debt refinanced, ₹39,500 mn of debt was scheduled maturity, which was successfully refinanced at an average rate of 7.93%. Proactively refinanced an additional ₹23,863 mn of debt with lower rate instruments and achieved 37 bps proforma interest savings. Our net debt book now totals ₹1,96,554 mn, implying a 32% leverage ratio and a 7.90% in-place cost. Further, 49% of our total debt book is at floating rates and an additional 29% is due for maturity in the next 12 months, which positions us well to take advantage of any rate cuts in the future.

- including capitalised interest	2.2X	2.4X
Available debt headroom (₹ in bn)	100	106

We continue to maintain a strong liquidity position of ₹8.46 bn and a low leverage of 32% Net Debt to Gross Asset Value (GAV). Considering our dual AAA credit rating, additional proforma headroom of ₹100 bn and our ability to raise debt at competitive rates, we are in a strong position to pursue growth through on campus development and accretive acquisitions.

Capital expenditures and capital investments

Risk Management

We are the owner of a high-quality office portfolio in India that serves as essential corporate infrastructure

to multinational tenants and has significant embedded growth prospects. The growth of domestic companies has resulted in robust demand for commercial office space and strong growth across India's major office markets. We are highly dependent on the prevailing economic conditions in India and our results of operations are significantly affected by factors influencing the Indian economy. Further, the real estate sector in India including REITs is heavily regulated. We are also subject to environmental, health and safety regulations in the ordinary course of our business. These and many other factors might affect our business, results of operations or financial condition. We are committed to maintaining our strong corporate governance standards and have a robust risk management framework in place to address risks that arise from the economic, operational, social and environmental ecosystems that we operate in.

The Board of Directors of the Manager of Embassy Office Parks REIT has overall responsibility for the establishment and oversight of the Embassy Office Parks Group's risk management framework. The Embassy Office Parks Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities. The Board of Directors of the Managers of Embassy Office Parks REIT oversees how management monitors compliance with the Group's risk management policies and procedures and reviews the adequacy of the risk management framework in relation to the risks faced by the group. The Audit Committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the Audit Committee.

Management Discussion and Analysis

Internal financial control systems

Embassy REIT has a strong internal financial control system to manage its operations, financial reporting, and compliance requirements. The Manager has clearly defined roles and responsibilities for all managerial positions. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information. All business parameters are regularly monitored, and effective steps are taken to control them.

Embassy REIT has appointed one of the Big4 firms to conduct internal audit of its activities. The internal audit plan is reviewed each year and is approved by the Audit Committee. The internal audit is focused on review of internal controls and operational risk in the business of Embassy REIT. Embassy REIT takes a proactive approach to risk management, making it an integral part of our business both strategically and operationally. Our objective is optimisation of opportunities within the known and agreed risk appetite levels set by our Board. We take measured risks in a prudent manner for justifiable business reasons. Our ERM framework encompasses all our risks such as strategic, operational, and compliance risks. Appropriate risk indicators are used to identify these risks proactively. A robust internal control system and an effective, independent review and audit process underpin our ERM Framework.

While management is responsible for the design and implementation of effective internal controls using a risk-based approach, external consultant reviews such design and implementation to provide reasonable assurance on the adequacy and effectiveness of the risk management and internal control systems. The Audit Committee and the Board of Directors periodically reviews the adequacy and effectiveness of internal financial control systems and suggests improvements to further strengthen them. The internal financial control systems are adequate and operating effectively as at March 31, 2025. The effectiveness of the internal control over financial reporting for each of the SPVs as at March 31, 2025 has been attested by the respective statutory auditors of SPVs who expressed an unqualified opinion on the effectiveness of each SPV's internal control over financial reporting as of March 31, 2025.

Online Dispute Resolution (ODR) Mechanism:

In accordance with SEBI Circulars issued periodically, Unitholders are advised to first contact Embassy REIT or its Registrar and Transfer Agent (RTA) for any grievances. If the response is delayed or unsatisfactory, Unitholders may escalate their concerns through the SCORES platform.

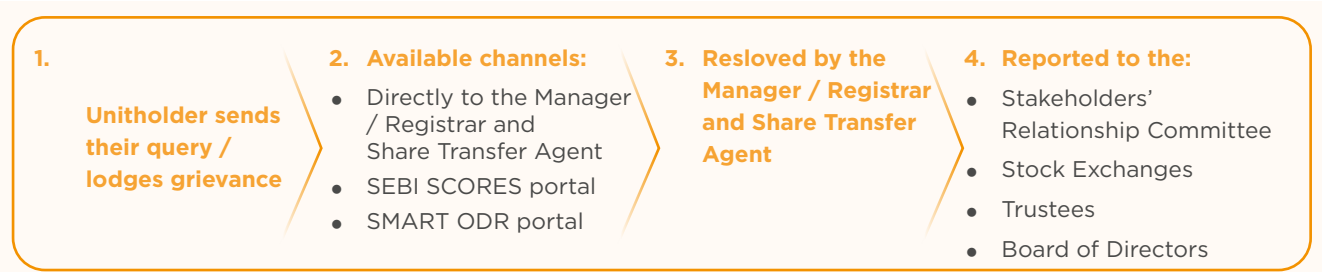

If the grievance remains unresolved after pursuing these avenues, Unitholders may initiate dispute resolution

through the ODR Portal at <https://smartodr.in/>. During the year ended March 31, 2025, no complaints were received through the ODR mechanism.

Unitholders are encouraged to use the ODR mechanism as a final measure, after all other options for grievance redressal have been exhausted. The ODR platform is particularly beneficial for resolving long-standing disputes that may otherwise be difficult to conclude satisfactorily.

There have been no penalties, strictures imposed on Embassy REIT by the Stock Exchanges or SEBI, or any statutory authority, on any matter related to capital markets, during the last three years.

Please see below the details of the administrative warnings and the interim order cum show cause notice received from SEBI:

1. On March 28, 2025, SEBI issued an administrative warning for failure to disclose an administrative warning dated March 26, 2024 issued by SEBI in the secretarial compliance report of Embassy REIT for FY 2024. The administrative warning dated March 26, 2024 has been disclosed in the secretarial compliance report of Embassy REIT for FY 2025;
2. SEBI issued an interim order cum show cause notice dated November 04, 2024 (“**Order**”) to Embassy Office Parks Management Services Private Limited, Manager to Embassy REIT (“**Company**”) in connection with an order passed by the National Financial Reporting Authority (“**NFRA Order**”), against *inter-alia*, the erstwhile Chief Executive Officer (“**CEO**”), Mr. Aravind Maiya.

Vide the Order, SEBI directed the Company to suspend Mr. Aravind Maiya from acting as its CEO and appoint an interim CEO with immediate effect, till the NFRA Order dated August 19, 2024 is stayed/ set aside, whichever is earlier. SEBI also directed the Company to ensure compliance with ‘fit and proper person’ criteria.

Pursuant to the Order, Mr. Aravind Maiya stepped down as the CEO and one of the Key Managerial Personnel (“**KMP**”) of the Company with effect from November 04, 2024 and Mr. Ritwik Bhattacharjee was appointed as the CEO (Interim) and one of the KMPs of the Company with effect from November 07, 2024.

Further, as specified in the Stock Exchange disclosure dated November 07, 2024, Mr. Maiya was not involved in the business, operations or management of the Company / Embassy REIT in any capacity pending appropriate developments in the legal proceedings relating to the NFRA Order / other connected proceedings. Mr. Maiya resigned from the Company with effect from November 20, 2024.

The Company has filed a settlement application with SEBI in relation to the Order on December 06, 2024 and the matter is currently outstanding.

3. A show cause notice dated May 30, 2025 (“**SCN**”) was issued by SEBI to Embassy Office Parks Management Services Private Limited (“**Company**”) and Axis Trustee Services Limited (“**Trustee**”), in connection with an order passed by the National Financial Reporting Authority against, *inter-alia*, the erstwhile Chief Executive Officer of the Company (“**NFRA Order**”). The SCN alleges (i) violations of Regulation 7(d) read with Clauses 1,2,7 and 8 of Schedule VI and Regulation 10(14) of the SEBI REIT Regulations, with respect to alleged delays in the disclosure of the NFRA Order (by 53 days), the Company’s view on the ‘fit and proper’ status of its erstwhile CEO (by 35 days) and a SEBI letter dated October 8, 2024 (by 11 days), by the Company and (ii) failure of the Trustee to oversee the Company and ensure compliance with Regulation 7(d) read with Clauses 1,2,7 and 8 of Schedule VI and Regulations 9(3), 9(4) and 9(16) of the SEBI REIT Regulations. The matter is currently outstanding.
4. On October 03, 2024, SEBI issued an administrative warning for non-disclosure of certain information (details of the development, changes to the development plan and a government approval) in relation to a land parcel forming part of Embassy TechVillage, an asset held by Embassy REIT, which was noted as a non-compliance of Regulation 7(d) read with clause (ii) of code of conduct specified in Schedule VI, Regulation 15(1), Regulation 23(4) read with Schedule IV and Regulation 23(5)(i) of the REIT Regulations. A disclosure in relation to the aforementioned information was included on page 35 of the consolidated financial statements of Embassy REIT for the quarter and half year ended September 30, 2024. Further, a detailed stock exchange announcement was also issued on November 14, 2024; and
5. On March 26, 2024, SEBI issued an administrative warning for inclusion of goodwill (appearing in the balance sheet) for computation of NAV at fair value. In the statement of net assets as of March 31, 2024, Embassy REIT included goodwill in the computation of NAV only to the extent of the corresponding deferred tax, ensuring that the net goodwill (i.e., goodwill on consolidation less deferred tax on the same) is nil. By adopting this approach, the NAV at fair value was consistent across both standalone and consolidated financial statements, with no incremental impact from goodwill.

Utilization of funds raised through Preferential Allotment or Qualified Institutional Placement

Not Applicable for the year ended March 31, 2025 as no funds were raised through Preferential Allotment or Qualified Institutional Placement.

Notes:

Measurement of fair values:

The fair value of investments in SPVs are computed basis the fair value of the underlying investment properties, investment properties under development, property, plant and equipment and capital work-in-progress as at 31 March 2025 and as at 31 March 2024 along with book values of other assets and liabilities accounted in the respective SPV financial statements as at 31 March 2025 and as at 31 March 2024. The fair value of the properties as at 31 March 2025 and 31 March 2024 as disclosed above are solely determined by L.Anuradha, the independent registered external property valuer appointed under Regulation 21 of REIT regulations, having appropriately recognised professional qualifications and recent experience in the location and category of the properties being valued in conjunction with independent property consultant review services undertaken by Cushman & Wakefield India Private Limited.

Valuation technique

The fair value measurement for all the investment properties, investment properties under development, property plant and equipment and capital work-in-progress has been categorized as a Level 3 fair value based on the inputs to the valuation technique used.

The valuers have followed a Discounted Cash Flow method. The valuation model considers the present value of net cash flows to be generated from the respective properties, taking into account the expected rental growth rate, vacancy period, occupancy rate, average room rent, lease incentive costs and blended tariff rates. The expected net cash flows are discounted using the risk adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location (prime vs secondary), tenant credit quality, lease terms, seasonality in sustaining a stable average room rent and occupancy for the hotels.

During the year ended March 31, 2025, there were no changes made to the Trust Deed and Investment Management Agreement of Embassy REIT

g. Any other material change or events during the year

1 The acquisition of Embassy Splendid TechZone, Chennai was completed on June 03, 2024 through the purchase of 100% of the equity share capital of ESNP Property Builders and Developers Private Limited (“**ESNP**”) a wholly-owned subsidiary of Embassy Property Developments Private Limited (“**EPDPL**”), from EPDPL and Mr. Aditya Virwani, for an enterprise value of ₹11,853 mn.

The acquisition was completed pursuant to the approval of the Board of Directors at their Meeting held on April 06, 2024 and the Unitholders at an Extraordinary Meeting held on April 29, 2024.

ESNP is a co-developer of Embassy Splendid TechZone, a commercial real estate project in Chennai, India, which is expected to comprise a total leasable area of approximately 5.0 mn sq. ft. upon completion (“**Embassy Splendid TechZone, Chennai**”) and has ownership interest in the completed and rent/income-generating towers as well as rights, title and interest in the under-construction portions, economic interests (including 61% proportionate lease revenue share), leasehold rights, co-development rights and other rights in Embassy Splendid TechZone, Chennai, including the right to provide common area maintenance services and common infrastructure services.

2 Mr. Arvind Kathpalia (DIN: 02630873) was appointed as a Non-Independent, Non-Executive Director on the Board of the Manager with effect from June 04, 2024.

Mr. Kathpalia was nominated as a director by Kotak Performing RE Credit Strategy Fund I and APAC Company XXIII Limited, unitholders of Embassy REIT.

3 SEBI issued an interim order cum show cause notice dated November 04, 2024 (“**Order**”) to Embassy Office Parks Management Services Private Limited, Manager to Embassy REIT (“**Company**”) in connection with an order

passed by the National Financial Reporting Authority (“**NFRA Order**”), against *inter-alia*, the erstwhile Chief Executive Officer (“**CEO**”), Mr. Aravind Maiya.

Vide the Order, SEBI directed the Company to suspend Mr. Aravind Maiya from acting as its CEO and appoint an interim CEO with immediate effect, till the NFRA Order dated August 19, 2024 is stayed/set aside, whichever is earlier. SEBI also directed the Company to ensure compliance with ‘fit and proper person’ criteria.

Pursuant to the Order, Mr. Aravind Maiya stepped down as the CEO and one of the Key Managerial Personnel (“**KMP**”) of the Company with effect from November 04, 2024 and Mr. Ritwik Bhattacharjee was appointed as the CEO (Interim) and one of the KMPs of the Company with effect from November 07, 2024.

Further, as specified in the Stock Exchange disclosure dated November 07, 2024, Mr. Maiya was not involved in the business, operations or management of the Company / Embassy REIT in any capacity pending appropriate developments in the legal proceedings relating to the NFRA Order / other connected proceedings. Mr. Maiya resigned from the Company with effect from November 20, 2024.

The Company has filed a settlement application with SEBI in relation to the Order on December 06, 2024 and the matter is currently outstanding.

4. A show cause notice dated May 30, 2025 (“**SCN**”) was issued by SEBI to Embassy Office Parks Management Services Private Limited (“**Company**”) and Axis Trustee Services Limited (“**Trustee**”), in connection with an order passed by the National Financial Reporting Authority against, *inter-alia*, the erstwhile Chief Executive Officer of the Company (“**NFRA Order**”). The SCN alleges (i) violations of Regulation 7(d) read with Clauses 1,2,7 and 8 of Schedule VI and Regulation 10(14) of the SEBI REIT Regulations, with respect to alleged delays in the disclosure of the NFRA Order (by 53 days), the Company’s view on the ‘fit and proper’ status of its erstwhile CEO (by 35 days) and a SEBI letter dated October 8, 2024 (by 11 days), by the Company and (ii) failure of the Trustee to oversee the Company and ensure compliance with Regulation 7(d) read with Clauses 1,2,7 and 8 of Schedule VI and Regulations 9(3), 9(4) and 9(16) of the SEBI REIT Regulations. The matter is currently outstanding.

“Associates” of a person shall be as defined under the Companies Act, 2013, or under applicable accounting standards, and shall also include: (i) any person directly or indirectly controlled by the said person; (ii) any person who directly controls the said person; (iii) where the said person is a company or a body corporate, any person(s) who is designated as a promoter of the company or body corporate and any other company or body corporate and any other company or body corporate with the same promoter; and (iv) where the said person is an individual, any relative of the individual. With respect to the Manager and the Sponsors, only entities which directly control the Sponsors or the Manager, as applicable, have been considered under (ii).

I. Title disclosures (including title litigation) pertaining to the Portfolio

For the purpose of this section, details of all pending title litigation pertaining to the Portfolio have been disclosed. Other than as disclosed below, there are no pending title litigations pertaining to the Portfolio as of March 31, 2025.

A. Embassy Manyata

- a. MPPL has filed a writ petition against the BBMP and others seeking to, inter-alia, quash (i) a circular from 2014 re-fixing the improvement charges under the Karnataka

Municipal Corporations Act, 1976, and the Karnataka Municipal Corporations (Recovery of Improvement Expenses) Rules, 2009, and (ii) a notice from 2015 demanding payment of betterment charges of ₹ 127.91 mn. MPPL has paid betterment charges under protest vide letter dated March 30, 2022. The High Court of Karnataka granted an interim stay on the applicability of the above circular and notice. Pursuant to an order dated July 18, 2022, the High Court of Karnataka further held that this matter will be listed upon disposal of another matter pending before the same court. The matter is currently pending.

- b. A third party suit was filed against MPPL and other defendants in 2020 before the City Civil Court, Bengaluru seeking inter-alia: (i) 1/8th share of several land parcels by way of partition out of which Embassy Manyata is only concerned with one land parcel; and (ii) a declaration that certain sale deeds, including the lease deed executed by MPPL, are null and void. The matter is currently pending.
- c. An original suit was filed by a third party in 2003 against MPPL and other defendants before the Additional City Civil and Sessions Judge, Bengaluru for inter-alia partition of property including in respect of a land parcel admeasuring approximately 3 acres and 32 guntas located in Embassy Manyata. The court pursuant to its judgement and decree dated October 16, 2019 inter-alia, decreed that the plaintiff could not claim for possession of the relevant land parcel but could only seek compensation as regards the land concerning MPPL. A regular first appeal has been filed by a third party against MPPL and other defendants before the High Court of Karnataka challenging the judgement and decree dated October 16, 2019. The High Court of Karnataka has vide order dated December 19, 2024 has remitted the matter back to the Additional City Civil Court for fresh consideration.

A co-defendant in the original suit has filed a miscellaneous petition dated September 8, 2020 before the Additional Judge, City Civil Court, Bengaluru to set aside the judgement and decree dated October 16, 2019. The Additional City Civil Court, Bengaluru vide order dated

January 22, 2025 has disposed the miscellaneous petition in view of the remand of suit for fresh trail by the High Court of Karnataka. Further, final decree proceedings have been initiated by the original plaintiff before the Additional Civil and Sessions Judge at Bengaluru in relation to a parcel of land which does not form part of Embassy Manyata. The Additional City Civil Court, Bengaluru vide order dated January 24, 2025 has disposed the final decree proceedings in view of the remand of suit for fresh trail by the High Court of Karnataka.

- d. A third-party suit has been filed against MPPL and other defendants on September 23, 2020 before the Principal City and Sessions Judge, Bengaluru seeking possession of a land parcel admeasuring 1 acre and 12 guntas forming part of Embassy Manyata. The plaintiff claims that the land parcel was mortgaged by his ancestors in 1905 and they were unable to redeem the mortgage. The plaintiff has filed the suit to redeem the mortgaged premises and seek possession of the land parcel. MPPL has filed its response in this matter. The matter is currently pending.
- e. Certain third parties have filed a writ petition against State of Karnataka, MPPL and others before the High Court of Karnataka challenging the acquisition proceedings initiated by the state government with respect to inter-alia land parcels admeasuring 1 acre and 3 acres and 32 guntas at Nagavara Village which currently forms part of Embassy Manyata. The third parties were party to the proceedings in which the acquisition of the above lands had been challenged and the matter attained finality with the Supreme Court upholding the acquisition. The third parties have alleged that their representations for determination of compensation have not been addressed by KIADB and on this ground they have sought: (i) quashing of the awards proceedings initiated by respondents which has led to arbitrary determination of the compensation (ii) directions for the State of Karnataka to pass an award and pay compensation under the provisions of The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation And Resettlement Act, 2013; and (iii) quashing of the acquisition of property situated in Embassy Manyata. The matter is currently pending.

- f. MPPL had filed a suit against a third party for a relief that the third party be restrained for interfering with MPPL's possession and enjoyment of the land parcel admeasuring 4 guntas which forms part of Embassy Manyata before the Additional City Civil Judge, Bengaluru. The Additional City Civil Judge, Bengaluru passed a judgement and decree on December 8, 2017 in favour of MPPL. Aggrieved by the judgement and decree dated December 8, 2017, the third party has filed an appeal before the High Court of Karnataka against MPPL in 2018. The matter is currently pending.
- g. An original suit was filed by third parties in 2007 against certain defendants before the City Civil Judge, Bangalore in relation to land parcels admeasuring 1 acre and 38 guntas situated in Nagavara Village, Kasaba Hobli, Bangalore, North Taluk. MPPL impleaded itself as party to this suit. The plaintiffs claim that the land parcels are their ancestral properties and sought, inter-alia (i) half share of the land parcels by way of partition in favour of the plaintiffs and possession of such property; (ii) a declaration that the sale of the land parcels and the consequent khata and mutation in favour of the defendants (including MPPL) was illegal and is not binding on the plaintiffs; (iii) a direction to MPPL to deposit the amount of compensation paid by KIADB along with interest before the court and to release half of the compensation amount or alternative land to the plaintiffs; and (iv) permanent injunction against certain defendants (including MPPL) in relation to the land parcels. The matter is currently pending.
- h. An original suit was filed by third parties in 2012 against certain defendants before the City Civil Judge, Bangalore in relation to certain land parcels situated at Nagawara Village, Kasaba Hobli, Bangalore, North Taluk. The plaintiffs claim that the land parcels are their ancestral properties and sought, inter-alia: (i) partition of the land parcel and possession to the plaintiffs to the extent of their share; (ii) a declaration that the release deed in relation to the land parcels is not binding on the plaintiffs; and (iii) order for mesne profit. MPPL was not made party to the suit, however, it is concerned with certain land parcels in relation to which the suit is filed as they form a part of Embassy Manyata. Thus, MPPL filed an application for impleading it as a party. The City Civil Court has dismissed the

Statutory Disclosures Section

impleading application filed by MPPL pursuant to an order dated December 15, 2022. MPPL has filed an appeal against the order dated December 15, 2022 before the High Court of Karnataka. The matter is currently pending.

- i. An original suit was filed by third parties in 2008 against certain defendants before the City Civil Judge, Bangalore in relation to certain land parcels admeasuring 0.26 guntas situated at Thanisandra Village, K.R. Puram Hobli, Bangalore East Taluk, among others. The plaintiffs claim that the land parcels are their ancestral properties and have seeking inter-alia (i) 1/4th share of several land parcels by way of partition to each of the two plaintiffs; and (ii) a declaration that the compromise entered between certain defendants is not binding of the plaintiffs. MPPL, has filed an application for impleading it as a party. The matter is currently pending.
- j. An original suit was filed by a third party in 2009 against MPPL and others before the City Civil Judge, Bangalore in relation to multiple land parcels situated at Nagavara Village, Bangalore, North Taluk, among others. The plaintiffs claim that the land parcels are their joint family properties and sought, inter-alia: (i) 1/3rd share of the properties by way of partition to the plaintiffs and possession of such property; and (ii) a declaration that the sale deed executed in favour of defendants (including MPPL) was null and void and is not binding on the plaintiffs. The matter is currently pending.

itself as party to this public interest litigation. The Bombay High Court had directed the third party to file an amended petition to, inter-alia, include IENMPL as a party. The matter is currently pending.

D. Embassy GolfLinks

- (a) A third party individual has filed a suit before the Court of the City Civil Judge, Bengaluru in 2005, against GLSP and others for declaring a sale deed allegedly executed in 2004 by him in favour of GLSP and another pertaining to a portion of land situated at Embassy GolfLinks, as null and void on account of fraud and misrepresentation. The plaintiff died at the evidence stage and his alleged heir was not permitted to come on record as the court rejected his application by passing an order in 2015. Aggrieved by the order, the alleged heir filed a civil revision petition before the High Court of Karnataka in 2015 which was subsequently converted into a writ petition. The High Court of Karnataka allowed the writ petition and directed the trial court to pass appropriate orders after giving an opportunity of being heard to the parties. The matter is currently pending.
- (b) A third party has filed a suit before the City Civil Court, Senior Division, Rural District Judge Bengaluru against GLSP and others alleging that the sale deed in relation to land parcels forming part of Embassy GolfLinks executed in favour of GLSP in 2003 is not binding on the petitioner. The suit was dismissed in 2016 for default by the petitioner. The petitioner has thereafter filed an application in 2017 seeking to restore the case. On October 21, 2024 the Ill Addl Senior Civil Judge allowed the application seeking to restore the case.
- (c) GLSP received a notice from a third party individual alleging that certain third parties were the absolute owners of land in possession of GLSP admeasuring 2 acres and 8 guntas in Bengaluru. The Additional City Civil and Sessions Judge, pursuant to a preliminary decree in 2017, granted the petitioner half a share in the land. GLSP was not made a party to the above suit filed by the third party. GLSP has filed an appeal in the High Court of Karnataka to set aside the decree of the Additional City Civil and Sessions Judge and to remand the suit to the trial court by impleading GLSP as a defendant. The High Court of Karnataka has notified that the final

decree proceedings shall continue but that no final decree shall be drawn up. The matter is currently pending.

- (d) Certain third parties have filed an original suit against GVPPL and others before the Court of Additional City Civil Judge, Bengaluru claiming 3/7th share ownership over certain parcels of land belonging to GLSP, i.e. Survey No.10/2A admeasuring 25 guntas in Bengaluru. The Additional City Civil Judge, Bengaluru passed a judgement and a decree, inter alia, stating that (i) the plaintiffs therein are entitled to 1/7th share in the disputed property (ii) the sale deed executed by the defendants therein and subsequent sale deeds are not binding on the plaintiffs and (iii) defendants to handover the plaintiffs' share in such disputed property. B. EEPL

(i) Regulatory Proceedings

The Karnataka Electricity Regulatory Commission (“**Commission**”) has issued orders in 2005, 2008 and 2014 granting exemption to all solar power generators in Karnataka that achieved commercial operation date between

April 1, 2013 and March 31, 2018 from paying certain charges such as, inter-alia, payment of wheeling and banking charges, cross subsidy surcharges, transmission losses and wheeling losses for a period of ten years from the date of commissioning. The Commission issued an order in 2018 directing cancellation of the aforementioned exemption available to Karnataka's power generators, including EEPL. Subsequently, EEPL and others have filed writ petitions in 2018 in the High Court of Karnataka against the State of Karnataka, the Commission, Bangalore Electricity Supply Company Limited, Gulbarga Electricity Supply Company Limited and Karnataka Power Transmission Corporation Limited. The High Court of Karnataka by way of an order dated May 24, 2018 has directed interim stay on the Commission's order. In the event of cancellation of the aforesaid exemption, EEPL would incur an estimated loss of approximately ₹ 1053.50 mn over a ten year period. The Bangalore Electricity Supply Company Limited filed an interlocutory application on June 18, 2018, seeking recalling of order dated May 24, 2018 of the High Court of Karnataka and the Commission has filed common preliminary objections on September 27, 2018 and requested the High Court of Karnataka to dismiss the writ petition filed by EEPL and others. The High Court of Karnataka, by way of an order dated March 13, 2019, allowed the writ petitions filed by EEPL and others, and quashed the order dated May 14, 2018 issued by the Commission. The Commission has filed a common writ appeal against the said order, against EEPL and others. The matter is currently pending.

(ii) Other Material Litigation

EEPL has received a demand notice under the Insolvency and Bankruptcy Code, 2016 (“**IBC**”) on February 28, 2019 from a third party subcontractor, engaged by the parent company of a third-party service provider for Embassy Energy (“**Service Provider**”), which was itself engaged by the Service Provider as a contractor for Embassy Energy. The demand notice alleges that unpaid amounts (categorized as operational debts) aggregating up to ₹ 1,008.10 mn are due to the sub-contractor directly from EEPL for the various works claimed to have been undertaken at the site of Embassy Energy, on the basis of certain correspondence with

Statutory Disclosures Section

EEPL. EEPL has by its letter dated March 1, 2019, refuted all such claims inter-alia on the basis that the payments are due from the Service Provider (and/ or its parent entity) to the sub-contractor and not from EEPL, and therefore the sub-contractor has no claim against EEPL. By its letters dated March 18, 2019, the subcontractor has responded to the letter from EEPL, denying all statements made by EEPL and reiterating that the unpaid amounts are due from EEPL, without prejudice to any action, including criminal, that may be taken under law including the IBC against EEPL, the Service Provider, its parent entity and certain representatives of these entities. EEPL has also written to the Service Provider in relation to deficiencies in services required to be contractually provided by the Service Provider. The Service Provider has responded to EEPL denying the allegations in such letters. The sub-contractor of the Service Provider has filed an application against EEPL in October 2019 under Section 9 of IBC before the NCLT, Bengaluru claiming debt of ₹ 997.59 mn and interest thereon against EEPL. Pursuant to a letter dated January 2, 2020, the third party sub-contractor served notice of hearing in this matter for initiation of insolvency proceedings under Section 9 of the IBC before the NCLT, Bengaluru.

Subsequently, the Service Provider and EEPL agreed to a revised prepayment mechanism pursuant to a letter dated November 18, 2020. It was agreed that upon payment of ₹ 7.77 billion, all the definitive agreements executed between parties, except the operations and management agreement, shall be terminated and result in the release of the security interest over the EEPL assets. Pursuant to a letter dated December 11, 2020, the entire prepayment amount of ₹ 7.77 billion has been paid by EEPL towards full and final settlement and the Service Provider has confirmed that there are no dues payable under the deferment payment agreement. The operations and management agreement with the Service Provider was subsequently terminated.

The NCLT, Bengaluru has disposed off this matter on March 8, 2022. The Service Provider has filed an appeal against the order of the NCLT Bengaluru before the NCLAT, Chennai. The NCLAT has dismissed the appeal pursuant to an order dated June 16, 2023. Further, an appeal

has been filed by the Service Provider before the Supreme Court of India. Additionally, the Service Provider has submitted an application to the District Legal Service Authority requesting for pre-institution mediation with EEPL and the pre-mediation has failed and a non-starter report was filed. Further, the Service Provider has initiated a suit before the Additional City Civil and Sessions Judge, Commercial Court, Bengaluru. The matter is currently pending.

(iii) Criminal Proceedings

A First Information Report (“**FIR**”) for offences under various sections of the Indian Penal Code, 1860 was registered by Deonar Police Station against representatives of EEPL and another person at the instance of a representation of Sterling Wilson Renewable Energy Private Limited (“**SWREL**”) (formerly known as Sterling Wilson Private Limited). SWREL under the FIR has claimed that EEPL has not made balance payments to SWREL for its services as a third party contractor, thereby resulting in loss to SWREL. Further, charge sheet was filed on November 2024 before the 47th Chief Metropolitan Magistrate Court, Esplanade, Mumbai. The matter is currently pending.

EEPL, Mr. Jitendra Virwani and certain erstwhile directors of EEPL have filed a criminal writ petition before the High Court of Bombay against the State of Maharashtra and the representative of SWREL praying, inter-alia, to quash and set aside the FIR, which was subsequently transferred to the Economic Offence Wing.

15. Risk factors

Risk Factors-Embassy Office Parks REIT

Risk related to our organisation and structure

1. The Portfolio has certain liabilities, which if realised may impact the trading price of the units, our profitability and our ability to make distributions.
2. We have incurred external debt at Embassy REIT level. Additionally, we may incur further debt and a significant amount of such future debt may be utilised in the operation and development of our business. Consequently, our cash flows and operating results could be adversely affected by required repayments or related interest and other risks of our debt financing. Our inability to service debt may impact distributions to Unitholders.
3. We do not provide any assurance or guarantee of any distributions to the Unitholders. We may not be able to make distributions to Unitholders and the level of distributions may decrease. Our historical distributions may not be indicative of future distributions.
4. The REIT Regulations impose restrictions on the investments made by us and require us to adhere to certain investment conditions, which may limit our ability to acquire and/or dispose of assets or explore new opportunities. The laws governing India are evolving and relatively untested.
5. The holding and financing structure of the Portfolio may not be tax efficient.

Risks Related to our business and industry

1. Our business is dependent on the Indian economy and financial stability in Indian markets, and any slowdown in the Indian economy or in Indian financial markets could have a material adverse effect on our business.
2. We are subject to risks associated with pandemics or other public health crisis, which could materially and adversely affect us. Due to COVID-19, certain tenants at our office parks had limited the number of their operating staff and hours, while others announced 'work-from home' measures. The resurgence of COVID-19 could lead to tenants suspending operations at our properties. Since the normalisation of COVID-19, there has been tenant uncertainty regarding office space needs given evolving

remote and hybrid working trends which began with the COVID-19 pandemic, which has resulted in a decreased demand for office space in certain places. Our operations and financial performance could be materially and adversely impacted as the result of the future emergence of new variants of COVID-19, or another pandemic or other public health crisis, and any related shutdowns or other significant business disruptions.

3. We have a limited operating history and may not be able to operate our business successfully or generate sufficient cash flows to make or sustain distributions.
4. A significant portion of our revenues is derived from a limited number of large tenants, multinational tenants, tenants in the technology and financial services sectors and from a few integrated office parks and cities. Any conditions that impact these tenants, sectors, parks or cities may adversely affect our business, results and financial condition.
5. Tenant leases across our Portfolio are subject to the risk of non-renewal, non-replacement or early termination. Further, vacant properties could be difficult to lease, which could adversely affect our revenues.
6. Our business and profitability are dependent on the performance of the commercial real estate market in India generally and any fluctuations in market conditions may have an adverse impact on our financial condition.
7. As GLSP does not qualify as an Asset SPV under the REIT Regulations, it is not required to comply with the mandatory distribution requirements under the REIT Regulations.
8. The valuation reports obtained for our Portfolio are based on various assumptions and may not be indicative of the true value of our assets.
9. We have in the past recognised impairment losses and may be required to record significant changes to the earning in the future when we review our Portfolio for potential impairment.
10. Our contingent liabilities could adversely affect our financial condition, results of operations and cash flows.
11. We rely on third party operators to successfully operate and manage certain Portfolio Assets. Our results of operations may be adversely affected if we fail to effectively oversee the functioning of third-party operators.

12. Compliance with, and changes in, applicable laws (including without limitation environmental laws and regulations) could adversely affect the development of our properties and our financial condition.
13. If we are unable to maintain relationships with other stakeholders in our Portfolio, our financial conditions and results of operation may be adversely affected.
14. We may incur losses as a result of unforeseen or catastrophic events, including the emergence of pandemics, terrorist attacks, extreme weather events, natural disasters or other widespread health emergencies that could create economic and financial disruptions, and could lead to operational difficulties (including travel limitations) that could impair/impact our ability to manage our businesses.
15. We are exposed to a variety of risks associated with safety, security and crisis management.
16. We may be unable to successfully grow our business in new markets in India, which may adversely affect our growth, business prospects, results of operations and financial condition.
17. We may be adversely affected if the Asset SPVs and/or Investment Entity are unable to obtain, maintain or renew all regulatory approvals that are required for their respective business.
18. Some of our Portfolio Assets are located on land leased from the MMRDA, MIDC, NOIDA and KIADB. The relevant Asset SPVs are required to comply with the terms and conditions provided in the respective lease agreements with such government bodies, failing which MMRDA, MIDC, NOIDA or KIADB, as the case may be, may, impose penalties, terminate the lease or take over the premises.
19. We have entered into material related party transactions, the terms of which may be unfavorable to us or could involve conflicts of interest. The Manager may face conflicts of interests in choosing our service providers, and certain service providers may provide services to the Manager, Embassy Sponsor or the Blackstone Sponsor Group on more favourable terms than those payable by us.
20. Our solar operations are dependent on the regulatory and policy environment affecting the renewable energy sector in India.

21. Our Asset SPVs and the Investment Entity are subject to ongoing compliance requirements under various laws, and there have been certain past instances of non-compliance.
22. Some of our Portfolio Assets are located on land notified as SEZs and the Asset SPVs are required to comply with the SEZ Act and the rules made thereunder.
23. The title, leasehold rights and development rights or other interests over land where the Portfolio are located may be subject to legal uncertainties and defects, which may interfere with our ownership and/or leasehold rights of the Portfolio and result in us incurring costs to remedy and cure such defects.
24. There can be no assurance that we will be able to successfully complete future acquisitions or efficiently manage the assets we have acquired or may acquire in the future. Further, any of our acquisitions in the future may be subject to acquisition related risks.
25. There may be conflicts of interests between the Manager, Embassy Sponsor, the Blackstone Sponsor Group, the Blackstone Sponsor, the Trustee and/or their respective associates/ affiliates.
26. We may not be able to successfully meet working capital or capital expenditure requirements of our Portfolio Assets due to the unavailability of funding on acceptable terms.
27. We may invest in under construction real estate projects which may be adversely affected by delay in completion and cost overruns.
28. The audit report of our Statutory Auditors on the Consolidated Financial Statements may contain certain qualifications and matters of emphasis.
29. Our Portfolio Assets and the Investment Entity may be subject to increases in direct expenses and other operating expenses. Renovation work, repair and maintenance or physical damage to the Portfolio Assets and/or the assets of the Investment Entity may disrupt our operations and collection of rental income or otherwise result in an adverse impact on our financial condition and results of operation.
30. We may be subject to certain restrictive covenants under our financing agreements that could limit our flexibility in managing our business or to use cash or other assets. The terms of such financing may limit our ability to make distributions to the Unitholders.

Statutory Disclosures Section

- 31. Recent disruptions in the financial markets and current economic conditions could adversely affect our ability to service existing indebtedness. We may require additional debt financing in order to continue to grow our business, which may not be available on acceptable terms, or at all.
- 32. The ROFO Deed entered into with Embassy Sponsor, in respect of certain identified existing assets and the potential future asset pipeline, is subject to various terms and conditions. Further, the Embassy Sponsor has in the past, and may in the future, undertake corporate restructuring exercises, which may continue to impact the potential future asset pipeline under the ROFO Deed. For instance, the terms of the ROFO Deed are not applicable to Embassy Developments Limited, which holds certain potential ROFO assets pursuant to restructuring
- 33. The brand “Embassy” is owned by Embassy Shelters Private Limited and licensed to us. Our license to use the “Embassy” trademark and logo may be terminated under certain circumstances and our ability to use the trademark and logo may be impaired. Further, for certain other Asset SPVs, we do not have registered trademarks in the name of the relevant SPVs.
- 34. We operate in a highly competitive environment and increased competitive pressure could adversely affect our business and the ability of the Manager to execute our growth strategy.
- 35. We may experience a decline in realised rent rates from time to time, which may adversely affect our business, results of operations, cash flows and distributions.
- 36. We may not able to maintain adequate insurance to cover all losses we may incur in our business operations.
- 37. There is outstanding litigation and regulatory action involving Embassy Sponsor and its Associates that may adversely affect our business.
- 38. Our business may be adversely affected by the illiquidity of real estate investments.
- 39. Lease deeds with some of our tenants are not adequately stamped or registered, and consequently, we may be unable to successfully litigate over the said agreements in the future and penalties may be imposed on us.
- 40. Security and IT risks may disrupt our business, result in losses or limit our growth.

- 41. Foreign Account Tax Compliance withholding may affect payments on the Units for investors.
- 42. We expect to be classified as a passive foreign investment company for U.S. federal income tax purposes, which could result in materially adverse U.S. federal income tax consequences to U.S. investors in our Units.

Risks related to our relationships with the Sponsors and the Manager

- 1. We and parties associated with us are required to maintain the eligibility conditions specified under Regulation 4 of the REIT Regulations as well as the Certificate of Registration on an ongoing basis. We may not be able to ensure such ongoing compliance by Embassy Sponsor, the Blackstone Sponsor, the Manager, the Blackstone Sponsor Group and the Trustee, which could result in the cancellation of our registration.
- 2. Our Sponsors will be able to exercise significant influence over certain of our activities and the interests of the Sponsors may conflict with the interests of other Unitholders or the interests of the Sponsors may conflict with each other.
- 3. Conflicts of interest may arise out of common business objectives shared by the Manager, Embassy Sponsor, the Blackstone Sponsor, the Blackstone Sponsor Group and us.
Further, we may be subject to potential conflicts of interest arising out of our relationship with the Sponsor, Sponsor Group and their affiliates and the Manager, and may enter into transactions with related parties in the future and the Manager cannot assure you that such potential conflicts of interest will always be resolved in favour of Embassy Office Parks REIT. Our Manager has adopted the policy on related party transactions and conflicts of interest to mitigate such potential conflicts of interest instances.
- 4. Certain principals and employees may be involved in and have a greater financial interest in the performance of other real estate investments, projects and businesses of Embassy Group or Blackstone and such activities may create conflicts of interest in making investment decisions on our behalf.
- 5. We depend on the Manager and its personnel for our success. We may not find a suitable replacement for the Manager if the Investment

- Management Agreement is terminated or if key personnel cease to be employed by the Manager or otherwise become unavailable to us.
- 6. We depend on the Manager to manage our business and assets, and our results of operations, financial condition and ability to make distributions may be harmed if the Manager fails to perform satisfactorily, for which our recourse may be limited. In addition, the Manager provides leasing management services to assets held by the Embassy Sponsor, and may also provide property or leasing management services to third-party entities outside the Embassy REIT Assets in the future, which may lead to conflicts of interest with respect to similar services provided by the Manager to assets of the Embassy REIT.

Risks related to India

- 1. Our performance is linked to the stability of policies and the political situation in India.
- 2. Any downgrading of India's sovereign debt rating by a domestic or international rating agency could materially and adversely affect our ability to obtain financing and, in turn, our business and financial performance.
- 3. Significant differences exist between Ind AS and other accounting principles, such as IFRS, Indian GAAP and U.S. GAAP which may be material to your assessment of our financial condition, results of operations and cash flows.
- 4. It may not be possible for Unitholders to enforce foreign judgements.
- 5. Tax laws are subject to changes and differing interpretations, which may materially and adversely affect our operations and growth prospects.
- 6. Investors may be subject to Indian taxes arising out of capital gains on the sale of Units.
- 7. Land is subject to compulsory acquisition by the government and compensation in lieu of such acquisition may be inadequate.
- 8. We may be subject to the Competition Act, which may require us to receive approvals from the Competition Commission of India (CCI) prior to undertaking certain transactions.
- 9. Our ability to raise funding is dependent on our ability to raise capital through a fresh issue of Units and or our ability to raise debt on acceptable terms. Further, debt securities issued by us may not qualify as eligible securities that

can be held by certain types of investors, and certain lenders may be unable to extend loans to us due to regulatory and other restrictions, which may make it more difficult for us to raise funds and may increase the cost of borrowings.

Risks related to the ownership of the Units

- 1. Trusts like Embassy REIT may be dissolved, and the proceeds from the dissolution thereof may be less than the amount invested by the Unitholders.
- 2. We are subject to ongoing reporting requirements as a listed entity. Requirements and other obligations of real estate investment trusts postlisting are still evolving. Accordingly, the level of ongoing disclosures made to and the protections granted to Unitholders may be limited as compared to those made to or available to the shareholders of a company that has listed its equity shares upon a recognised stock exchange in India.
- 3. Fluctuations in the exchange rate of the Indian Rupee with respect to other currencies will affect the foreign currency equivalent of the value of the Units and any distributions.
- 4. Unitholders are unable to request for the redemption of their Units.
- 5. The Units may experience price and volume fluctuations and there may not be an active or liquid market for the Units.
- 6. There can be no assurance on the trading price of the Units and the price of the Units may decline.
- 7. Any future issuance of Units by us or sale of Units by Embassy Sponsor or any of other significant Unitholders may materially and adversely affect the trading price of the Units. The Embassy Sponsor has pledged all their Units. We cannot assure you that we will not issue further Units or that the Unitholders, including the Embassy Sponsor, and other significant Unitholders, will not dispose of, pledge or otherwise encumber their Units.
- 8. Our rights and the rights of the Unitholders to recover claims against the Manager or the Trustee are limited.
- 9. NAV per Unit may be diluted if further issues are priced below the current NAV per Unit.
- 10. Compliance with the European Union Directive on Alternative Investment Fund Managers may increase administrative and regulatory burdens on the Manager and us.

- k) Securities and Exchange Board of India (Prohibition of Fraudulent and Unfair Trade Practices relating to Securities Market) Regulations, 2003 and circulars/ guidelines issued thereunder.

Based on the above examination, I hereby report that, during the Review Period:

- a) The Manager of the REIT has complied with the provisions of the above Regulations and circulars/ guidelines issued thereunder, except in respect of matters specified below:

Sr. No.	Compliance Requirement (Regulations/ circulars/guidelines including specific clause)	Deviations	Observations/ Remarks of the Practicing Company Secretary
1	N.A	N.A	N.A

- b) The Manager of the REIT has maintained proper records under the provisions of the above Regulations and circulars/ guidelines issued thereunder insofar as it appears from my examination of those records.
- c) The following are the details of actions taken against the REIT, parties to the REIT, its promoters, directors either by SEBI or by Stock Exchanges (*including under the Standard Operating Procedures issued by SEBI through various circulars*) under the aforesaid Acts/ Regulations and circulars/ guidelines issued thereunder:

Sr. No.	Action taken by	Details of violation	Details of action taken E.g. fines, warning letter, debarment, etc.	Observations/ remarks of the Practicing Company Secretary, if any.
1	SEBI vide letter dated March 26, 2024	<div>Inclusion of goodwill (appearing in the balance sheet) for computation of NAV at fair value.</div> <div>Discrepancy in fair value of investments considered by Embassy REIT for computation of NAV on standalone basis as on September 30, 2022 and total value of investments as disclosed in its half-yearly report.</div> <div>Deficiency in following the format prescribed in clause 3.23.5 of Master Circular for REITs dated July 06, 2023 while making disclosures in financial statements.</div>	<div>Administrative warning was issued by SEBI to Embassy REIT for including goodwill (appearing in the balance sheet) for computation of NAV at fair value.</div> <div>Advised to strengthen the processes and systems so that the lapses, pointed out do not occur in future.</div> <div>Advised that while making disclosure w.r.t. NAV, value of liability as reflected in balance sheet may be considered.</div>	<div>On April 05, 2024, the Manager to Embassy REIT EOPMSPL had sent a letter to SEBI seeking certain clarifications with regard to the SEBI Letter dated March 26, 2024.</div> <div>Thereafter, the inspection findings outlined in the SEBI Letter were presented to the Board of Directors of EOPMSPL, at their meeting on April 06, 2024 and the corresponding corrective measures which were implemented, were presented to the Board of Directors of EOPMSPL, at their meeting on July 25, 2024.</div> <div>The Board noted the same and their comments were forwarded to SEBI on August 09, 2024. As per the said communication, Embassy REIT has implemented measures to address these lapses and has considered goodwill in the NAV calculation only to the extent of the corresponding deferred tax liability included in the book value of liabilities, ensuring that the net goodwill (i.e goodwill on consolidation less deferred tax on the same) is nil. By adopting this approach, the NAV at fair value was consistent across both standalone and consolidated financial statements, with no incremental impact from goodwill.</div> <div>An Action Taken Report has also been sent to SEBI.</div>

Applicability	This policy is applicable to the Manager, the Embassy REIT, its special purpose vehicles (“SPVs”) and its holding company(ies) (“Holdco”) in connection with the distributions of the Embassy REIT (“REIT Distributions”).
Introduction & Purpose	This policy is framed in line with the requirement of Regulation 18 of Securities and Exchange Board of India (Real Estate Investment Trust) Regulations, 2014 (“REIT Regulations”) read with the SEBI circular dated December 6, 2024 on “Revised framework for computation of Net Distributable Cash Flow (NDCF) by Real Estate Investment Trusts (REITs)” (the “SEBI NDCF Circular”). This policy aims to provide a comprehensive policy on the conditions related to investment and distribution of cash flows generated by the Embassy REIT.
Key Terms	<p>(a) All REIT Distributions shall be made in accordance with Regulation 18(16) of the REIT Regulations and other guidelines, circulars and notifications issued by the Securities and Exchange Board of India (“SEBI”) and other regulatory authorities from time to time.</p> <p>(i) The SPV shall declare and distribute to the Embassy REIT/ Holdco in proportion of the Embassy REIT’s holding in the SPV subject to applicable provisions of the Companies Act, 2013, not less than 90% of its net distributable cash flows.</p> <p>(ii) In order to calculate the cash flow received from SPVs, the NDCF computed at SPV/Holdco level for a particular period is to be considered, even if the actual cashflows from SPV/Holdco to Embassy REIT has taken place post that particular period, but before finalization and adoption of accounts of the Embassy REIT.</p> <p>(iii)The Embassy REIT along with its SPVs/HoldCo shall ensure that minimum 90% distribution of NDCF is met for a given financial year on a cumulative periodic basis as specified for mandatory distributions in the REIT Regulations (subject to provisions of clause (a)(ii) above).</p> <p>(iv) With regard to distribution of net distributable cash flows by the Holdco to the Embassy REIT, subject to applicable provisions of the Companies Act, 2013, the following conditions shall be complied with:</p> <ul style="list-style-type: none">with respect to the cash flows received by the Holdco from underlying SPVs, 100% of such cash flows received by the Holdco shall be distributed to the Embassy REIT; andwith respect to the cash flows generated by the Holdco on its own, not less than 90% of such net distributable cash flows shall be distributed by the Holdco to the Embassy REIT.

The Manager shall declare and distribute at least 90% of the net distributable cash flows of the Embassy REIT as distributions (“REIT Distributions”) to the unitholders of the Embassy REIT.

The option to retain 10% distribution under Regulation 18(16) of the REIT Regulations shall be computed by taking together the retention done at the SPV/Holdco level and the Embassy REIT level.

- (b) The Embassy REIT’s first distribution after the date of listing of the units of the Embassy REIT (“Units”), will be for the period from the date of the listing of the Units to the date of first quarter financials
- (c) REIT Distributions shall be declared and made once every quarter in every financial year and shall be made not later than fifteen days from the date of such declaration, or such other period as may be prescribed under the REIT Regulations.
- (d) If any property is sold by the Embassy REIT, or its Holdco/ SPVs or if the equity shares or interest in the Holdco/SPVs is sold by the Embassy REIT, and the Embassy REIT proposes not to invest the sales proceeds made into any other property, within a period of 1 year, it shall be required to distribute not less than 90% of the sales proceeds in accordance with clauses (a), (b), (c) and (d) of Regulation 18(16) of the REIT Regulations.

If any property is sold by the Embassy REIT, or its Holdco/ SPVs or if the equity shares or interest in the Holdco/SPVs is sold by the Embassy REIT, and if the Embassy REIT proposes to invest the sales proceeds made into any other property, within a period of 1 year, it shall not be required to distribute proceeds from such sale to the unitholders of the Embassy REIT (“Unitholders”).

- (e) In terms of the REIT Regulations, if the distribution is not made within 15 days of declaration (or such other period as may be prescribed under the REIT Regulations), the Manager shall be liable to pay interest to the Unitholders at the rate of 15% percent per annum (or such other rate as may be prescribed under the REIT Regulations) until the distribution is made. Such interest shall not be recovered in the form of fees or any other form payable to the Manager by Embassy REIT.
- (f) Surplus cash available in SPVs due to:
- (i) 10% of NDCF withheld in line with the REIT Regulations in any earlier year or half year; or
- (ii) Such surplus being available in a new SPV on acquisition of such SPV by the Embassy REIT; or
- (g) Any other reason, excluding if such surplus cash is available due to any debt raise could be considered for distribution by the SPV to the Embassy REIT, or by the Embassy REIT to its Unitholders in part or in full, but shall be disclosed separately in the NDCF computation and distribution.
- (h) Any restricted cash (disclosed as such) shall not be considered for NDCF computation by an SPV/ HoldCo or Embassy REIT (e.g. unspent CSR balance for any year deposited in a separate account as per Companies Act which will be utilized in subsequent years, DSRA reserve, major maintenance reserve etc).
- (i) The Embassy REIT or SPVs shall not distribute any cashflows by obtaining external debt, except to the extent clarified in the SEBI NDCF Circular (this will exclude any working capital / OD facilities obtained by Embassy REIT/ SPVs as part of Treasury management / working capital purposes as long as they are squared off within the quarter). Further, it is also clarified that proceeds from sale of real estate investments, real estate assets or shares of SPVs or investment entities adjusted for transaction costs or repayment of debt taken for such assets or other items as mentioned above which is intended to be reinvested or planned to be reinvested in accordance with Regulation 18(6) (d) of the REIT Regulations, could be temporarily parked in overdraft accounts or used to repay any additional/ unrelated debt. Further if such proceeds are not intended to be reinvested as per the timeline provided in the REIT Regulations and such net proceeds are to be distributed back to Unitholders, then redrawing such temporarily parked funds to distribute such net proceeds will not be considered as a contravention of this clause

Annexure A

	(j) Cash flows received from SPVs / HoldCos / investment entities which represent distributions of net distributable cash flows computed as per relevant framework at the Embassy REIT level for further distribution to Unitholders shall exclude any such cash flows used by the Embassy REIT for onward lending to any other SPVs / HoldCos / Investment entities to meet operational / interest expenses or debt servicing of such other SPVs / HoldCos / Investment entities
	(k) Any distribution shall be made on a distribution date proportionately to persons who are Unitholders as of the close of business on the record date for such distribution. The record date shall be fixed by the Manager in the manner specified under the relevant regulations.
	(l) Distributions will be declared in Rupees and each Unitholder will receive its/her/his distribution in Rupees. The form, frequency and amount of future distributions on the Units will depend on the earnings, financial position and results of operations of the Embassy REIT, as well as contractual restrictions, provisions of applicable law.
	(m) Distributions shall be made by electronic fund transfer or by such other manner of payment in accordance with applicable law.
	(n) The Manager shall maintain records for atleast seven years, pertaining to distribution declared and made to the Unitholders.
	(o) Deduction of taxes at source
	(i) The Trustee may, in consultation with the Manager, make any deductions of taxes, cess, fees, charges, assessments and duties that may be required to be deducted or withheld under applicable laws before making any payment to any Unitholder, whether by way of distribution, redemption of any Units or otherwise.
	(ii) Subject to applicable law, the Trustee or the Manager, as the case may be, shall not be liable to account to any Unitholder or otherwise for any payment made or suffered by the Trustee or the Manager in good faith to any duly empowered revenue authority for taxes or other charges in any way arising out of or relating to any transactions of whatsoever nature under these presents, notwithstanding that any such payment ought not to be or need not have been made or suffered.
	(p) Amendments to the Distribution Policy shall require the unanimous consent of the Board of Directors of the Manager. Notwithstanding the above, the Distribution Policy will stand amended to the extent of any change in applicable law, including any amendment to the REIT Regulations, without any action from the Manager.
	(q) In the event of dissolution or winding up of the Embassy REIT, all of the Embassy REIT Assets or the proceeds therefrom shall be distributed or used as follows and in the following order of priority:
	(i) First, towards the payment of the debts and liabilities of the Embassy REIT, including without limitation any fees, any amounts due to the Manager or a service provider and the expenses of liquidation;
	(ii) Second, towards the setting up of any reserves which the Trustee or the authority in-charge of the dissolution of the Embassy REIT may deem reasonably necessary for any contingent or unforeseen liabilities or obligations of the Embassy REIT; and
	(iii) Third, towards the Unitholders in accordance with the terms of the REIT Regulations and the Final Offer Document dated March 27, 2019.
Net Distributable Cash Flows	(a) The net distributable cash flows shall be calculated in accordance with the REIT Regulations and any circular, notification or guidelines issued thereunder and the applicable SEBI guidelines. Embassy REIT proposes to calculate REIT Distributions in the manner provided in Annexure A.

Affirmations		
Broad Heading	Regulation Number	Compliance Status (Yes/ No/ NA)
Copy of annual report of the REIT including balance sheet, profit and loss account, governance report, secretarial compliance report displayed on Website	26D, 26E and Master Circular	✓
Presence of Chairperson of Audit Committee at the Annual Meeting of Unitholders	26A	✓
Presence of Chairperson of the nomination and remuneration committee at the Annual Meeting of Unitholders	26A	No – Please note that as per Regulation 26A of the SEBI REIT Regulations, Regulation 19 of the SEBI LODR Regulations i.e; Nomination and Remuneration Committee is applicable to a REIT. Per Regulation 19(3) of the SEBI LODR Regulations, “The Chairperson of the nomination and remuneration committee may be present at the annual general meeting, to answer the shareholders’ queries; however, it shall be up to the chairperson to decide who shall answer the queries.” Hence, it is not mandatory for the chairperson of the Nomination and Remuneration Committee to attend the Annual Meeting. Further please note that as per the SEBI LODR Regulations, in instances where the Chairperson of a committee is mandated to attend the Annual Meeting, the language used is “shall” and not “may.” For instance, Regulation 18(1)(d) of the SEBI LODR Regulations states, “The chairperson of the audit committee shall be an independent director and he/she shall be present at the annual general meeting to answer shareholder queries.”
Presence of Chairperson of the Stakeholder Relationship committee at the Annual Meeting of Unitholders	26A	✓
Whether “Governance Report” and “Secretarial Compliance Report” disclosed in Annual Report of the REIT	26D and 26E	✓

Note

1. In the column “Compliance Status”, compliance or non-compliance may be indicated by Yes/No/N.A.
2. If status is “No” details of non-compliance may be given here.
3. If the Manager would like to provide any other information the same may be indicated here.

Independent Auditor’s Report

To
The Unitholders’ of
Embassy Office Parks REIT

(all amounts in ₹ million unless otherwise stated)

Report on the Audit of the Standalone Ind AS financial statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of Embassy Office Parks REIT (hereinafter referred to as “the REIT”), which comprise the Balance sheet as at March 31 2025, the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Unitholders’ equity for the year then ended, the Statement of Net Assets at fair value as at March 31, 2025, the Statement of Total Returns at fair value, the Statement of Net Distributable Cash Flows (‘NDCF’) of the REIT for the year then ended and notes to the standalone Ind AS financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as “standalone Ind AS financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time including any guidelines and circulars issued thereunder (together referred as the “REIT regulations”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the REIT as at March 31, 2025, its profit including other comprehensive income, its cash flows, the changes in Unitholders’ equity for the year ended on that date, its net assets at fair value as at March 31, 2025, its total returns at fair value and the NDCF of the REIT for the year ended March 31, 2025.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs), issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the ‘Auditor’s Responsibilities for the Audit of the Standalone Ind AS financial statements’ section of our report. We are independent of the REIT

in accordance with the ‘Code of Ethics’ issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the REIT Regulations and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Emphasis of Matter

We draw attention to note 12(a) of the standalone Ind AS financial statements which describes the presentation/ classification of “Unit Capital” as “Equity” in order to comply with the mandatory requirements of the relevant REIT Regulations, instead of the applicable requirements of Ind AS 32 - Financial Instruments: Presentation.

Our opinion is not modified in respect to the above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended March 31, 2025. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor’s responsibilities for the audit of the standalone Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

(all amounts in ₹ million unless otherwise stated)

Key audit matters	How our audit addressed the key audit matter
Assessing impairment of Investments and loans made by the REIT in subsidiaries and joint venture entity (as described in Note 2.2(c), 3, 4, 7 and 9 of the standalone Ind AS financial statements)	
As at March 31, 2025, the carrying values of REIT’s investment in subsidiaries and joint venture entity amounted to ₹2,43,212.10 million. Further the REIT has granted loans to its subsidiaries amounting to ₹ 64,504.27 million.	Our audit procedures included, among others, the following: <ul style="list-style-type: none">- We assessed the REIT’s valuation methodology applied in determining the recoverable amount.- We involved valuation specialists to:<ul style="list-style-type: none">(a) Assess the valuation reports issued by the independent valuer engaged by the management and compared key property related data used as input with actual data.(b) Assess the key assumptions included in the cash flow forecasts by management and independent valuer.(c) Discussed changes in key drivers as compared to actual performance with management in order to evaluate whether the inputs and assumptions used in the valuation models by management and independent valuer were reasonable.- We compared the recoverable amount of the investment to the carrying value in books as at March 31, 2025.- As regards loans granted, we obtained and considered management evaluation of recoverability of loans and advances granted to its subsidiaries and joint venture entity.- We read/assessed the disclosures in the standalone Ind AS financial statements for compliance with the relevant accounting standards requirements.

Key audit matters	How our audit addressed the key audit matter
Computation and disclosures of Net Assets and Total Returns at Fair Value (as described in Note 2.2(c) and in Statement of Net assets at fair value and Statement of total returns at fair value of the standalone Ind AS financial statements)	
As per the provisions of REIT Regulations, the REIT is required to disclose Statement of Net Assets at Fair Value and Statement of Total Returns at Fair Value which requires fair valuation of assets. For this purpose, fair value is determined by forecasting and discounting future cash flows. The determination of fair value involves judgement due to inherent uncertainty in the underlying assumptions and it is highly sensitive to changes in some of the inputs used e.g. the discounting rate (WACC), capitalization rates, rental growth rates etc.	Our audit procedures include, among others, the following-
	<div><div>-</div><div>Read the requirements of SEBI REIT regulations for disclosures relating to Statement of Net Assets at Fair Value and Statement of Total Returns at Fair Value.</div><div>-</div><div>Assessed the appropriateness of independent valuer’s and management’s valuation methodology applied in determining the fair values.</div><div>-</div><div>Tested controls implemented by management to determine inputs for fair valuation as well as assumptions used in the fair valuation.</div><div>-</div><div>We involved valuation specialists to:<div><div>(a)</div><div>Assess the valuation reports issued by the independent valuer engaged by the management and compared key property related data used as input with actual data.</div><div>(b)</div><div>Assess the key assumptions included in the cash flow forecasts by management and independent valuer.</div><div>(c)</div><div>Discussed changes in key drivers as compared to actual performance with management in order to evaluate whether the inputs and assumptions used in the valuation models by management and independent valuer were reasonable.</div></div></div><div>-</div><div>Tested the arithmetical accuracy of computation in the Statement of Net Assets and Total Returns at Fair Value.</div><div>-</div><div>Read/Assessed the disclosures in the standalone Ind AS financial statements for compliance with the relevant requirements of REIT Regulations.</div></div>

(all amounts in ₹ million unless otherwise stated)

Key audit matters	How our audit addressed the key audit matter
Related party transactions and disclosures (as described in Note 27 of the standalone Ind AS financial statements)	
The REIT has undertaken transactions with its related parties in the normal course of business. These include making new or additional investments; lending of loans to SPVs, interest and dividend income on such loans/ investments, fees for services provided by related parties to REIT etc. as disclosed in Note 27 of the standalone Ind AS financial statements.	Our audit procedures included, among others, the following:
We identified the recording of all possible related party transactions and its disclosure as set out in respective notes to the standalone Ind AS financial statements as a key audit matter due to the significance of transactions with related parties during the year ended March 31, 2025 and regulatory compliance thereon.	<div><div>-</div><div>Obtained, read and assessed the REIT’s policies, processes and procedures in respect of identifying related parties, evaluation of arm’s length, obtaining necessary approvals, recording and disclosure of related party transactions, including compliance of transactions and disclosures in accordance with REIT regulations.</div><div>-</div><div>We tested, on a sample basis, related party transactions with the underlying contracts and other supporting documents for appropriate authorization and approval for such transactions.</div><div>-</div><div>We read minutes of Unitholder meetings, Board and its relevant committee meetings and minutes of meetings of those charged with governance of the Manager in connection with transactions with related parties effected during the year and REIT’s assessment of related party transactions being in the ordinary course of business at arm’s length and in accordance with the REIT regulations.</div><div>-</div><div>Assessed and tested the disclosures made in accordance with the requirements of Ind AS and REIT regulations.</div></div>

Other Information

The Management of Embassy Office Parks Management Services Private Limited (“the Manager”), acting in its capacity as the manager of Embassy Office Parks REIT is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone Ind AS financial statements and our auditor’s report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Ind AS Financial statements

The Management of the Manager (‘the Management’) is responsible for preparation and presentation of these standalone Ind AS financial statements that give a true and fair view of the financial position as at March 31, 2025, financial performance including other comprehensive income, cash flows, changes in Unitholders’ equity for the year ended March 31, 2025, its net assets at fair value as at March 31, 2025, its total returns at fair value and the net distributable cash flows of the REIT for the year ended March 31, 2025, in accordance with the requirements of the REIT regulations; Indian Accounting Standards as defined in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended), and other accounting principles generally accepted in India. This responsibility also includes the design, implementation and maintenance of adequate controls for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Standalone Financials

Independent Auditor’s Report (contd.)

(all amounts in ₹ million unless otherwise stated)

In preparing the standalone Ind AS financial statements, management is responsible for assessing the REIT’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the REIT or to cease operations, or has no realistic alternative but to do so.

The Management is also responsible for overseeing the REIT’s financial reporting process.

Auditor’s Responsibilities for the Audit of the Standalone Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the REIT’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the REIT to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements for the financial year ended March 31, 2025 and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in

(all amounts in ₹ million unless otherwise stated)

our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit and as required by the REIT Regulations, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid standalone Ind AS financial statements;
- (b) The Balance Sheet and the Statement of Profit and Loss including the Statement of Other Comprehensive Income dealt with by this Report are in agreement with the books of account of the REIT; and

- (c) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards as defined in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

Notes

1) Measurement of fair values

The fair value of investments in SPVs are computed basis the fair value of the underlying investment properties, investment properties under development, property, plant and equipment and capital work-in-progress as at 31 March 2025 and as at 31 March 2024 along with book values of other assets and liabilities accounted in the respective SPV financial statements as at 31 March 2025 and as at 31 March 2024. The fair value of the properties as at 31 March 2025 and 31 March 2024 as disclosed above are solely determined by L.Anuradha, the independent registered external property valuers appointed under Regulation 21 of REIT regulations, having appropriately recognised professional qualifications and recent experience in the location and category of the properties being valued in conjunction with value assessment services undertaken by Cushman & Wakefield India Private Limited.

Valuation technique

The fair value measurement for all the investment properties, investment properties under development, property plant and equipment and capital work-in-progress has been categorized as a Level 3 fair value based on the inputs to the valuation technique used.

The valuers have followed a Discounted Cash Flow method. The valuation model considers the present value of net cash flows to be generated from the respective properties, taking into account the expected rental growth rate, vacancy period, occupancy rate, average room rent, lease incentive costs and blended tariff rates. The expected net cash flows are discounted using the risk adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location (prime vs secondary), tenant credit quality, lease terms, seasonality in sustaining a stable average room rent and occupancy for the hotels.

2) Break up of Net asset value

Particulars	As at 31 st March 2025	As at 31 st March 2024
Fair value of investments in SPVs	474,588.10	460,292.58
Add: Other assets	7,490.02	12,056.23
Less : Liabilities	(80,906.54)	(91,632.63)
Net Assets	401,171.58	380,716.18

3) The Trust holds investment in SPVs which in turn hold the properties. Hence, the breakup of property wise fair values has been disclosed in the Consolidated financial statements.

2. Material accounting policies

2.1 Basis of preparation of Standalone financial statements

The Standalone financial statements of the Trust comprises the Standalone Balance Sheet and Statement of Net Assets at fair value as at 31 March 2025, the Standalone Statement of Profit and Loss, including other comprehensive income, the Standalone Statement of Cash Flow, the Statement of Net Distributable Cashflows, the Standalone Statement of Changes in Unitholder’s Equity, Statement of Total Returns at fair value and a summary of material accounting policies and other explanatory information for the year ended 31 March 2025. The Standalone financial statements were approved for issue in accordance with resolution passed by the Board of Directors of the Manager on behalf of the Trust on 29 April 2025.

The Standalone financial statements have been prepared in accordance with the requirements of SEBI (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time including any guidelines and circulars issued thereunder read with SEBI master circular no. SEBI/HO/DDHS-PoD-2/P/CIR/2024/43 dated 15 May 2024 (the “REIT regulations”); Indian Accounting Standards as

prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended), and other accounting principles generally accepted in India, to the extent not inconsistent with the REIT regulations. Also refer note 12 (a) on classification of Unitholders fund.

The Standalone financial statements are presented in Indian Rupees in Millions, except when otherwise indicated.

Statement of compliance to Ind-AS

These Standalone financial statements for the year ended 31 March 2025 are the separate financial statements of the Embassy Office Parks REIT and have been prepared in accordance with Indian Accounting Standards as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 as amended, to the extent not inconsistent with REIT regulations.

Changes in accounting policies and disclosures

New and amended standards

The accounting policies adopted and methods of computation followed are consistent with those of the previous financial year, except for items disclosed below:

Notes to the Standalone Financial Statements

(all amounts in ₹ million unless otherwise stated)

Ind AS 116 - Leases

On 9 September 2024, the Ministry of Corporate Affairs issued amendments to Ind AS 116 concerning sale and leaseback transactions. The amendment impact how a seller-lessee accounts for variable lease payments that arise in a sale and leaseback transaction. The amendments introduce a new accounting model for variable payments and will require seller-lessees to reassess and potentially restate sale and leaseback transactions.

Ind AS 117 - Insurance Contracts

The Ministry of Corporate Affairs has issued a notification dated 12 August 2024 introducing Ind AS 117, Insurance Contracts for accounting of insurance contracts which replaces the current standard Ind AS 104, Insurance Contracts. The amendments are applicable with effect from 12 August 2024.

Additionally, amendments have been made to Ind AS 101, First-time Adoption of Indian Accounting Standards, Ind AS 103, Business Combinations, Ind AS 105, Non current Assets Held for Sale and Discontinued Operations, Ind AS 107, Financial Instruments: Disclosures, Ind AS 109, Financial Instruments and Ind AS 115, Revenue from Contracts with Customers to align them with Ind AS 117. The amendments also introduce enhanced disclosure requirements, particularly in Ind AS 107, to provide clarity regarding financial instruments associated with insurance contracts.

The Ministry of Corporate Affairs has issued a clarification dated 28 September 2024 that an insurer or insurance company may provide its financial statement as per Ind AS 104 for the purposes of consolidated financial statements of its parent, investor, or venturer till the IRDAI has notified Ind AS 117.

The above amendment is not relevant or do not have an impact on the Standalone financial statements of the Trust. The Trust has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

2.2. Summary of material accounting policies

a) Functional and presentation currency

The Standalone financial statements are presented in Indian Rupees, which is the Embassy Office Parks REIT functional currency and the currency of the primary economic environment in which the Embassy

Office Parks REIT operates. All financial information presented in Indian Rupees has been rounded off to nearest million except unit and per unit data.

b) Basis of measurement

The Standalone financial statements are prepared on the historical cost basis, except for the following:

- Certain financial assets and liabilities (refer accounting policy regarding financial instrument): measured at fair values.

c) Use of judgments and estimates

The preparation of Standalone financial statements in conformity with generally accepted accounting principles in India (Ind AS) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Information about critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the Standalone financial statements is included in the following notes:

- i) Classification of Unitholders’ funds – Note 12 (a) Information about assumptions and estimation uncertainties that have a significant risk resulting in a material adjustment are included in the following notes-
- ii) Valuation of financial instruments – Refer Note 2.2 (h)
- iii) Recognition of deferred tax asset on carried forward losses and recognition of minimum alternate tax credit: availability of future taxable profit against which tax losses carried forward can be used- Note 2.2(n)(ii).
- iv) Impairment of investments and loans in subsidiaries Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The recoverable amounts for the investments in subsidiaries are based on value in use of the underlying properties. The

Standalone Financials

Notes to the Standalone Financial Statements

(all amounts in ₹ million unless otherwise stated)

value in use calculation is based on discounted cash flow model. The key assumptions used to determine the recoverable amount are disclosed and further explained in Note 3.

- v) Fair valuation and disclosures SEBI Circulars issued under the REIT Regulations require disclosures relating to net assets at fair value and total returns at fair value (Refer Statement of net assets at fair value and Statement of total returns at fair value for details).

d) Current versus non-current classification

The Embassy Office Parks REIT presents assets and liabilities in the Standalone Balance Sheet based on current/ non-current classification:

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current. A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Embassy Office Parks REIT classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Embassy Office Parks REIT has identified twelve months as its operating cycle.

The Trust has net current liabilities of ₹26,369.25 million as at 31 March 2025 mainly due to the maturity of Embassy REIT Series VII NCD 2023 in June 2025, Embassy REIT Series IX in September 2025, Embassy REIT Series X in September 2025 and Commercial Papers Series D in February 2026. Based on the Group's liquidity position including undrawn borrowing facilities as well as a low leverage of 32% net debt to Gross Asset Value, the Trust will be able to refinance its borrowings and meet its current obligations as and when they fall due.

e) Measurement of fair values

A number of the Embassy Office Parks REIT accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Embassy Office Parks REIT. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Embassy Office Parks REIT uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

The Embassy Office Parks REIT has an established control framework with respect to the measurement of fair values. The Embassy Office Parks REIT engages

Notes to the Standalone Financial Statements

(all amounts in ₹ million unless otherwise stated)

with external valuers for measurement of fair values in the absence of quoted prices in active markets.

While measuring the fair value of an asset or liability, the Embassy Office Parks REIT uses market observable data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on inputs used in the valuation techniques as follows:

- **Level 1:** Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- **Level 2:** Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- **Level 3:** Inputs for the asset or liability that are not based on observable market data (unobservable inputs)

When measuring the fair value of an asset or a liability, the Embassy Office Parks REIT uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The REIT recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

f) Impairment of non-financial assets

The Embassy Office Parks REIT assesses, at each reporting date, whether there is an indication that a non-financial asset other than deferred tax assets may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Embassy Office Parks REIT estimates the asset's recoverable amount.

An impairment loss is recognised in the Standalone Statement of Profit and Loss if the carrying amount of an asset or its cash-generating unit (CGU) exceeds its recoverable unit. Impairment loss recognised in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU on a pro rata basis. A CGU

is the smallest identifiable asset REIT that generates cash flows that are largely independent from other assets and REITs. Impairment losses are recognised in the Standalone Statement of Profit and Loss, unless it reverses previous revaluation credited to equity, in which case it is charged to equity.

An asset's recoverable amount is the higher of an asset's or CGU's fair value less costs of disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or CGU.

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss in respect of goodwill is not subsequently reversed. In respect of other assets, such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation, if no impairment loss had been recognised.

g) Foreign currency transactions

Transactions in foreign currencies are translated into the respective functional currencies of Embassy Office Parks REIT's entities at the exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction.

Standalone Financials

Notes to the Standalone Financial Statements

(all amounts in ₹ million unless otherwise stated)

Exchange differences arising on foreign exchange transactions settled and from translations during the year are recognised in the Standalone Statement of Profit and Loss of the year except exchange differences arising from the translation of the items which are recognised in OCI.

h) Financial instruments

i) Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Embassy Office Parks REIT becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value (except for trade receivables which are initially measured at transaction price) plus, for an item not at fair value through profit or loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

ii) Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- Amortised cost;
- Fair value through other comprehensive income (FVOCI)- debt instrument;
- Fair value through other comprehensive income (FVOCI)- equity instrument; or
- Fair value through profit or loss (FVTPL) Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Embassy Office Parks REIT changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are

solely payments of the principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of the principal and interest on the principal amount outstanding.

On initial recognition of an equity instrument that is not held for trading, the Embassy Office Parks REIT may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI - equity investment). This election is made on an investment by investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Embassy Office Parks REIT may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI or at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Embassy Office Parks REIT makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to the Management. The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether Management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realising cash flows through the sale of the assets;

Notes to the Standalone Financial Statements

(all amounts in ₹ million unless otherwise stated)

- how the performance of the portfolio is evaluated and reported to the Embassy Office Parks REIT's management;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- how managers of the business are compensated - e.g.whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Embassy Office Parks REIT's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest

For the purpose of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Embassy Office Parks REIT considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Embassy Office Parks REIT considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Embassy Office Parks REIT's claim to cash flows from specified assets (e.g. non - recourse features).

A prepayment feature is consistent with the solely payment of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.
Debt instruments at FVOCI	These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to profit or loss.
Equity instruments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.

Standalone Financials

Notes to the Standalone Financial Statements

(all amounts in ₹ million unless otherwise stated)

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative, or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit and loss. Any gain or loss on derecognition is also recognised in profit and loss.

iii) Derecognition

Financial assets

The Embassy Office Parks REIT derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Embassy Office Parks REIT neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Embassy Office Parks REIT enters into transactions whereby it transfers assets recognised in its Standalone Balance Sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Embassy Office Parks REIT derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired.

The Embassy Office Parks REIT also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit and loss.

iv) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the Standalone Balance Sheet when, and only when, the Embassy Office Parks REIT currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

i) Impairment of financial assets

Financial assets

The Embassy Office Parks REIT recognises loss allowances for expected credit losses on:

- financial assets measured at amortised cost; and
- financial assets measured at FVTOCI- debt investments

At each reporting date, the Embassy Office Parks REIT assesses whether financial assets carried at amortised cost and debt securities at FVTOCI are credit-impaired. A financial asset is ‘credit-impaired’ when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer
- a breach of contract such as a default or being past due for 180 days or more
- the restructuring of a loan or advance by the Embassy Office Parks REIT on terms that the Embassy Office Parks REIT would not consider otherwise
- it is probable that the borrower will enter bankruptcy or other financial reorganisation or
- the disappearance of an active market for a security because of financial difficulties

The Embassy Office Parks REIT measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- debt securities that are determined to have low credit risk at the reporting date; and

Notes to the Standalone Financial Statements

(all amounts in ₹ million unless otherwise stated)

- other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Embassy Office Parks REIT is exposed to credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Embassy Office Parks REIT considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Embassy Office Parks REIT’s historical experience and informed credit assessment and including forward-looking information.

The Embassy Office Parks REIT assumes that the credit risk on a financial asset has increased significantly if it is more than 30 days past due. The Embassy Office Parks REIT considers a financial asset to be default when:

- the borrower is unlikely to pay its credit obligations to the Embassy Office Parks REIT in full, without recourse by the Embassy Office Parks REIT to actions such as realising security (if any is held); or
- the financial asset is 180 days or more past due without any security”

Measurement of expected credit losses: Expected credit losses are a probability-weighted estimate

of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Embassy Office Parks REIT and the cash flows that the Embassy Office Parks REIT expects to receive).

Presentation of allowance for expected credit losses in the balance sheet: Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets. For debt securities at FVTOCI, the loss allowance is charged to profit and loss account and is recognised in OCI.

Write-off: The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Embassy Office Parks REIT determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Embassy Office Parks REIT’s procedures for recovery of amounts due.

Majority of the financial assets of the Embassy Office Parks REIT pertain to loans to subsidiaries and other receivables. Considering the nature of business, the Embassy Office Parks REIT does not foresee any credit risk on its loans and other receivables which may cause an impairment. Also, Embassy Office Parks REIT does not have any past history of significant impairment of other receivables.

j) Financial guarantee contracts

Financial guarantee contracts are recognised as a financial liability at the time the guarantee is issued. The liability is initially measured at fair value and subsequently at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 115.

The fair value of financial guarantees is determined as the present value of the difference in net cash flows between the contractual payments under the debt instrument and the payments that would be required without the guarantee, or the estimated amount that would be payable to a third party for assuming the obligations.

Standalone Financials

Notes to the Standalone Financial Statements

(all amounts in ₹ million unless otherwise stated)

k) Revenue recognition

Revenue is recognised when recovery of the consideration is probable and the amount of revenue can be measured reliably.

Recognition of dividend income and interest income

Dividend income is recognised in profit or loss on the date on which the Embassy Office Parks REIT’s right to receive payment is established.

Interest income is recognised using the effective interest method. The ‘effective interest rate’ is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset.

In calculating interest income, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired). However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

l) Investments in subsidiaries and joint ventures

The Trust accounts for its investments in subsidiaries and joint ventures at cost less accumulated impairment losses (if any) in its Standalone financial statements. Investments accounted for at cost are accounted for in accordance with Ind AS 105, Non-current Assets Held for Sale and Discontinued Operations, when they are classified as held for sale.

m) Borrowing costs

Interest expense is recognised using the effective interest method. The ‘effective interest rate’ is the rate that exactly discounts estimated future cash payments through the expected life of the financial instrument to the amortised cost of the financial liability. In calculating interest expense, the effective interest rate is applied to the amortised cost of the liability. Other borrowing costs are recognised as an expense in the period in which they are incurred.

n) Taxation

Income tax comprises current and deferred tax. Income tax expense is recognised in the Standalone

Statement of Profit and Loss except to the extent it relates to items directly recognised in equity or in other comprehensive income.

(i) Current tax:

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

(ii) Deferred tax:

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- Temporary differences arising on the initial recognition of assets and liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction;
- Taxable temporary differences arising on initial recognition of goodwill.

Deferred income tax asset are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Embassy Office Parks REIT recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be

Notes to the Standalone Financial Statements

(all amounts in ₹ million unless otherwise stated)

available against which such deferred tax asset can be realised.

Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/reduced to the extent that it is probable/no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the tax rate (and tax laws) that have been enacted or substantively enacted at the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Embassy Office Parks REIT expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Tax impact of timing difference which arise during the tax holiday period are recognised only to the extent of those differences which are reversed after the tax holiday period.

o) Provisions and contingencies

The Embassy Office Parks REIT recognises a provision when there is a present obligation (legal or constructive) as a result of a past obligating event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

If the effect of the time value of money is material, provisions are discounted.

p) Operating segments

The objectives of Embassy REIT are to undertake activities in accordance with the provisions of the SEBI REIT Regulations and the Trust Deed. The principal activity of Embassy REIT is to own and invest in rent or income generating real estate and related assets in India.

The Board of Directors of the Investment Manager allocate the resources and assess the performance of the Trust, thus are the Chief Operating Decision Maker (CODM). In accordance with the requirements of Ind AS 108 - “Segment Reporting”, the CODM monitors the operating results of the business as a single segment, hence no separate segment needs to be disclosed. As Embassy Office Parks REIT operates only in India, no separate geographical segment is disclosed.

q) Cash and cash equivalents

Cash and cash equivalents in the Standalone Balance Sheet comprises of cash at banks and on hand, deposits held at call with bank or financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

r) Cash distributions to unitholders

The Embassy Office Parks REIT recognizes a liability to make cash distributions to unitholders when the distribution is authorized, and a legal obligation has been created. As per the REIT Regulations, a distribution is authorized when it is approved by the Board of Directors of the Manager. A corresponding amount is recognized directly in equity.

s) Statement of Cash flows

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Embassy Office Parks REIT are segregated.

For the purpose of the Statement of Cash Flow, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Embassy Office Parks REIT’s cash management.

Standalone Financials

Notes to the Standalone Financial Statements

(all amounts in ₹ million unless otherwise stated)

t) Earnings per unit

The basic earnings per unit is computed by dividing the net profit/ (loss) attributable to the unitholders of the REIT by the weighted average number of units outstanding during the reporting year. The number of units used in computing diluted earnings/ (loss) per unit comprises the weighted average units considered for deriving basic earnings/ (loss) per unit and also the weighted average number of units which could have been issued on the conversion of all dilutive potential units.

Dilutive potential units are deemed converted as of the beginning of the reporting date, unless they have been issued at a later date. In computing diluted earnings per unit, only potential equity units that are dilutive and which either reduces earnings per share or increase loss per units are included.

u) Earnings before finance costs, impairment loss and tax

The Embassy Office Parks REIT has elected to present earnings before finance cost, impairment loss and tax as a separate line item on the face of the Standalone Statement of Profit and Loss. The Embassy Office Parks REIT measures earnings before finance cost, impairment loss and tax on the basis of profit/ (loss) from continuing operations. In its measurement, the Embassy Office Parks REIT does not include finance costs, impairment loss, and tax expense.

v) Distribution Policy

Under the provisions of the REIT Regulations, Embassy Office Parks REIT is required to distribute to the Unitholders not less than ninety percent of the net distributable cash flows ('NDCF') of Embassy Office Parks REIT. The NDCF was calculated in accordance with the REIT Regulations and in the manner provided in the NDCF framework defined by the Manager. The Manager had made certain clarificatory amendments to the NDCF framework under the Distribution Policy to ensure that there is no ambiguity in computing the NDCF at

Embassy REIT and SPV/Holdco level. The amended framework was approved by a special majority in the Unitholder's Meeting held on 8 July 2021 and was effective from 1 April 2021.

In order to promote standardisation of framework for computing NDCF, a revised framework is defined by SEBI vide master circular no. SEBI/HO/DDHS-PoD-2/P/CIR/2024/43 dated 15 May 2024. This framework is applicable with effect from 1 April 2024. Accordingly, Embassy Office Parks REIT has computed the NDCF for the year ended 31 March 2025 to comply with the said circular. Comparatives have not been provided in this framework for all the previous periods presented. In accordance with this circular, Embassy Office Parks REIT along with its SPVs, subject to applicable provisions in the Companies Act, 2013 needs to ensure that minimum 90% distribution of NDCF be met for a given financial year on a cumulative periodic basis.

The aforesaid net distributable cash flows are made available to Embassy Office Parks REIT in the form of (i) Interest paid on Shareholder Debt provided by Embassy Office Parks REIT to the SPV's/Holding Company, (ii) Principal repayment of Shareholder Debt, (iii) Dividend declared by the SPVs/Holding Company and (iv) Proceeds from sale of any Embassy REIT assets.

w) Statement of net assets at fair value

The disclosure of Statement of Net Assets at Fair value comprises of the fair values of the properties held by Asset SPVs and the HoldCo as well as book values of the total liabilities and other assets of the Trust. The fair value of the property held by Asset SPVs and HoldCo are reviewed semi-annually by the independent property valuer taking into consideration market conditions existing at the reporting date, and other generally accepted market practices. The independent valuer is leading independent appraiser with a recognised and relevant professional qualification and experience.

Standalone Financials

Notes to the Standalone Financial Statements

(all amounts in ₹ million unless otherwise stated)

(a) The recoverable amounts of the investments in subsidiaries have been computed based on value in use of the underlying properties, computed semi-annually in March and September of each financial year. The value in use is determined by L Anuradha, independent external property valuers appointed under Regulation 21 of REIT regulations, having appropriately recognised professional qualifications and recent experience in the location and category of the properties being valued in conjunction with value assessment services undertaken by Cushman & Wakefield India Private Limited on discounted cash flow method.

During the year, the Trust has recognised an impairment loss on its investment in the subsidiary namely Quadron Business Park Private Limited amounting to ₹2,336.42 million (31st March 2024 : 711.89 million), primarily due to slower-than-anticipated lease-up of commercial properties and impairment loss on investment in Embassy Energy Private Limited amounting to ₹667.36 (31 March 2024 : Nil), following a reduction in applicable tariffs as per the order dated 27 March 2025 issued by the Karnataka Electricity Regulatory Commission (KERC). This tariff revision is expected to impact the revenue and Net Operating Income (NOI) of EEPL. The total impairment recognized in the Profit and Loss account for the year stood at ₹3,003.78 million.

Considering the ramp up of room occupancy and recovery in the Hospitality business operations of Umbel Properties Private Limited, the Trust had updated the financial projections basis which the future cash flows was estimated for the purpose of determining the recoverable amount of the subsidiary as at 31 March 2024. Since the recoverable amount was exceeding the carrying value of the subsidiary as at 31 March 2024, the Trust had reversed the impairment loss of ₹1,348.68 million and recognised in the statement of profit and loss during the year ended 31 March 2024.

(a) Terms/rights attached to Units

The Trust has only one class of Units. Each Unit represents an undivided beneficial interest in the Trust. Each holder of Units is entitled to one vote per unit. The Unitholders have the right to receive at least 90% of the Net Distributable Cash Flows of the Trust at least once in every six months in each financial year in accordance with the REIT Regulations. The Board of Directors of the Manager approves distributions to Unitholders. The distribution will be in proportion to the number of Units held by the Unitholders. The Trust declares and pays distributions in Indian Rupees.

Standalone Financials

Notes to the Standalone Financial Statements

(all amounts in ₹ million unless otherwise stated)

Under the provisions of the REIT Regulations, Embassy Office Parks REIT is required to distribute to Unitholders not less than 90% of the net distributable cash flows of Embassy Office Parks REIT for each financial year. Accordingly, a portion of the Unitholders’ funds contains a contractual obligation of the Trust to pay cash to the Unitholders. Thus, in accordance with the requirements of Ind AS 32 – Financial Instruments: Presentation, the Unit Capital should have been classified as compound financial instrument which contains both equity and liability components. However, the SEBI master circular no. SEBI/HO/DDHS-PoD-2/P/CIR/2024/43 dated 15 May 2024 issued under the REIT Regulations, and Section H of Chapter 3 to the SEBI master circular dated 15 May 2024 dealing with the minimum presentation and disclosures for key financial statements, require the Unit Capital in entirety to be presented/classified as “Equity”, which is at variance from the requirements of Ind AS 32. In order to comply with the aforesaid SEBI requirements, the Embassy Office Parks REIT has presented unit capital as equity in these financial statements. Consistent with Unitholders’ funds being classified as equity, the distributions to Unitholders are also being presented in Statement of Changes in Unitholders’ Equity and not as finance cost. In line with the above, the dividend payable to Unitholders is recognised as liability when the distributions are approved by the Board of Directors of the Investment Manager.

(b) Unitholders holding more than 5 percent Units in the Trust

*The Trust was assessed u/s. 143(3) of the Income Tax Act, 1961 for the AY 2021-22 on account of disallowance of expenses claimed u/s 35D of the Act. Aggrieved by the assessment order, the Trust had filed an appeal before CIT(A). CIT(A) dismissed the appeal in favour of Tax Department. Aggrieved by CIT(A) order, the Trust has filed an appeal before Hon'ble Income-tax Appellate Tribunal . Further, the CIT(A) has directed the Tax Department to recompute the tax liability in accordance with provisions of the law for the rectification matter involved. Accordingly, the contingent liability has been disclosed as ₹Nil (31 March 2024: ₹15.66 million).

**The Trust had received an order dated 19 August 2024 for demand of tax on corporate guarantee given by Trust amounting to ₹30.92 million relating to period from 1 April 2019 to 31 March 2020. Aggrieved by the said order, the Trust has filed an appeal before the Joint Commissioner (Appeals) after making a pre-deposit of ₹1.51 million to stay the recovery of the balance amount. The matter has been heard and order is awaited. Accordingly, a sum of ₹30.92 million (31 March 2024: Nil) has been disclosed as contingent liability.

b. Statement of capital and other commitments

- i) There are no capital commitments as at 31 March 2025 and 31 March 2024.
- ii) The Trust has committed to provide financial support to some of its subsidiaries to ensure that these entities operate on going concern basis and are able to meet their debts and liabilities as they fall due.
- iii) The search proceedings under section 132 of the Income-tax Act, 1961 was conducted on 1 June 2022 on the Trust. On account of the search, reassessment proceedings for AY 2019-20, AY 2020-21 and AY 2021-22 were initiated by the tax department. As on 31 March 2025, reassessment proceedings are concluded with no additions for AY 2019-20 and AY 2021-22. Disallowance on deduction claimed under section 35D is made for AY 2020-21. Aggrieved by the proposed adjustments, appeal has been filed before CIT(A) for AY 2020-21.

b) Measurement of fair values

The section explains the judgement and estimates made in determining the fair values of the financial instruments that are:

- a) recognised and measured at fair value
- b) measured at amortised cost and for which fair values are disclosed in the Standalone financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the trust has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level is mentioned below:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price.The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is

determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

Transfers between Level 1, Level 2 and Level 3

There were no transfers between Level 1, Level 2 or Level 3 during the year ended 31 March 2025 and year ended 31 March 2024.

Determination of fair values

Fair values of financial assets and liabilities have been determined for measurement and/or disclosure purposes based on the following methods. When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

- i) The fair values of other financial assets and financial liabilities are considered to be equivalent to their carrying values.

Notes to the Standalone Financial Statements

(all amounts in ₹ million unless otherwise stated)

- ii) The fair values of borrowings at fixed rates are considered to be equivalent to present value of the future contracted cashflows discounted at the current market rate. The fair value has been categorised as Level 3 Fair value.

c) Financial risk management

The Trust has exposure to following risks arising from financial instruments:

- Credit risk (refer note (b) below)
- Liquidity risk (refer note (c) below)
- Market risk (refer note (d) below)

a. Risk management framework

The Board of Directors of the Manager of the Trust has overall responsibility for the establishment and oversight of the Trust's risk management framework. The Trust's risk management policies are established to identify and analyse the risks faced by the Turst, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Trust's activities.

The Board of Directors of the Manager of the Trust, monitors compliance with the Trust's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Trust. The Audit Committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the Audit Committee.

b. Credit risk

Credit risk is the risk of financial loss to the Trust if a counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Trust's receivables from loans given to its SPV's and cash and cash equivalents. The carrying amount of financial assets represents the maximum credit exposure.

The Trust establishes an allowance account for impairment that represents its estimate of losses in respect of its financial assets. The main component of this allowance is estimated losses that relate to

specific tenants or counterparties.The allowance account is used to provide for impairment losses. Subsequently when the Trust is satisfied that no recovery of such losses is possible, the financial asset is considered irrecoverable and the amount charged to the allowance account is then written off against the carrying amount of the impaired financial asset.

Cash at bank and fixed deposits are placed with financial institutions which are regulated and have low risk.

As at the reporting date, there is no significant concentrations of credit risk. The maximum exposure to credit risk is represented by the carrying value of each financial asset on the Standalone Balance Sheet.

c. Liquidity Risk

Liquidity risk is the risk that the trust will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The trust's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the trust's reputation.

Management monitors rolling forecasts of the trust's liquidity position and cash and cash equivalents on the basis of expected cash flows. This is generally carried out by the Management of the trust in accordance with practice and limits set by the trust. In addition, the trust's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet those, monitoring balance sheet liquidity ratios and maintaining debt refinancing plans.

Maturities of financial liabilities

The following are the Trust's remaining contractual maturities of financial liabilities as the reporting date. The contractual cash flows reflect the undiscounted cash flows of financial liabilities based on the earliest date on which the Trust may be required to pay and includes contractual interest payments and excludes the impact of netting agreements. The Trust believes that the working capital is sufficient to meet its current requirements, accordingly no liquidity risk is perceived.

d. Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices which will affect the Trust's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters while optimising the return.

i. Currency risk

The following table analyses the foreign currency risk from monetary assets and liabilities as at year end:

Particulars	As at 31 March 2025			As at 31 March 2024		
	USD	EURO	Total	USD	EURO	Total
Trade payables	1.11	0.77	1.88	-	-	-

Total	1.62	1.31	2.93	4.01	0.49	4.50

ii. Interest rate risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Trust's exposure to the risk of changes in market interest rates relates primarily to its long-term debt obligations from financial institution with variable interest rates.

Standalone Financials

Notes to the Standalone Financial Statements

(all amounts in ₹ million unless otherwise stated)

Exposure to interest rate risk

The Trust’s main interest rate risk arises from long-term borrowings with variable rates, which expose the Trust to cash flow interest rate risk.

Particulars	As at 31 st March 2025	As at 31 st March 2024
Fixed-rate instruments:		
Financial liabilities		
Borrowings	77,419.13	83,872.80
Variable rate instruments:		
Financial liabilities		
Borrowings (Non-current and current)	3,228.01	7,573.80

Fair value sensitivity analysis for fixed-rate instruments

The Trust does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Hence, there is no exposure as at the reporting date to the standalone statement of profit or loss.

Cash flow sensitivity analysis for variable-rate instruments

A reasonably possible change of 1% (100 basis points) in interest rates at the reporting date would have increased/ (decreased) other equity and profit or loss by the amounts shown below. This analysis assumes that all other variables remain constant.

Particulars	Profit or loss		Equity, net of tax	
	+ 1%	- 1%	+ 1%	- 1%
Borrowings as at 31 March 2025	28.72	(28.72)	28.72	(28.72)
Borrowings as at 31 March 2024	88.85	(88.85)	88.85	(88.85)

iii. Price risk

Price risk is the risk of fluctuations in the value of assets and liabilities as a result of changes in market prices of investments. The Trust has no material exposure to equity securities price risk and is not exposed to commodity risk. The Trust’s exposure to price risk arises from investments held by the Trust in mutual funds and classified in the balance sheet as fair value through statement of profit or loss. The fair value of these investments is marked to an active market. The financial assets carried at fair value by the Trust are mainly investments in liquid and overnight debt mutual funds and accordingly no material volatility is expected.

29 Segment Reporting

The Trust does not have any Operating segments as at 31 March 2025 and 31 March 2024 and hence, disclosure under Ind AS 108, Operating segments has not been provided in the Standalone financial statements.

30 The Trust does not have any unhedged foreign currency exposure as at 31 March 2025 and 31 March 2024.

31 The trust outsources its manpower and technology assistance requirements and does not have any employee on its roles and hence does not incur any employee related benefits/costs.

Notes to the Standalone Financial Statements

(all amounts in ₹ million unless otherwise stated)

32 Capital management

The Trust’s policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Trust’s capital structure mainly constitutes equity in the form of unit capital and debt. The projects of SPV’s are initially funded through construction financing arrangements. On completion, these loans are restructured into lease-rental discounting arrangements or debentures. The Trust’s capital structure is influenced by the changes in regulatory framework, government policies, available options of financing and the impact of the same on the liquidity position.

The Trust monitors Capital using ratio of ‘Net debt’ to ‘Gross asset value (GAV)’ of all SPV’s. For this purpose, Net debt is defined as Long-term borrowings + Short-term borrowings - Cash and other bank balances - Investments in mutual funds if any (net of NDCF to be distributed for the recent quarter). The Trust’s adjusted Net debt to GAV ratio as at 31 March 2025 and 31 March 2024 are as follows:

Particulars	As at 31 st March 2025	As at 31 st March 2024
Net debt	85,794.95	91,207.49
GAV	611,632.40	555,005.26

Independent Auditor’s Report

To
The Unitholders’ of
Embassy Office Parks REIT

(all amounts in ₹ million unless otherwise stated)

Report on the Audit of the Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying consolidated Ind AS financial statements of Embassy Office Parks REIT(hereinafter referred to as “the REIT”), its subsidiaries and a joint venture (together referred to as “the Group”) comprising of the consolidated Balance sheet as at March 31, 2025, the consolidated Statement of Profit and Loss, including other comprehensive income, the consolidated Statement of Cash Flow and the consolidated Statement of Changes in Unitholders’ Equity for the year then ended, the consolidated Statement of Net Assets at fair value as at March 31, 2025 , the consolidated Statement of Total Returns at fair value , the Statement of Net Distributable Cash Flows (‘NDCFs’) of the REIT and each of its subsidiaries for the year then ended and notes to the consolidated Ind AS financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as “the consolidated Ind AS financial statements”).

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of report of other auditor on separate financial statement and on the financial information of the subsidiary, the aforesaid consolidated Ind AS financial statements give the information required by the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time including any guidelines and circulars issued thereunder (together referred as the “ REIT Regulations ”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2025, its consolidated profit including other comprehensive income, its consolidated cash flows, the consolidated statement of changes in Unitholders’ equity for the year ended on that date, its consolidated net assets at fair value as at March 31, 2025, its consolidated total returns at fair value and the NDCFs of the REIT and each of its subsidiaries for the year ended March 31, 2025.

Basis for Opinion

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs), issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the ‘Auditor’s Responsibilities for the Audit of the Consolidated Ind AS Financial Statements’ section of our report. We are independent of the Group in accordance with the ‘Code of Ethics’ issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated Ind AS financial statements under the provisions of the REIT Regulations and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Emphasis of Matter

- 1) We draw attention to note 45(iv) to the consolidated Ind AS financial statements which refers to the uncertainty in relation to two cases pending with High Court of Karnataka, as regards property tax demand aggregating to ₹3,124.96 million as at March 31, 2025 in Manyata Promoters Private Limited. Based on legal opinions obtained by the Group and pending outcome of such legal matter no provision has been made in these Consolidated Ind AS Financial Statements.
- 2) We draw attention to note 19(a) of the consolidated Ind AS financial statements which describes the presentation/classification of “Unit Capital” as “Equity” in order to comply with the mandatory requirements of the relevant REIT Regulations, instead of the applicable requirements of Ind AS 32 – Financial Instruments: Presentation.

Our opinion is not modified in respect to the above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2025. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor’s responsibilities for the audit of the consolidated Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated Ind AS financial statements. The results of audit procedures performed by us and by other auditor of component not audited by us, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated Ind AS financial statements.

Key audit matters	How our audit addressed the key audit matter
Assessing impairment of Goodwill, Intangible assets with indefinite useful life, Investment property and Property, plant and equipment (as described in note 2.2(c), 6 of the consolidated Ind AS financial statements)	
Goodwill and other Intangible assets with indefinite useful life, acquired in a business combination, are significant items on the balance sheet and management performs impairment testing for such goodwill and intangible assets, annually.	Our audit procedures, among others, included the following: <ul style="list-style-type: none">- Assessed the management’s valuation methodology in determining the recoverable amounts.- Evaluated management’s identification of CGU’s, the carrying value of each CGU and the methodology followed by management for the impairment assessment in compliance with the applicable accounting standards.- We involved valuation specialists to:<ul style="list-style-type: none">(a) Assess the valuation reports issued by the independent valuer engaged by the management and compared key property related data used as input with actual data.(b) Assess the key assumptions included in the cash flow forecasts by management and independent valuer.(c) Discussed changes in key drivers as compared to actual performance with management in order to evaluate whether the inputs and assumptions used in the valuation models by management and independent valuer were reasonable.- We read/assessed the disclosures in the consolidated Ind AS financial statements for compliance with the relevant accounting standards requirements.
Further, the Group’s carrying value of Investment properties is ₹342,139.97 million (including properties under construction –₹17,735.30 million) and carrying value of Property, plant and equipment is ₹28,716.65 million (including capital work in progress – ₹ 3,129.01 million) as at March 31, 2025, which is also subject to impairment testing.	
In performing such impairment assessments, management compared the carrying value of each of the identifiable cash generating units (“CGUs”) to which goodwill and other Intangible assets with indefinite useful life had been allocated with their respective ‘value in use’ computed based on discounted cash flow method, to determine if any impairment loss should be recognized.	
Similarly, for ensuring that its investment properties and property, plant and equipment are carried at no more than their recoverable amount, the recoverable amount, i.e., value in use, is determined by forecasting and discounting future cash flows.	
Considering the impairment assessment involves significant assumptions and judgement, we regard this as a key audit matter.

Key audit matters	How our audit addressed the key audit matter
Computation and disclosures of Net Assets and Total Returns at Fair Value (as described in note 2.2(c) and in Statement of Net assets at fair value and Statement of total returns at fair value of the consolidated Ind AS financial statements)	
As per the provisions of REIT Regulations, the REIT is required to disclose Statement of Net Assets at Fair Value and Statement of Total Returns at Fair Value which requires fair valuation of assets. For this purpose, fair value is determined by forecasting and discounting future cash flows. The determination of fair value involves judgement due to inherent uncertainty in the underlying assumptions and it is highly sensitive to changes in some of the inputs used e.g. the discounting rate (WACC), capitalization rates, rental growth rates etc.	Our audit procedures, among others, include the following: <ul style="list-style-type: none">- Read the requirements of SEBI REIT regulations for disclosures relating to Statement of Net Assets at Fair Value and Statement of Total Returns at Fair Value.- Assessed the appropriateness of independent valuer’s and management’s valuation methodology applied in determining the fair values.- Tested controls implemented by management to determine inputs for fair valuation as well as assumptions used in the fair valuation.- We involved valuation specialists to:<ul style="list-style-type: none">(a) Assess the valuation reports issued by the independent valuer engaged by the management and compared key property related data used as input with actual data.(b) Assess the key assumptions included in the cash flow forecasts by management and independent valuer.(c) Discussed changes in key drivers as compared to actual performance with management in order to evaluate whether the inputs and assumptions used in the valuation models by management and independent valuer were reasonable.- Tested the arithmetical accuracy of computation in the Statement of Net Assets and Total Returns at Fair Value.- Read/Assessed the disclosures in the Ind AS consolidated financial statements for compliance with the relevant requirements of REIT Regulations.

(all amounts in ₹ million unless otherwise stated)

Key audit matters	How our audit addressed the key audit matter
Related party transactions and disclosures (as described in note 49 of the consolidated Ind AS financial statements)	
The Group has undertaken transactions with its related parties in the normal course of business. These include making acquisition of property, business acquisitions, capital advances, fees for certain services provided by related parties to Group; fees for certain services provided by Group to related parties, etc. as disclosed in Note 49 of the consolidated Ind AS financial statements. We identified the recording of all possible related party transactions and its disclosure as set out in respective notes to the consolidated Ind AS financial statements as a key audit matter due to the significance of transactions with related parties during the year ended March 31,2025 and regulatory compliance thereon.	Our audit procedures, among others, included the following: <ul style="list-style-type: none">- Obtained, read and assessed the Group’s policies, processes, and procedures in respect of identifying related parties, evaluation of arm’s length, obtaining necessary approvals, recording and disclosure of related party transactions, including compliance of transactions and disclosures in accordance with REIT regulations.- We tested, on a sample basis, related party transactions with the underlying contracts and other supporting documents for appropriate authorization and approval for such transactions.- We read minutes of Unitholder meetings, Board and its relevant committee meetings and minutes of meetings of those charged with governance of the Manager and SPVs in connection with transactions with related parties effected during the year and Group’s assessment of related party transactions being in the ordinary course of business at arm’s length and in accordance with REIT regulations.- Assessed and tested the disclosures made in accordance with the requirements of Ind AS and REIT regulations.

Other Information

The Management of Embassy Office Parks Management Services Private Limited (“the Manager”), acting in its capacity as the manager of Embassy Office Parks REIT is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated Ind AS financial statements and our auditor’s report thereon.

Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Consolidated Ind AS Financial Statements

The Management of the Manager (‘the Management’) is responsible for the preparation and presentation of these consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position as at March 31, 2025, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in Unitholders’ equity for the year ended March 31, 2025, its consolidated net assets at fair value as at March 31, 2025, its consolidated total returns at fair value of the REIT and the net distributable cash flows of the REIT and each of its subsidiaries for the year ended March 31, 2025 in accordance with the requirements of the REIT regulations; Indian Accounting Standards as defined in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records for safeguarding of the

assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Management, as aforesaid.

In preparing the consolidated Ind AS financial statements, the Board of Directors of the Manager and the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those Management and respective Board of Directors of the Companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor’s Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those

risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors, to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated Ind AS financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors

remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the REIT and such other entities included in the consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2025 and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statement and other financial information, in respect of 1 subsidiary, whose financial statement include total assets of ₹14,850.18 million as at March 31, 2025, total revenues of ₹1,723.82 million, net cash outflows/(inflows) of ₹(269.05) million and Net Distributable Cash Flows of ₹1,166.06 million for the year ended March 31, 2025. The Ind AS financial statement and other financial information have been audited by other auditor, which financial statement, other financial information and auditor’s report have been furnished to us by the management. Our opinion on the consolidated Ind AS financial statement, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, is based solely on the report of such other auditor.

(all amounts in ₹ million unless otherwise stated)

Our opinion above on the consolidated Ind AS financial statement, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the report of the other auditor.

Report on Other Legal and Regulatory Requirements

Based on our audit and on the consideration of report of the other auditor on separate financial statement and the other financial information of subsidiary, as noted in the ‘other matter’ paragraph and as required by the REIT regulations, we report that:

- We/ the other auditor whose report we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements;
- The Consolidated Balance Sheet and the Consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements; and
- In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards as defined in Rule 2(1)(a) of Companies (Indian Accounting Standards) Rules, 2015 (as amended).

Notes:

1) Measurement of fair values:

The fair value of investment properties, investment properties under development (including capital advances); property, plant and equipment (relating to the hotel property in UPPL, MPPL and QBPL, and the solar power plant in EEPL); capital work-in-progress (relating to the proposed hotel to be developed in ETV assets); intangibles and the investment in GLSP as at 31 March 2025 and 31 March 2024 has been determined by L. Anuradha, independent external registered property valuer appointed under Regulation 21 of REIT regulations, having appropriately recognised professional qualifications and recent experience in the location and category of the properties being valued in conjunction with value assessment services undertaken by Cushman & Wakefield.

Valuation technique

The fair value measurement for all the investment properties, investment properties under development, property plant and equipment, intangibles and capital work-in-progress has been categorized as a Level 3 fair value based on the inputs to the valuation technique used.

The valuers have followed a Discounted Cash Flow method. The valuation model considers the present value of net cash flows to be generated from the respective properties, taking into account the expected rental growth rate, vacancy period, occupancy rate, average room rent, lease incentive costs and blended tariff rates. The expected net cash flows are discounted using the risk adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location (prime vs secondary), tenant credit quality, lease terms, seasonality in sustaining a stable average room rent and occupancy for the hotels.

*Fair values of investment properties, investment properties under development, property, plant and equipment, intangibles, capital work in progress and investment in GLSP as at 31 March 2025 and 31 March 2024 as disclosed above are solely based on the fair valuation report of L. Anuradha, independent external registered property valuers appointed under Regulation 21 of REIT regulations, having appropriately recognised professional qualifications and recent experience in the location and category of the properties being valued in conjunction with value assessment services undertaken by Cushman & Wakefield.

For the purpose of fair valuation of assets, the Embassy Office Parks Group has fair valued its investment properties, investment properties under development (including capital advances), property, plant and equipment (relating to the hotel property in UPPL, MPPL and QBPL and the solar power plant in EEPL); capital work-in-progress (relating to the proposed hotel to be developed in ETV assets); intangibles and the investment in GLSP.

**Fair value of equity investments in GLSP has been done based on equity valuation method proportionate to stake held in GLSP.

***Other assets at book value include Goodwill of ₹34,100.87 million (31 March 2024: ₹49,029.68 million) on book value basis (net off impairment loss). The Goodwill mainly arises on account of requirement to value individual assets and liabilities acquired on business combination at fair values as well as the requirement to recognise deferred tax liability of ₹34,100.87 million (31 March 2024: ₹49,029.68 million), calculated as a difference between the tax effect of the fair value of the acquired assets and liabilities and their tax bases. Goodwill has been restricted to the extent of deferred tax liability.

Notes:

- (i) Other assets at book value includes cash and cash equivalents, debt investments in GLSP and other working capital balances which are not factored in the discounted cashflow method used in determining the fair value of investment properties, investment properties under development, property, plant and equipment, capital work-in-progress and intangibles.

(ii) Total liabilities includes all liabilities except lease liability.

Consolidated Financials

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

ESNP was acquired on 3 June 2024 by Embassy REIT. ESNP has been consolidated from 1 June 2024, a date close to the acquisition date, as there are no significant transactions or events that have occurred between 1 June 2024 and 3 June 2024 and the effect thereof is not considered to be material to the results for the year ended 31 March 2025.

The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances. The financial statements of all the SPVs and the Trust used for the purpose of consolidation are drawn up to the same reporting date i.e. 31 March 2025.

Changes in accounting policies and disclosures

New and amended standards

The accounting policies adopted and methods of computation followed are consistent with those of the previous financial year, except for items disclosed below:

Ind AS 116 - Leases

On 9 September 2024, the Ministry of Corporate Affairs issued amendments to Ind AS 116 concerning sale and leaseback transactions. The amendment impact how a seller-lessee accounts for variable lease payments that arise in a sale and leaseback transaction. The amendments introduce a new accounting model for variable payments and will require seller-lessees to reassess and potentially restate sale and leaseback transactions.

Ind AS 117 - Insurance Contracts

The Ministry of Corporate Affairs has issued a notification dated 12 August 2024 introducing Ind AS 117, Insurance Contracts for accounting of insurance contracts which replaces the current standard Ind AS 104, Insurance Contracts. The amendments are applicable with effect from 12 August 2024.

Additionally, amendments have been made to Ind AS 101, First-time Adoption of Indian Accounting Standards, Ind AS 103, Business Combinations, Ind AS 105, Non current Assets Held for Sale and Discontinued Operations, Ind AS 107, Financial Instruments: Disclosures, Ind AS 109, Financial Instruments and Ind AS 115, Revenue from Contracts with Customers to align them with Ind AS 117. The amendments also introduce enhanced disclosure requirements, particularly in Ind AS 107, to provide

clarity regarding financial instruments associated with insurance contracts.

The Ministry of Corporate Affairs has issued a clarification dated 28 September 2024 that an insurer or insurance company may provide its financial statement as per Ind AS 104 for the purposes of consolidated financial statements of its parent, investor, or venturer till the IRDAI has notified Ind AS 117.

The above amendments are not relevant or do not have an impact on the Consolidated Financial Statements of the Group. The Group has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

Basis of Consolidation

(i) Subsidiaries

The Embassy Office Parks Group consolidates entities which it owns or controls. The Consolidated Financial Statements comprise the financial statements of the Embassy Office Parks REIT and its subsidiary SPVs as disclosed in Note 1. Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases.

The procedure for preparing Consolidated Financial Statements of the Embassy Office Parks Group are stated below:

- a) The Consolidated Financial Statements have been prepared using the principles of consolidation as per Ind AS 110 – Consolidated Financial Statements, to the extent applicable.
- b) Goodwill is recognised in the Consolidated Financial Statements at the excess of cost of investment over share of fair value of net assets acquired on the date of acquisition.
- c) The Consolidated Financial Statements of the Embassy Office Parks Group are

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

consolidated on a line-by-line basis and intragroup balances and transactions for assets and liabilities, equity, income, expenses and cash flows between entities of the Embassy Office Parks Group are eliminated in full upon consolidation.

- d) Non-controlling interests in the net assets (excluding goodwill) of consolidated subsidiaries are identified separately from the equity attributable to shareholders of the Company. The interest of non-controlling shareholders may be initially measured either at fair value or at the non-controlling interests' proportionate share of the fair value of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis.

(ii) Interests in joint arrangements

A joint arrangement is an arrangement of which two or more parties have joint control. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the arrangement. The results of joint ventures are incorporated in these Consolidated Financial Statements using the equity method of accounting as described below:

Under the equity method of accounting, the investments are initially recognised at cost on the date of acquisition and adjusted thereafter to recognize the Embassy Office Parks Group's share of the post-acquisition profits or losses of the investee in profit and loss, and Embassy Office Parks Group's share of other comprehensive income of the investee in other comprehensive income.

Goodwill is calculated at excess of cost of investment over share of fair value of net assets acquired on the date of acquisition and is disclosed as an additional information in the Notes to the Consolidated Financial Statements.

Dividends received or receivable from joint ventures are recognised as a reduction in the carrying amount of the investment.

When Embassy Office Parks Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, Embassy Office Parks Group does not recognize further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between Embassy Office Parks Group and joint ventures are eliminated to the extent of Embassy Office Parks Group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees are consistent with the policies adopted by the Embassy Office Parks Group.

The carrying amount of equity accounted investments are tested for impairment in accordance with the Embassy Office Parks Group's policy.

Basis of Business Combination

The Embassy Office Parks Group accounts for its business combinations under acquisition method of accounting. Acquisition related costs are recognised in the consolidated statement of profit and loss in the period in which the costs are incurred and the services are received. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the condition for recognition are recognised at their fair values at the acquisition date.

The Embassy Office Parks Group determines that it has acquired a business when the acquired set of activities and assets include an input and a substantive process that together significantly contribute to the ability to create outputs. The acquired process is considered substantive if it is critical to the ability to continue producing outputs, and the inputs acquired include an organised workforce with the necessary skills, knowledge, or experience to perform that process or it significantly contributes to the ability to continue producing outputs and is considered unique or scarce or cannot be replaced without significant cost, effort, or delay

Consolidated Financials

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

in the ability to continue producing outputs. When the Embassy Office Parks Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date.

When the acquisition of subsidiaries represent a business combination, purchase consideration paid in excess of the fair value of net assets acquired is recognised as goodwill. Where the fair value of identifiable assets and liabilities exceed the cost of acquisition, after reassessing the fair values of the net assets and contingent liabilities, the excess is recognised as capital reserve.

Requirements of Ind AS 103 apply to a transaction in which assets acquired and liabilities assumed constitute a business. However, para B7A and B7B of Ind AS 103 allow an optional concentration test to perform simplified assessment of whether acquired set of activities and assets is not a business. The consequence of the test is that if the concentration test is met, the set of activities and assets is determined not to be a business and no further assessment is needed.

When the acquisition of an asset or group of assets does not constitute a business, it is accounted for as an acquisition of a group of assets and liabilities. The cost of the acquisition is allocated to the individual identified assets and liabilities acquired based upon their relative fair values and no goodwill or deferred tax is recognised.

For any identifiable asset or liability initially measured at an amount other than cost, Embassy Office Parks Group initially measures that asset or liability at the amount specified in the applicable Ind AS. Embassy Office Parks Group deduct from the cost of the group of assets the amounts allocated to these assets and liabilities, and then allocate the residual cost of acquisition to the remaining identifiable assets and liabilities based on their relative fair values at the date of acquisition.

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date. Contingent consideration is classified either as equity or a financial liability. Amounts classified as a financial liability are subsequently remeasured to fair value with changes in fair value recognised

in profit or loss, except for changes in fair value which are measurement period adjustments, wherein the change is adjusted with the asset/ liability recognised at the acquisition date with corresponding adjustment to goodwill. Contingent consideration that is classified as equity is not re-measured at subsequent reporting dates subsequent its settlement is accounted for within equity.

The interest of non-controlling shareholders is initially measured either at fair value or at the non-controlling interests' proportionate share of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity of subsidiaries.

Business combinations arising from transfers of interests in entities that are under common control are accounted at historical cost. The difference between any consideration given and the aggregate historical carrying amounts of assets and liabilities of the acquired entity is recorded in Unitholders' equity.

2.2 Summary of material accounting policies

a) Functional and presentation currency

The Consolidated Financial Statements are presented in Indian Rupees, which is the Embassy Office Parks REIT's functional currency and the currency of the primary economic environment in which the Embassy Office Parks Group operates. All financial information presented in Indian Rupees has been rounded off to nearest million except unit and per unit data.

b) Basis of measurement

The Consolidated Financial Statements are prepared on the historical cost basis, except for the following:

- Certain financial assets and liabilities (refer accounting policy regarding financial instrument): measured at fair values;
- Net defined benefit (asset)/ liability less present value of defined obligations: Fair value of plan assets less present value of defined benefit plan;
- The assets and liabilities of the SPVs on the date of acquisition have been accounted using their

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

Fair value and the goodwill / capital reserve amount has been calculated accordingly; and

- Contingent consideration: measured at fair value.

c) Use of judgments and estimates

The preparation of Consolidated Financial Statements in conformity with generally accepted accounting principles in India (Ind AS) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Information about critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the Consolidated Financial Statements is included in the following notes:

i) Business combinations

The Embassy Office Parks Group acquires subsidiaries that own real estate. At the time of acquisition, the Group considers whether each acquisition represents the acquisition of a business or the acquisition of an asset. The Group accounts for an acquisition as a business combination where an integrated set of activities and assets, including property, is acquired. More specifically, consideration is given to the extent to which substantive processes are acquired and, in particular, the extent of services provided by the subsidiary.

In accounting for business combinations, judgment is required in identifying whether an identifiable intangible asset is to be recorded separately from goodwill. Estimating the acquisition date fair value of the identifiable assets acquired, useful life thereof and liabilities assumed involves management judgment. These measurements are based on information available at the acquisition date and are based on expectations and assumptions that have been deemed reasonable by the management. Changes in these judgments, estimates and assumptions can materially affect the results of operations.

ii) Impairment of goodwill and intangible assets with infinite useful life

For the purpose of impairment testing, goodwill and intangible assets with indefinite useful life acquired in a business combination is, from the acquisition date, allocated to each of the Embassy Office Parks Group's cash-generating units that are expected to benefit from the combination. In performing such impairment assessments, management compared the carrying value of each of the identifiable cash generating units ("CGUs") to which goodwill and such intangible assets had been allocated with their respective 'value in use' computed based on discounted cash flow method, to determine if any impairment loss should be recognized. The discounted cash flow method involves estimating future cash flows, growth rates and discount rates which require significant management judgement - Note 2.2 (j).

iii) Classification of lease arrangements as finance lease or operating lease - Note 2.2 (r).

iv) Classification of assets as investment properties or as property, plant and equipment - Notes 2.2 (f) and (g).

v) Significant judgements involved in the purchase price allocation of the assets acquired and liabilities assumed on account of Business Combination and deferred tax accounting on the resultant fair value accounting- Note on Basis of Business Combination and Note 2.2 (v) (ii).

vi) Judgements in preparing Consolidated Financial Statements - Note 2.1.

vii) Classification of Unitholders' funds - Note 19(a).

viii) Significant judgements is involved in the allocation cost of acquisition to the identifiable assets and liabilities based on their relative fair values at the date of acquisition in case of acquisition that does not represent a business combination - Note on Basis of Business Combination.

Information about assumptions and estimation uncertainties that have a significant risk resulting in a material adjustment during the year ended 31 March 2025 is included in the following notes:

- i) Fair valuation and disclosures and impairment of non-financial assets being investment properties and property plant and equipment

The fair value of investment properties and property, plant and equipment are reviewed regularly by management with reference to independent property valuations and market conditions existing at half yearly basis.

The independent valuers are independent appraisers with a recognised and relevant professional qualification and with recent experience in the location and category of the investment properties being valued. Judgment is also applied in determining the extent and frequency of independent appraisals.

SEBI Circulars issued under the REIT Regulations require disclosures relating to net assets at fair value and total returns at fair value (Refer Statement of net assets at fair value and Statement of total returns at fair value for details).

Refer note 2.2 (j) as regards estimates and assumptions involved in impairment assessment of non-financial assets being investment properties and property plant and equipment.
- ii) Useful lives of Investment Properties and Property, Plant and Equipment-Notes 2.2(f) and (g).
- iii) Valuation of financial instruments –Note 2.2 (l).
- iv) Recognition of deferred tax asset on carried forward losses and recognition of minimum alternate tax credit: availability of future taxable profit against which tax losses carried forward can be used- Note 2.2(v)(ii). Further, significant judgements are involved in determining the provision for income taxes, including recognition of minimum alternate tax credit, in SPVs entitled for tax deduction under Section 80IAB of the Income Tax Act, 1961, wherein the tax deduction is dependent upon necessary details available for exempt and non-exempt income.

d) Current versus non-current classification

The Embassy Office Parks Group presents assets and liabilities in the Consolidated Balance Sheet based on current/ non-current classification:

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- here is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Embassy Office Parks Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Embassy Office Parks Group has identified twelve months as its operating cycle.

The Trust has net current liabilities of ₹63,453.33 million as at 31 March 2025 mainly due to the maturity of Embassy REIT Series VII NCD 2023 in June 2025, Embassy REIT Series IX NCD 2023 in September 2025, Embassy REIT Series X NCD 2024 in September 2025, VTPL Series I NCD 2022 in August 2025 and Commercial Paper - Series D in February 2026. Based on the Group’s liquidity position including undrawn borrowing facilities as well as a low leverage of 32% Net debt to Gross asset value, the Trust will be able to refinance its borrowings and meet its current obligations as and when they fall due.

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

e) Measurement of fair values

A number of the Embassy Office Parks Group accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability; or
- in the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Embassy Office Parks Group. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant’s ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Embassy Office Parks Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

The Embassy Office Parks Group has an established control framework with respect to the measurement of fair values. The Embassy Office Parks Group engages with external registered valuers for measurement of fair values in the absence of quoted prices in active markets.

While measuring the fair value of an asset or liability, the Embassy Office Parks Group uses market observable data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on inputs used in the valuation techniques as follows-

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

- Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Embassy Office Parks Group uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Embassy Office Parks Group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

f) Investment properties

Property that is held for long-term rental yields or for capital appreciation or both is classified as investment properties. Investment properties is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset’s carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Embassy Office Parks Group and the cost of the item can be measured reliably. The cost of the assets not ready for their intended use before such date, are disclosed as investment properties under development. All other repairs and maintenance costs are expensed when incurred. When part of an investment properties is replaced, the carrying amount of such replaced position is derecognised.

Investment properties are depreciated on straight-line method over their estimated useful lives. However, where the management’s estimate of the remaining useful life of the assets on a review subsequent to the time of acquisition is different, then depreciation is provided over the remaining useful life based on the revised useful life. The residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively.

Consolidated Financials

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

Pursuant to this policy, Management's estimates of useful life of the following major assets under straight-line method are as follows:

Asset category	Estimated useful life (in years)
Buildings**	60 years
Plant and Machinery	10-15 years
Furniture and Fixtures	12 years
Electrical Equipment	15 years
Leasehold land*	30 - 99 years based on the lease period
Leasehold building	10 years based on the lease period

Based on technical evaluation, the Group believes that the useful lives, as given above, best represent the period over which the Group expects to use these assets. Hence, the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

Pro-rata depreciation is provided on properties purchased or sold during the year.

*Upfront premium paid under lease-cum-sale agreements to acquire land where the Embassy Office Parks Group has an option to purchase the land at the end of/ during the lease term are not amortised over the lease period. Lease period is the non-cancellable period of a lease, together with periods covered by an option to extend the lease if the Group is reasonably certain to exercise that option.

**Useful life of building is restricted to the lease term of leasehold land on which the building is constructed.

Investment properties acquired on Business Combination is depreciated over the remaining useful life from the date of acquisition as certified by the technical valuer.

Investment properties are subsequently measured at cost less accumulated depreciation and impairment losses, if any.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition. In determining the amount of consideration from the derecognition of Investment properties the Group considers the effects of variable consideration, existence of a significant financing component, non-cash consideration, and consideration payable to the buyer (if any).

Note: Plant and machinery, furniture and fixtures and electrical equipment which are physically attached to the building are considered as part of the investment properties.

g) Property, plant and equipment and intangible assets

Property, plant and equipment are carried at cost of acquisition or construction less accumulated depreciation and impairment. The cost of property, plant and equipment includes freight, duties, taxes and other incidental expenses related to the acquisition or construction of the respective assets. The cost of such assets not ready for their intended use are disclosed as capital work-in-progress.

Intangible assets are recorded at their acquisition cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

Depreciation is provided on the straight-line basis over the estimated useful lives of each component of an item of property, plant and equipment and intangibles as follows:

Asset category	Estimated useful life (in years)
Buildings	60 years
Plant and Machinery	15 years
Furniture and Fixtures	12 years
Electrical Equipment	15 years
Office Equipment	5 years
Computers	3 years
Computer Software	3 years
Operating Supplies	2-5 years
Vehicles	8 years

Based on technical evaluation, the Group believes that the useful lives, as given above, best represent the period over which the Group expects to use these assets. Hence, the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

Upfront premium paid under lease-cum-sale agreements to acquire land where the Embassy Office Parks Group has an option to purchase the land at the end of/ during the lease term are not amortised over the lease period.

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

The useful lives of intangible assets are assessed as either finite or indefinite.

Right to use trademark: The earnings potential of trade name/ trademark can at times be substantial. A trademark is recognized on a reporting company's balance sheet as an intangible asset separate from goodwill because it satisfies either of the following two tests:

- It arises from legal rights (a trademark is essentially a bundle of rights)
- It is capable of being sold, transferred, and licensed separately from other assets of the acquiring company

The recognition of an acquired trademark is performed as part of a purchase price allocation, whereby a portion of the price paid by the acquirer for all of the acquired assets is assigned to the trademark using an acceptable valuation methodology.

The life of the Right to use trademark is considered indefinite because there is no foreseeable limit nor any specific covenant that limits the time period over which the asset is expected to generate net cash inflows for the SPVs.

Intangible assets comprising of Right to use trademark with indefinite useful lives are not amortised, but are tested for impairment annually, at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Power purchase agreement is one of the essential contracts required for a small power generating company with limited production capacity and marketability. Since sales with the customer take the form of a contract, the power purchase agreement meets the contractual criteria for recognition. This agreement provides ongoing and repeat business for the company and provides a platform for the company to reach profitability.

The initial useful life of the power purchase agreements is estimated to be 25 years based on the contract period and hence are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and

the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period and adjusted prospectively.

Common Area Maintenance (CAM) service rights are contract-based intangible assets, which represent the value of contractual rights that arise from contractual arrangements. An entity establishes relationships with its customers through certain contracts, these customer relationships arise from contractual rights.

CAM service rights are recognised at their fair value as at the date of acquisition, these are subsequently amortised on a straight-line basis, over their estimated contractual lives.

Property, plant and equipment and Intangibles acquired on Business Combination, except right-to-use trademark, is depreciated over the remaining useful life from the date of acquisition as certified by the technical valuer.

When parts of an item of plant and equipment have different useful lives, they are treated as separate components and depreciated over their respective estimated useful lives.

The residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively.

Pro-rata depreciation is provided on all property, plant and equipment and intangible assets purchased or sold during the year.

Property, plant and equipment are subsequently measured at cost net of accumulated depreciation and accumulated impairment losses, if any.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the consolidated statement of profit and loss when the asset is derecognised.

An intangible asset shall be derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of an intangible asset (calculated as the difference between the net

Consolidated Financials

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

disposal proceeds and the carrying amount of the asset) is included in the consolidated statement of profit or loss when the asset is derecognised.

h) Non-current assets held for sale

Non-current assets are classified as held for sale if it is highly probable that they will be recovered primarily through sale rather than through continuing use. Such assets are generally measured at the lower of their carrying amount and fair value less costs of disposal. Losses on initial classification as held for sale and subsequent gains and losses on re-measurement are recognised in the consolidated statement of profit and loss.

Once classified as held-for-sale, intangible assets, property, plant and equipment and investment properties are no longer amortised or depreciated, and any equity-accounted investee is no longer equity accounted.

i) Inventory

Stores and operating supplies

Inventories which comprises food and beverages and operating supplies are valued at lower of cost or net realisable value. Cost of inventories comprises purchase price, costs of conversion and other incidental costs incurred in bringing the inventories to their present location and condition. In determining the cost, weighted average cost method is used.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs to sell.

j) Impairment of non-financial assets

The Embassy Office Parks Group assesses, at each reporting date, whether there is an indication that a non-financial asset other than inventories and deferred tax assets may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Embassy Office Parks Group estimates the asset's recoverable amount.

An impairment loss is recognised in the Consolidated Statement of Profit and Loss if the carrying amount of an asset or its cash-generating unit (CGU) exceeds its recoverable unit. Impairment loss recognised in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU on a pro-rata basis. A CGU is the smallest identifiable asset group that generates

cash flows that are largely independent from other assets and groups. Impairment losses are recognised in the consolidated statement of profit and loss, unless it reverses previous revaluation credited to equity, in which case it is charged to equity.

Goodwill arising from a business combination is allocated to CGUs or group of CGUs that are expected to benefit from the synergies of the combination. Goodwill is tested for impairment on an annual basis and more often, if there is an indication that goodwill may be impaired, relying on a number of factors including operating results, business plans and future cash flows. Impairment is determined for goodwill by assessing the recoverable amount of each CGU (or group of CGUs) to which the goodwill relates. When the recoverable amount of the CGU is less than its carrying amount, an impairment loss is recognised.

An asset's recoverable amount is the higher of an asset's or CGU's fair value less costs of disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or CGU.

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss in respect of goodwill is not subsequently reversed. In respect of other assets, such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation, if no impairment loss had been recognised.

k) Foreign currency transactions

Transactions in foreign currencies are translated into the respective functional currencies of Embassy Office Parks Group's entities at the exchange rates at the dates of the transactions.

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction.

Exchange differences arising on foreign exchange transactions settled and from translations during the year are recognised in the consolidated statement of profit and loss of the year except exchange differences arising from the translation of the items which are recognised in OCI.

l) Financial instruments

i) Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Embassy Office Parks Group becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value (except for trade receivables which are initially measured at transaction price) plus, for an item not at fair value through profit or loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

ii) Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- Amortised cost;
- Fair value through other comprehensive income (FVOCI) – debt instrument;
- Fair value through other comprehensive income (FVOCI) – equity instrument; or
- Fair value through profit or loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Embassy Office Parks Group changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of the principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of the principal and interest on the principal amount outstanding.

On initial recognition of an equity instrument that is not held for trading, the Embassy Office Parks Group may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment by investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Embassy Office Parks Group may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI or at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Embassy Office Parks Group makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to the Management. The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's

Consolidated Financials

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

- strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realising cash flows through the sale of the assets;
- how the performance of the portfolio is evaluated and reported to the Embassy Office Parks Group's management;
 - the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
 - how managers of the business are compensated – e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
 - the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Embassy Office Parks Group's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest

For the purpose of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration

for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Embassy Office Parks Group considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Embassy Office Parks Group considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Embassy Office Parks Group's claim to cash flows from specified assets (e.g. non – recourse features)

A prepayment feature is consistent with the solely payment of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit and loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit and loss.
Debt instruments at FVOCI	These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to profit and loss.
Equity instruments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit and loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit and loss. Any gain or loss on derecognition is also recognised in profit and loss.

iii) Derecognition

Financial assets

The Embassy Office Parks Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Embassy Office Parks Group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Embassy Office Parks Group enters into transactions whereby it transfers assets recognised in its Consolidated Balance Sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Embassy Office Parks Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired.

The Embassy Office Parks Group also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit and loss.

iv) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the Consolidated Balance Sheet only when the Embassy Office Parks Group has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

Consolidated Financials

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

m) Compound financial instruments

An instrument may contain both a financial liability and equity component. The liability component of a compound financial instrument is initially recognised at the fair value of a similar liability that does not have an equity conversion option. The equity component is initially recognised at the difference between the fair value of the compound financial instrument as a whole and the fair value of the liability component. Any directly attributable transaction costs are allocated to the liability and equity components in proportion to their initial carrying amounts.

Subsequent to initial recognition, the liability component of a compound financial instrument is measured at amortised cost using the effective interest method. The equity component of a compound financial instrument is not measured subsequently.

Interest related to the financial liability is recognised in profit and loss (unless it qualifies for inclusion in cost of asset). In case of conversion at maturity, the financial liability is reclassified to equity and no gain or loss is recognised.

n) Rental support

Rental supports that are an integral part of an acquisition transaction is treated as a deduction in the acquisition cost of such investment properties. Where, the right to receive the rental support is spread over a period of time, the right to receive the rental support is reduced from the acquisition cost and is recognised as a financial asset at fair value and subsequently measured at amortised cost based on effective interest rate method.

o) Impairment of financial assets

Financial assets

The Embassy Office Parks Group recognises loss allowances for expected credit losses on:

- financial assets measured at amortised cost; and
- financial assets measured at FVOCI- debt investments

At each reporting date, the Embassy Office Parks Group assesses whether financial assets carried at amortised cost and debt securities at FVOCI are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental

impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer; or
- a breach of contract such as a default or being past due for 180 days or more; or
- the restructuring of a loan or advance by the Embassy Office Parks Group on terms that in the material assessment of the Embassy Office Parks Group it would not consider otherwise; or
- it is probable that the borrower will enter bankruptcy or other financial reorganization; or
- the disappearance of an active market for a security because of financial difficulties

The Embassy Office Parks Group measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- debt securities that are determined to have low credit risk at the reporting date; and
- other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Embassy Office Parks Group is exposed to credit risk.

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Embassy Office Parks Group considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Embassy Office Parks Group's historical experience and informed credit assessment and including forward-looking information.

The Embassy Office Parks Group assumes that the credit risk on a financial asset has increased significantly if it is more than 180 days past due.

The Embassy Office Parks Group considers a financial asset to be default when:

- the borrower is unlikely to pay its credit obligations to the Embassy Office Parks Group in full, without recourse by the Embassy Office Parks Group to actions such as realising security (if any is held); or
- the financial asset is 180 days or more past due without any security

Measurement of expected credit losses: Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Embassy Office Parks Group and the cash flows that the Embassy Office Parks Group expects to receive).

Presentation of allowance for expected credit losses in the balance sheet: Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets. For debt securities at FVOCI, the loss allowance is charged to profit and loss account and is recognised in OCI.

Write-off: The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Embassy Office Parks Group determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to write-off. However, financial assets that are written off could still be subject to enforcement activities

in order to comply with the Embassy Office Parks Group's procedures for recovery of amounts due.

Majority of the financial assets of the Embassy Office Parks Group pertain to trade and other receivables. Considering the nature of business, the Embassy Office Parks Group does not foresee any credit risk on its trade and other receivables which may cause an impairment. As per the agreement with tenants, the receivables are covered by clause of payment security mechanism which ensures receipt of all trade receivables. Also, the Embassy Office Parks Group does not have any past history of significant impairment of trade and other receivables.

p) Embedded derivatives

When the Embassy Office Parks Group becomes a party to a hybrid contract with a host that is not an asset within the scope of Ind AS 109 Financial Instruments, it identifies whether there is an embedded derivative. Embedded derivatives are separated from the host contract and accounted for separately if the host contract is not a financial asset and certain criteria are met.

q) Financial guarantee contracts

Financial guarantee contracts are recognised as a financial liability at the time the guarantee is issued. The liability is initially measured at fair value and subsequently at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 115.

The fair value of financial guarantees is determined as the present value of the difference in net cash flows between the contractual payments under the debt instrument and the payments that would be required without the guarantee, or the estimated amount that would be payable to a third party for assuming the obligations.

r) Leases

Embassy Office Parks Group as a lessee

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Consolidated Financials

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

The Embassy Office Parks Group recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability, adjusted for any lease payments made at or before the commencement date, less any lease incentives received, plus any initial direct costs incurred and an estimate of the costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located.

The right-of-use assets is subsequently measured at cost less accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the consolidated statement of profit and loss.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the incremental borrowing rate applicable to the entity within the Embassy Office Parks Group. Generally, the Embassy Office Parks Group uses its incremental borrowing rate as the discount rate. For leases with reasonably similar characteristics, the Embassy Office Parks Group, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole.

The Embassy Office Parks Group recognises the amount of the re-measurement of lease liability as an adjustment to the right-of-use asset. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Embassy Office Parks Group recognises any remaining amount of the re-measurement in profit and loss.

The Embassy Office Parks Group has elected not to recognise right-of-use assets and lease liabilities for short-term leases of all assets that have a lease term of 12 months or less and leases of low-value assets. The Embassy Office Parks Group recognizes the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Embassy Office Parks Group as a lessor

i. Determining whether an arrangement contains a lease

At inception of an arrangement, it is determined whether the arrangement is or contains a lease. At inception or on reassessment of the arrangement that contains a lease, the payments and other consideration required by such an arrangement are separated into those for other elements on the basis of their relative fair values.

ii. Assets held under leases

Leases in which the Embassy Office Parks Group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the non-cancellable period of lease term. Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Embassy Office Parks Group to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Embassy Office Parks Group's net investment in the leases.

iii. Initial direct costs

Initial direct costs such as brokerage expenses incurred specifically to earn revenues from an operating lease are capitalised to the carrying amount of leased asset and recognised over the non-cancellable period of lease term on the same basis as rental income.

s) Revenue recognition

i) Rental income from investment properties

Rental income from property leased under operating lease is recognised in the consolidated statement of profit and loss on a straight-line

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

basis over the non-cancellable period of the lease term, including rental income to the extent of the economic right of the Group pursuant to the co-development agreement. Lease incentives granted are recognised as an integral part of the total rental income. Contingent rents are recognised as revenue in the period in which they are earned on a receipt basis.

ii) Income from finance lease

For assets let out under finance lease, the Group recognises a receivable at an amount equal to the net investment in the lease. Rentals received are accounted for as repayment of principal and finance income. Minimum lease payments receivable on finance leases are apportioned between the finance income and the reduction of the outstanding receivable. The finance income allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining net investment in the finance lease. Contingent rents are recorded as income in the periods in which they are earned.

iii) Revenue from contract with customers

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services.

Revenue is recognised when recovery of the consideration is probable and the amount of revenue can be measured reliably.

a) Revenue from maintenance services is recognised as and when the services are rendered based on the terms of the contracts with the lessees.

b) Revenue from Food, beverages and banquets

Revenue from food and beverages are recorded as and when food is served. Revenue generated from the banquet services offered are charged on the basis of cover charges per person which is billed (exclusive of applicable taxes) based on guaranteed covers if actual cover is less than contracted.

c) Revenue from Room Rentals

Revenue from room rentals are based on the occupancy charged on the basis of room rates which are contracted (exclusive of applicable taxes).

d) Sale of solar energy

Revenue from sale of power is recognized net of cash discount over time for each unit of electricity generated.

e) Other operating income

Other operating income, including service charges on rooms and Food & Beverage (F&B) revenues and other hospitality-related operating income is recognised when the services are rendered and the same become chargeable. Revenue from other services is recognised on accrual basis as per the terms of the agreement.

iv) Recognition of dividend and interest income

Dividend income is recognised in the consolidated statement of profit and loss on the date on which the Embassy Office Parks Group's right to receive payment is established.

Interest income is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset.

In calculating interest income, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired). However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset.

Consolidated Financials

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

t) Employee benefits

Defined contribution plan

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Embassy Office Parks Group makes specified monthly contributions towards government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit and loss in the periods during which the related services are rendered by employees. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

Gratuity

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Embassy Office Parks Group's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Embassy Office Parks Group, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI. The Embassy Office Parks Group determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the

defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss. The Embassy Office Parks Group recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Compensated absences

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid, if the Embassy Office Parks Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

Assets or liabilities related to employee benefit arrangements acquired on Business Combination are recognised and measured in accordance with Ind AS 19 Employee Benefits.

u) Borrowing costs

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of a qualifying asset form part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

Interest expense is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments through the expected life of the financial instrument to the amortised cost of the financial liability. In calculating interest expense, the effective interest rate is applied to the amortised cost of the liability.

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

Capitalisation rate used to determine the amount of borrowing costs to be capitalised is the weighted average borrowing costs (WABC). Capitalisation of borrowing costs is suspended during the extended period in which active development is interrupted. Capitalisation of borrowing costs is ceased when substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are complete.

v) Taxation

Income tax comprises current and deferred tax. Income tax expense is recognised in the Consolidated Statement of Profit and Loss except to the extent it relates to items directly recognised in equity or in other comprehensive income.

(i) Current tax:

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the period/year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

(ii) Deferred tax:

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- Temporary differences arising on the initial recognition of assets and liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction;

- Temporary differences related to investments in subsidiaries, associates, and joint arrangements to the extent that the Embassy Office Parks Group is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
- Taxable temporary differences arising on initial recognition of goodwill.

Deferred income tax asset are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Embassy Office Parks Group recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised.

Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/reduced to the extent that it is probable/no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted at the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Embassy Office Parks Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax assets and liabilities, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

Consolidated Financials

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

Tax impact of timing difference which arise during the tax holiday period are recognised only to the extent of those differences which are reversed after the tax holiday period.

Minimum Alternative Tax ('MAT') under the provisions of the Income Tax, 1961 is recognised as current tax in the Consolidated Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Embassy Office Parks Group will pay normal income tax during the period for which MAT credit can be carried forward for set-off against normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

Deferred tax assets or liabilities acquired on Business Combination are recognised and measured in accordance with Ind AS 12 Income taxes.

w) Provisions and contingencies

The Embassy Office Parks Group recognises a provision when there is a present obligation (legal or constructive) as a result of a past obligating event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

If the effect of the time value of money is material, provisions are discounted.

x) Operating segments

An operating segment is a component of the Embassy Office Parks Group that engages in business activities from which it may earn revenues and incur expenses. All operating segments' operating results are reviewed regularly by a representative of the Embassy Office Parks Group, the Embassy Office Parks Group's Chief Operating Decision Maker ('CODM'), to make decisions about resources to be allocated to the segment and assess its performance, and for which discrete financial information is available.

Net Operating Income ('NOI') is the key metric reported to the CODM for the purposes of assessment of the segment results. The same is defined as follows:

Commercial Offices segment:

NOI for commercial offices is defined as Revenue from operations (which includes (i) facility rentals, (ii) maintenance services income, (iii) income from finance lease, and (iv) other operating income for Commercial Offices) less Direct operating expenses (which includes (i) Operating and maintenance expenses including common area maintenance expenses (ii) property taxes, (iii) rent, and (iv) insurance).

Hospitality segment:

NOI for hospitality segment is defined as Revenue from operations (which includes (i) room rentals, (ii) sale of food and beverages, (iii) other operating income for hospitality less Direct operating expenses (which includes (i) cost of materials consumed, (ii) employee benefits expenses, (iii) Operating and maintenance expenses excluding property management fees, and (iv) Other expenses).

Other segment:

NOI for other segments is defined as Revenue from operations (which includes income from generation of renewable energy) less Direct operating expenses (which includes (i) Operating and maintenance and (ii) Other expenses).

Certain income (such as interest, dividend and other income) and certain expenses (such as Other expenses excluding Direct operating expenses, depreciation, amortization, impairment and finance

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

cost) are not specifically allocable to segments and accordingly these expenses are adjusted against the total income of the Embassy Office Parks Group.

y) Cash and cash equivalents

Cash and cash equivalents in the Consolidated Balance Sheet comprises of cash at banks and on hand, deposits held at call with bank or financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

z) Distribution Policy:

Under the provisions of the REIT Regulations, Embassy Office Parks REIT is required to distribute to the Unitholders not less than ninety percent of the net distributable cash flows ('NDCF') of Embassy Office Parks REIT. The NDCF was calculated in accordance with the REIT Regulations and in the manner provided in the NDCF framework defined by the Manager. The Manager had made certain clarificatory amendments to the NDCF framework under the Distribution Policy to ensure that there is no ambiguity in computing the NDCF at Embassy REIT and SPV/Holdco level. The amended framework was approved by a special majority in the Unitholder's Meeting held on 8 July 2021 and was effective from 1 April 2021.

In order to promote standardisation of framework for computing NDCF, a revised framework is defined by SEBI vide master circular no. SEBI/HO/DDHS-PoD-2/P/CIR/2024/43 dated 15 May 2024. This framework is applicable with effect from 1 April 2024. Accordingly, Embassy Office Parks REIT has computed the NDCF for the year ended 31 March 2025 to comply with the said circular. Comparatives have not been provided in this framework for all the previous periods presented. In accordance with this circular, Embassy Office Parks REIT along with its SPVs, subject to applicable provisions in the Companies Act, 2013, needs to ensure that minimum 90% distribution of NDCF be met for a given financial year on a cumulative periodic basis.

The aforesaid net distributable cash flows are made available to Embassy Office Parks REIT in the form of (i) Interest paid on Shareholder Debt provided

by Embassy Office Parks REIT to the SPV's/Holding Company, (ii) Principal repayment of Shareholder Debt, (iii) Dividend declared by the SPVs/Holding Company and (iv) Proceeds from sale of any Embassy REIT assets.

aa) Cash distribution to Unitholders

The Group recognises a liability to make cash distributions to Unitholders when the distribution is authorised and a legal obligation has been created. As per the REIT Regulations, a distribution is authorised when it is approved by the Board of Directors of the Manager. A corresponding amount is recognised directly in equity.

ab) Consolidated Statement of Cash flows

Consolidated Cash flows are reported using the indirect method, whereby Profit/ (loss) before share of profit of equity accounted investees and tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Embassy Office Parks Group are segregated.

For the purpose of the Consolidated Statement of Cash Flow, cash and cash equivalents consist of cash and short-term deposits, as defined above, as they are considered an integral part of the Embassy Office Parks Group's cash management.

ac) Earnings per unit

The basic earnings per unit is computed by dividing the net profit/ (loss) attributable to the Unitholders of the Trust by the weighted average number of units outstanding during the reporting period. The number of units used in computing diluted earnings/ (loss) per unit comprises the weighted average units considered for deriving basic earnings/ (loss) per unit and also the weighted average number of units which could have been issued on the conversion of all dilutive potential units.

Dilutive potential units are deemed converted as of the beginning of the reporting date, unless they have been issued at a later date. In computing diluted earnings per unit, only potential equity units that are dilutive and which either reduces earnings per share or increase loss per units are included.

Consolidated Financials

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

ad) Earnings before share of profit of equity accounted investee, finance costs, depreciation, amortisation, impairment and tax

The Embassy Office Parks Group has elected to present earnings before share of profit of equity accounted investee, finance costs, depreciation, amortisation, impairment and tax as a separate line item on the face of the consolidated statement of profit and loss. The Embassy Office Parks Group measures earnings before finance cost, depreciation, amortisation, impairment and tax excluding share of profit of equity accounted investees on the basis of profit/ (loss) from continuing operations. In its measurement, the Embassy Office Parks Group does not include depreciation, amortisation, impairment, finance costs, share of profit of equity accounted investees and tax expense.

ae) Statement of net assets at fair value

The disclosure of Statement of Net Assets at Fair value comprises of the fair values of the properties held by Asset SPVs and the HoldCo as well as book values of the total liabilities and other assets of all SPVs consolidated. The fair value of the property held by Asset SPVs and HoldCo are reviewed semi-annually by the independent property valuer taking into consideration market conditions existing at the reporting date, and other generally accepted market practices. The independent valuer is leading independent appraiser with a recognised and relevant professional qualification and experience.

af) Joint development accounting

Land/development rights received under joint development arrangements is measured at the fair value of the estimated construction service rendered

to the landowner and the same is accounted on completion of the project. Further, non-refundable deposit amount paid by the Group under joint development arrangements is recognised as Investment property under development and on the completion of the project, the non-refundable amount is transferred as land cost to Investment Property.

ag) Government Grants

Government grants are recognised where there is a reasonable assurance that the grant will be received and all attached conditions will be complied with:

- When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.
- When the grant relates to an asset, it is recognised as income in the consolidated statement of profit and loss in equal amounts over the expected useful life of the related asset.

Repayment of grant relating to income shall be applied first against any unamortised deferred credit recognised in respect of the grant. To the extent that the repayment exceeds any such deferred credit, or when no deferred credit exists, the repayment shall be recognised immediately in profit or loss.

Repayment of grant related to an asset shall be recognised by increasing the carrying amount of the asset or reducing the deferred income balance by the amount repayable. The cumulative additional depreciation that would have been recognised in profit or loss to date in the absence of the grant shall be recognised immediately in profit or loss.

Particulars	Amount
Fair value as at 31 March 2025	533,659.78
Fair value as at 31 March 2024	479,089.86

The fair value of investment property as at 31 March 2025 and 31 March 2024 has been determined by Ms. L.Anuradha, independent external registered property valuer appointed under Regulation 21 of REIT regulations, having appropriately recognised professional qualifications and recent experience in the location and category of the properties being valued in conjunction with value assessment services undertaken by Cushman & Wakefield.

The fair value measurement for all of the investment property has been categorized as a Level 3 fair value based on the inputs to the valuation technique used. The valuers have followed a Discounted Cash Flow method. The valuation model considers the present value of net cash flows to be generated from the respective properties, taking into account the expected rental growth rate, vacancy period, occupancy rate, average room rent, lease incentive costs and blended tariff rates. The expected net cash flows are discounted using the risk adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location (prime vs secondary), tenant credit quality and lease terms, seasonality in sustaining a stable average room rent and occupancy for the hotels.

Impairment testing for goodwill

Goodwill acquired through business combinations has been allocated to the Cash Generating Units ('CGU') as below for impairment testing: (Each SPV has been considered to be an independent CGU except QBPL and MPPL). Goodwill pertaining to QBPL and MPPL has been further allocated to commercial CGU forming part of commercial segment and hotel CGU forming part of hospitality segment. Goodwill pertaining to ETV assets has been considered as a single CGU as all the ETV assets have a similar risk and return profile.

**refer note 54

Management has estimated the recoverable amount of the CGUs as at 31 March 2025 and 31 March 2024 based on a valuation determined by Ms. L.Anuradha, independent external registered property valuer appointed under Regulation 21 of REIT regulations, having appropriately recognised professional qualifications and recent experience in the location and category of the properties being valued in conjunction with value assessment services undertaken by Cushman & Wakefield. The fair value measurement is a level 3 measurement on the fair value hierarchy. The valuation was done in accordance with discounted cash flow method.

As a result of the annual fair valuation, impairment loss amounting to ₹2,507.68 million was accounted against goodwill and the same is recognized in the Statement of Profit and Loss during the year ended 31 March 2025 (31 March 2024: Nil). The annual impairment test performed considers the current economic conditions and revised business plans to determine the higher of the “value in use” and the “fair value less cost to disposal” in accordance with Ind AS 36.

As at March 31, 2023, impairment loss amounting to ₹ 886.18 million was accounted against property, plant and equipment and impairment loss amounting to ₹31.71 million was accounted against investment property. Considering the ramp up of room occupancy, recovery in the Hospitality business operations thereon and increase in lease-up, the Group has updated the financial projections basis which the future cash flows have been estimated for the purpose of determining the recoverable amount of the aforesaid property, plant and equipment and investment properties as at March 31, 2024. Since the recoverable amount exceeds the carrying value of property, plant and equipment and investment properties as at March 31, 2024, the Group has reversed the impairment loss of ₹836.75 million (net of depreciation of ₹ 81.14 million) and recognised in the statement of profit and loss during the year ended March 31, 2024.

The recoverable amount was based on value in use calculation and was determined at the level of the CGUs. These calculations use cash flow projections over a defined period. Discount rate is based on the Weighted Average Cost of Capital (WACC) of the entity. In determining value in use for the CGUs, the key assumptions used are as follows:

The recoverable amount of the CGUs exceeds the carrying amount of the CGUs by ₹173,572.87 million (31 March 2024: ₹148,291.68 million). Following change in discount rate and capitalization rate (taken individually, assuming all other assumptions remain the same) would cause the recoverable amount of the identified CGUs to be equal to the carrying amount of the CGU.

Note:

(a) Terms/ rights attached to Units

The Trust has only one class of Units. Each Unit represents an undivided beneficial interest in the Trust. Each holder of Units is entitled to one vote per unit. The Unitholders have the right to receive at least 90% of the Net Distributable Cash Flows of the Trust at least once in every six months in each financial year in accordance with the REIT Regulations. The Board of Directors of the Manager approves distributions to Unitholders. The distribution will be in proportion to the number of Units held by the Unitholders. The Trust declares and pays distributions in Indian Rupees.

Consolidated Financials

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

Under the provisions of the REIT Regulations, Embassy Office Parks REIT is required to distribute to Unitholders not less than 90% of the net distributable cash flows of Embassy Office Parks REIT for each financial year. Accordingly, a portion of the Unitholders’ funds contains a contractual obligation of the Trust to pay cash to the Unitholders. Thus, in accordance with the requirements of Ind AS 32 – Financial Instruments: Presentation, the Unit Capital should have been classified as compound financial instrument which contains both equity and liability components. However, the SEBI master circular no. SEBI/HO/DDHS-PoD-2/P/CIR/2024/43 dated 15 May 2024 issued under the REIT Regulations, and Section H of Chapter 3 to the SEBI master circular dated 15 May 2024 dealing with the minimum presentation and disclosures for key financial statements, require the Unit Capital in entirety to be presented/classified as “Equity”, which is at variance from the requirements of Ind AS 32. In order to comply with the aforesaid SEBI requirements, the Embassy Office Parks REIT has presented unit capital as equity in these financial statements. Consistent with Unitholders’ funds being classified as equity, the distributions to Unitholders are also being presented in Statement of Changes in Unitholders’ Equity and not as finance cost. In line with the above, the dividend payable to Unitholders is recognised as liability when the distributions are approved by the Board of Directors of the Investment Manager.

(b) Unitholders holding more than 5 percent Units in the Trust

(c) The Trust has not allotted any fully paid-up units by way of bonus units nor has it bought back any class of units during the period of five years immediately preceding the balance sheet date. Further, the Trust had issued an aggregate of 111,335,400 Units at a price of ₹331.00 each for consideration other than cash during the period of five years immediately preceding the balance sheet date.

MPPL:

- a) The SPV was assessed u/s. 143(3) of the Income Tax Act for AY 2016-17 and received assessment order dated 31 December 2018 with additions made u/s. and 14A of the Income Tax Act with a tax demand of ₹172.28 million. Aggrieved by the assessment order, the SPV filed an appeal before CIT(A) and paid ₹14.06 million under protest with balance demand stayed. However, since the matter in appeal is decided in favour of the SPV in other years and this matter is also heard and is pending CIT(A) order. The SPV has disclosed ₹Nil (31 March 2024: ₹172.28 million) as contingent liability.
- b) The SPV was assessed u/s. 143(3) of the Income Tax Act for AY 2018-19 and received assessment order dated 13 September 2021 with additions made u/s. and 14A of the Income Tax Act. The SPV has filed an appeal against the assessment order at the CIT(A). The order of the CIT(A) is received in favor of the SPV. Accordingly, the SPV has disclosed ₹Nil (31 March 2024: ₹ 26.82 million) as contingent liability.

SIPL:

- (a) The SPV had received an assessment order u/s. 143(3) of the Income Tax Act for AY 2022-23 wherein the assessing officer has denied set-off of brought-forward losses u/s 79A of the Act amounting to ₹ 406.56 million. Consequently, a demand amounting of ₹148.22 million has been raised. Aggrieved by the assessment order, the SPV filed an appeal before CIT(A). As the SPV had already created a provision of ₹101.54 million against the additional income offered, the SPV has accordingly disclosed the balance demand of ₹46.68 million (31 March 2024: ₹46.68 million) as contingent liability.

UPPL:

- (a) The SPV had received an assessment order u/s. 154 read with 143(3) of the Income Tax Act for AY 2017-18 wherein the assessing officer has disallowed set off of losses against the addition made during assessment treating certain expenses as unexplained expenditure under section 69C of the Income Tax Act. Aggrieved by the assessment order, the SPV filed an appeal before CIT(A). Accordingly, the SPV has disclosed ₹ 46.35 million (31 March 2024: Nil) as contingent liability.

IENMPL: The SPV received a tax demand notice of ₹9.25 million for Assessment Year 2014-15 for short grant

of TDS. Further, the Assessing Officer had not accepted the additional claim made by the SPV on allowing the voluntary disallowance made by the SPV on management fees and additions made u/s. and 14A of the Income tax Act. Aggrieved by the assessment order, the SPV filed an appeal before CIT(A). As the short grant of TDS was allowed through a rectified order u/s 154, SPV filed an application for withdrawal of the appeal. Accordingly, the SPV has disclosed ₹Nil (31 March 2024: ₹9.25 million) as contingent liability.

QBPPL: The SPV had received an assessment order u/s. 143(3) of the Income Tax Act for AY 2015-16 with 14A disallowance, certain expense disallowances and short grant of TDS credit resulting in demand of ₹3.76 million. An appeal against the assessment order was filed before CIT(A) and the same is in the process of hearing. Penalty proceedings have been initiated. Accordingly, the SPV has disclosed the above demand of ₹3.76 million (31 March 2024: ₹3.76 million) as contingent liability.

VTPL:

- (a) The SPV was reassessed u/s. 153C read with 143(3) of the Income Tax Act, 1961 for the AY 2003-04 and 2004-05. Certain additions u/s. 68 were made and tax demand of ₹23.55 million and ₹1.62 million respectively was raised. The SPV filed an appeal against the demand order before CIT(A) which was upheld in favour of SPV quashing the demand raised. Aggrieved by the CIT(A) order, Income Tax Department filed an appeal before Hon’ble Delhi ITAT. For AY 2003-04 Hon’ble Delhi ITAT has disposed the case in favour of SPV and resultantly the Income Tax Department filed an appeal before Hon’ble High Court of Delhi which was also disposed in favour of SPV. Also for AY 2004-05 the tax department’s appeal has been dismissed by Hon’ble Delhi ITAT as the matter involved was having tax impact less than ₹ 1 million. Therefore, the SPV has disclosed ₹ Nil (31 March 2024: ₹1.62 million) as contingent liability.

Trust:

- (a) The Trust was assessed u/s. 143(3) of the Income Tax Act, 1961 for the AY 2021-22 on account of disallowance of expenses claimed u/s 35D of the Act. Aggrieved by the assessment order, the Trust had filed an appeal before CIT(A). CIT(A) dismissed the appeal in favour of the Tax Department. Aggrieved by CIT(A) order, the Trust has filed an appeal before Hon’ble Income-tax Appellate Tribunal. Further, the CIT(A) has directed the Tax Department to

- (a) The SPV had received Order-in-original dated 23 December 2015 with a demand to pay a sum of ₹522.04 million (including interest and penalty) from the Commissioner of Central Excise Bangalore-V Commissionerate towards incorrectly availed Cenvat credit during the period 1 April 2006 to 31 March 2012. Appeal has been filed before CESTAT dated 18 April 2016. The appeal is heard and order is reserved. Accordingly, ₹522.04 million (31 March 2024: ₹522.04 million) is disclosed as contingent liability.
- (b) The Customs department issued demand notice to the Oil Suppliers of the SPV with a demand of ₹ 40.09 million for the period 1 April 2015 to 15 February 2016 denying duty benefit on the procurement of diesel. The Oil Suppliers have subsequently raised the demand on the SPV. Consequently, SPV preferred an appeal before the SEZ commissioner which was rejected by the Commissioner and aggrieved by the order, SPV filed a Writ Petition before the Hon'ble High Court of Karnataka and had obtained an Interim stay order from the Court on 9 February 2017. The SPV has received a favourable order from High Court allowing the duty benefit on procurement of diesel. Accordingly, the SPV has disclosed Nil (31 March 2024: ₹31.60 million) as contingent liability.
- (c) The Principal Commissioner of Service Tax issued a final adjudication order dated 20 January 2022 with a demand of ₹102.38 million including penalty on various issues including irregular availment of input credit, turnover reconciliation etc. The SPV has filed an appeal with CESTAT against the order received from commissioner of service tax. Accordingly, a sum of ₹102.38 million (31 March 2024: ₹102.38 million) has been disclosed as contingent liability.

GSPL: The SPV had received an Order-in-Original passed by the Commissioner of Central Excise and Service Tax Commissionerate, Noida for the period FY 2008-09 to 2012-13 demanding ₹11.99 million (along-with penalty of equal amount) in respect of inclusion of notional interest accrued on security deposit in the taxable value. Against the aforesaid Order, the SPV had filed an appeal before the Hon'ble Customs, Excise and Service Tax Appellate Tribunal which directed the SPV to make a pre-deposit of ₹0.90 million to stay the recovery of the balance amount. The same was paid by the SPV under protest. The SPV has received a favourable order from CESTAT and the said demand has been set aside. There is no further appeal filed by the revenue against the said order and accordingly, the SPV has disclosed Nil (31 March 2024: ₹23.99 million) as contingent liability.

UPPL:

- (a) The SPV had received show cause notices dated 3 July 2015 for demand due to irregular cenvat credit availed for Rs 23.04 million relating to period from 1 April 2011 to 31 March 2016. Responses have been filed and is pending before the Commissioner of Service Tax. The matter is subjudiced and is currently pending at higher courts and hence the department has kept the matter on hold. As there are favourable judgement of Group entities of Embassy REIT for similar matter, accordingly, the SPV has disclosed Nil (31 March 2024: ₹23.04 million) as contingent liability.
- (b) The SPV had received an order dated 4 March 2024 for demand of tax on corporate guarantee amounting to Rs 5.71 million relating to period from 1 April 2019 to 31 March 2020. Against the said order, the SPV has filed an appeal before the Joint Commissioner (Appeals) after making a pre-deposit

- (a) The SPV has received a demand order dated 5 October 2015 to pay a demand of ₹844.66 million (₹2,739.49 million including penalty and interest upto June 2016) towards the difference in property tax payable by the SPV, which difference arose on account of classification of the property under different schedules for the purpose of computing property taxes, for the period 2008-09 to 2015-16. The SPV is contesting that the concerned property being an industrial estate that has been developed as special economic zone must be classified as category XIV as per the notification issued under Karnataka Municipal Corporation Act, 1976 ('the Act') and Bruhat Bengaluru Mahanagar Palike Property Tax Rules, 2009 ('Rules'). Whereas, the Assistant Revenue Officer has been considering the concerned property under category VIII as per the notification issued under the Act and Rules. The SPV filed a writ petition against the demand order which has been dismissed by the Hon'ble High Court of Karnataka. The said court upheld the demand made by BBMP. Against the order passed by single judge for the dismissal of writ petition, MPPL has based on external legal opinion filed an appeal before the aforementioned court and the same has been admitted by the court on 27 June 2016. The Hon'ble High Court restrained BBMP from

taking any coercive action against the SPV and also directed BBMP to allow the SPV to make payment of property tax for the assessment year 2016-17. The matter is currently pending as at the date of these financial statements. Accordingly, this has been disclosed as a contingent liability. The SPV has paid ₹646.69 million (31 March 2024: ₹646.69 million) under protest against the above demand. The SPV has received a revised demand note dated 27 June 2024 where the updated demand amount is ₹652.20 million (excluding penalty & interest).

- (b) The SPV has also received demand notices dated 9 October 2017 to pay a sum of ₹760.07 million including penalty as of that date towards the differential property tax based on the total survey report for certain blocks for the period 2008-09 to 2017-18. An appeal had been filed before the Joint Commissioner, BBMP, Bytarayanapura, Bangalore ("Joint Commissioner") objecting the total survey report and property tax assessment notice arising therefrom. New demand notices dated 17 January 2019 were issued to pay a sum of ₹860.39 million (including penalty) towards the differential property tax for the period 2008-09 to 2017-18 and interest upto the date of payment as per the demand notices. The SPV submitted a letter to the Joint Commissioner dated 29 March 2019 referring to the appeals preferred by the SPV and had paid a sum

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

of ₹286.80 million towards property tax demanded under protest. An order was passed by the Joint Commissioner dismissing the appeal preferred by the SPV. Against the order passed by the Joint Commissioner, MPPL has, based on external legal opinion, filed a writ petition before the Hon'ble High Court of Karnataka on 3 August 2020 on various grounds, inter alia, that the rates BBMP has relied on to calculate property tax in the said demand notices dated 9 October 2017 has been already challenged in a writ appeal filed by the SPV and pending before Hon'ble High Court of Karnataka as mentioned in note iv(a) above. Additionally new notices dated 24 July 2019 and 18 March 2021 were issued to pay a sum of ₹78.56 million (including penalty) and ₹27.25 million (including penalty) towards the differential property tax for the year 2018-19 and 2019-20 respectively and the SPV has paid ₹35.26 million towards property tax demanded under protest. However, BBMP vide notice dated 17 June 2021 have returned the demand draft amount of ₹9.08 million (differential property tax for the year 2019 -20 paid) requesting payment of interest and penalty along with the differential tax amounting to ₹27.25 million. The BBMP has issued distress warrant on 1 February 2022 in relation to the above said matter with a notice to pay ₹ 727.09 million against which MPPL has obtained an interim stay on 16 February 2022 from the Hon'ble High Court of Karnataka till the next date of hearing. Pursuant to the return of the demand draft amounting to ₹9.08 million, the SPV has filed an writ petition before the Hon'ble High Court of Karnataka for (i) staying the operation and execution of the demand notices dated 18 March 2021 and endorsement dated 17 June 2021 and (ii) directing the BBMP to accept the payment of differential property tax. The Hon'ble High Court of Karnataka on 30 September 2022 directed the BBMP to accept the principal payment of ₹9.08 million. Basis the order of the Hon'ble High Court of Karnataka, MPPL has deposited the principal payment of ₹9.08 million to BBMP vide letter dated 11 October 2022 via demand draft.

Pursuant to the One Time Settlement Scheme promulgated by the State of Karnataka vide government order dated 22 February 2024 (OTS Scheme) which allowed for payment of past dues with penalty while waiving interest, and based on the representation from BBMP, the SPV has made an under-protest payment of ₹385.47 million (inclusive of one time penalty as per the OTS Scheme) towards the full and final satisfaction of the demand notices

mentioned above. However, while determining the amount payable under the OTS Scheme, the BBMP has not considered a payment of ₹26.19 million and therefore, the SPV has claimed for the credit of this amount. Further, the final amount payable was calculated based on BBMP's classification of the property which has been disputed by the SPV as specified at (a) above. However, the contingent liability amount for (a) has not been reduced on this account. Accordingly, a net contingent liability of ₹385.47 million (31 March 2024: ₹679.40 million) has been disclosed in these financial statements. Subsequent to the under-protest payment by the SPV, the OTS Scheme has been amended to dispense with the payment of penalty along with the interest. The SPV has addressed a letter to the BBMP seeking benefit of such amendment in respect of the under-protest payment already made.

CESTAT. As at 31 March 2025 the appeal is pending before CESTAT for hearing and accordingly the same is disclosed as a contingent liability by GLSP.

vi) Other matters

- (a) **VCPPL (Forfeiture of security deposit matters):** Orange Business Services India Technology Private Limited, earlier known as Equant Technologies Services (India) Private Limited ("Equant") had filed a summary suit bearing No. 388 of 2012 with the Hon'ble Bombay High Court alleging that the SPV incorrectly terminated the letter of intent dated 18 July 2008 executed between the SPV and Equant for renting premises in Embassy 247 Park pursuant to which Equant paid to the SPV a security deposit of ₹ 40.32 million, which was withheld by the SPV on account of breach of agreed terms of the said letter of intent. The Hon'ble High Court had passed an order dated 10 February 2014 wherein the court has granted leave to defend the matter subject to deposit of ₹ 34.42 million in the court within 12 weeks. VCPPL filed an appeal against the order dated 10 February 2014 and further obtained a stay on 7 July 2014 against the order dated 10 February 2014 till final disposal of the appeal. The matter is pending for hearing.

(b) EEPL :

- i) SPV received a demand notice under the Insolvency and Bankruptcy Code, 2016 (IBC) on 28 February 2019 from a third party sub-contractor, engaged by IL&FS Development Company ("IEDCL"), IEDCL in turn appointed by the parent company of IL&FS Solar Power Limited ('ISPL'), ISPL was the main contractor appointed by Embassy Energy. The demand notice alleges that unpaid amounts (categorized as operational debts) aggregating up to ₹1,008.10 million (including interest up to October 2018) are due to the third party sub-contractor directly from SPV for the various works claimed to have been undertaken at the site of Embassy Energy, on the basis of certain correspondence with SPV. SPV has by its letter dated 1 March 2019, refuted all such claims inter alia on the basis that the payments are due from ISPL (and/ or its parent entity) to the third party sub-contractor and not from SPV, and therefore the third party sub-contractor has no claim against SPV. By its letters dated 18 March 2019, the third party sub-contractor has responded to the letter from SPV, denying all statements made by SPV and reiterating that the unpaid amounts are due from SPV. The third party sub-contractor has thereafter filed an application

under Section 9 of the Code before the Bangalore bench of National Company Law Tribunal claiming debt of ₹1,082.50 million (including interest up to September 2019) and interest thereon against SPV. The National Company Law Tribunal vide its order dated 8 March 2022 has dismissed the petition filed by the third party sub-contractor. The third party sub-contractor filed an appeal before the National Company Law Appellate Tribunal, Chennai and the same was dismissed vide order dated 16 June 2023. The third party sub-contractor has filed an appeal before the Supreme Court of India against the orders of the NCLT and NCLAT and the next date of hearing is awaited. Further, the third party sub-contractor has filed for pre- institution mediation under the Commercial Courts Act, 2015 before the District Legal Services Authority, Bengaluru and the pre-mediation has failed. The third party sub-contractor has initiated a summary suit before the Additional City Civil and Sessions Judge, Commercial Court, Bengaluru and SPV has filed the objections for leave to defend and also filed application for dismissal of the plaint before the Additional City Civil and Session Judge. The third party sub-contractor filed a complaint before the Economic Offence Wing, Mumbai ("EOW") against the SPV and has lodged an First Information Report against the SPV and certain other individuals claiming ₹1,315.70 million. The SPV has filed a Criminal Writ Petition before the High Court of Bombay against the State of Maharashtra and representative of the third party contractor praying for (i) quashing and setting aside of the FIR and investigation of the EOW and (ii) stay on further proceedings under the FIR and the EOW. B. Measurement of fair values

The section explains the judgement and estimates made in determining the fair values of the financial instruments that are:

- a) recognised and measured at fair value
- b) measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level is mentioned below:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all

Consolidated Financials

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

Transfers between Level 1, Level 2 and Level 3

There were no transfers between Level 1, Level 2 or Level 3 during the year ended 31 March 2025 and 31 March 2024.

Determination of fair values

Fair values of financial assets and liabilities have been determined for measurement and/or disclosure purposes based on the following methods. When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

- i) The fair values of other financial assets and financial liabilities are considered to be equivalent to their carrying values.
- ii) The fair values of borrowings at fixed rates are considered to be equivalent to present value of the future contracted cashflows discounted at the current market rate. The fair value has been categorised as Level 3 Fair value.

C. Financial Risk Management

The Group has exposure to following risks arising from financial instruments:

- market risk
- credit risk
- liquidity risk

Risk management framework

The Board of Directors of the Manager of Embassy Office Parks Group has overall responsibility for the establishment and oversight of the Embassy Office Parks Group's risk management framework. The Embassy Office Parks Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities.

The Board of Directors of the Managers of Embassy Office Parks Group oversees how management monitors compliance with the Group's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the group. The Audit Committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the Audit Committee.

a. Market risk

Market risk is the risk that changes in market prices, such as interest rates and foreign exchange rates, will affect the Group's income and its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters.

i. Currency risk

The foreign currency risk from financial assets and liabilities is as follows:

Particulars	As at 31 March 2025				As at 31 March 2024		
	USD	JPY	EURO	Total	USD	EURO	Total
Trade payables	111.23	0.10	0.77	112.10	90.70	-	90.70
Other financial liabilities	19.04	-	3.11	22.15	40.60	0.49	41.09

ii. Interest rate risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to its long-term debt obligations with floating interest rates.

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

Exposure to interest rate risk:

The exposure of the Group's borrowing to interest rate changes at the end of the reporting period are as follows :

Particulars	As at 31 st March 2025	As at 31 st March 2024
Variable-rate instruments:		
Financial liabilities		
Borrowings (Non-current and current)	96,291.73	66,537.69
Variable rate instruments exposed to interest rate risks	96,291.73	66,537.69

Cash flow sensitivity analysis for variable-rate instruments

A reasonably possible change of 1% (100 basis points) in interest rates at the reporting date would have increased / (decreased) profit or loss by the amounts shown below. This analysis assumes that all other variables remain constant.

Particulars	For the year ended 31 March 2025		For the year ended 31 March 2024	
	+ 1%	- 1%	+ 1%	- 1%
Impact on the statement of profit and loss	(498.49)	498.49	(322.22)	322.22

Fair value sensitivity analysis for fixed-rate instruments

The Group does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Hence, there is no exposure as at the reporting date to the statement of profit or loss.

iii. Price risk

Price risk is the risk of fluctuations in the value of assets and liabilities as a result of changes in market prices of investments. The Group has no material exposure to equity securities price risk and is not exposed to commodity risk. The Group's exposure to price risk arises from investments held by the Group in mutual funds and classified in the balance sheet as fair value through statement of profit or loss. The fair value of these investments is marked to an active market. The financial assets carried at fair value by the Group are mainly investments in liquid and overnight debt mutual funds and accordingly no material volatility is expected.

b. Credit risk

Credit risk is the potential financial loss resulting from the failure of tenants or counterparties of the Group to settle its financial and contractual obligations, as and when they fall due.

The Group has an established process to evaluate the creditworthiness of its tenants and prospective tenants to minimise potential credit risk. Credit evaluations are performed by the Group before lease agreements are entered into with prospective tenants. Security in the form of bankers' guarantees or cash security deposits are obtained upon the commencement of the lease.

The Group establishes an allowance account for impairment that represents its estimate of losses in respect of trade and other receivables. The main component of this allowance is estimated losses that relate to specific tenants or counterparties.

The allowance account is used to provide for impairment losses. Subsequently when the Group is satisfied that no recovery of such losses is possible, the financial asset is considered irrecoverable and the amount charged to the allowance account is then written off against the carrying amount of the impaired financial asset.

Cash at bank and fixed deposits are placed with banks and financial institutions which are regulated and have low or no risk.

As at the reporting date, there is no significant concentrations of credit risk. The maximum exposure to credit risk is represented by the carrying value of each financial asset on the Balance Sheet.

i. Expected credit loss (ECL) assessment for customers/ tenants as at 31 March 2025 and 31 March 2024:

The Group allocates each exposure to a credit risk grade based on a variety of data that is determined to be predictive of the risk of loss (including but not limited to past payment history, security by way of deposits, external ratings, audited financial statements, management accounts and cash flow projections and available press information about customers) and applying experienced credit judgement.

The Group uses an allowance matrix to measure the expected credit loss of trade receivables from individual customers.

Based on the industry practices and the business environment in which the entity operates, management considers that the trade receivables are credit impaired if the payments are more than 180 days past due.

The following table provides ageing of trade receivables alongwith information about the exposure to credit risk and expected credit loss for trade receivables:

The cash and cash equivalents and fixed deposits with bank are mainly held with scheduled banks which are highly regulated. The Group considers that its cash and cash equivalents and fixed deposits with bank have low credit risk based on the external credit ratings of counterparties.

iv. Other financial assets

The Group considers that its other financial assets which mainly represents unbilled revenue with its tenants have low credit risk based on its nature and other security available.

c. Liquidity risk

Liquidity risk is the risk that the group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The group’s approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the group’s reputation.

The Group monitors rolling forecasts of its liquidity position and cash and cash equivalents on the basis of expected cash flows. This is generally carried out in accordance with practice and limits set by CODM. In addition, the Group’s liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

The above facilities may be drawn at any time.

47 Capital management

The Group’s policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Group’s capital structure mainly constitutes equity in the form of unit capital and debt. The projects are initially funded through construction financing arrangements. On completion, these borrowings are restructured into lease-rental discounting arrangements or debentures. The Group’s capital structure is influenced by the changes in regulatory framework, government policies, available options of financing and the impact of the same on the liquidity position.

The Group monitors capital using a ratio of ‘Net debt’ to ‘Gross asset value (GAV) of all SPV’s’ including fair value of its 50% investment in Golflinks Software Park Private Limited. For this purpose, Net debt is defined as Long-term borrowings + Short-term borrowings - Cash and other bank balances - Investments in mutual funds (net of NDCF to be distributed for the current quarter).

48 Operating segments

Ind AS 108 establishes standards for the way that business enterprises report information about operating segments and related disclosures. Based on the ‘management approach’ as defined in Ind AS 108, the Chief Operating Decision Maker (‘CODM’) evaluates the Embassy Office Parks’ performance and allocates resources based on an analysis of various performance indicators by operating segments. The accounting principles used in the preparation of the Consolidated Financial Statements are consistently applied to record revenue and expenditure in individual segments and are as set out in the significant accounting policies.

Operating segments of Embassy Office Parks Group are (i) Commercial Offices, (ii) Hospitality and (iii) Other segments. Other segments comprise Generation of Renewable Energy. Revenue and identifiable operating expenses in relation to segments are categorized based on items that are individually identifiable to that segment.

Net Operating Income (‘NOI’) is the key metric reported to the CODM for the purposes of assessment of the segment results. The same is defined as follows:

a) Commercial Offices segment:

NOI for Commercial Offices is defined as revenue from operations (which includes (i) facility rentals, (ii) maintenance services income, (iii) income from

finance lease, and (iv) other operating income for Commercial Offices) less direct operating expenses (which includes (i) operating and maintenance expenses including common area maintenance expenses (ii) property taxes, (iii) rent and (iv) insurance).

b) Hospitality segment:

NOI for hospitality segment is defined as revenue from operations (which includes (i) room rentals, (ii) sale of food and beverages, (iii) other operating income from hospitality) less direct operating expenses (which includes (i) cost of materials consumed, (ii) employee benefits expenses, (iii) operating and maintenance expenses excluding property management fees and (iv) other expenses).

c) Other segment:

NOI for other segments is defined as revenue from operations (which includes income from generation of renewable energy) less direct operating expenses (which includes (i) operating and maintenance expenses and (ii) other expenses). Certain income (such as interest, dividend and other income) and certain expenses (such as other expenses excluding direct operating expenses, depreciation, amortisation, impairment loss and finance cost) are not specifically allocable to segments and accordingly these expenses are adjusted against the total income of the Embassy Office Parks Group.

*Of the above, MPPL has provided a guarantee of ₹179.46 million to a tenant (sub-lessee) of Wework India Management Limited (Wework), for the security deposits paid by the sub-lessee to Wework. This guarantee has been provided based on the specific request of the sub-lessee and is backed by an independent bank guarantee received by MPPL for a similar amount and duration on behalf of Wework.

Note 1: Outstanding balances at the year-end, arising from transactions with related parties under ordinary course of the business, are unsecured and settlement occurs in cash as per agreed terms.

Note 2: During the year ended 31 March 2025, EPDPL sought registration of a demerger order which approved the demerger of Embassy Splendid TechZone from EPDPL to ESNP. Pursuant to a demand for payment of stamp duty on the demerger order and subsequent issuance of and order for impounding the demerger, EPDPL filed three writ petitions before the High Court of Madras. Interim relief was sought by EPDPL and granted by the High Court of Madras whereby the release of the demerger order was directed subject to the payment of ₹75.00 million. The relevant amount was paid by ESNP to the relevant authority on behalf of EPDPL. Further, EPDPL had confirmed that it will ensure the repayment of the deposit along with the prescribed interest (if any) to ESNP, on receipt of the order of the court. Subsequent, to the balance sheet date, the High Court of Madras has passed an order dated 17 April 2025 allowing the writ petitions filed by EPDPL and deposit to be refunded within four weeks' time.

50 Employee benefits

I Defined contribution plan

The Group has employees majorly pertaining to its Hospitality segment. The Group has defined contribution plans. Contributions are made to provident fund in India for employees at the rate of 12% of basic salary as per regulations. The contributions are made to registered provident fund administered by the government. The obligation of the Group is limited to the amount contributed and it has no further contractual nor any constructive obligation. The expense recognised during the year towards defined contribution plan is as under:

Particulars	For the year ended 31 March 2025	For the year ended 31 March 2024
Employer's contribution to Provident Fund	33.42	30.67
Employer's contribution to Employee State Insurance Corporation	1.90	2.27
Expense recognised during the year	35.32	32.94

II Defined benefit plan

A Gratuity:

In accordance with applicable Indian laws, the Group provides for gratuity, a defined benefit retirement plan (Gratuity Plan). The Gratuity Plan provides a lump sum payment to vested employees, at retirement or termination of employment, an amount based on the respective employee's last drawn salary and the number of years of employment with the Group.

	(0.56)	(6.74)

c. Other disclosures

(i) Actuarial assumptions

Principal actuarial assumptions at the reporting date:

Particulars	For the year ended 31 March 2025	For the year ended 31 March 2024
Discount rate	6.50% to 6.75%	7.10% to 7.20%

Attrition rate	40% to 50%	35% to 40%
Retirement age	58 years to 60 years	58 years to 60 years

(ii) Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation as shown below.

Particulars	As at 31 March 2025	
	Increase	Decrease
Discount rate (50 basis points movement)	8.99	9.27
Employee attrition rate (50 basis points movement)	6.44	13.76
Future salary growth (50 basis points movement)	9.26	8.99
Employee mortality rate (100 basis points movement)	9.13	9.12

Particulars	As at 31 March 2024	
	Increase	Decrease
Discount rate (50 basis points movement)	9.13	9.44
Employee attrition rate (50 basis points movement)	7.10	13.16
Future salary growth (50 basis points movement)	9.44	9.13
Employee mortality rate (100 basis points movement)	9.28	9.28

The estimates of future salary increases, considered in actuarial valuation, takes into account inflation, seniority, promotion and other relevant factors such as supply and demand factors in the employment market.

Consolidated Financials

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior year.

The Group's best estimate of contributions expected to be paid during the annual period beginning after the Balance Sheet date, towards gratuity is ₹6.36 million.

The Group has purchased an insurance policy to provide for payment of gratuity to the employees. Every year, the insurance company carries out a funding valuation based on the latest employee data provided by the Group. Any deficit in the assets arising as a result of such valuation is funded by the Group.

(iii) Maturity profile of defined benefit obligation:

Particulars	As at 31 st March 2025	As at 31 st March 2024
Weighted average duration (based on discounted cashflows)	3 years	2 yrs to 4 yrs

(iv) The expected future cash flows in respect of gratuity:

Projected benefits payable in future years from the reporting date	As at 31 st March 2025	As at 31 st March 2024
1 st following year	2.16	2.27
2 nd to 5 th year	7.38	7.00
6 th to 10 th year	1.65	2.42
Beyond 10 years	0.15	0.31

B Compensated absences:

The compensated absences cover the Group's liability for earned leave which are classified as other short-term benefits. According to the Group's policy on compensated absences, employees can encash their accumulated leave balance based on their last drawn gross salary.

(i) Liability recognized in the balance sheet

Particulars	As at 31 st March 2025	As at 31 st March 2024
Non-current	-	-
Current	16.75	15.29
Total	16.75	15.29

(ii) Expense recognized in statement of profit and loss:

Particulars	For the year ended 31 March 2025	For the year ended 31 March 2024
Compensated absence expense	4.43	8.77
	4.43	8.77

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

Other disclosures

Other disclosures are not provided for compensated absences, since the amount of provision for compensated absences is immaterial for the Group.

C Risk exposure:

Through its defined benefit plans, the group is exposed to a number of risks, the most significant of which are detailed below:

- Liquidity Risk:** The Group has purchased insurance policy, which is basically a year-on-year cash accumulation plan in which the interest rate is declared on yearly basis and is guaranteed for a period of one year. The insurance Company, as part of the policy rules, makes payment of all gratuity payments during the year (subject to sufficiency of funds under the policy). The policy, thus, mitigates the liquidity risk.
- Change in bond yields:** Plan assets, being a cash accumulation plan, the duration of assets is shorter compared to the duration of liabilities. Thus, the Group is exposed to movement in interest rate (in particular, the significant fall in interest rates, which should result in a increase in liability without corresponding increase in the asset).
- Inflation risks:** Gratuity payments are based on last drawn salary of the employee. Increase in inflation will increase the future salary of employees, thus resulting in increase in projected benefit obligations.
- Asset Liability Mismatch or Market Risk:** The duration of the liability is longer compared to duration of assets, exposing the Group to market risk for volatilities/ fall in interest rate.

54 Asset acquisition

During the year ended 31 March 2025, Embassy REIT has entered into share purchase agreements with Embassy Property Developments Private Limited (EPDPL) and Mr. Aditya Virwani (together known as Sellers) for acquisition of ESNP Property Builders and Developers Private Limited ("ESNP"). The acquisition was effected on 3 June 2024 ("Acquisition Date").

Embassy REIT acquired 100% of the equity share capital of ESNP comprising 67,951,861 fully paid-up equity shares of ₹10 each from EPDPL (co-sponsor) and Mr. Aditya Virwani. Embassy REIT also incurred directly attributable expenses in relation to the asset acquisition, amounting to ₹119.76 million.

The price payable for acquisition of equity shares of ESNP was funded entirely through internal accruals of the Trust. The consideration for the aforesaid acquisition, was paid in the form of assumption and repayment of identified assets and liabilities of ESNP.

Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

ESNP is engaged in the business of development and leasing of commercial space and related interiors and maintenance of such assets. Major asset pool of this SPV comprise of investment property and investment property under development. Based on assessment performed by management, substantially all of the fair value of the gross assets acquired is concentrated in investment property and investment property under development. Embassy Office Parks REIT had opted to apply optional concentration test in respect of acquisition of ESNP. Accordingly, acquisition of ESNP has been accounted as acquisition of group of assets not constituting a business and requirements in Ind AS 103 for business combination accounting has not been applied to this transaction. The transaction did not result in recognition of goodwill or bargain gain in the books of the REIT.

The gross purchase consideration was as follows:

Particulars	Amount (in million)
Investment Property & Investment Property under development	11,852.60
Cash & Cash Equivalents	603.90
Other Assets	341.36
Less: Borrowings (includes related party loans - refer note 48)	(11,871.11)
Less: Other Liabilities	(926.45)
Total Purchase Consideration	0.30
Add: Transaction cost	119.76
Gross purchase consideration	120.06

Embassy office parks group had obtained two independent valuation reports as required by the REIT regulations for the above acquisition and the average of the two valuations amounts to ₹13,057 million. Acquisition consideration was at 9.2% discount to average of two independent valuation reports. No fees or commission was paid to the Manager in relation to the transaction. All the material conditions and obligations for the transaction were complied.

57 Advance paid for co-development of property, including development rights of land (M3 Block B)

Block B

During the financial year ended 31 March 2020, to consolidate the M3 land parcel within Embassy Manyata campus, MPPL and EPDPL entered into another co-development agreement whereby EPDPL undertook to develop 0.6 msf M3 Block B warm shell building to be handed over to MPPL by agreed delivery date for a total consideration of ₹7,367.35 million. Furthermore, as per the co-development agreement, during the period of construction, EPDPL is obligated to pay interest to MPPL on the amount of the Development Consideration disbursed by MPPL to EPDPL. There had been delay in project development as per the planned construction timeline due to delay in the acquisition of necessary development rights and receipt of certain regulatory approvals.

The parties have now agreed to utilise a portion of the excess FSI available with MPPL to complete the construction of the warm shell building and have received necessary regulatory approvals in this regard. Consequently, pursuant to the independent benchmarking reports obtained, the parties have also agreed to reduce the total consideration from ₹7,367.35 million to ₹6,658.15 million.

As per terms of this co-development agreement, consideration is contingent on pre-defined Net Operating Income achieved and therefore consideration will be trued up/down accordingly upon project completion and final handover.

MPPL has obtained mortgage of 8.1 acres of land as security against the consideration paid till date.

During the period, the warmshell building has been completed and occupancy certificate has been obtained. MPPL has received the final handover of M3 Block B building and true-up has been effected. Accordingly, true-up consideration of ₹490 million has been paid in accordance with the terms of the agreements.

2. Valuation Guidelines and Definition

Given the purpose of valuation as mentioned above, the valuation exercise has been carried out to estimate the “Market Value” of the Subject Properties in accordance with the IVSC International Valuation Standards issued in 2021 and effective from 31st January 2022. As per IVS 104, “Market Value” is defined as ‘The estimated amount for which an asset or liability should exchange on the valuation date between a willing buyer and a willing seller in an arm’s-length transaction after proper marketing and where the parties had each acted knowledgeably, prudently and without compulsion.

3. Valuation Approach

The basis of valuation for the Subject Property being Market Value, the same has been derived by the following approach:

Discounted Cash Flow Method using Rental Reversion

The market practice in most commercial/ IT developments involves contracting tenants in the form of pre-commitments at sub-market rentals to increase attractiveness of the property to prospective tenants typically extended to anchor tenants. Additionally, there are instances of tenants paying above-market rentals for certain properties as well (primarily owing to market conditions at the time of contracting the lease). In order to arrive at a unit value for these tenancies, we have considered the impact of such sub/above market leases on the valuation of the Subject Property.

For the purpose of the valuation of Subject Properties, Income Approach - Discounted Cash Flow Method using Rental Reversion has been adopted.

4. Valuation Methodology

In order to compute the Market Value of the Subject Property the following understanding /assessment is required:

- a. Micro Market Assessment where the Subject Property is located.

EMBASSY OFFICE PARKS REIT

- b. Portfolio Assessment (existing and future supply, demand from occupiers, average office space take up by an occupier in a particular sector, existing vacancy and the rentals)
- c. Situation of the Subject Property (current achievable rentals, vacancy numbers, competing supply in the micro market etc.) with respect to the micro market.

The details are elaborated below:

Portfolio & Rental Assessment:

- The area details, ownership interests of the Subject Property have been provided by the Client.
- Physical site inspections were conducted to assess the current status of the Subject Property.
- The rent rolls along with corresponding leases deeds (on a reasonable sample basis) were reviewed to identify tenancy characteristics for the Subject Property.
- The current effective rent is weighted average rentals for leased office/ retail plus other income.

Preparation of Future Cash Flows:

- Computing the monthly rental income projected and translating the same to a quarterly cash flow.
- The operational expenses of the respective properties are reviewed to understand the recurring, non-recurring, recoverable and non-recoverable nature expenses and accordingly estimate the margins on the common area maintenance income, which accrues as cash inflows to the Subject Property and normalised for the purpose of cash flow projections.
- The projected future cash flows from the Subject Property are based on existing lease terms for the operational area till the expiry of the leases or re-negotiation, whichever is earlier, following which, the lease terms have been aligned with market rents achievable by the Subject Property.
- The cash flows for the operational, under construction and proposed development area have been projected separately for the purpose of estimating and reporting valuation in accordance with the SEBI (REIT) Regulations
- For vacant area, under-construction area and proposed development area, the achievable market rent-led cash flows are projected factoring appropriate lease-up time frame for vacant/under-construction/proposed development area.

L. Anuradha MRICS

(IBBI/RV/02/2022/14979)

EMBASSY OFFICE PARKS REIT

- Recurring operational expenses, fit-out income (wherever applicable, however, the same has not been included in the NOI for the purpose of arriving at the terminal value by capitalisation) and vacancy provision have been adopted in-line with prevalent market practices and conditions.
- In addition, appropriate rent-free periods have been adopted during lease roll-overs to consider potential rent-free terms as well as outflows towards brokerage.
- These cash flows have been projected for 10-year duration from the date of valuation wherein 11th year Net operating income (NOI) is capitalized for the assessment of terminal value. These future cash flows are then discounted to present-day value (valuation date) at an appropriate discount rate to arrive at the Market Value of the Subject Property.

5. Information Sources

The Subject Property related information for the valuation exercise have been provided by the client, unless otherwise mentioned. The documents provided have been assumed to be a true copy of the original. The rent rolls have been cross-checked with the lease deeds on a sample basis only to ensure its correctness.

16.3. Brief Description

The subject property is an operational solar park spread over 465.8 acres of land area across the villages Ittigai, Mooregeri and Nellukudure in Bellary District, Karnataka. The Solar Park is owned by Embassy Energy Private Limited. The subject property is located at a distance of 305 – 310 km from Bengaluru City. The subject micro market is predominantly characterized by the presence of agriculture land parcels. A few solar parks are currently operational/proposed in the subject micro market are operated by prominent players such as ReNew Solar, Adani, etc.

Based on the review of the Power Purchase Agreement (PPA) executed between Embassy Energy and the power purchase for a period of approximately 25 years, it is understood that the solar park supplies electricity to the existing office parks / hotels of Embassy in Bengaluru. Additionally, as per the agreement, the purchasers of PPAs have agreed to purchase at least 85% of the contracted quantity (‘minimum guaranteed offtake’) each tariff year, commencing from the commercial operation date until the end of the term.

Locational Advantage

The subject property is accessible via. State Highway 45 and enjoys good connectivity to neighbouring towns and villages. Bellary district is emerging as a prominent hub for renewable energy. The district stands third among all district in Karnataka in terms of commissioned solar projects. Union Government has identified Bellary as one of the Renewable Economic Zone (REZ) in Karnataka.

The distances (approximately) to Ittigai, Mooregeri and Nellukudure, Bellary District from major landmarks are as follows:

D. KEY ASSUMPTIONS AND DISCLOSURE

EMBASSY OFFICE PARKS REIT

1. Cap Rate

Capitalization rate (“Cap rate”) is a real estate industry metric referring to the ratio of the Net Operating Income (NOI) arising rental income to their gross asset value, indicating the expected income yield of the investor from concerned property. It reflects the expectation of the investor on stability of rental income driven by the asset quality, tenant profile, market demand-supply dynamics and macro-economic expectations on prevailing risk free/ low risk interest rates.

The capitalization rate adopted for valuing various assets has been based on factors such as:

- Relevant parameters of some key investments in comparable properties of similar quality, use, tenant profile made by institutional real estate investors were perused. Further, considering that these investments have been made through private equity and the subject valuation is being carried out for public listing with better liquidity / marketability of ownership interest, the cap rate for the Subject Property was suitably adjusted.

The selected comparable investments consist of investment-grade A properties with a similar tenant profile, commercial usage backed by institutional investors. These properties primarily include large office parks, aligning closely with the characteristics of the REIT properties. Considering these criteria, following comparable transactions have been analyzed to derive the capitalization rate:

Name of Seller	Name of Buyer	Location	City	Name of Building	Type of Building	Year of Transaction	Area (sq.ft.)	Deal Size (INR ma)	Capitalization Rate
Shapoorji Pallonji-Allianz	GIC	Gachibowli	Hyderabad	Waverock 2.1	Commercial	2024	2,284,918	21,500	-8%

Based on these considerations, an exit capitalisation rate ranging between 7.50% and 8.25% has been adopted, with the lower end of the range applied to assets demonstrating superior performance and fundamentals within the portfolio. The cap rate considered for the valuation of subject properties has been captured in the specific subject property section.

2. Discount Rate

The discount rate applied to the available cash flows reflects the opportunity cost to all the capital providers, namely shareholders (Cost of Equity) and creditors (Cost of Debt), weighted by the relative contribution to the total capital of the company (WACC). The opportunity cost to the capital provider equals the rate of return the capital provider expects to earn on other investments of equivalent risk.

• Cost of Debt

The cost of debt is the return that a company provides to its debtholders and creditors. These capital providers need to be compensated for any risk exposure that comes with lending to a company. The cost of debt for real estate assets is often influenced by the stage of development of the asset. The mature and income-generating assets are considered less risky, leading to lower interest rates. In this context, the cost of debt for Embassy REIT properties is benchmarked to the interest rates observed in REITs, as all bear similar characteristics in terms of type and development status of properties. Since a major portion of REITs' portfolios consists of completed, income-generating assets, the cost of debt aligns more closely with the Lease Rent Discounting (LRD) rate.

This approach ensures that the cost of debt is aligned with the risk profile of the property and current market conditions,

Please find below Cost of Debt for Comparable REIT.

Entity Name	Cost of Debt
Embassy (March 2024)	7.4%
Brookfield (March 2024)	8.3%
Mindspace (March 2024)	7.8%

Source: Analyst Presentation for respective REIT

The cost of debt for March 2025 valuation is considered as ~ 8.4 %, which been determined based on the cost of debt for the REITs.

• Cost of Equity

We have considered the cost of equity at 14.50% as per the market return expectations of various investors for commercial office. Apart from that we have also benchmarked CAPM model and inputs of same is detailed out as under

- a. We have considered risk free rate of 6.97% based on average 10-year treasury bond yield.
- b. For calculation of beta, we have benchmarked industry (Nifty Realty Index). We have considered average 5-year Beta of Nifty Realty index with respect to Nifty 50.
- c. We have considered market risk premium of 4.53% based on the returns of broad-based BSE 500 stock index for the past 10 to 15 years.

EMBASSY OFFICE PARKS REIT

• Debt-Equity Ratio (weightage of WACC)

As discussed earlier, the cost of debt has been derived based on prevailing LRD rates, while the cost of equity has been calibrated to account for both asset-specific and market-specific factors, reflecting investor expectations from an operational Grade A office spaces. Additionally, the debt-to-equity mix has been determined considering the typical LRD tenures and the extent to which debt financing contributes to the overall asset value.

The SEBI REIT Regulations states that the maximum permissible limit for debt is 49%. Hence, we have considered the debt and equity mix of 45% and 55% which lies well within the limit specified as per the SEBI REIT Regulations and is also accepted by the market participants.

Derivation of WACC - Operational

Based on the above, the following WACC rate has been assumed for completed commercial assets part of the Embassy REIT:

Particulars	Cost	Weightage	WACC
Debt	8.4%	45.0%	~11.75%
Equity	14.5%	55.0%	

Derivation of WACC – Under Construction

- Cost of debt for under construction properties is considered based on prevailing Construction finance rates at 10%.
- Additionally, the proportion of debt and equity has been derived considering the leverage extended for construction of Grade A office developments based on industry benchmarks and feedback received from financial institutions.
- The derived discount rate of 13% is arrived basis the assumption that the properties would have a higher discount rate during the construction period and would be normalized post construction to 11.75%.

3. Cost Escalation

The cost escalation/inflation assumption of 5.0% per annum has been determined based on similar portfolios and which further corroborates with general consumer inflation trends observed in the Indian economy. This rate reflects average taken for historical inflation data for past 10 years from 2015 to 2024. Below is a table presenting the consumer inflation rate across various years:

EMBASSY OFFICE PARKS REIT

Year	Inflation (%)
2015	4.91%
2016	4.95%
2017	3.33%
2018	3.94%
2019	3.73%
2020	6.62%
2021	5.13%
2022	6.70%
2023	5.65%

B REVIEW FINDINGS

Our exercise has been to review the Stated Procedure, which has been used, for conducting valuation of Properties in connection with the disclosure of valuation of assets, forming part of the portfolio of Embassy REIT, in accordance with the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014, as amended, together with clarifications, guidelines and notifications thereunder in the Indian stock exchange, in accordance with IVS 104 of the IVSC International Valuation Standards issued in 2021, effective from 31 January 2022.

The approach adopted by C&WI would be to review the Stated Procedure, which would have a significant impact on the value of Properties, such as:

- Achievable Rental for the property/ies
- Rental Growth Rate
- Construction Timelines
- Capitalisation Rate
- Discount Rate

C&WI has:

- Independently reviewed the key assumptions as set out in the Stated Procedure and is of the opinion that they are reasonable.
- Independently reviewed the approach and methodology followed and analysis as set out in the Stated Procedure, to determine that it is in line with the guidelines followed by RICS and hence is appropriate.

C&WI finds the assumptions, departures, disclosures, limiting conditions as set out in the Stated Procedure, relevant and broadly on lines similar to RICS guidelines. No other extraordinary assumptions are required for this review.

We observe that the assumptions noted in Annexure 2, reflect these factors.

Below is the Property/ Business wise analysis:

- Embassy Manyata:**

C&WI view of the market rent for the asset would be in the range of INR 98-100 per sft per month. This is keeping in mind the latest transactions within the park and competing office parks in the vicinity. The other assumptions relating to common area maintenance margin, rent free period, stabilised vacancy, other income, property management fees, etc. are in line with market norms and/or past performance of the IT/ ITeS Park. The achievable ARR of the Hilton at Manyata Embassy Business Park would be in the range of INR 11,000 – 12,000 and the achievable ARR of the Hilton Garden Inn at Manyata Embassy Business Park would be in the range of INR 7,000 – 8,000. The achievable Occupancy of both the hospitality developments are in the range between 70% - 75% on stabilization. This is keeping in mind the historical ARR achieved by the hospitality development and the comparable hospitality developments in the vicinity. C&WI considers the discount rate appropriate and cap rate in line with the market.

Annexure 2: Extract of Methodology & Key Assumptions for the Valuation of Properties

Note: The Properties has been referred to as "Subject Properties" by the valuer. Similar representation has been followed in this section.

Valuation Approach and Methodology

• PURPOSE OF VALUATION

The purpose of this valuation exercise is to estimate the value of the Subject Properties as part of the portfolio of Embassy Office Parks REIT, for reporting purposes under the SEBI (Real Estate Investment Trust) Regulations, 2014, as amended, together with clarifications, guidelines and notifications thereunder and also disclosure requirement of fair valuation of investment properties as per SEBI.

• VALUATION GUIDELINE AND DEFINITION

Given the purpose of valuation as mentioned above, the valuation exercise has been carried out to estimate the "Market Value" of the Subject Properties in accordance with the IVSC International Valuation Standards issued in 2021 and effective from 31 January 2022.

As per IVSC International Valuation Standards, "Market Value" is defined as '*The estimated amount for which an asset or liability should exchange on the valuation date between a willing buyer and a willing seller in an arm's-length transaction after proper marketing and where the parties had each acted knowledgeably, prudently and without compulsion.*'

• VALUATION APPROACH

The basis of valuation for the Subject Properties being Market Value, the same has been derived by the following approach:

Discounted Cash Flow Method using Rental Reversion

The market practice in most commercial/ IT developments involves contracting tenants in the form of pre-commitments at sub-market rentals to increase attractiveness of the property to prospective tenants typically extended to anchor tenants. Additionally, there are instances of tenants paying above-market rentals for certain properties as well (primarily owing to market conditions at the time of contracting the lease). In order to arrive at a unit value for these tenancies, we have considered the impact of such sub/above market leases on the valuation of the Subject Properties.

For the purpose of the valuation of Subject Properties, Income Approach - Discounted Cash Flow Method using Rental Reversion has been adopted.

• VALUATION METHODOLOGY

In order to compute the Market Value of the Subject Properties the following understanding /assessment is required:

- Micro Market Assessment where the Subject Properties is located.

Embassy Office Parks REIT/ EOPMSPL
Independent Property Consultant Report
April 2025

- b. Portfolio Assessment (existing and future supply, demand from occupiers, average office space take up by an occupier in a particular sector, existing vacancy and the rentals)
- c. Situation of the Subject Properties (current achievable rentals, vacancy numbers, competing supply in the micro market etc.) with respect to the micro market.

The details are elaborated below:

Portfolio & Rental Assessment:

- The area details, ownership interests of the Subject Properties have been provided by the Client.
- Physical site inspections were conducted to assess the current status of the Subject Properties.
- The rent rolls along with corresponding leases deeds (on a reasonable sample basis) were reviewed to identify tenancy characteristics for the Subject Properties.
- The current effective rent is weighted average rentals for leased office/ retail plus other income.

Preparation of Future Cash Flows:

- Computing the monthly rental income projected and translating the same to a quarterly cash flow.
- The operational expenses of the respective properties are reviewed to understand the recurring, non-recurring, recoverable and non-recoverable nature expenses and accordingly estimate the margins on the common area maintenance income, which accrues as cash inflows to the Subject Properties and normalised for the purpose of cash flow projections
- The projected future cash flows from the Subject Properties are based on existing lease terms for the operational area till the expiry of the leases or re-negotiation, whichever is earlier, following which, the lease terms have been aligned with market rents achievable by the Subject Properties.
- The cash flows for the operational, under construction and proposed development area have been projected separately for the purpose of estimating and reporting valuation in accordance with the SEBI (REIT) Regulations
- For vacant area, under-construction area and proposed development area, the achievable market rent-led cash flows are projected factoring appropriate lease-up time frame for vacant/under-construction/proposed development area.
- Recurring operational expenses, fit-out income (wherever applicable, however, the same has not been included in the NOI for the purpose of arriving at the terminal value by capitalisation) and vacancy provision have been adopted in-line with prevalent market practices and conditions.
- In addition, appropriate rent-free periods have been adopted during lease roll-overs to consider potential rent-free terms as well as outflows towards brokerage.
- These cash flows have been projected for 10-year duration from the date of valuation wherein 11th year Net operating income (NOI) is capitalized for the assessment of terminal value. These future cash flows are then discounted to present-day value (valuation date) at an appropriate discount rate to arrive at the Market Value of the Subject Properties.
